Preface

This volume cumulates and replaces the 2003 edition of Volume 22 of the Official Code of Georgia Annotated, as supplemented by the 2006 Cumulative Supplement. The 2003 Volume 22 and its 2006 Supplement may be recycled or, if so desired retained for historical purposes.

This volume contains all laws specifically codified in Titles 27, 28, 29, and 30 by the General Assembly through the 2007 Session. This volume also contains case annotations reflecting decisions posted to LexisNexis® through May 25, 2007. These annotations will appear in the following traditional reporter sources: Georgia Supreme Court Opinions; Georgia Appeals Court Opinions; Southeastern Reporter, Second Series; Supreme Court Reporter; Federal Reporter, Third Series; Federal Supplement, Second Series; Federal Rules Decisions; and Bankruptcy Reporter. As official and traditional citations become available, substitutions for the LexisNexis® citations will be made.

Additionally, LexisNexis® has prepared annotations and references to Attorney General Opinions, law reviews, and other research sources that we hope will be beneficial as you utilize this product. A complete listing of those sources is as follows: Official and Unofficial Attorney General Opinions; Opinions of the Judicial Qualifications Commission; Advisory Opinions of the State Disciplinary Board of the State Bar; Formal Advisory Opinions of the State Disciplinary Board of the State Bar, issued by the Supreme Court of Georgia; Emory Law Journal; Georgia Law Review; Georgia State University Law Review; Mercer Law Review; Georgia State Bar Journal; American Law Reports; American Jurisprudence 2d; American Jurisprudence Pleading and Practice, American Jurisprudence Proof of Facts; American Jurisprudence Trials; Corpus Juris Secundum; and Uniform Laws Annotated. Also included, where appropriate, are cross references to the Official Code of Georgia Annotated.

This volume retains amendment notes and effective date notes for Acts passed during the 2005, 2006, and 2007 Sessions of the General Assembly. In order to determine the changes which were made or the effective date applied to a Code section by an Act passed prior to the 2005 Session of the General Assembly, the user should consult the Georgia Laws.

Delayed effective date. — Ga. L. 2004, p. 948, § 3-1(c), provides that the 2004 amendment becomes effective only upon the effective date of a specific appropriation of funds for purposes of that Act as expressed in a line item of an appropriations Act enacted by the General Assembly. This Code section, as amended, is not set out in the Code owing to the delayed effective date. Funds were not appropriated at the 2004, 2005, 2006, or 2007 sessions of the General Assembly. After the appropriation is made paragraphs (23) and (77) will read as follows: “(23) ‘Domestic species’ means those taxa of animals which have traditionally lived in a state of dependence on and under the dominion and control of man and have been kept as tame pets, raised as livestock, or used for commercial breeding purposes, including, but not limited to, dogs, cats, horses, cattle, ratites, and chickens. Animals which live in a captive or tame state and which lack a genetic distinction from members of the same taxon living in the wild are presumptively wild animals, except that lawfully obtained farmed fish which are held in confinement in private ponds shall be known as and considered to be ‘domestic fish,’ but only if they are fish species which are either indigenous to Georgia or are fish species which have been recognized prior to 1992 as hav-

ing an established population in Georgia waters other than private ponds; provided, however, that *Morone americana*, white perch, shall not be a domestic fish; and provided, further, that pacific white shrimp produced or used by and contained on the premises of a pacific white shrimp aquaculturalist registered under Code Section 2-15-6 shall not be presumed to be wild animals.

“(77) ‘Wildlife’ means any vertebrate or invertebrate animal life indigenous to this state or any species introduced or specified by the board and includes mammals, birds, fish, amphibians, reptiles, crustaceans, and mollusks or any part thereof; except that such term does not include any domestic fish produced by aquaculturalists registered under Code Section 27-4-255 or any pacific white shrimp produced or used by and lawfully contained on the premises of a pacific white shrimp aquaculturalist as those terms are defined by Code Section 2-15-2.”

The 2007 amendments. — The first 2007 amendment, effective July 1, 2007, added paragraphs (61.1) and (61.2). The second 2007 amendment, effective July 1, 2007, added paragraphs (5.1) and (29.1); in paragraph (10.1), deleted “designed to be” following “‘Cast net’ means a cone shaped net”, and added “without mechanical assis-

tance”; and deleted paragraphs (13.1), (13.2) and (59.1) through (59.4) related to recreational and commercial shrimp fishery.

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, the “S” at the beginning of “sunfish” was lower cased in divisions (36)(E)(v) and (vi).

Pursuant to Code Section 28-9-5, in 1997, “farmed deer” was substituted for “farmed-deer” in paragraph (27.1).

JUDICIAL DECISIONS

Former definition of “hunting” as written was vague and overbroad. — The word “pursuing” is intended by the legislature to mean seeking or searching for wildlife for the purpose of shooting or capturing such wildlife. The words “disturbing, harrying, or worrying” are intended to be limited to situations where the activities are for the purpose of shooting or capturing such wildlife. *Shirley v. State*, 254 Ga. 723, 334 S.E.2d 154 (1985) (decided prior to 1986 amendment).

Activities constituting “hunting.” — In a prosecution for hunting over a baited field, evidence was sufficient to show defendant was “hunting” where defendant’s activities constituted placing, setting, drawing, or using a device to take wildlife, whether or not defendant was actually in the act of pursuing, shooting, killing, or taking deer at the time of apprehension. *Redding v. State*, 217 Ga. App. 529, 458 S.E.2d 168 (1995).

Alligator farm. — Definition in Employment Security Law, O.C.G.A. § 34-8-1, of “farm laborer” was applied to that same term under the Workers’ Compensation Act in order to reach the determination that when an employee for an alligator farm cleaned out the pens, the employee was caring for wildlife and thus performing “agricultural labor” pursuant to O.C.G.A.

§ 34-8-35(m)(2)(A), but as the employer was not a “farm” because alligators were “wildlife” and “game animals” under O.C.G.A. § 27-1-2(34) and not “livestock or fur-bearing animals” pursuant to O.C.G.A. § 34-8-35(m)(3)(A), the employer did not fall within the exemption provided by O.C.G.A. § 34-9-2(a) with respect to the employee’s claim for workers’ compensation benefits; the trial court erred in holding that the employer was exempted from the Workers’ Compensation Act’s coverage. *Gill v. Prehistoric Ponds, Inc.*, 280 Ga. App. 629, 634 S.E.2d 769 (2006).

Because an employer who was in the business of breeding, rearing, and slaughtering alligators to sell the meat, hides, and head was not a farm, as alligators were “wildlife,” not livestock or fur-bearing animals, the employer did not fall within the exemption from coverage under the Worker’s Compensation Act provided by O.C.G.A. § 34-9-2(a). *Cook v. Prehistoric Ponds, Inc.*, 282 Ga. App. 904, 640 S.E.2d 383 (2006).

OPINIONS OF THE ATTORNEY GENERAL

Private pond. — Any opening that provides ingress and egress removes such body of water from the statutory definition of a private pond. 1963-65 Op. Att’y Gen. p. 197.

The term “wildlife” includes feral hogs. 1983 Op. Att’y Gen. No. U83-11.

27-1-3. Legislative declarations; ownership and custody of wildlife; preservation of hunting and fishing opportunities; promotion and right to hunt, trap, or fish; local regulation; general offenses.

(a) The General Assembly recognizes that hunting and fishing and the taking of wildlife are a valued part of the cultural heritage of the State of Georgia. The General Assembly further recognizes that such activities play an essential role in the state's economy and in funding the state's management programs for game and nongame species alike, and that such activities have also come to play an important and sometimes critical role in the biological management of certain natural communities within this state. In recognition of this cultural heritage and the tradition of stewardship it embodies, and of the important role that hunting and fishing and the taking of wildlife play in the state's economy and in the preservation and management of the state's natural communities, the General Assembly declares that Georgia citizens have the right to take fish and wildlife, subject to the laws and regulations adopted by the board for the public good and general welfare, which laws and regulations should be vigorously enforced. The General Assembly further declares that the state's wildlife resources should be managed in accordance with sound principles of wildlife management, using all appropriate tools, including hunting, fishing, and the taking of wildlife.

(b) The ownership of, jurisdiction over, and control of all wildlife, as defined in this title, are declared to be in the State of Georgia, in its sovereign capacity, to be controlled, regulated, and disposed of in accordance with this title. Wildlife is held in trust by the state for the benefit of its citizens and shall not be reduced to private ownership except as specifically provided for in this title. All wildlife of the State of Georgia is declared to be within the custody of the department for purposes of management and regulation in accordance with this title. However, the State of Georgia, the department, and the board shall be immune from suit and shall not be liable for any damage to life, person, or property caused directly or indirectly by any wildlife.

(c)(1) To the greatest practical extent, department land management decisions and actions shall not result in any net loss of land acreage available for hunting opportunities on department managed state owned lands that exists on July 1, 2005.

(2) The department has the authority and the responsibility to work with cooperating sportsmen, conservation groups, and others to encourage participation in hunting and fishing at a level to ensure continuation of such activities in perpetuity and no net loss of hunting and fishing opportunity on state owned lands. Further, the department is authorized to promote and encourage hunting, fishing, and other wildlife associated recreation on state managed wildlife areas, public fishing areas, federally

owned or managed forests, and other suitable public and private lands of this state.

(d) To hunt, trap, or fish, as defined in this title, or to possess or transport wildlife is declared to be a right to be exercised only in accordance with the laws governing such right. Every person exercising this right does so subject to the authority of the state to regulate hunting, trapping, and fishing for the public good and general welfare; and it shall be unlawful for any person exercising the right of hunting, trapping, fishing, possessing, or transporting wildlife to refuse to permit authorized employees of the department to inspect and count such wildlife to ascertain whether the requirements of the wildlife laws and regulations are being faithfully complied with. Any person who hunts, traps, fishes, possesses, or transports wildlife in violation of the wildlife laws and regulations violates the conditions under which this right is extended; and any wildlife then on his person or within his immediate possession is deemed to be wildlife possessed in violation of the law and is subject to seizure by the department pursuant to Code Section 27-1-21. Nothing in this subsection shall be construed to reduce, infringe upon, or diminish the rights of private property owners as otherwise provided by general law.

(e) It shall be unlawful to hunt, trap, or fish except during an open season for the taking of wildlife, as such open seasons may be established by law or by rules and regulations promulgated by the board or as otherwise provided by law.

(f) It shall be unlawful to hunt, trap, or fish except in compliance with the bag, creel, size, and possession limits and except in accordance with such legal methods and weapons and except at such times and places as may be established by law or by rules and regulations promulgated by the board.

(g) It shall be unlawful to hunt, trap, or fish for any game species after having obtained the daily or season bag or creel limit for that species.

(h) Except as otherwise provided by general law, the power and duty to promulgate rules and regulations relating to hunting, trapping, and fishing rests solely with the board. No political subdivision of the state may regulate hunting, trapping, or fishing by local ordinance; provided, however, that a local government shall not be prohibited from exercising its management rights over real property owned or leased by it for purposes of prohibiting hunting, fishing, or trapping upon the property or for purposes of setting times when access to the property for purposes of hunting, fishing, or trapping in accordance with this title may be permitted. Nothing contained in this Code section shall prohibit municipalities or counties, by ordinance, resolution, or other enactment, from reasonably limiting or prohibiting the discharge of firearms within the boundaries of the political subdivision for purposes of public safety.

(i) A person who takes any wildlife in violation of this title commits the offense of theft by taking. A person who hunts, traps, or fishes in violation

of this title commits the offense of criminal attempt. Any person who violates any provision of this Code section shall be guilty of a misdemeanor.

(j) If any court finds that any criminal violation of the provisions of this title is so egregious as to display a willful and reckless disregard for the wildlife of this state, the court may, in its discretion, suspend the violator's right to hunt, fish, trap, possess, or transport wildlife in this state for a period not to exceed five years. Any person who hunts, fishes, traps, possesses, or transports wildlife in this state in violation of such suspension of rights shall be guilty of a misdemeanor of a high and aggravated nature and upon conviction thereof shall be punished by a fine of not less than \$1,500.00 nor more than \$5,000.00 or imprisonment for a period not exceeding 12 months or both. (Ga. L. 1968, p. 497, § 1; Code 1933, § 45-201, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, §§ 13, 14; Ga. L. 1992, p. 2391, § 1; Ga. L. 2001, p. 302, § 1; Ga. L. 2005, p. 655, § 1/SB 206.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1911, p. 137, §§ 11, 12, 14, are included in the annotations for this Code section.

The state may exercise its police power to enforce and exercise its sovereign capacity over wildlife in order to preserve and protect it for the public good. Allen v. State, 11 Ga. App. 75, 74 S.E. 706 (1912) (decided under Ga. L. 1911, p. 137, §§ 11, 12, 14); Maddox v. State, 252 Ga. 198, 312 S.E.2d 325, cert. denied, 469 U.S. 820, 105 S. Ct. 93, 83 L. Ed. 2d 39 (1984).

The Georgia Department of Natural Resources properly prevented an alligator farmer from selling alligators, because the farmer's legal stock had mixed with wild alligators, the farmer refused to recapture and separate the legal alligators from the

wild alligators, and the state owned the wild alligators pursuant to O.C.G.A. § 27-1-3(b). Wright v. Dep't of Natural Res., 254 Ga. App. 450, 562 S.E.2d 515 (2002).

Criminality. — The legislature may make it criminal to sell or offer for sale wild game or to possess wild game during the closed season, regardless of whether the game was killed or taken within or without the state. Allen v. State, 11 Ga. App. 75, 74 S.E. 706 (1912) (decided under Ga. L. 1911, p. 137, §§ 11, 12, 14).

27-1-5. Applicability of “Georgia Administrative Procedure Act” to rules and regulations promulgated by board; affirmation of decision by operation of law; appellate review.

(a) Except as otherwise specifically provided, all rules and regulations promulgated by the board under this title shall be promulgated pursuant to Chapter 13 of Title 50, the “Georgia Administrative Procedure Act.” For the purposes of this title, rule making under subsection (b) of Code Section 50-13-4 in response to an imminent peril to the public health, safety, or welfare shall include rule making to protect wildlife, the public, and the natural resources of this state in the event of fire, flood, disease, pollution, or other emergency situations.

(b) Notwithstanding any other law to the contrary, when a petition for judicial review of a final decision of the board in any matter arising under this title is filed pursuant to Chapter 13 of Title 50, the “Georgia Administrative Procedure Act,” if the superior court in which the petition for review is filed does not hear the case within 90 days from the date the petition for review is filed with the court, the final decision of the board shall be considered affirmed by operation of law unless a hearing originally scheduled to be heard within the 90 days has been continued to a date certain by order of the court. In the event a hearing is held later than 90 days after the date the petition for review is filed with the court because a hearing originally scheduled to be heard within the 90 days has been continued to a date certain by order of the court, the final decision of the board shall be considered affirmed by operation of law if no order of the court disposing of the issues presented for review has been entered within 30 days after the date of the continued hearing. If a case is heard within 90 days from the date the petition for review is filed, the final decision of the board shall be considered affirmed by operation of law if no order of the court dispositive of the issues presented for review has been entered within 30 days of the date of the hearing.

(c) A decision of the board affirmed by operation of law under subsection (b) of this Code section shall be subject to appellate review in the same manner as a decision of the superior court. The date of entry of judgment

for purposes of appeal pursuant to Code Section 5-6-35 of a decision affirmed by operation of law without action of the superior court shall be the last date on which the superior court could have taken action under subsection (b) of this Code section. Upon the setting aside of any such decision of the board, the court may recommit the controversy to the board for further hearing or proceedings in conformity with the judgment and opinion of the court; or such court may enter the proper judgment upon the findings, as the nature of the case may demand. Such decree of the court shall have the same effect and all proceedings in relation thereto shall, subject to the other provisions of this chapter, thereafter be the same as though rendered in an action heard and determined by the court.

(d) Notwithstanding any other law to the contrary, any reference to an administrative law judge or hearing officer in this title shall be to an administrative law judge appointed by the chief state administrative law judge. The decision of the administrative law judge shall constitute the final administrative decision in any matter and any party to the matter, including the commissioner, shall have the right of judicial review in accordance with Chapter 13 of Title 50. Any request for administrative review by an administrative law judge appointed by the chief state administrative law judge shall be filed with the commissioner.

(e) Notwithstanding any other law to the contrary, any reference to a final decision of the Board of Natural Resources in this title shall be to a final administrative decision by an administrative law judge appointed by the chief state administrative law judge. (Code 1933, § 45-104, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1979, p. 800, § 6; Ga. L. 1982, p. 3, § 27; Ga. L. 1990, p. 223, § 1; Ga. L. 1995, p. 543, § 2.)

27-1-6. Powers and duties of department generally.

The department shall have the following powers and duties:

(1) Subject to all applicable state laws, to acquire by purchase, condemnation, lease, agreement, gift, or devise lands or waters suitable for the purposes enumerated in this paragraph and to develop, operate, and maintain the same for the following purposes:

(A) For fish hatcheries, nursery ponds, game farms, sanctuaries, reservations, and refuges;

(B) For wildlife restoration, propagation, protection, preservation, research, or management; and

(C) For public hunting, fishing, or trapping areas, where the public may hunt, fish, or trap in accordance with the provisions of law and the rules and regulations of the board;

(2) To capture, propagate, transport, purchase, sell, band, or release any species of wildlife for propagation, research, or stocking purposes; to

safeguard and enhance the habitat on which the wildlife depends; and to exercise control measures of nuisance or destructive species;

(3) To enter into cooperative agreements with educational institutions and state, federal, and other agencies to promote wildlife management, conservation, and research;

(4) To purchase all uniforms, equipment, and supplies necessary for the administration of this title;

(5) To carry out the operational, field, and administrative functions contained in this title;

(6) To publish and distribute magazines, pamphlets, books, or literature of any nature as may be necessary to inform and educate the public concerning the wildlife resources of the state and the functions, duties, activities, laws, rules, and regulations of the department pursuant to this title and pursuant to any other title;

(7) To keep a public record which correctly discloses all moneys received and expended by the department and all such information as may be necessary or proper in the conduct of the affairs and business of the department. The books and accounts of the department shall be audited in the same way as other books and accounts of the other departments of the state are audited;

(8) To pay to each conservation ranger the expenses incurred by such ranger in the performance of his duties;

(9) To contract with private landowners for the purposes of managing and operating public hunting and fishing areas on the property of such private landowners; and

(10) To develop an official waterfowl stamp for the State of Georgia and to issue such stamp to any interested person and to contract with any person granting such person the right to reproduce and market the official waterfowl stamp in stamp, print, poster, or such other form as the department shall determine and to contract with any person for the purpose of promoting, supporting, or otherwise assisting any waterfowl program of the department, including, but not limited to, public education; research; acquisition of wetlands; and management, development, and protection of waterfowl programs; provided, however, that not more than 15 percent of the funds retained by the department, if any, shall be used for law enforcement activities. The department is authorized to establish a special fund to be known as the "Waterfowl Stamp Fund." This fund shall consist of all moneys paid to the department as royalties, all moneys derived from the sale of any official waterfowl stamp, and all moneys contributed to the fund for the purposes provided in this paragraph and all interest thereon. All balances in the fund shall be deposited in an interest-bearing account identifying the fund and shall be

carried forward each year so that no part thereof may be deposited in the general treasury. The department shall administer the fund and may expend moneys held in the fund in furtherance of the purposes provided in this paragraph. Moneys paid into this fund shall be deemed supplemental to and shall in no way supplant funding that would otherwise be appropriate for these purposes. As used in this paragraph, the term "waterfowl" means any species of ducks, swans, or geese. (Ga. L. 1911, p. 137, §§ 1, 4; Ga. L. 1924, p. 101, §§ 1, 3, 4, 7, 26; Ga. L. 1925, p. 302, § 22; Ga. The person shall, within 60 days after the receipt of the notice, provide at his own expense a fish ladder or other suitable passageway for the purpose of allowing fish in such fresh water to pass freely over the dam or obstruction.

(c) Should any person owning, leasing, or constructing any dam or other obstruction in the fresh-water streams of this state fail and refuse to provide a fish ladder or other passageway after receiving the notice, as required in subsection (b) of this Code section, the department is authorized to build or erect a fish ladder or other passageway over the dam or obstruction; and the cost of the same shall be assessed by the department against the person owning, leasing, or constructing the dam or obstruction.

(d) The department is authorized to issue an execution in the nature of a fi. fa. against any person against whom an assessment has been made pursuant to subsection (c) of this Code section. The assessment shall be collected by any sheriff or other authorized officer of the state by means of levy and sale in the same manner as the collection of any other fi. fas. (Ga. JUDICIAL DECISIONS

Ranger may observe evidence of crime before search. — The fruits of a search of the defendant's premises, by a conservation ranger looking for deer carcasses, conducted with the defendant's consent, were admissible. The legality of such a search was not vitiated because, prior to obtaining consent, the ranger had observed the evidence of the crime by walking around the side of the house. *State v. Sutton*, 258 Ga. 382, 369 S.E.2d 249 (1988).

Intoximeter test administered by ranger. — The probate court properly denied defen-

dant's motion to suppress the intoximeter result since a conservation ranger was empowered and authorized, in addition to the ranger's regularly enumerated duties, to exercise the full authority of peace officers. *Smith v. State*, 204 Ga. App. 576, 420 S.E.2d 29, cert. denied, 204 Ga. App. 922, 420 S.E.2d 29 (1992).

Seizure of evidence. — Conservation rangers had authority to seize unlicensed hunter's crossbow and rifle without a warrant. *Dowis v. State*, 232 Ga. App. 111, 501 S.E.2d 275 (1998).

(a) Conservation rangers, sheriffs, and other peace officers of this state or any political subdivision thereof shall seize any wildlife taken or possessed in violation of the wildlife laws and regulations of this state. Such wildlife shall be sold or disposed of in such manner as the commissioner may direct, in conformance with any rules and regulations promulgated by the board, at any time after the expiration of 30 days following the seizure, unless the

owner thereof or the person in possession at the time of the seizure files a civil action against the State of Georgia, Department of Natural Resources, within 30 days following the seizure, in the state or superior court having jurisdiction in the county where the seizure was made. The person filing the action shall have the burden of proof, and the action shall be tried as other civil cases in such court. Items for which such an action has been filed shall be held pending the resolution of the action, provided that reasonable charges for storage shall be paid by the person filing the action in the event that such person does not prevail in the action.

(b) If the wildlife seized is perishable or if by its nature, size, or quantity it cannot be humanely, conveniently, or economically stored, held, or contained, or if the wildlife seized poses a threat to public safety or public health, the commissioner may at any time order that it be disposed of and the proceeds, if any, held in escrow for 30 days following such seizure. If the owner thereof or the person in possession at the time of seizure files an action pursuant to this Code section, the action will be for the return of the proceeds, if any, and the proceeds will be held in escrow until final disposition of the action. If no such action is filed, the proceeds shall be paid into the state treasury.

(c) Items for which there is no conveniently ascertainable commercial market may be donated to a charitable institution or otherwise disposed of as the commissioner may direct. (Ga. L. 1970, p. 466, § 2; Ga. L. 1975, p. 1288, § 1; Code 1933, § 45-208, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1992, p. 2863, § 2.)

27-1-34. Defenses not available in prosecutions for violations.

In any prosecution for the violation of any of the provisions of the wildlife laws, it shall not be a defense that the person taking, possessing, selling, transporting, or storing wildlife was mistaken as to the species, sex, age, size, or any other fact regarding such wildlife or that the person lacked criminal intent, it being one of the purposes of the wildlife laws to penalize recklessness resulting in the violation of the wildlife laws. (Ga. L. 1955, p. 483, § 52; Code 1933, § 45-204, enacted by Ga. L. 1977, p. 396, § 1.)

(a) The jurisdiction of the probate courts of the several counties of this state is enlarged and extended so that probate courts, acting by and through the judge or presiding officer, shall have the right and power to receive pleas of guilty and impose sentence upon defendants violating the provisions of this title.

(b) When a person is arrested for any violation of the wildlife laws, the arresting officer may, at his discretion, choose to issue to the offender a summons to appear before a court of jurisdiction. Every such summons shall show:

(1) That it is issued by authority of the department;

(2) The name of the person summoned or, if the person to be summoned refuses to give his name or the officer serving the summons believes the name given is false or if the officer is for other cause unable to ascertain the correct name of the person to be summoned, a fictitious name plainly identified as such;

(3) The offense with which the person being summoned is charged and the date and location of the alleged offense;

(4) The location of the court and the day and hour at which he is summoned to appear;

(5) That failure to so appear is a violation of Georgia laws and subject to prosecution;

(6) The date the summons is served; and

(7) The name and official designation of the officer serving it.

(c) Every person so summoned shall appear at the place and on the date ordered except in cases where a bond has been posted in lieu of the summons or where the court has granted a continuance.

(d) The officer serving a summons pursuant to this Code section shall, on or before the return date of the summons, deliver a copy thereof to the court before which it is returnable, or to the clerk of such court, and shall file any information and such affidavits as may be required with respect to the alleged offense.

(e) Personal delivery of a summons to the persons charged shall constitute due and proper service of the summons; provided, however, that if the violation is for a vehicle parking violation involving an unattended vehicle, service may be made by placing the summons on the driver's side of the windshield of the vehicle. 27-1-36. Civil enforcement by department; disposition of penalties.

(a) As an alternative to criminal enforcement pursuant to Code Section 27-1-38, the department, in order to enforce this title or any rules and regulations promulgated pursuant thereto, may employ any one or any combination of the following methods:

(1) Any person who violates any provisions of this title or any regulations or orders promulgated and administered thereunder shall be liable civilly for a penalty in an amount of up to \$1,000.00 for each and every violation thereof, the penalty to be recoverable by a civil action brought in the name of the commissioner by the district attorney of the county in which the alleged violator resides. The commissioner on his motion may or upon complaint of any interested party charging a violation shall refer the matter directly to the district attorney of the county in which the alleged violator resides. The proceeds from all civil penalties arising from enforcement of the wildlife laws, regulations, and orders pursuant to this Code section shall be used in the manner prescribed in Code Section 27-1-14;

(2) Whenever the commissioner determines that any person has violated any provision of this title or any regulations or orders promulgated under this title, the commissioner may issue an administrative order imposing a civil penalty not to exceed \$1,000.00 for the violation. Any person who is aggrieved or adversely affected by any such order shall, upon petition within 30 days after the issuance of such order, have a right to a hearing before an administrative law judge appointed by the Board of Natural Resources. The hearing before the administrative law judge shall be conducted in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," and the rules and regulations adopted by the board pursuant thereto. The decision of the administrative law judge shall constitute the final decision of the board and any party to the hearing, including the commissioner, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50; or

(3) All civil penalties recovered by the department as provided in this Code section shall be paid into the state treasury. The commissioner may file in the superior court in the county in which the person under order resides or, if the person is a corporation, in the county in which the corporation maintains its principal place of business, or in the county in which the violation occurred, a certified copy of a final order of the commissioner or the administrative law judge unappealed from or of a final order of the administrative law judge affirmed upon appeal, whereupon the court shall render judgment in accordance therewith and notify the parties. The judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same, as though the judgment had been rendered in an action duly heard and determined by the court.

(b) The civil penalty prescribed in this Code section shall be concurrent with, alternative to, and cumulative of any and all other civil, criminal, or alternative rights, remedies, forfeitures, or penalties provided, allowed, or available to the commissioner with respect to any violation of this title and any regulations or orders promulgated pursuant thereto; provided, however, that in no instance shall the department be authorized to proceed against any person under both Code Section 27-1-38 and this Code section for any single violation of the wildlife laws, rules, and regulations. (Code 1933, § 45-217, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1984, p. 404, § 7; Ga. L. 1985, p. 149, § 27; Ga. L. 1993, p. 91, § 27.)

27-1-37. Administrative orders; emergency administrative orders; administrative review.

(a) Whenever the department has reason to believe that a violation of any provision of this title, any rule or regulation adopted pursuant thereto, or a condition of any permit issued thereunder has occurred or is occurring, the department may, in its discretion, issue an administrative order requiring the violator to take whatever corrective action the department deems necessary in order to obtain compliance within a period of time set forth in such order. Such order may also authorize the seizure of any wildlife or wild animal which the department determines is being or has been taken, imported, sold, transferred, or possessed in violation of this title, any regulation promulgated pursuant thereto, or a condition of any permit or license issued thereunder. Any such order issued by the department shall become final unless the person named therein files with the department a written request for a hearing within 30 days after the order is served personally or by certified mail or statutory overnight delivery on such person.

(b) In addition to taking the actions authorized in subsection (a) of this Code section, the department may issue an emergency administrative order for the purpose of authorizing any appropriate enforcement action including, but not limited to, the seizure of wildlife or wild animals; provided, however, that such emergency order must be supported by and have attached thereto an affidavit stating that the affiant has personal knowledge that immediate irreparable injury is likely to occur to wildlife or other natural resources, to wild animals, or to human beings. Any such emergency order issued by the department shall be effective immediately upon the issuance of the order. The person named in the order shall, upon written request within 30 days of the issuance of the order, be entitled to a hearing, the hearing to be held within ten days of receipt of the request.

(c) Nothing in this Code section shall be construed to require the issuance of an administrative order or emergency administrative order to seize contraband or wildlife in accordance with this title.

(d) The hearing reviewing an administrative order or an emergency administrative order shall be conducted by an administrative law judge appointed by the Board of Natural Resources. The hearing before the administrative law judge shall be conducted in accordance with Chapter 13 of Title 50, the “Georgia Administrative Procedure Act,” and the rules and regulations adopted by the board pursuant thereto. The decision of the administrative law judge shall constitute the final decision of the board and any party to the hearing, including the department, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50. Editor’s notes. — Ga. L. 2000, p. 1589, § 16, not codified by the General Assembly, provides that the amendment to subsection (a) is applicable with respect to notices delivered on or after July 1, 2000.

27-1-38. Penalty for violations of title.

Unless otherwise specifically provided, any person who violates any of the provisions of this title shall be guilty of a misdemeanor; provided, however, that unless otherwise specifically provided, any person who violates any of the provisions of this title or any rule or regulation promulgated pursuant thereto relating to the possession or use of fishing gear on trawlers shall be a misdemeanor of a high and aggravated nature and shall be fined \$1,000.00 for the first offense, \$3,000.00 for the second offense, and \$5,000.00 for the third and each subsequent offense. HUNTING, TRAPPING, OR FISHING

27-2-1. Hunting, trapping, or fishing without license or permit generally; nonresidents.

- (a) It shall be unlawful for any person to hunt, fish, trap, or possess any wildlife or feral hog without first procuring all of the licenses, stamps, or permits required or authorized under this title.
- (b) It shall be unlawful for any resident of this state who has attained the age of 16 years to hunt, fish in the waters of this state, or trap without a valid hunting license, fishing license, or trapping license, respectively, as provided in Code Section 27-2-23, except on premises owned by him or her or his or her immediate family. It shall be unlawful for any resident of this state to hunt, fish, or trap in this state without carrying such license upon his or her person, except on premises owned by him or her or his or her immediate family and except when otherwise specifically directed by authorized personnel of the department.
- (c) It shall be unlawful for any person not a resident of Georgia who has attained the age of 16 years to hunt, fish in the waters of this state, or trap in this state without a valid nonresident hunting, fishing, or trapping license, respectively, as provided in Code Section 27-2-23, except as otherwise specifically provided by law and interstate agreements. It shall be unlawful for any nonresident to hunt, fish in the waters of this state, or trap without carrying such license on his or her person, unless otherwise specifically directed by authorized personnel of the department.

(d) Notwithstanding the provisions of subsections (b) and (c) of this Code section, no license shall be required to fish with permission of the owner from noncommercial premises not open to the public, including docks and foreshores of such premises, or at a facility or on a charter boat licensed pursuant to the provisions of Code Section 27-2-23.2. (Ga. L. 1911, p. 137, § 13; Ga. L. 1916, p. 114, § 3; Ga. L. 1925, p. 302, § 27; Ga. L. 1931, p. 7, § 25; Ga. L. 1931, p. 178, § 6; Code 1933, §§ 45-201, 45-204, 45-205; Ga. L. 1935, p. 379, § 1; Ga. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1937, p. 675, § 1, are included in the annotations for this Code section.

Incorrect date on summons. — Because the date of the alleged offense is not generally material, except for statute of limitations purposes, and failure to rely on a specific date is not harmful unless the defendant is surprised and prejudiced in the preparation of defendant's defense, defendant was not harmed by the appearance of an incorrect date on the summons. *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

Evidence sufficient to sustain conviction. — Evidence that defendant obtained resident hunting licenses by giving a Georgia address as defendant's legal residence, while a resident of the State of Virginia, evidence of the act of hunting and testimony that defendant had been hunting and had taken a turkey was sufficient to sustain defendant's conviction under O.C.G.A. § 27-2-1. *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

Because the defendant acknowledged hunting doves in an open field without a hunting license and "fading" into the woods when the rangers approached, the rangers had a reasonable and articulable suspicion that illegal activity had occurred; consequently, defendant's fourth amendment rights against unreasonable search and seizure were not violated and the trial court properly denied the defendant's motion for a new trial on the charges of illegal hunting and obstruction. *Sharp v. State*, 275 Ga. App. 487, 621 S.E.2d 508 (2005).

License required for invitees of owner of private pond. — While owner of private pond may fish therein without procuring a license and may take fish therefrom in any manner whatever, other residents of the state over 16 years of age, even though fishing in such private pond as invitees of the owner, would be required to obtain a license. *Vickers v. Jones*, 200 Ga. 338, 37 S.E.2d 205 (1946) (decided under Ga. L. 1937, p. 675, § 1).

27-2-2. Issuance and sale of hunting, fishing, and trapping licenses; identification required of purchasers; withdrawal of agents' authority to sell licenses.

(a) Hunting, fishing, and trapping licenses shall be issued and sold by the department on forms containing such information as may be prescribed by the department. As used in this Code section, the term "license" shall include all permits, licenses, or stamps issued by the department under Code Section 27-2-23. Licenses for hunting and fishing may be sold in each county by persons approved by the department to be license agents.

(b) Each license agent may be required to:

(1) Remit to the department a premium which shall entitle him or her to coverage under a blanket performance bond provided by the department. The premium, which may include the reasonable cost of administering a self-insurance program, shall be in an amount determined by the commissioner, and shall be due and payable annually upon billing by the department;

(2) Account for all license sales and the monetary receipts from such sales in reports to the department, which reports shall be on a schedule and in a form specified by the written agreement between the license agent and the department. Failure to remit license sales receipts as specified in the agreement may result in suspension of the license agent's ability to sell licenses; and

(3) Receive for himself or herself no more than 60¢ for each license issued, except for nonresident hunting licenses and resident sportsman licenses, for which the license agent may receive \$1.25 for each license issued, and except for licenses sold by telephone by an approved telephone license agent or over the Internet by an approved Internet license agent, for which the agent may charge and receive up to \$5.00 per transaction in addition to the actual cost of the license or licenses sold during the transaction; provided, however, that neither the telephone license agent nor the Internet license agent shall receive any additional fee per license sold during a telephone or Internet transaction; provided, further, that the sale of one or more licenses to one applicant during one telephone call or one Internet session shall constitute a single transaction.

(b.1) Any person who applies to be a license agent after June 30, 1998, shall be assessed a fee not to exceed the fair market cost of automated licensing equipment the department shall install in such agent's place of business. Such fees shall be due and payable upon installation of the automated equipment.

(c) The commissioner may either purchase a blanket performance bond for the department's license agents from or through the Department of Administrative Services or any other source or establish a self-insurance bond by retaining all moneys paid to the department for the premium established pursuant to subsection (b) of this Code section, all moneys received as interest, and nonappropriated funds received from other sources to establish and maintain a reserve fund for the purpose of making payments to the department upon the defalcations of license agents and defraying the expenses necessary to administer the program; provided, however, that no revenue collected from taxes, fees, and assessments for state purposes shall be deposited in such fund. The commissioner shall invest any such moneys in the same manner as other moneys in his or her possession. The commissioner is authorized, in his or her discretion, to contract for any or all of the services necessary to carry out the functions enumerated in this Code section.

(d) Prior to selling any license, except for a license sold over the telephone by an approved telephone license agent or over the Internet by an approved Internet license agent, each license agent shall require each person desiring to purchase a license to display a driver's license or equally reliable identification of the individual and the current residence and age of such individual. In the event the department determines that a license agent has intentionally or negligently sold a resident license to a person who is a nonresident or who is underage, the department may immediately withdraw the authority of such license agent to issue and sell licenses on behalf of the department, provided that the department shall not withdraw the license agent's authority until the license agent has been given ten days' written notice of intention to withdraw authority setting forth the reason or reasons for the withdrawal and giving the license agent a hearing in the county of said agent's residence on the reasons for withdrawal. Code Commission notes. — Pursuant to Code Section 28-9-5, in 1998, paragraph (b)(4) was redesignated as subsection (b.1) and, in subsection (b), “and” was added at the end of paragraph (2) and a period was substituted for “; and” at the end of paragraph (3).

27-2-3. Effective periods of hunting, fishing, and trapping licenses generally.

Except as otherwise specifically provided, all hunting, fishing, and trapping licenses, including without limitation commercial fishing and commercial fishing boat licenses issued pursuant to Code Section 27-2-8, shall be effective from April 1 to March 31 of the following year; except that all annual hunting, fishing, and hunting and fishing combination licenses issued pursuant to paragraphs (1) through (4) of Code Section 27-2-23 shall be effective for 12 months from the date of issuance. (Ga. L. 1955, p. 483, § 30; Code 1933, § 45-302, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 22; Ga. L. 1978, p. 1552, § 2; Ga. L. 2003, p. 654, § 3; Ga. L. 2007, p. 47, § 27/SB 103.)

The 2007 amendment, effective May 11, 2007, part of an Act to revise, modernize, and correct the Code, substituted “combina-

tion licenses issued pursuant to” for “combination licenses pursuant to” near the end.

27-2-3.1. Archery and primitive weapons hunting license; all weapons hunting license; sportsman license; license card carrier requirement; creation of lifetime sportsman’s license.

(a) Persons hunting during any archery season or primitive weapons season must purchase a primitive weapons license, unless otherwise provided by this title.

(b) Reserved.

(c) The requirements in this title for procuring any license or permit for noncommercial hunting and fishing privileges, except for hunting alligators, shall be satisfied by a resident who procures a sportsman license. An applicant for such license shall, prior to the issuance of the license, complete a screening questionnaire associated with the federal Migratory Bird Harvest Information Program.

(d) All licenses, stamps, or permits for noncommercial hunting and fishing privileges must be attached to or printed on a form provided by the department which must include the applicant's name, address, date of birth, and hunter safety certification number; provided, however, that each such item of information may be, but is not required to be, printed on lifetime licenses.

(e)(1) The requirements in this title for procuring any license, stamp, or permit for noncommercial hunting and fishing privileges shall be satisfied by a resident or nonresident who procures a lifetime sportsman's license.

(2) An applicant for such license who is a resident shall, prior to the issuance of the license, provide satisfactory evidence of residency.

(3) An applicant for a veteran's lifetime sportsman's license shall, in addition to satisfactory evidence of residency, be required to provide satisfactory evidence that he or she served more than 90 days of federal active duty military service and was honorably discharged.

(4) An applicant for such license who is a nonresident shall not be eligible for issuance of such license unless he or she is under 16 years of age and is the grandchild of a resident who holds a valid paid lifetime sportsman's license. The resident grandparent who holds such a lifetime sportsman's license and who is the sponsor of a nonresident applicant for a lifetime sportsman's license must certify the nonresident applicant's relationship to him or her in writing to the department.

(5) For purposes of procuring a lifetime sportsman's license, the term "residency" means a domicile within Georgia for a minimum of 12 consecutive months immediately prior to procuring such license. Satisfactory evidence of residency shall consist of a current Georgia driver's license or official Georgia identification card issued by the Department of Driver Services and at least one of the following:

- (A) A voter registration card;
- (B) A copy of the prior year's Georgia income tax return;
- (C) A current Georgia automobile registration; or
- (D) A warranty deed to property at the same address as is displayed on the Georgia driver's license.

Minors under 18 years of age shall be presumed to be residents upon proof of parent's residency as provided for in this Code section. For purposes of procuring the Type I (Infant) lifetime license, a certified copy of the birth certificate of the licensee shall be required.

(f)(1) Lifetime sportsman's licenses and fees for residents shall be as follows:

(A) Type I (Infant), available only to those individuals under two years of age: \$200.00;

(B) Type Y (Youth), available only to those individuals from two through 15 years of age: \$350.00;

(C) Type A (Adult), available to those individuals 16 years of age or older: \$500.00;

(D) Type SD (Senior Discount), available to those individuals 60 years of age or older: \$95.00;

(E) Type S (Senior), available to those individuals 65 years of age or older: no charge; and

(F) Type V (Veterans), available only to those individuals who served more than 90 days of federal active duty military service and were honorably discharged: eighty percent of the amount of the fee specified for Type A lifetime sportsman's licenses in subparagraph (C) of this paragraph.

(2) The fee for any lifetime sportsman's license for a nonresident, Type NR, shall be twice the amount of the fee for a Type A (Adult) lifetime sportsman's license for a resident.

(g) Lifetime sportsman's licenses shall be valid for the lifetime of the purchaser, whether resident or nonresident. Change of residency to another state shall not affect the validity of the lifetime license when hunting or fishing in Georgia.

(h) The commissioner shall revoke the lifetime sportsman's license of any person who knowingly attempts to or does purchase, obtain, or assist another person to obtain a lifetime sportsman's license by fraudulent means, without refund of any fees paid.

(i) Upon payment of a replacement fee up to \$10.00, any lifetime sportsman's license other than a Type S license may be replaced if lost, stolen, or destroyed, provided that the applicant's name and lifetime license number are in the records of the department. No replacement fee shall be charged for replacement of a Type S license. Replacement fees for all other licenses shall be \$3.00 per transaction, regardless of the number of licenses being replaced in a given transaction.

(j) Once a lifetime license is issued, no refunds of fees will be made except in the case of the death before age 16 years of a Type I (Infant)

lifetime license holder or a Type Y (Youth) license holder, in which case a full refund of fees collected may be made upon submission of the lifetime license and any other documentation required by the department. (Code 1981, § 27-2-3.1, enacted by Ga. L. 1995, p. 946, § 4; Ga. L. 1998, p. 783, § 4; Ga. L. 1998, p. 826, § 1; Ga. L. 2001, p. 1013, § 7; Ga. L. 2002, p. 415, § 27; Ga. L. 2003, p. 654, §§ 4, 5; Ga. L. 2004, p. 338, § 1; Ga. L. 2005, p. 334, § 11-1/HB 501; Ga. L. 2007, p. 91, § 1A/HB 81.)

The 2005 amendment, effective July 1, 2005, substituted "Department of Driver Services" for "Department of Motor Vehicle Safety" in the sixth sentence in subsection (e).

The 2007 amendment, effective July 1, 2007, rewrote the former first paragraph of

subsection (e) as present paragraphs (e)(1) through (e)(5); and in subsection (f), deleted "and" at the end of subparagraph (f)(1)(D), substituted "; and" for a period at the end of subparagraph (f)(1)(E), and added subparagraph (f)(1)(F).

OPINIONS OF THE ATTORNEY GENERAL

Fingerprinting not required. — An offense under O.C.G.A. § 27-2-3.1 would not be

designated as one which requires fingerprinting. 1998 Op. Att'y Gen. No. 98-20.

27-2-4. Honorary hunting and fishing licenses.

(a) The department shall issue an honorary hunting and fishing license, which shall entitle a resident to hunt and fish in this state without the payment of fees described in Code Section 27-2-23, to each resident who is permanently and totally disabled. For purposes of this Code section, a permanent, total disability shall be a physical or mental impairment of a total and permanent nature which prevents gainful employment and which is certified as such by the United States Department of Veteran Affairs, the Social Security Administration, Medicaid, medicare, the Railroad Retirement System, or a unit of federal, state, or local government recognized by the board by rule or regulation; provided, however, that persons disabled because of a mental impairment shall be issued an honorary fishing license only. Persons issued an honorary license under disability provisions shall renew such licenses and recertify their eligibility for such licenses every three years; provided, however, that honorary licenses in effect as of July 1, 1998, shall not require renewal.

(b) Any resident who is totally blind and who applies to the department shall receive a lifetime honorary fishing license which shall entitle the holder thereof to fish in this state without the payment of any fee whatsoever.

(c) Any person holding a valid honorary license pursuant to this Code section shall not be required to obtain the trout license and big game license otherwise required by Code Section 27-2-6.

(d) All honorary hunting and fishing licenses are subject to all wildlife laws, rules, and regulations with the exception of the provisions requiring

the payment of fees described in Code Section 27-2-23 for such licenses. Such honorary licenses may be revoked in accordance with this title. It shall be unlawful for any person who has an honorary hunting and fishing license to permit the use of same by any other person. It shall also be unlawful for any person who is not entitled to an honorary hunting and fishing license to use such a license or for any totally and permanently disabled person issued such a license to possess or use such license when the disability is no longer total or permanent. Licenses for the totally and permanently disabled may, upon a determination that the disability is no longer total or permanent, be revoked until such time as the disability is again total and permanent.

(e) The commissioner is authorized to make and enter into agreements from time to time with the proper authorities of various states of the United States regarding nonresident hunting and fishing license fees for persons 65 years of age or older so as to provide honorary hunting and fishing licenses to be issued without charge to nonresidents 65 years of age or older where such practice is reciprocated for Georgia residents in that person's state of residence.

(f) Persons holding lifetime honorary licenses issued to persons 65 years of age or older prior to April 1, 1999, shall not be required to obtain a lifetime license pursuant to Code Section 27-2-3.1, and such lifetime honorary license shall carry the same rights and privileges as a lifetime license issued pursuant to that Code section.

(g)(1) As used in this subsection, the term "returning veteran" means a person who is discharged from active duty as a member of the regular or reserve component of the United States armed forces, the United States Coast Guard, the Georgia National Guard, or the Georgia Air National Guard and who was on ordered federal duty for a period of 90 days or longer.

(2) The department shall issue an honorary hunting and fishing license to any returning veteran which shall entitle him or her to hunt and fish in this state without the payment of fees described in Code Section 27-2-23 for a period of one year following issuance. A returning veteran requesting such an honorary license shall provide proof of his or her discharge. (Ga. L. 1949, p. 1194, §§ 1-4; Ga. L. 1956, p. 590, § 1; Ga. L. 1964, p. 461, § 1; Ga. L. 1965, p. 228, § 1; Ga. L. 1966, p. 6, § 2; Ga. L. 1971, p. 38, § 1; Ga. L. 1973, p. 1265, § 1; Code 1933, § 45-302, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 935, § 1; Ga. L. 1979, p. 678, §§ 17, 18; Ga. L. 1984, p. 22, § 27; Ga. L. 1988, p. 842, § 1; Ga. L. 1990, p. 45, § 1; Ga. L. 1991, p. 94, § 27; Ga. L. 1994, p. 496, § 1; Ga. L. 1998, p. 783, § 5; Ga. L. 1998, p. 826, § 2; Ga. L. 2005, p. 213, § 3/SB 258.)

The 2005 amendment, effective July 1, 2005, added subsection (g).

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1985, a comma was inserted following “license” in the first sentence of subsection (a).

Pursuant to Code Section 28-9-5, in 1998, a comma was deleted following “time” in subsection (e).

JUDICIAL DECISIONS

Presumption concerning nonresidents. — One is presumed to know that a nonresident cannot obtain an honorary hunting license.

Ford v. State, 178 Ga. App. 706, 344 S.E.2d 514 (1986).

OPINIONS OF THE ATTORNEY GENERAL

Editor’s notes. — In light of the similarity of the provisions, opinions under Ga. L. 1955, p. 483, as it read prior to revision by Ga. L. 1977, p. 396, § 1, are included in the annotations for this Code section.

Widow of deceased veteran is not entitled to free hunting or fishing license unless she herself is 65 years of age or older and a legal resident of Georgia. 1971 Op. Att’y Gen. No. 71-127 (decided under Ga. L. 1955, p. 483).

Meaning of phrase “without the payment of any fee whatsoever.” — Phrase “without the payment of any fee whatsoever” is designed to modify infinitive phrase “to hunt and fish”; legislative intent of former subsection (a) then would seem to be that holder of honorary license is not to be charged any state-imposed license or use fee for hunting and fishing. 1971 Op. Att’y Gen. No. 71-67 (decided under Ga. L. 1955, p. 483).

27-2-4.1. Fishing license reciprocity for Florida residents over 65 years of age.

No fishing license shall be required for any Florida resident who is more than 65 years of age, to the extent that a reciprocal provision exists under Florida law for any Georgia resident who is more than 65 years of age. Florida residents exempted from the requirement of obtaining a fishing license under this Code section shall be entitled to fish in this state without the payment of any fee whatsoever, except that in order to engage in the activities regulated by subsection (a) of Code Section 27-2-6 such a Florida resident must have paid the fee otherwise required for a trout license and must have in his or her possession such proof of such payment as may be prescribed by the department. Florida residents exempted from the requirement of obtaining a fishing license under this Code section are subject to all wildlife laws, rules, and regulations with the exception of provisions requiring fishing licenses. The privileges granted to a Florida resident under this Code section may be suspended or revoked on the same grounds and in the same manner as fishing licenses are suspended and revoked. A Florida resident fishing as authorized by this Code section shall carry upon his or her person proof of his or her age and residence. (Code 1981, § 27-2-4.1, enacted by Ga. L. 1987, p. 365, § 1; Ga. L. 1998, p. 783, § 6.)

27-2-4.2. Courtesy nonresident fishing licenses to certain paralyzed or disabled veterans.

The department is authorized to issue a courtesy nonresident fishing license, without fee, to any person who is not a resident of this state who is a paralyzed or disabled veteran and who is participating in an organized fishing tournament in this state which is sponsored and conducted by a nonprofit charitable association of paralyzed or disabled veterans. Such courtesy nonresident license shall be valid for use only during the specified dates of such tournament and for a maximum of seven days. (Code 1981, § 27-2-4.2, enacted by Ga. L. 1998, p. 1659, § 2.)

27-2-5. Required hunter education courses.

(a) It shall be unlawful for any person born on or after January 1, 1961, to procure a hunting license or to hunt by means of weapons in this state unless that person has been issued a certificate or other evidence the department deems acceptable which indicates satisfactory completion of a hunter education course as prescribed by the board. Persons ages 16 through 25 shall provide such certificate or other evidence to the issuing agent at the time of purchase of a hunting license. All persons required by this subsection to complete a hunter education course, by signing such license, by receiving a temporary license identification number, or by receiving a license from a telephone license agent, Internet license agent, or other vendor, shall certify their compliance with this subsection.

(b) It shall be unlawful for any person authorized to issue hunting licenses in this state to issue a hunting license to any person age 16 through 25 unless that license agent shall have been provided with a certificate showing the license applicant has satisfactorily completed a hunter education course as prescribed by the board, or to any other person born on or after January 1, 1961, unless such person provides such other evidence of completion of a hunter education course as the department deems acceptable. Internet and telephone license agents may accept a valid hunter education certificate number as fulfillment of this requirement.

(c) It shall be unlawful for any person age 16 through 25 who is not required by law to obtain a hunting license to hunt in this state unless that person carries on his or her person while hunting a certificate attesting to that person's satisfactory completion of a hunter education course as prescribed by the board. Such person shall present his or her certificate to a conservation ranger or deputy conservation ranger for inspection upon demand.

(d) Any person who is age 12 through 15 shall satisfactorily complete a hunter education course as a prerequisite to hunting with a weapon in this state. It shall be unlawful for any adult to permit his or her child or ward age 12 through 15 to hunt with a weapon unless the child has a certificate attesting to his or her satisfactory completion of such course on his or her person; provided, however, that a hunter education course is not required for a child age 12 through 15 years who is hunting under adult supervision by a licensed adult hunter.

(e) Any person applying for a season nonresident hunting license may provide a certificate of completion or such other evidence of completion the department deems acceptable of the official hunter education or hunter safety course of such person's state of residence if that course shall have been approved by the department. Those persons applying for a hunting license other than a season hunting license shall not be required to exhibit such a certificate or to complete a hunter education course in order to obtain the license.

(f) By rule or regulation, the board shall prescribe a course of instruction in competency and safety in hunting and in the handling of weapons. The board shall also prescribe procedures whereby competent residents of this state shall be certified as hunter education instructors. The board may provide, by rule or regulation, for charging reasonable fees for the issuance by the department of duplicate certificates of completion of a hunter education course and for hunter education courses in order to defray the expenses of conducting such courses. Any such fees shall be deemed as "other income" of the department for purposes of subsection (c) of Code Section 27-1-13.

(g) Any person violating any provision of this Code section shall be guilty of a misdemeanor; provided, however, that this subsection shall not apply to any person under the age of 16.

(h) The requirements of subsections (c) and (d) of this Code section shall not apply to any person hunting on his or her own land or that of his or her parents or legal guardian or to persons permitting a child or ward aged 12 through 15 years to hunt on the parent's or guardian's own land. (Code 1933, § 45-302.1, enacted by Ga. L. 1978, p. 2264, § 1; Ga. L. 1979, p. 1177, § 1; Ga. L. 1988, p. 842, § 2; Ga. L. 1993, p. 779, § 2; Ga. L. 1995, p. 946, § 5; Ga. L. 1996, p. 6, § 27; Ga. OPINIONS OF THE ATTORNEY GENERAL

Nonresident hunter education certification. — Nonresidents born prior to January

1, 1961, may hunt in this state or obtain season nonresident hunting licenses without

proof of hunter training; nonresidents born on or after January 1, 1961, may not obtain nonresident season hunting licenses in this state without certification of hunter training. 1979 Op. Att'y Gen. No. 79-68.

O.C.G.A. § 27-2-5 does not expressly subject nonresident hunters to special requirements. 1979 Op. Att'y Gen. No. 79-68.

This language is permissive, not mandatory. 1979 Op. Att'y Gen. No. 79-68.

27-2-6. Trout license, official Georgia waterfowl license, big game license, and alligator hunting license.

(a) It shall be unlawful for any person who has attained the age of 16 years to fish for or possess mountain trout or to fish in any waters designated as trout waters or trout streams pursuant to Code Section 27-4-51 unless such person has in his or her possession a trout license in addition to his or her fishing license.

(b) It shall be unlawful for any person who has attained the age of 16 years to hunt or possess big game unless such person has in his or her possession a big game license in addition to the required hunting license; provided, however, that all nonresidents, regardless of age, must possess a nonresident hunting license along with any harvest records required by law or regulation to hunt big game in this state.

(c) It shall be unlawful for any person who has attained the age of 16 years to hunt ducks, geese, or swans unless such person has in his or her possession an official Georgia waterfowl license in addition to the required hunting license.

(d) It shall be unlawful for any person who has attained the age of 16 years to hunt alligators unless such person has in his or her possession an alligator hunting license in addition to the required hunting license; provided, however, that this subsection shall not apply to lifetime license holders.

(e) No resident of this state shall be required to obtain a trout license, official Georgia waterfowl license, or big game license to hunt, fish, or trap on premises owned by him or her or his or her immediate family.

(f) Any visitor to a state park, whether a resident or nonresident of Georgia, shall not be required to purchase a trout license when fishing in impounded waters on lands owned or leased by the department. (Ga. L. 1971, p. 38, § 1; Ga. L. 1973, p. 274, § 2; Code 1933, § 45-302, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 21; Ga. L. 1978, p. 2290, § 5; Ga. L. 1979, p. 1255, § 5; Ga. JUDICIAL DECISIONS

Incorrect date on summons. — Because the date of the alleged offense is not generally material, except for statute of limitations purposes, and failure to rely on a specific

date is not harmful unless the defendant is surprised and prejudiced in the preparation of a defense, defendant was not harmed by the appearance of an incorrect date on the summons. *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

Evidence sufficient to sustain conviction.

— Evidence that defendant obtained resident hunting licenses by giving a Georgia

address as defendant's legal residence, while a resident of the State of Virginia, evidence of the act of hunting and testimony that defendant had been hunting and had taken a turkey was sufficient to sustain defendant's conviction under O.C.G.A. § 27-2-6. *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

Nonresidents fishing for mountain trout.

— Nonresidents under 16 years of age could fish for other than mountain trout with no license but, when fishing for mountain trout, would have to have both a sport fishing license and a trout stamp. 1971 Op. Att'y

27-2-7. Powers of department as to making and entering into agreements relating to hunting license reciprocity.

(a) The department is authorized to make and enter into agreements, from time to time, with the proper authorities of the States of Alabama, Florida, South Carolina, North Carolina, and Tennessee whereby a citizen of the State of Georgia who owns farm lands in such adjoining states may purchase a resident hunting license in the state in which his land is situated which will permit said Georgia citizen to hunt on his own land in the adjoining state without purchasing a nonresident hunting license in that state. The department is authorized to reciprocate this courtesy and issue a resident hunting license in Georgia to citizens of such adjoining states who own farm lands in Georgia, permitting such citizens to hunt on their own land in Georgia without purchasing a nonresident hunting license.

(b) The department is also authorized to enter into agreements, from time to time, with the proper authorities of the States of Alabama, Florida, South Carolina, North Carolina, and Tennessee whereby a valid hunting license issued by the State of Georgia will be accepted and honored, as and in lieu of a hunting license for the respective state so agreeing, for hunting waterfowl only, on the banks and in the waters of the lakes, rivers, and

streams lying between the State of Georgia and such adjoining state or partly within the boundaries of both the State of Georgia and the adjoining state. In turn, valid licenses issued by the respective state shall be accepted and honored, as and in lieu of a Georgia hunting license, for hunting waterfowl only, on the banks and in the waters of such lakes, rivers, and streams.

(c) The department is authorized to make and enter into agreements, from time to time, with the proper authorities of the States of Alabama, Florida, North Carolina, South Carolina, and Tennessee, regarding nonresident hunting license fees, seasons, and bag limits; provided, however, that such seasons and bag limits for nonresident hunters shall not be less restrictive than those which control Georgia residents; provided, further, that nonresident license fees in Georgia shall not be less than the amount established in Code Section 27-2-23 for a small game hunting license and for a big game hunting license.

(d) If the commissioner determines that any of the States of Alabama, Florida, North Carolina, South Carolina, and Tennessee does not have an existing reciprocal agreement governing nonresident fishing or small game hunting licenses with the State of Georgia and has a fee for a nonresident fishing or small game hunting license or its equivalent, which substantially differs from the comparable fee which Georgia charges a citizen of that contiguous state, then the commissioner, notwithstanding the fees specified in Code Section 27-2-23, and in order to encourage the reduction of the excessive fee or the entering into of a reciprocal agreement, shall be authorized to adjust the nonresident fishing or small game hunting license fee as applied to citizens of that contiguous state, to an amount equal to the fee a Georgia citizen is required to pay to fish or hunt in that contiguous state. (Ga. L. 1952, p. 389, § 2; Ga. L. 1955, p. 483, § 21; Code 1933, § 45-108, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1979, p. 678, § 13; Ga. L. 1983, p. 837, § 1; Ga. L. 1984, p. 22, § 27; Ga. 27-2-8. Commercial fishing boat licenses.

(a) It shall be unlawful for any person to engage in commercial fishing with a boat or vessel in the salt waters of this state without first obtaining a valid commercial fishing boat license for the boat or vessel. The owner or operator of the boat or vessel shall present in writing an application for the license, setting forth such data and information as the department shall require. The application shall be made upon a form prescribed by the department and shall be under oath and duly witnessed by an officer authorized by law to administer oaths.

(b) Fees for licenses required under this Code section shall be as follows:

(1) A trawler (which shall be any boat or vessel which utilizes one or more trawls or power-drawn nets in the taking of shrimp, crabs, or fish), up to and including 18 feet in overall length, \$50.00;

(2) A trawler more than 18 feet in overall length, \$50.00 plus \$3.00 per foot or fraction thereof of overall length in excess of 18 feet;

(3) All boats other than trawlers, up to and including 18 feet in overall length, \$5.00;

(4) All boats, other than trawlers, over 18 feet in overall length, \$5.00 plus 50¢ per foot or fraction thereof in excess of 18 feet.

(c) To defray the additional cost of regulating and policing, aliens and nonresidents shall be charged a license fee in addition to that provided by subsection (b) of this Code section in the amount of \$25.00 for each boat or vessel used in commercial fishing or in the taking of seafood, which boat or vessel is owned, in whole or part, by such nonresident or alien, provided that, in the event such nonresident or alien applying for the license is a resident of another state which charges nonresidents a license fee greater than the total license fee charged for nonresidents in this state, then the additional license fee provided for nonresidents in this subsection shall be increased to the amount necessary to cause the Georgia nonresident license fee to be the same amount as the nonresident license fee of such other state. (b) It shall be lawful for any person with a valid commercial alligator farming license to possess and propagate live alligators and to process and sell or export the hides of the alligators harvested on such alligator farm, provided that it shall be unlawful for any person, including a person with a commercial alligator farming license, to acquire any live alligator, except by propagation of live alligators lawfully in his possession, without first obtaining a permit from the department to acquire the live alligator. It shall also be unlawful for any person, including a person with a valid commercial alligator farming license, to sell, barter, exchange, give, or loan any live alligator to any other person without first obtaining a permit from the department to so sell, barter, exchange, give, or loan the live alligator.

(c) It shall be unlawful for any person with a valid commercial alligator farming license to acquire or possess any alligator hide or carcass except from the harvest of live alligators lawfully in his possession and on his alligator farm.

(d) At such time as is deemed necessary by the department to discharge its responsibilities under this Code section, every person with a valid commercial alligator farming license shall file reports with the department in such form and containing such information as deemed necessary by the department. In addition, every such licensee shall maintain on his business premises records in such form and containing such information as is required by the department to discharge its responsibilities under this Code section.

(e) The board shall have the authority to adopt and promulgate rules and regulations relative to commercial alligator farming including, but not limited to, the power:

The department may grant such a permit when, in its discretion, it determines that the issuance of the permit is in the best interest of the game animal or game bird and in the best interest of the wildlife and the citizens of this state. If such a permit is issued, the department shall prescribe the term for each permit and may impose conditions as it determines necessary. Any game animal or game bird held under such permit may not be sold by the holder but must be retained, consumed, or disposed of without charge, in accordance with this title, provided that holders of valid commercial shooting preserve licenses may charge a fee to users of such preserves who take or attempt to take such species. 27-2-12. Scientific collecting permits.

(a) It shall be unlawful for any person to take, possess, or transport any of the wildlife of this state, or the plumage, skin, or body thereof, or the nests or eggs of the same for scientific purposes without obtaining a scientific collecting permit and complying with this Code section.

(b) Application for a scientific collecting permit must be made on forms obtained from the department and must be accompanied by the permit fee as provided in Code Section 27-2-23 and a project proposal containing the justification for and an outline of the proposed collecting activities.

(c) The department shall issue such a permit only if it has determined that the proposed collecting activities are in the best interest of the wildlife resources. In making such a determination, the department shall consider the following:

(1) Whether there is a need for the information or data;

(2) Whether the proposed collecting activities would duplicate sound research previously accomplished;

(3) Whether there would be benefit to the species or population being studied;

(4) Whether the project would be detrimental to the particular wildlife population or associated populations or to the habitat of the wildlife; and

(5) Whether the project is of reasonably sound design.

(d) Based on the conditions outlined in subsection (c) of this Code section, such permit may contain conditions on the number and type of wildlife to be collected, the dates and locations of collecting, and the type of gear which may be used. Notwithstanding any other provision of this title to the contrary, the department may authorize the use of baskets, nets, seines, traps, chemicals, and electrical devices for purposes of collecting pursuant to this Code section.

(e) Persons issued a scientific collecting permit shall treat all wildlife humanely and shall notify the department at least three days in advance of the date of collecting. Such persons shall also submit to the department reports detailing the information or data obtained from such collecting activities. The reports shall be submitted by the following March 31 or within 60 days after collecting, whichever is later.

(f) Permits may be denied, revoked, or not renewed in accordance with the procedures outlined in Code Section 27-2-25 for the reasons outlined in said Code section or for any of the following reasons:

- (1) Violation of specific conditions listed on the permit;
- (2) Excessive collection of wildlife;
- (3) Submitting false information;

(a) It shall be unlawful for any person to keep, hold, or possess any wildlife in captivity for the purpose of display or exhibition to the public without first procuring a valid wildlife exhibition permit as provided in Code Section 27-2-23. No such permit shall be issued by the department except where the exhibition or display is solely for educational purposes. The department may impose conditions on such permit requiring adequate sanitation facilities, housing, and feed for the animals and insuring the safety of the public in accordance with regulations promulgated by the board. Exhibitions of wildlife by educational institutions; state, city, county, or municipal zoos; or transient circuses shall not be required to procure a wildlife exhibition permit, provided that such exhibitors must comply with all regulations of the board relating to sanitation, housing, feed, and public safety. Nothing in this Code section shall be construed to require a permit to exhibit or display fish.

27-2-14. (For effective date, see note) Liberation-of-wildlife and liberation-of-domestic fish permits.

It shall be unlawful for any person to liberate any wildlife within this state or to liberate domestic fish except into private ponds except under permit from the department; provided, however, that pen raised quail may be released for purposes of training pointing, flushing, and retrieving dogs. (Ga. L. 1968, p. 497, § 20; Code 1933, § 45-315, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1994, p. 600, § 2; Ga. L. 2002, p. 807, § 1; Ga. L. 2004, p. 948, § 2-3.)

Delayed effective date. — Ga. L. 2004, p. 948, § 3-1(c), provides that the 2004 amendment becomes effective only upon the effective date of a specific appropriation of funds for purposes of that Act as expressed in a line item of an appropriations Act enacted by the General Assembly. This Code section, as amended, is not set out in the Code owing to the delayed effective date. Funds were not appropriated at the 2004, 2005, 2006, or 2007 sessions of the General Assembly. After

the appropriation is made this Code section will read as follows: "It shall be unlawful for any person to liberate any wildlife within this state or to liberate domestic fish or pacific white shrimp (*Penaeus vannamei*) except into private ponds, except under permit from the department; provided, however, that pen raised quail may be released for purposes of training pointing, flushing, and retrieving dogs."

27-2-15. Wildlife storage permits.

It shall be unlawful for any person operating a grocery store, hotel, market, cold storage house, restaurant, or other commercial facility to receive for storage or to store any wildlife or parts thereof without first obtaining a wildlife storage permit from the department and without requiring the person delivering the wildlife for storage to exhibit a valid license authorizing the person to take or possess the wildlife, provided that nothing in this Code section shall be construed to require a permit to store fish. (Ga. L. 1937, p. 678, § 1; Ga. L. 1955, p. 483, § 70; Code 1933, § 45-316, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 33.)

27-2-16. Commercial quail breeder permits; maintenance of records by holders; selling and transporting of pen raised quail generally.

(a) It shall be unlawful for any person to engage in the business of propagating quail for food, restocking, propagation, or other commercial purposes unless the quail are pen raised quail and unless the person has obtained a commercial quail breeder permit as provided in Code Section 27-2-23. For purposes of this Code section, the term "pen raised quail" means a quail that has been hatched from an egg laid by a quail confined in a pen or coop.

(b) Each person holding a commercial quail breeder permit shall keep records, in a suitably bound book, of all bird carcasses sold, to whom sold, and the number sold.

(c) It shall be unlawful to sell the carcass of any pen raised quail unless the carcass has been stamped with the following information:

Ga. Department of Natural Resources

No. _____

(Name of Breeder)

Permit expires _____ (date) _____, _____

(d) It shall be unlawful to sell pen raised quail which have been killed with a firearm.

(e) It shall be unlawful to transport any pen raised quail without meeting the requirements of this title relating to the transportation of wildlife, provided that nothing in this subsection shall be construed to limit the number of pen raised quail which may be transported in this state. (Ga. L. 1968, p. 497, § 28; Code 1933, § 45-317, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1999, p. 81, § 27.)

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under Ga. L. 1956, p. 48, as it read prior to revision by Ga. L. 1977, p. 396, § 1, are included in the annotations for this Code section.

Validity of regulations providing for alternate methods of identification. — Intent and purpose of subsection (c) is to provide a means of identifying carcass of pen-raised

quail; therefore, the Game and Fish Commission (now Department of Natural Resources) can adopt regulations permitting use of wing clips or other devices to be attached to carcass of bird, so long as method utilized contains basic information required. 1958-59 Op. Att'y Gen. p. 172 (decided under Ga. L. 1956, p. 48).

27-2-17. Falconry permits; duties, permitted acts, and prohibitions pertaining to permit holders.

(a) It shall be unlawful for any person to trap, take, transport, or possess raptors for falconry purposes unless the person first procures, in addition to a valid hunting license, a valid falconry permit as provided in Code Section 27-2-23, provided that it shall not be unlawful for a nonresident to transport or possess raptors in this state for falconry purposes if the person has a nonresident hunting license, as provided in Code Section 27-2-23, and a falconry license or permit from the state of residence of the person, which state meets federal falconry standards.

(b) There shall be three classes of falconry permits: apprentice, general, and master. Permittees shall comply with all standards, requirements, and limitations applicable to each class as provided in 50 C.F.R. Part 21, as now or hereafter amended. Prior to the issuance of any falconry permit, the applicant shall be required to answer correctly 80 percent of the questions on an examination administered by the department relating to the basic biology, care, and handling of raptors; the literature on raptors; and the laws and regulations pertaining to raptors. Permits to take, transport, or possess raptors shall be issued in accordance with the standards, requirements, and limitations set forth in 50 C.F.R. Parts 17 and 21, as now or hereafter amended.

(c) It shall be unlawful for any person to trap, transport, or possess a golden eagle (*Aquila chrysaetos*) unless authorized as provided in 50 C.F.R. Part 22, as now or hereafter amended.

(d) It shall be unlawful for a falconer to sell, purchase, or barter or to offer to sell, purchase, or barter any raptor to another falconer unless the raptor is marked on the metatarsus by a seamless, numbered band provided by the United States Fish and Wildlife Service, as required by 50 C.F.R. Part 21.

(e) No raptor may be possessed under authority of a falconry permit unless the permittee has a properly completed federal Form 3-186A Migratory Bird Acquisition/Disposition Report for each bird possessed.

(f) A raptor may be transported or held in temporary facilities, which shall be equipped with an adequate perch and protected from extreme temperatures and excessive disturbance, for a period not to exceed 30 days.

(g) Any person possessing raptors before July 1, 1992, in excess of the number allowed by his falconry permit may keep the extra raptors. All such

raptors shall be identified by raptor markers furnished by the United States Fish and Wildlife Service and cannot be replaced, nor can any additional raptors be obtained, until the number possessed is at least one less than the total number authorized by said permit.

(h) A person who possesses a lawfully acquired raptor before July 1, 1992, and who fails to meet the falconry permit requirements shall be allowed to retain the raptors. All such birds shall be identified with raptor markers furnished by the United States Fish and Wildlife Service and cannot be replaced if death, loss, release, or escape occurs.

(i) It shall be unlawful for any person to alter, counterfeit, or deface a raptor marker furnished by the United States Fish and Wildlife Service; provided, however, that persons possessing a falconry permit may remove the rear tab and may smooth any imperfect surface, as long as the integrity of the marker and numbering is not affected.

(j) No permittee may take, purchase, or otherwise acquire, sell, barter, transfer, or otherwise dispose of any raptor unless such permittee submits a properly completed federal Form 3-186A Migratory Bird Acquisition/Disposition Report to the issuing office of the United States Fish and Wildlife Service and sends a copy of such form to the department within five calendar days of such transaction.

(k) All persons applying for a falconry permit and all permitted falconers shall, by application for said permit, be deemed to agree to make their raptor housing facilities and falconry equipment (including but not limited to mews, weathering areas, jesses, leashes and swivels, bath containers, perches, and weighing devices) available at reasonable times for inspection and certification as to compliance with federal standards by authorized agents of the department; provided, however, that no falconry permit may be issued until the applicant's raptor housing facilities and falconry equipment have been so inspected and certified.

(l) A falconry permittee shall obtain written authorization from the department before any species not indigenous to Georgia is intentionally released to the wild, at which time the released bird's marker, if any, shall be removed and surrendered to the department. The marker, if any, from an intentionally released bird which is indigenous to Georgia shall also be removed and surrendered to the department. A standard federal bird band shall be attached to such birds by the department or by a federal bird bander authorized by the United States Fish and Wildlife Service, whenever possible.

(m) A raptor possessed under authority of a falconry permit may be temporarily held by a person other than the permittee only if that person is otherwise authorized to possess raptors and only if the raptor is accompanied at all times by a properly completed federal Form 3-186A Migratory Bird Acquisition/Disposition Report designating the permittee

as the possessor of record and by a signed and dated statement from the permittee authorizing the temporary possession.

(n) Feathers that are molted or those feathers from birds held in captivity that die may be retained and exchanged by permittees only for imping purposes.

(o) It shall be unlawful for apprentice falconers to take young raptors not yet capable of flight (eyasses). General or master falconers may take such birds only between May 1 and June 30, provided that no more than two such birds may be taken by any permittee during this period.

(p) First-year (passage) raptors may be taken by permittees only from September 1 through December 31.

(q) Marked raptors may be retrapped at any time by holders of valid falconry permits.

(r) Only American kestrels (*Falco sparverius*) and great-horned owls (*Bubo virginianus*) may be taken when over one year old, except that any raptor taken under a depredation (or special purpose) permit, other than endangered or threatened species, may be used for falconry by general and master falconers.

(s) It shall be lawful for a falconer meeting the requirements of this Code section to take small game with raptors, provided that the falconer observes the provisions of this Code section and the laws and regulations regulating the taking of small game.

(t) Raptor propagation and activities associated with raptor propagation are permitted in accordance with the provisions of 50 C.F.R. Part 21, as now or hereafter amended. No additional state permit is required; provided, however, that all persons engaging in such activities shall submit one copy of each federally required report to the department at the time such report is submitted to federal authorities.

(u) Holders of Georgia falconry permits may transport the raptors held under their permits within this state, may remove the raptors from this state for meets, trials, and hunting in other states, and may bring such raptors back into this state without obtaining a Georgia importation permit; provided, however, that any person transporting a raptor into another state shall obtain any permit or license required for his activities by the state into which he transports the raptor.

(v) A falconry permittee may import into this state a legally acquired raptor without obtaining a Georgia wildlife importation permit if a properly completed federal Form 3-186A Migratory Bird Acquisition/Disposition Report shall accompany each raptor during importation and the permittee complies with all applicable requirements of the state of origin.

(w) It shall be lawful for a nonresident to take or attempt to take raptors from the wild in this state if the nonresident has a valid general or master

level falconry permit from such person's state of residence and a valid Georgia nonresident hunting license and if such person's state of residence provides the same privileges to residents of Georgia. 27-2-18. Permits to kill deer causing damage to crops.

The department shall be authorized to issue to a person who cultivates crops, who is immediately responsible for their cultivation, or who is the principal owner of the crops a permit to kill deer which have caused or are reasonably certain to cause damage to crops which were planted for the purpose of harvesting and marketing such crops or their by-products. The person shall apply to the department for such a permit on a form containing such information as may be necessary for the proper evaluation and consideration of the application. Permits shall be issued only in cases where the department has determined that the killing of deer is justified. Representatives of the department are authorized to investigate claims of damage and the necessity of killing deer prior to the issuance of such a permit. Permits issued by the department shall include restrictions and conditions relative to the property on which deer may be killed, persons authorized to kill deer on the property, crops which may be protected, number and sex of deer which may be killed, expiration of permit, and such other restrictions and conditions as may be necessary. It shall be unlawful for any person to kill any deer under the authority of any such permit except in accordance with the restrictions and conditions of the permit. (Ga. Delayed effective date. — This Code section, as set out above, is effective until March 31, 2012. For version of this Code section effective March 31, 2012, see the second version of this Code section.

The 2005 amendment, effective July 1, 2005, substituted “75.00” for “59.00” in subparagraph (1)(B); in subparagraph (1)(C), inserted “three-day” following “Nonresident” and substituted “Three-day”

for “Seven-day” and “30.00” for “25.00”; substituted “Resident one-day hunting license” for “Hunting license, valid for residents and nonresidents” in subparagraph (1)(D); added subparagraph (1)(D.1); substituted “135.00” for “118.00” in subparagraph (1)(F); and added subparagraph (1)(F.1).

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, a second,

repetitive “preserve” was deleted from the version of subparagraph (H) of paragraph (7) (now paragraph (8)).

Editor’s notes. — Ga. L. 1987, p. 179, § 6, not codified by the General Assembly, set forth the legislative intent of that Act.

Ga. L. 1992, p. 470, §§ 4 and 5, not codified by the General Assembly, provides: “The General Assembly declares its intent to use the increases and changes in fees provided in this Act to fund the acquisition and management of lands and waters, by and through the Department of Natural Resources, for fish hatcheries; for wildlife restoration, propagation, protection, preservation, research, or management; for public hunting, fishing, or trapping; and for related recreational areas. The General Assembly further recognizes the importance of wildlife related recreation and the need to provide greater opportunities for such recreation

and public lands in the face of rapid woodland development and appropriation of existing wildlife habitat. The General Assembly further declares its intent to ensure that the funding provided by hunters and fishermen through the payment of these license fee increases and changes will fund the acquisition of fish and wildlife habitat and public recreational areas.

“This Act shall become effective on April 1, 1992, or as soon thereafter as it is approved by the Governor or becomes law without such approval; provided, however, that the fees which are increased in Sections 1 and 3 of this Act shall on March 31, 2012, be reduced to the level of such fees prior to the effective date of this Act.”

Code Section 27-2-3 is set out twice in this Code. The first version is effective until March 31, 2012, and the second version becomes effective on that date.

Delayed effective date. — This Code section, as set forth above, is effective on March 31, 2012, in accordance with Ga. L. 1992, p. 470, § 5, which provides for reduction of the fees increased by § 1 of that Act, which amended this Code section, to the fee levels which existed prior to such increase.

This Code section, as set out above, becomes effective March 31, 2012. For version of this Code section in effect until March 31, 2012, see the first version of this Code section.

The 2003 amendment, effective March 31, 2012, rewrote this Code section.

The 2005 amendment, effective March 31, 2012, substituted “75.00” for “50.00” in subparagraph (1)(B); in subparagraph (1)(C), inserted “three-day” following “Nonresident” and substituted “Three-day” for “Seven-day” and “30.00” for “21.00”; substituted “Resident one-day hunting license” for “Hunting license, valid for residents and nonresidents” in subparagraph (1)(D); added subparagraph (1)(D.1); substi-

tuted “135.00” for “100.00” in subparagraph (1)(F); and added subparagraph (1)(F.1).

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, a second, repetitive “preserve” was deleted from the version of subparagraph (H) of paragraph (7) (now paragraph (8)).

Editor’s notes. — Ga. L. 1987, p. 179, § 6, not codified by the General Assembly, set forth the legislative intent of that Act.

Ga. L. 1992, p. 470, §§ 4 and 5, not codified by the General Assembly, provides: “The General Assembly declares its intent to use the increases and changes in fees provided in this Act to fund the acquisition and management of lands and waters, by and through the Department of Natural Resources, for fish hatcheries; for wildlife restoration, propagation, protection, preservation, research, or management; for public hunting, fishing, or trapping; and for related recreational areas. The General Assembly further recognizes the importance of wildlife

related recreation and the need to provide greater opportunities for such recreation and public lands in the face of rapid woodland development and appropriation of existing wildlife habitat. The General Assembly further declares its intent to ensure that the funding provided by hunters and fishermen through the payment of these license fee increases and changes will fund the acquisition of fish and wildlife habitat and public recreational areas.

"This Act shall become effective on April

1, 1992, or as soon thereafter as it is approved by the Governor or becomes law without such approval; provided, however, that the fees which are increased in Sections 1 and 3 of this Act shall on March 31, 2012, be reduced to the level of such fees prior to the effective date of this Act."

Code Section 27-2-23 is set out twice in this Code. The first version is effective until March 31, 2012, and the second version becomes effective on that date.

The licensee, permit holder, or applicant for a license or permit, or both, shall be notified of the proposed revocation, suspension, denial, or nonrenewal personally or by a letter sent by certified mail or statutory overnight delivery to the name and address indicated on the application for the license or permit, or both, or to the Secretary of State as provided in Code Section 27-2-24. The hearing before the administrative law judge shall be conducted in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," and the rules and regulations adopted by the board pursuant thereto. The decision of the administrative law judge shall constitute the final decision of the board and any party to the hearing, including the commissioner, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50. (Code 1933, § 45-323, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 36; Ga. L. 1984, p. 404, § 9; Ga. L. 1985, p. 149, § 27; Ga. L. 2000, p. 1589, § 3.)

27-2-25.1. Suspension of hunting privileges for negligent hunting; procedures following hunting accidents.

(a) The General Assembly has heretofore found and declared that hunting is a privilege to be exercised only in accordance with the law granting such privilege. The General Assembly now specifically finds and declares that while the act of hunting is an enjoyable and beneficial form of recreation, it can be dangerous not only to the hunter himself but also to other persons if due care is not exercised. Therefore, the General Assembly declares that all persons who refuse or fail to exercise such due care may have their hunting privileges suspended as provided in this Code section.

(b) Any person engaged in the act of hunting who by the use of a weapon kills or injures another person or persons, whether or not such other person or persons are likewise engaged in the act of hunting, shall notify the department or any appropriate law enforcement officer who shall then notify the department immediately after such occurrence. Any person who fails so to notify the department or such law enforcement officer shall be guilty of a misdemeanor.

(c) Upon notification of such a death or injury, whether by the hunter or by some other person, the department shall immediately initiate an investigation of such incident and submit a report to the commissioner. If the commissioner determines culpable negligence on the part of the person causing the death or injury and that such negligence was the proximate cause of such death or injury, the commissioner may suspend that person's hunting privileges for a specified period of time not to exceed ten years. Any such determination to suspend shall be subject to review as provided for in this Code section. When the commissioner shall decide to suspend said person's hunting privileges, the commissioner must notify such person of said suspension and of his right to a hearing to contest the commissioner's determination. The notification from the commissioner to the person whose license is being suspended shall be by certified mail or statutory overnight delivery with return receipt requested; or, in lieu thereof, notice may be given by personal service upon such person. Upon such notice, any such hunting privileges shall be revoked by such notice and such person shall surrender his or her hunting license, if any, to the department within ten days of such notification. For the purposes of this

article, notice given by certified mail or statutory overnight delivery with return receipt requested mailed to the person's last known address shall be prima-facie evidence that such person received the required notice.

(d) The person so notified may request an administrative hearing before an administrative law judge appointed by the board within 30 days of receipt of the notice. If no hearing is requested within the 30 day period, the right to a hearing shall have been waived and the hunting privileges of the person shall stand suspended as prescribed by the commissioner's notice. If, following the administrative hearing, there is a determination that such person was negligent and that such negligence was the proximate cause of the death or injury, the hunting privileges of such person may be suspended for a period of up to ten years. The period of time that such privileges are suspended shall be commensurate with the degree of negligence and the severity of the injury. If there is a determination of no negligence or that the negligence was not the proximate cause of the death or injury, the person's hunting privileges shall be restored. The provisions of Code Section 27-2-27 shall not be applicable to a suspension under this Code section.

(e) Any person whose hunting privileges have been suspended under this Code section and who engages in the act of hunting during such period of suspension shall be guilty of a misdemeanor of a high and aggravated nature and shall be punished by a fine of not more than \$5,000.00 or by imprisonment for not more than 12 months, or both. Any person whose hunting privileges have been suspended under this Code section shall complete a course of instruction in competency and safety in hunting and in the handling of weapons provided for in Code Section 27-2-5 prior to any subsequent exercise of his hunting privileges.

(f) As used in this Code section, the term:

(1) "License" means any and all licenses, permits, or stamps as required by law for hunting in this state.

(2) "Hunting privileges" means the exercise of the privilege of hunting whether such privilege is bestowed by license or otherwise.

(3) "Suspend" means the suspension or revocation of any existing license or hunting privileges and the suspension or revocation of the privilege of obtaining any new license or hunting privileges.

(g) The hearing before an administrative law judge and any judicial review shall be conducted in accordance with Chapter 13 of Title 50 and applicable rules and regulations of the board.

(h) The proceedings provided for by this Code section shall be in addition to and not in lieu of any civil or criminal action or actions provided for by law and the final decision of this proceeding shall not constitute res judicata as to any such civil or criminal action or actions and shall not be admissible as evidence in any such civil or criminal action or actions. OPINIONS OF THE ATTORNEY GENERAL

Fingerprints taken for offense. — While the offense in O.C.G.A. § 27-2-25.1(e), regarding hunting during a period of license suspension, would ordinarily involve the use of firearms or other weapons, as the viola-

tion might not involve their use, the Attorney General has designated it as an offense for which those charged with a violation are to be fingerprinted. 1984 Op. Att'y Gen. No. 84-44.

27-2-25.2. Power to suspend licenses.

The commissioner shall have the power to suspend any license required by this title when such license holder is not in compliance with a court order for child support as provided in Code Section 19-6-28.1. The commissioner shall also have the power to deny the application for issuance or renewal of a license required by this title when such applicant is not in compliance with a court order for child support as provided in Code Section 19-6-28.1. Notwithstanding the provisions of Code Section 27-2-25, the hearings and appeal procedures provided for in Code Section 19-6-28.1 shall be the only such procedures required to suspend or deny any license pursuant to this Code section. (Code 1981, § 27-2-25.2, enacted by Ga. L. 1997, p. 1613, § 34.)

Law reviews. — For article commenting on the enactment of this Code section, see 14 Georgia St. U. L. Rev. 121 (1997).

27-2-26. Rules and regulations regarding revocation or cancellation procedures; surrender of license, stamp, or permit after revocation or cancellation.

(a) The board is authorized to provide by rule or regulation the procedure whereby the department may, pursuant to Code Section 27-2-25, revoke or cancel any license, certificate, stamp, card, or permit upon determination that the holder thereof was not entitled to issuance or obtained the license, certificate, stamp, card, or permit by any fraudulent means. Upon revocation or cancellation, the holder thereof shall surrender the license, certificate, stamp, card, or permit to the department.

(b) Any person who violates any provision of this Code section shall be guilty of a misdemeanor. (Code 1933, § 45-302.1, enacted by Ga. L. 1978, p. 2264, § 1.)

27-2-27. Administrative penalties in lieu of revocation, suspension, denial, or nonrenewal.

In addition to the authority granted in Code Sections 27-2-4 and 27-2-25 to revoke, suspend, deny, or refuse to renew any license or permit, or both, the commissioner or board, or the commissioner and board, may impose a reasonable penalty, with the written consent of the affected party or parties, not to exceed \$1,000.00 for each and every violation, in lieu of revocation, suspension, denial, or nonrenewal of a license or permit, or both. All penalties recovered by the commissioner as provided in this Code section shall be paid into the general fund of the state treasury. (Code 1933, § 45-324, enacted by Ga. L. 1977, p. 396, § 1.)

27-2-28. Refusing inspection of identification or license; making false statements in obtaining license or permit; counterfeiting or alteration; unlawful collection of funds.

(a) It shall be unlawful for any person who is required to have on his person any license, permit, or stamp issued under this title to refuse the inspection of such license, permit, or stamp upon demand by a conservation ranger or deputy conservation ranger. It shall also be unlawful for any such person, upon demand by a conservation ranger or deputy conservation ranger, to refuse to provide a driver's license or equally reliable identification of such person and his current residence.

(b) It shall be unlawful for any person to make any false statement as to any fact which is required as a prerequisite to the issuance of a license or permit; and any license or permit obtained in violation of this Code section is void. Any license agent may require the applicant for a license or permit to show proof of any statement or facts required for issuance of any license or permit.

(c) It shall be unlawful for any person to counterfeit, change, or alter or to attempt to counterfeit, change, or alter any license or permit issued pursuant to this title. It shall be unlawful for any person, other than a license agent or authorized personnel of the department, to collect any funds for any license or permit issued pursuant to this title. (Ga. 27-2-29. Free fishing days.

Notwithstanding any other provision of this article, the commissioner may designate not more than three days, which need not be consecutive, in each calendar year as free fishing days during which residents may, without obtaining a fishing license, exercise the privileges of a holder of a fishing license, subject to all limitations, restrictions, conditions, rules, and regulations applicable to the holder of a fishing license. This Code section shall in no way affect the commercial fishing licenses required under this article. (Code 1981, § 27-2-29, enacted by Ga. L. 1987, p. 536, § 1; Ga. L. 2002, p. 1179, § 3.)

27-2-30. Establishment of the Wildlife Endowment Fund; limitations on expenditures from the fund.

(a) The General Assembly recognizes that lifetime sportsman license purchasers expect and are entitled to assurance that funds for such licenses will be used throughout their life expectancy to provide quality hunting and fishing experiences. Therefore, the General Assembly declares its intent that lifetime licenses yield annual revenue in perpetuity for the support of wildlife management programs of the department and recognizes that annual income generation is necessary for these licenses to be included in apportionment formulas for federal fish and wildlife funding.

(b) In recognition of its obligations to lifetime sportsman license purchasers, the General Assembly directs the department to establish a fund known as the Wildlife Endowment Fund for receipt of funds of an amount equal to that generated by the sale of lifetime sportsman licenses listed in subsection (e) of Code Section 27-2-3.1. Further, the General Assembly declares its intent to appropriate to the Wildlife Endowment Fund each fiscal year an amount equal to that generated by the prior year's sales of lifetime licenses. The fund is also authorized to accept contributions from private individuals and entities. All funds appropriated and those contributed to the Wildlife Endowment Fund shall be deemed expended and contractually obligated and shall not lapse to the general fund.

(c) The commissioner of natural resources shall be the trustee of the Wildlife Endowment Fund with full authority over the administration of the

fund. The director of the Office of Treasury and Fiscal Services shall be the custodian of the Wildlife Endowment Fund and shall invest its assets in accordance with Georgia laws and shall report to the department the annual income and contributions to the fund. The intent of the General Assembly is that such income from the fund be appropriated annually to the department for the purposes stated in subsection (d) of this Code section.

(d) The Wildlife Endowment Fund constitutes a special trust derived from a contractual relationship between the state and the members of the public whose lifetime license purchases contribute to the fund. In recognition of such special trust, the following limitations and restrictions are placed on expenditures from the fund:

(1) No expenditures or disbursements from appropriations equivalent to the income or proceeds derived from the sales of Types I and Y lifetime sportsman's licenses shall be made for any purpose until the respective holders of such licenses attain the age of 16 years. The director of the Office of Treasury and Fiscal Services, as custodian of the fund, shall determine actuarially from time to time the amount of such proceeds which remains encumbered by and the amount of such proceeds which is free of this restriction and shall advise the commissioner of such information. For such purposes, the commissioner shall cause the amount of proceeds from Type I licenses to be identified and proceeds from Type Y licenses to be accompanied by information as to the ages of the license recipients;

(2) No expenditure or disbursement may be made from the principal and interest of the fund except as otherwise provided by law;

(3) The principal and interest of the fund must be spent only for the conservation and management of wildlife and fisheries resources and the acquisition of habitat upon which such resources are dependent;

(4) No such habitat acquired with money from the fund shall be voluntarily transferred to the federal government or any international agency or organization;

(5) The trustee of the Wildlife Endowment Fund may accumulate the income of the fund and may direct expenditures from the income of the fund; and

(6) Expenditure of the income derived from the fund must be made with the approval of the trustee in accordance with the provisions of the General Appropriations Act. The fund is subject to the oversight of the director of the Office of Treasury and Fiscal Services.

(e) The fund and income from it do not take the place of other state appropriations or agency receipts but are supplemental to other funds and appropriations made available to the department for carrying out its responsibilities under this title.

(f) If the Department of Natural Resources is dissolved, the chief executive officer of the succeeding agency shall assume the trusteeship of the fund and shall be bound by all the limitations and restrictions placed by this Code section on expenditures from the fund. No repeal or modification of this Code section alters the fundamental purposes to which the fund is applied. No future dissolution of the Department of Natural Resources or substitution of any agency in its stead shall invalidate any lifetime license issued in accordance with this title. (Code 1981, § 27-2-30, enacted by Ga. L. 1998, p. 826, § 3.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1998, in subsection (d), a semicolon was substituted for a period at the end of paragraph (d)(4) and “director of the Office” was substituted for “director of of the Office” in paragraph (d)(6).

27-2-31. Wildlife control permits.

(a) The department is authorized to issue wildlife control permits authorizing the permittee to trap, transport and release, or kill wildlife and feral hogs where such action is otherwise prohibited by law or regulation:

(1) When the department determines that there is a substantial likelihood the presence of such wildlife or feral hogs will endanger or cause injury to persons or will destroy or damage agricultural crops, domestic animals, buildings, structures, or other personal property;

(2) For the control of white-tailed deer on airport property; provided, however, that permits shall be issued under this paragraph for purposes of public safety, and the control of white-tailed deer for other purposes and the removal of black bear shall be as provided in Code Sections 27-2-18 and 27-3-21, respectively;

(3) For fur-bearing animals, as defined in paragraph (31) of Code Section 27-1-2, to implement a bona fide wildlife management plan that has been approved by the department; and

(4) For feral hogs, provided that all permitted activities must comply with all rules and regulations of the Georgia Department of Agriculture.

(b) In issuing a wildlife control permit, the department shall prescribe the method, means, species, numbers, time limits, location, and any other conditions it deems necessary to ensure the continued viability of the wildlife population involved and to ensure that the public safety and interest are not compromised.

(c) Nothing in this Code section shall be construed to authorize the taking of any species which is protected by the federal Endangered Species Act of 1973, Public Law 93-205, as amended, or under any state law or regulation which has as its purpose the protection of endangered or threatened species. (Code 1981, § 27-2-31, enacted by Ga. L. 2000, p. 418, § 1; Ga. L. 2001, p. 4, § 27.)

“WILDLIFE VIOLATOR COMPACT

ARTICLE I

FINDINGS, DECLARATION OF POLICY, AND PURPOSE

(a) The party states find that:

(1) Wildlife resources are managed in trust by the respective states for the benefit of all residents and visitors.

(2) The protection of their respective wildlife resources can be materially affected by the degree of compliance with state statute, law, regulation, ordinance, or administrative rule relating to the management of those resources.

(3) The preservation, protection, management, and restoration of wildlife contributes immeasurably to the aesthetic, recreational, and economic aspects of these natural resources.

(4) Wildlife resources are valuable without regard to political boundaries, therefore, all persons should be required to comply with wildlife preservation, protection, management, and restoration laws, ordinances, and administrative rules and regulations of all party states as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or possess wildlife.

(5) Violation of wildlife laws interferes with the management of wildlife resources and may endanger the safety of persons and property.

(6) The mobility of many wildlife law violators necessitates the maintenance of channels of communications among the various states.

(7) In most instances, a person who is cited for a wildlife violation in a state other than the person's home state:

(A) Must post collateral or bond to secure appearance for a trial at a later date; or

(B) If unable to post collateral or bond, is taken into custody until the collateral or bond is posted; or

(C) Is taken directly to court for an immediate appearance.

(8) The purpose of the enforcement practices described in paragraph (7) of this subdivision is to ensure compliance with the terms of a wildlife citation by the person who, if permitted to continue on the person's way after receiving the citation, could return to the person's home state and disregard the person's duty under the terms of the citation.

(9) In most instances, a person receiving a wildlife citation in the person's home state is permitted to accept the citation from the officer at the scene of the violation and to immediately continue on the person's way after agreeing or being instructed to comply with the terms of the citation.

(10) The practice described in paragraph (7) of this subdivision causes unnecessary inconvenience and, at times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand trial, or pay the fine, and thus is compelled to remain in custody until some alternative arrangement can be made.

(11) The enforcement practices described in paragraph (7) of this subdivision consume an undue amount of law enforcement time.

(b) It is the policy of the party states to:

(1) Promote compliance with the statutes, laws, ordinances, regulations, and administrative rules relating to management of wildlife resources in their respective states.

(2) Recognize the suspension of wildlife license privileges or rights of any person whose license privileges or rights have been suspended by a party state and treat this suspension as if it had occurred in their state.

(3) Allow violators to accept a wildlife citation, except as provided in subdivision (b) of Article III, and proceed on the violator's way without delay whether or not the person is a resident in the state in which the citation was issued, provided that the violator's home state is party to this compact.

(4) Report to the appropriate party state, as provided in the compact manual, any conviction recorded against any person whose home state was not the issuing state.

(5) Allow the home state to recognize and treat convictions recorded for their residents which occurred in another party state as if they had occurred in the home state.

(6) Extend cooperation to its fullest extent among the party states for obtaining compliance with the terms of a wildlife citation issued in one party state to a resident of another party state.

(7) Maximize effective use of law enforcement personnel and information.

(8) Assist court systems in the efficient disposition of wildlife violations.

(c) The purpose of this compact is to:

(1) Provide a means through which the party states may participate in a reciprocal program to effectuate policies enumerated in subdivision (b) of this article in a uniform and orderly manner.

(2) Provide for the fair and impartial treatment of wildlife violators operating within party states in recognition of the person's right of due process and the sovereign status of a party state.

PROCEDURES FOR ISSUING STATE

(a) When issuing a citation for a wildlife violation, a wildlife officer shall issue a citation to any person whose primary residence is in a party state in the same manner as if the person were a resident of the home state and shall not require the person to post collateral to secure appearance, subject to the exceptions contained in subdivision (b) of this article, if the officer receives the person's personal recognizance that the person will comply with the terms of the citation.

(b) Personal recognizance is acceptable:

(1) If not prohibited by local law or the compact manual adopted by the Board of Natural Resources as a rule; and

(2) If the violator provides adequate proof of the violator's identification to the wildlife officer.

(c) Upon conviction or failure of a person to comply with the terms of a wildlife citation, the appropriate official shall report the conviction or failure to comply to the licensing authority of the party state in which the wildlife citation was issued. The report shall be made in accordance with procedures specified by the issuing state and shall contain the information specified in the compact manual adopted by the Board of Natural Resources as a rule as minimum requirements for effective processing by the home state.

(d) Upon receipt of the report of conviction or noncompliance required by subdivision (c) of this article, the licensing authority of the issuing state shall transmit to the licensing authority in the home state of the violator the information in a form and content as contained in the compact manual adopted by the Board of Natural Resources as a rule.

ARTICLE IV

PROCEDURES FOR HOME STATE

(a) Upon receipt of a report of failure to comply with the terms of a citation from the licensing authority of the issuing state, the licensing authority of the home state shall notify the violator, shall initiate a suspension action in accordance with the home state's suspension procedures and shall suspend the violator's license privileges or rights until satisfactory evidence of compliance with the terms of the wildlife citation

has been furnished by the issuing state to the home state licensing authority. Due process safeguards will be accorded.

(b) Upon receipt of a report of conviction from the licensing authority of the issuing state, the licensing authority of the home state shall enter such conviction in its records and shall treat such conviction as if it occurred in the home state for the purposes of the suspension of license privileges.

(c) The licensing authority of the home state shall maintain a record of actions taken and make reports to issuing states as provided in the compact manual adopted by the Board of Natural Resources as a rule.

ARTICLE V

RECIPROCAL RECOGNITION OF SUSPENSION

All party states shall recognize the suspension of license privileges or rights of any person by any state as if the violation on which the suspension is based had in fact occurred in their state and would have been the basis for suspension of license privileges or rights in their state.

ARTICLE VI

APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing herein shall be construed to affect the right of any party state to apply any of its laws relating to license privileges to any person or circumstance, or to invalidate or prevent any agreement or other cooperative arrangements between a party state and a nonparty state concerning wildlife law enforcement.

ARTICLE VII

COMPACT ADMINISTRATOR PROCEDURES

(a) For the purpose of administering the provisions of this compact and to serve as a governing body for the resolution of all matters relating to the operation of this compact, a board of compact administrators is established. The board of compact administrators shall be composed of one representative from each of the party states to be known as the compact administrator. The compact administrator shall be appointed by the head of the licensing authority of each party state, or his or her designee, and will serve and be subject to removal in accordance with the laws of the state the administrator represents. A compact administrator may provide for the discharge of the administrator's duties and the performance of the administrator's functions as a board of compact administrators member by an alternate. An alternate may not be entitled to serve unless written notification of the alternate's identity has been given to the board of compact administrators.

(b) Each member of the board of compact administrators shall be entitled to one vote. No action of the board of compact administrators shall be binding unless taken at a meeting at which a majority of the total number of votes on the board of compact administrators are cast in favor thereof. Action by the board of compact administrators shall be only at a meeting at which a majority of the party states are represented.

(c) The board of compact administrators shall elect annually, from its membership, a chairperson and vice-chairperson.

(d) The board of compact administrators shall adopt bylaws, not inconsistent with the provisions of this compact or the laws of a party state, for the conduct of its business and shall have the power to amend and rescind its bylaws.

(e) The board of compact administrators may accept for any of its purposes and functions under this compact all donations and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any state, the United States, or any governmental agency, and may receive, utilize, and dispose of the same.

(f) The board of compact administrators may contract with or accept services or personnel from any governmental or intergovernmental agency, individual, firm, corporation, or any private nonprofit organization or institution.

(g) The board of compact administrators shall formulate all necessary procedures and develop uniform forms and documents for administering the provisions of this compact. All procedures and forms adopted pursuant to board of compact administrators action shall be contained in the compact manual adopted by the Board of Natural Resources as a rule.

ARTICLE VIII

ENTRY INTO COMPACT AND WITHDRAWAL

(a) This compact shall become effective when it has been adopted by at least two states.

(b)(1) Entry into the compact shall be made by resolution of ratification executed by the authorized officials of the applying state and submitted to the chairperson of the board of compact administrators.

(2) The resolution shall be in a form and content as provided in the compact manual adopted by the Board of Natural Resources as a rule and shall include statements that in substance are as follows:

(A) A citation of the authority by which the state is empowered to become a party to this compact;

(B) Agreement to comply with the terms and provisions of the compact; and

(C) That compact entry is with all states then party to the compact and with any state that legally becomes a party to the compact.

(3) The effective date of entry shall be specified by the applying state, but shall not be less than sixty days after notice has been given by the chairperson of the board of compact administrators or by the secretariat of the board of compact administrators to each party state that the resolution from the applying state has been received.

(c) A party state may withdraw from this compact by official written notice to the other party states, but a withdrawal shall not take effect until ninety days after notice of withdrawal is given. The notice shall be directed to the compact administrator of each member state. No withdrawal shall affect the validity of this compact as to the remaining party states.

ARTICLE IX

AMENDMENTS TO THE COMPACT

(a) This compact may be amended from time to time. Amendments shall be presented in resolution form to the chairperson of the board of compact administrators and may be initiated by one or more party states.

(b) Adoption of an amendment shall require endorsement by all party states and shall become effective thirty days after the date of the last endorsement.

(c) Failure of a party state to respond to the compact chairperson within one hundred twenty days after receipt of the proposed amendment shall constitute endorsement.

ARTICLE X

CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes stated herein. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, individual, or circumstance is held invalid, the compact shall not be affected thereby. If this compact shall be held contrary to the constitution of any party state thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

27-3-1. Requirement of permission to hunt on lands of another; written permission; enforcement; immunity of landowner from civil liability.

(a) It shall be unlawful for any person to hunt upon the lands of another or enter upon the lands of another in pursuit of wildlife, with or without a license, without first obtaining permission from the landowner or lessee of such land or the lessee of the game rights of such land. Such permission shall not be required, however, if the person hunting or a member of the person’s family is the owner of the land, the lessee of the land, or the lessee of the game rights of the land. For the purposes of this Code section only, “family” means mother, father, son, daughter, brother, sister, uncle, aunt, son-in-law, daughter-in-law, niece, nephew, grandson, granddaughter, grandmother, grandfather, or spouse.

(b) If the land is posted and if the owner of the land, lessee of the land, or lessee of the game rights of the land has informed a law enforcement agency that permission to hunt upon the land must be in writing, then the

permission required by subsection (a) of this Code section must be in writing and must be carried on the hunter's person.

(c)(1) Except as otherwise provided in this subsection, any person who violates subsection (a) or (b) of this Code section shall be guilty of a misdemeanor and shall be punished by a fine of not less than \$500.00.

(2) Any person who violates subsection (a) or (b) of this Code section for the second time within a two-year period shall be guilty of a misdemeanor of a high and aggravated nature and shall be punished by a fine of not less than \$1,000.00; and the department shall revoke the right of such person to a hunting license for a period of one year for each such second conviction within a two-year period.

(3) Any person who violates subsection (a) or (b) of this Code section for a third or subsequent time within a three-year period shall be guilty of a misdemeanor of a high and aggravated nature and shall be punished by a fine of not less than \$2,000.00; and the department shall revoke the right of such person to a hunting license for a period of three years for each such third or subsequent conviction within a three-year period.

(4) The minimum fines and revocation periods specified in this subsection shall not apply, however, to an offender who is 17 years of age or younger.

(d) It shall be the duty of any peace officer whose duty it is to preserve the peace or make arrests or enforce the law to enforce this Code section.

(e) Any owner of land, lessee of land, or lessee of the game or fishing rights to land who gives permission to another person to hunt, fish, or take wildlife upon the land with or without charge shall be entitled to the same protection from civil liability provided by Article 2 of Chapter 3 of Title 51 for landowners who allow the public to use their land for recreational purposes without charge. (Ga. L. 1911, p. 137, § 7; Code 1933, § 45-320; Ga. L. 1955, p. 483, § 65; Code 1933, § 45-501, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 38; Ga. L. 1984, p. 546, § 1; Ga. L. 2001, p. 1013, § 11; Ga. L. 2001, p. 1076, § 1.)

JUDICIAL DECISIONS

Permission of landowner. — One must have permission of landowner as condition precedent to hunting any game or animals. *Blassingame v. State*, 11 Ga. App. 809, 76 S.E. 392 (1912).

Conviction for hunting without permission. — In order to convict person of hunting on land of another without permission, it is incumbent upon the state to prove that permission to hunt was not obtained from the landowner, lessee, or lessee of the game

rights, and where the state proved only that the defendant did not obtain permission from one of the owners, and there was no showing that the owner was the only person empowered to give permission to hunt on the land, the evidence was insufficient for a rational jury to reasonably find the defendant guilty beyond a reasonable doubt. *Townsend v. State*, 173 Ga. App. 389, 326 S.E.2d 569 (1985).

Protected status of game being hunted has

no effect. — Former Ga. L. 1911, p. 137, § 7 (see O.C.G.A. § 27-3-1) expressly protected lands of another from trespassing by hunters regardless of whether the game being hunted was specifically protected by that section. *Blossingame v. State*, 11 Ga. App. 809, 76 S.E. 392 (1912).

The state must negate the disjunction that the landowner or the lessee or the lessee of the game rights gave permission to hunt on the land, which requires a showing that the landowner did not give permission, the lessee (if extant) did not give permission, and the lessee of the game rights (if extant) did not give permission. *Burkhalter v. State*, 256 Ga. 236, 347 S.E.2d 588 (1986).

Evidence sufficient to sustain conviction. — See *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

Evidence insufficient to support conviction. — Where the lessee of the game rights

had not given the defendants permission to hunt on the property, there was no evidence that another lessee existed and the only other evidence was one defendant's testimony that they had not intended to hunt on private property because they did not have the appropriate hunting license to hunt on such property, this evidence was insufficient to support a conviction under O.C.G.A. § 27-3-1. *Burkhalter v. State*, 256 Ga. 236, 347 S.E.2d 588 (1986).

Incorrect date on summons. — Because the date of the alleged offense is not generally material, except for statute of limitations purposes, and failure to rely on a specific date is not harmful unless the defendant is surprised and prejudiced in the preparation of a defense, defendant was not harmed by the appearance of an incorrect date on the summons. *Blackwelder v. State*, 256 Ga. 283, 347 S.E.2d 600 (1986).

OPINIONS OF THE ATTORNEY GENERAL

Fingerprinting. — Hunting on the land of another without permission is no longer designated as an offense for which those charged with a violation must be fingerprinted, except to the extent mandated by statute. 1987 Op. Att'y Gen. No. 87-21.

The Georgia Crime Information Center is not authorized to collect and file finger-

prints of persons charged with a violation of O.C.G.A. § 27-3-1(c). 2001 Op. Att'y Gen. No. 2001-11.

Intrusions by dogs. — O.C.G.A. § 27-3-1 does not apply to persons lawfully engaged in hunting whose dogs enter the lands of another without permission. 1997 Op. Att'y Gen. No. U97-16.

It shall be unlawful for any person on any wildlife management area owned or operated by the department:

- (1) To possess a firearm during a closed hunting season for that area unless such firearm is unloaded and stored in a motor vehicle so as not to be readily accessible;
- (2) To possess a loaded firearm in a motor vehicle during a legal open hunting season for that area;
- (3) To be under the influence of drugs, intoxicating liquors, beers, or wines. The determination of whether any person is under the influence of drugs or intoxicating liquors, beers, or wines may be made in accordance with Code Section 27-3-7;

(4) To hunt within 50 yards of any road which receives regular maintenance for the purpose of public vehicular access;

(5) To target practice, except where an authorized shooting range is made available by the department, and then only in a manner consistent with the rules for shooting ranges promulgated by the board;

(6) To drive a vehicle around a closed gate, cable, sign, or other structure or device intended to prevent vehicular access to a road entering onto or within such an area;

(7) To hunt within any posted safety zone;

(8) To camp upon or drive a motor vehicle over any permanent pasture or area planted in crops;

(9) While hunting bears in any such area opened to bear hunting, to kill a female bear with a cub or cubs or to kill a cub weighing less than 75 pounds;

(10) To fail to report if he or she kills a deer, bear, or turkey in the manner specified by the rules of the department for that wildlife management area on the date killed to the state game and fish checking station on the area;

(11) To construct any tree stand or to hunt from any tree stand except a portable or natural tree stand; or

(12) To trap except with a special trapping permit issued by the department. (Code 1981, § 27-3-1.1, enacted by Ga. L. 1982, p. 1729, § 8; Ga. L. 1993, p. 91, § 27; Ga. L. 1996, p. 1134, § 1; Ga. L. 2003, p. 140, § 27.)

27-3-2. Hunting at night.

It shall be unlawful to hunt at night any game bird or game animal in this state except for alligators, raccoons, opossums, foxes, and bobcats. Alligators may be hunted with a light which does not exceed 12 volts. Raccoons, opossums, foxes, and bobcats shall not be hunted with lights, except that a light which does not exceed six volts or a fuel-type lantern may be carried by hand by a hunter or worn on the hunter's belt and used for locating such animals. (Ga. L. 1911, p. 137, § 17; Code 1933, § 45-322; Ga. L. 1949, p. 1005, § 1; Ga. L. 1952, p. 362, § 1; Ga. L. 1955, p. 483, § 67; Ga. L. 1962, p. 671, § 1; Ga. JUDICIAL DECISIONS

Hunting "wildlife" at night legal. — An accusation charging the defendant with the "offense of misdemeanor hunting at night with aid of lights: for that the said accused ... did unlawfully hunt wildlife at night with aid of lights" was deficient, since one may admit

hunting wildlife at night with aid of a light and still be innocent of any criminal activity. *Manley v. State*, 187 Ga. App. 773, 371 S.E.2d 438, cert. denied, 187 Ga. App. 908, 371 S.E.2d 438 (1988).

Deer hunting at night. — Hunting deer at night with the aid of lights is a violation of O.C.G.A. § 27-3-2. *Manley v. State*, 187 Ga. App. 773, 371 S.E.2d 438, cert. denied, 187 Ga. App. 908, 371 S.E.2d 438 (1988).

Conviction for separate offenses. — Where defendants hunted from a motor

vehicle on a public road at night using a light exceeding six volts, it was not error to convict them of the three separate crimes of hunting at night, hunting on a public road and hunting from a motor vehicle. *Sanford v. State*, 169 Ga. App. 769, 315 S.E.2d 281 (1984).

27-3-3. Hours for hunting migratory game birds.

It shall be unlawful to hunt migratory game birds between sunset and one-half hour before sunrise. It shall also be unlawful to hunt migratory game birds between one-half hour before sunrise and sunset, except that it shall not be unlawful to hunt migratory game birds during those hours as may be designated by the board for a particular migratory game bird. In accordance with the framework of open hunting season dates established by the United States Fish and Wildlife Service, and as may be appropriate based on sound wildlife management principles, the board is specifically authorized to promulgate rules and regulations establishing the hours, on a state-wide, regional, or local basis, for hunting migratory game birds. The board is specifically authorized to promulgate such rules and regulations without complying with Chapter 13 of Title 50, the “Georgia Administrative Procedure Act,” and all rules and regulations promulgated by the board pursuant to this Code section shall be effective immediately upon adoption. 27-3-4. Legal weapons for hunting wildlife generally.

It shall be unlawful to hunt wildlife with any weapon, except that:

(1) Longbows, recurve bows, crossbows, and compound bows may be used for taking small game, feral hogs, or big game. Arrows for hunting deer, bear, and feral hogs must be broadhead type;

(2) During primitive weapon hunts or primitive weapons seasons, longbows, recurve bows, crossbows, compound bows, muzzleloading firearms of .44 caliber or larger, and muzzleloading shotguns of 20 gauge or larger loaded with single shot may be used;

(3) Firearms for hunting deer, bear, and feral hogs are limited to 20 gauge shotguns or larger shotguns loaded with slugs or buckshot (except that no buckshot is permitted on state wildlife management areas unless otherwise specified), muzzleloading firearms of .44 caliber or larger, and center-fire firearms .22 caliber or larger; provided, however, that firearms for hunting feral hogs, other than those weapons specified in this paragraph, may be authorized by rule or regulation of the board. Bullets used in all center-fire rifles and handguns must be of the expanding type;

(4) Weapons for hunting small game shall be limited to shotguns with shot shell size of no greater than 3 1/2 inches in length with No. 2 lead shot or smaller or federally approved nontoxic shot size of F or smaller shot, .22 caliber or smaller rimfire firearms, air rifles, muzzleloading firearms, longbows, recurve bows, crossbows, and compound bows; provided, however, that nothing contained in this paragraph shall permit the taking of protected species;

(5)(A) For hunting deer, feral hogs, and bear, shotguns shall be limited to a capacity of not more than five shells in the magazine and chamber combined. If a plug is necessary to so limit the capacity, the plug shall be of one piece, incapable of being removed through the loading end of the magazine.

(B) For hunting all other game animals, shotguns shall be limited to a capacity of not more than three shells in the magazine and chamber combined. If a plug is necessary to so limit the capacity, the plug shall be of one piece, incapable of being removed through the loading end of the magazine;

(6) It shall be unlawful to hunt turkey with any weapons except shotguns using No. 2 shot or smaller, muzzleloading firearms, longbows, crossbows, recurve bows, or compound bows. Any person taking turkey in violation of this paragraph shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished as for a misdemeanor, except that a fine imposed for such violation shall not be less than \$250.00;

(7) Weapons for hunting alligators shall be limited to hand-held ropes or snares, snatch hooks, harpoons, gigs, or arrows with restraining lines attached. Lawfully restrained alligators may be killed with any caliber handgun or bangstick and shall be killed immediately before transporting;

(8) There are no firearms restrictions for taking nongame animals or nongame birds; and

(9) The use of silencers for hunting within this state is prohibited. (Code 1933, § 45-503, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 42; Ga. L. 1979, p. 591, § 1; Ga. 27-3-7. Hunting under the influence of alcohol or drugs.

(a) As used in this Code section, the term “hunt” or “hunting” means the act of hunting, as such term is defined in Code Section 27-1-2, while in possession of or using a firearm, bow, or any other device which serves to launch a projectile.

(b) A person shall not hunt while:

(1) Under the influence of alcohol to the extent that it is less safe for the person to hunt;

(2) Under the influence of any drug to the extent that it is less safe for the person to hunt;

(3) Under the combined influence of alcohol and any drug to the extent that it is less safe for the person to hunt;

(4) The person’s alcohol concentration is 0.10 grams or more at any time within three hours after such hunting from alcohol consumed before such hunting ended; or

(5) Subject to the provisions of subsection (c) of this Code section, there is any amount of marijuana or a controlled substance, as defined in Code Section 16-13-21, present in the person’s blood or urine, or both, including the metabolites and derivatives of each or both without regard to whether or not any alcohol is present in the person’s breath or blood.

(c) The fact that any person charged with violating this Code section is or has been legally entitled to use a drug shall not constitute a defense against any charge of violating this Code section; provided, however, that such person shall not be in violation of this Code section unless such person is rendered incapable of hunting safely as a result of using a drug other than alcohol which such person is legally entitled to use.

(d) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person in violation of subsection (b) of this Code section, evidence of the amount of alcohol or drug in a person’s blood, urine, breath, or other bodily substance at the alleged time, as determined by a chemical analysis of the person’s blood, urine, breath, or other bodily substance shall be admissible. Where such a chemical test is made, the following provisions shall apply:

(1) Chemical analysis of the person’s blood, urine, breath, or other bodily substance, to be considered valid under this Code section, shall have been performed according to methods approved by the Division of

Forensic Sciences of the Georgia Bureau of Investigation on a machine which was operated with all the electronic and operating components prescribed by its manufacturer properly attached and in good working order and by an individual possessing a valid permit issued by the Division of Forensic Sciences for this purpose. The Division of Forensic Sciences of the Georgia Bureau of Investigation shall approve satisfactory techniques or methods to ascertain the qualifications and competence of individuals to conduct analyses and to issue permits, along with requirements for properly operating and maintaining any testing instruments, and to issue certificates certifying that instruments have met those requirements, which certificates and permits shall be subject to termination or revocation at the discretion of the Division of Forensic Sciences;

(2) When a person undergoes a chemical test at the request of a law enforcement officer, only a physician, registered nurse, laboratory technician, emergency medical technician, or other qualified person may withdraw blood for the purpose of determining the alcoholic content therein, provided that this limitation shall not apply to the taking of breath or urine specimens. No physician, registered nurse, or other qualified person or employer thereof shall incur any civil or criminal liability as a result of the medically proper obtaining of such blood specimens when requested in writing by a law enforcement officer;

(3) The person tested may have a physician or a qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer. The justifiable failure or inability to obtain an additional test shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer; and

(4) Upon the request of the person who shall submit to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to such person or such person's attorney. The arresting officer at the time of arrest shall advise the person arrested of his or her rights to a chemical test or tests according to this Code section.

(e) In the event of a hunting accident involving a fatality, the investigating coroner or medical examiner having jurisdiction shall direct that a chemical blood test to determine the blood alcohol concentration or the presence of drugs be performed on the dead person and that the results of such test be properly recorded on his or her report.

(f) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person hunting in violation of subsection (b) of this Code section, the amount of alcohol in the person's blood at the time alleged, as shown by chemical analysis of the

person's blood, urine, breath, or other bodily substance, shall give rise to the following presumptions:

(1) If there was at that time a blood alcohol concentration of 0.05 grams or less, it shall be presumed that the person was not under the influence of alcohol, as prohibited by paragraphs (1), (2), and (3) of subsection (b) of this Code section;

(2) If there was at that time a blood alcohol concentration in excess of 0.05 grams but less than 0.08 grams, such fact shall not give rise to any presumption that the person was or was not under the influence of alcohol, as prohibited by paragraphs (1), (2), and (3) of subsection (b) of this Code section, but such fact may be considered with other competent evidence in determining whether the person was under the influence of alcohol, as prohibited by paragraphs (1), (2), and (3) of subsection (b) of this Code section;

(3) If there was at that time a blood alcohol concentration of 0.08 grams or more, it shall be presumed that the person was under the influence of alcohol, as prohibited by paragraphs (1), (2), and (3) of subsection (b) of this Code section; and

(4) If there was at that time or within three hours after hunting, from alcohol consumed before such hunting ended, a blood alcohol concentration of 0.10 or more grams, the person shall be in violation of paragraph (4) of subsection (b) of this Code section.

(g)(1) Any person who exercises the privilege of hunting in this state shall be deemed to have given consent, subject to subsection (d) of this Code section, to a chemical test or tests of his or her blood, breath, urine, or other bodily substances for the purpose of determining the presence of alcohol or any other drug, if arrested for any offense arising out of acts alleged to have been committed while such person was hunting in violation of subsection (b) of this Code section. Subject to subsection (d) of this Code section, the requesting law enforcement officer shall designate which test or tests shall be administered.

(2) At the time a chemical test or tests are requested, the arresting officer shall read to the person the following implied consent warning:

“Georgia law requires you to submit to state administered chemical tests of your blood, breath, urine, or other bodily substances for the purpose of determining if you are under the influence of alcohol or drugs. If you refuse this testing and you are convicted of hunting while under the influence of alcohol or drugs, your privilege to hunt in this state will be suspended for a period of two years. Your refusal to submit to the required testing may be offered into evidence against you at trial. If you consent to the test, the results may be offered into evidence against you. After first submitting to the required state tests, you are

entitled to additional chemical tests of your blood, breath, urine, or other bodily substances at your own expense and from qualified personnel of your own choosing. Will you submit to the state administered chemical tests of your (designate which tests) under the implied consent law?"

(h) Any person who is dead, unconscious, or otherwise in a condition rendering such person incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (g) of this Code section, and the test or tests may be administered, subject to subsection (d) of this Code section.

(i)(1) If a person refuses, upon the request of a law enforcement officer, to submit to a chemical test designated by the law enforcement officer as provided in subsection (g) of this Code section, no test shall be given; provided, however, that subject to the provisions of paragraphs (2) and (3) of this subsection, such refusal shall be admissible in any legal action; and provided, further, that upon conviction of a violation of subsection (b) of this Code section, in addition to any other punishment imposed, such person's privileges to hunt in this state shall be suspended by operation of law for a period of two years. The fact that such person was not in possession of a valid hunting license at the time of the violation shall have no effect on the suspension of his or her hunting privilege.

(2) If in any legal action a party desires to present evidence of the refusal of a person charged with violating subsection (b) of this Code section to submit to a chemical test designated by a law enforcement officer as provided in subsection (g) of this Code section, the party desiring to present such evidence shall request the judge presiding over such legal proceeding to hold a hearing to determine the admissibility of such evidence after notice to the person alleged to have refused to submit to such testing and to the law enforcement officer.

(3) The scope of the hearing shall be limited to the following issues:

(A) Whether the law enforcement officer had reasonable grounds to believe the person was hunting while under the influence of alcohol or a controlled substance and was lawfully placed under arrest for violating subsection (b) of this Code section;

(B) Whether at the time of the request for the test or tests the officer informed the person of the person's implied consent rights and the consequence of submitting or refusing to submit to such test; and

(C) Whether the person refused to submit to the test.

(4) It shall be unlawful during any period of a person's hunting privilege suspension for such person to:

(A) Hunt without a license in violation of Code Section 27-2-1;

(B) Possess a current Georgia hunting license; or

(C) Hunt in any situation where a hunting license is not required.

(5) Any person convicted of hunting while intoxicated while his or her hunting privileges are suspended pursuant to this subsection shall be guilty of a misdemeanor. (Ga. L. 1953, Nov.-Dec. Sess., p. 327, § 1; Ga. L. 1955, p. 483, § 56; Code 1933, § 45-506, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1996, p. 1134, § 2.)

JUDICIAL DECISIONS

Admissibility of breath test results. — Officers’ testimony that blood alcohol breath test machines were functioning properly, had been inspected, that no pieces or components were missing, that the officers performed all required tests, and that they prepared the instruments in accordance with their training showed substantial compliance with the required procedures, and admission of the test results was proper; defendants’ arguments that the breath test results should have been inadmissible because the machines registered increasing blood alcohol concentration readings as a person continued to blow into them went to the weight of the evidence, which was for the trial court to determine. *Whittaker v. State*, 279 Ga. App. 148, 630 S.E.2d 560 (2006).

27-3-8. Unlawful devices.

It shall be unlawful for any person to make use of any pitfall, deadfall, catch, snare, trap, net, salt lick, blind pig, baited hook, or other device for the purpose of taking any game animal or game bird or any other wildlife, except as otherwise provided in this title or by rule or regulation of the board. 27-3-9. Unlawful enticement of game.

(a) It shall be unlawful for any person to place, expose, deposit, distribute, or scatter any corn, wheat, or other grains, salts, apples, or other feeds or bait so as to constitute a lure or attraction or enticement for any game bird or game animal on or over any area where hunters are or will be hunting; provided, however, that it shall be lawful to hunt deer within the vicinity of such feeds if the hunter is at least 200 yards away from and not within sight of the feed or bait.

(b) Except as otherwise provided by law or regulation, it shall be unlawful for any person to hunt any game bird or game animal upon, over, around, or near any place where any such feed or bait has been placed, exposed, deposited, distributed, or scattered so as to constitute a lure, attraction, or enticement to such birds or animals. It shall also be unlawful to hunt any game animal or game bird upon, over, around, or near any such place for a period of ten days following the complete removal of all such feed or bait.

(c) When a conservation ranger is aware or becomes aware that a clearly identifiable area of land or field is baited for doves in such a manner that hunting thereon would be a violation of subsection (b) of this Code section, it shall be the duty of the conservation ranger to require the owner or other person having lawful possession or control of the baited area of land or field to remove such bait. The conservation ranger shall require such owner or other person to erect on the area of land or field signs having printed thereon the words: "No Hunting, Baited Field." Such signs shall remain for ten days after bait is removed. The printing on such signs shall be clearly visible to a person with normal eyesight from a distance of at least 50 yards. A sufficient number of such signs shall be erected to provide reasonable notice to hunters that the field or area is baited. If the conservation ranger cannot locate the owner or other person having lawful possession or control of the baited area of land or field, it shall be the duty of such conservation ranger to erect such signs. The owner or other person having lawful possession or control of a baited area or field who fails to comply with an order of a conservation ranger requiring the removal of bait or the erection of signs, or both, as required by this subsection shall be guilty of a misdemeanor. When a conservation ranger is aware that a clearly identifiable area of land or field is baited in such a manner that hunting thereon would be a violation of subsection (b) of this Code section prior to any such violation, no charge may be brought against any person under subsection (b) of this Code section unless the provisions of this subsection have been

followed. Nothing in this subsection shall be construed to preclude the owner or other person having lawful possession or control of a baited area or field from being charged with and convicted of a violation of subsection (a) of this Code section. Nothing in this subsection shall be construed to preclude a person's being charged with and convicted of a violation of subsection (b) of this Code section when such violation is on a baited area of land or field which was not previously identified by a conservation ranger as provided in this subsection prior to such violation. The 2007 amendment, effective May 11, 2007, part of an Act to revise, modernize, and correct the Code, revised language in subsection (a).

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1989, in subsection

(c) "ten" was substituted for "10" in the third sentence, "(c)" was deleted following "this subsection" in the eighth sentence, and "person's" was substituted for "person" in the tenth sentence.

JUDICIAL DECISIONS

Due process satisfied. — O.C.G.A. § 27-3-9, when read as a whole, gives sufficient notice of the acts it prohibits so as to comply with the requirements of due process. *Price v. State*, 253 Ga. 250, 319 S.E.2d 849 (1984).

Activities constituting "hunting." — In a prosecution for hunting over a baited field, evidence was sufficient to show defendant was "hunting" where defendant's activities constituted placing, setting, drawing, or using a device to take wildlife, whether or not defendant was actually in the act of pursuing, shooting, killing, or taking deer at the time of apprehension. *Redding v. State*, 217 Ga. App. 529, 458 S.E.2d 168 (1995).

Evidence of violation. — Private land under surveillance for illegal hunting was not a "private place" within the meaning of O.C.G.A. § 16-11-62, prohibiting the filming of activities of persons in a private place;

thus, in a prosecution for hunting over bait, a videotape showing defendant in possession of a bow and arrows on a hunting stand in that area was admissible. *Quintrell v. State*, 231 Ga. App. 268, 499 S.E.2d 117 (1998).

Punishment for violation. — Suspension of defendant's hunting and fishing "privileges" during the probation period imposed upon conviction of a violation of O.C.G.A. § 27-3-9 was not an abuse of discretion. *Quintrell v. State*, 231 Ga. App. 268, 499 S.E.2d 117 (1998).

State's compliance with O.C.G.A. § 27-3-9(c) was not a condition precedent to defendants' prosecution for hunting over a baited field as the legislature did not intend for the provision to apply to any game animal or bird, or the legislature would have so specified. *Bennett v. State*, 252 Ga. App. 451, 557 S.E.2d 29 (2001).

27-3-10. Hunting upon or discharging weapons across a public road.

(a) It shall be unlawful for any person to hunt, with or without dogs, any wildlife upon any public road in this state. It shall also be unlawful for any

person while hunting to discharge any weapon from or across any public road in this state.

(b) Any person who violates the provisions of subsection (a) of this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than \$50.00 and not more than \$1,000.00 and, in the discretion of the sentencing court, imprisonment for not more than 12 months; provided, however, that such fine shall not be subject to suspension, stay, or probation except that if the court finds that payment of such fine would impose great economic hardship upon the defendant, the court may order such fine paid in installments. JUDICIAL DECISIONS

Sufficient evidence. — When defendants turned their truck around and went back to shoot a deer in a field, they were “pursuing” the deer upon a public highway from a motor vehicle; therefore, the evidence was sufficient to support their guilty verdict. *Passmore v. State*, 253 Ga. App. 901, 561 S.E.2d 123 (2001).

Conviction for separate offenses. — Where defendants hunted from a motor

vehicle on a public road at night using a light exceeding six volts, it was not error to convict them of the three separate crimes of hunting at night, hunting on a public road and hunting from a motor vehicle. *Sanford v. State*, 169 Ga. App. 769, 315 S.E.2d 281 (1984).

Editor's notes. — This Code section was based on Ga. L. 1978, p. 2264, § 3.

27-3-12. Unlawful substances and equipment; computer assisted remote hunting prohibited.

(a) It shall be unlawful to hunt any wild animal, game animal, or game bird by means of drugs, poisons, chemicals, smoke, gas, explosives, recorded calls or sounds, or recorded and electronically imitated or amplified

sounds or calls. It shall also be unlawful to use electronic communications equipment for the purpose of facilitating pursuit of any wild animal, game bird, or game animal.

(b)(1) As used in this subsection, the term “computer assisted remote hunting” means the use of a computer or other device, equipment, hardware, or software to control remotely the aiming and discharge of a firearm or other weapon so as to allow a person not holding that firearm or other weapon to hunt or shoot a wild animal or any wildlife.

(2) It shall be unlawful for any person, firm, partnership, or association to engage in computer assisted remote hunting or provide or operate a facility that allows others to engage in computer assisted remote hunting if the wild animal or wildlife being hunted or shot is located in this state.

(3)(A) Any person violating the provisions of this subsection shall be guilty of a misdemeanor of a high and aggravated nature and upon conviction thereof shall be punished by a fine of not less than \$1,000.00 and not more than \$5,000.00, imprisonment for a term not to exceed 12 months, or both such fine and imprisonment.

(B) Any equipment used or intended for use in a violation of this Code section, excluding motor vehicles, is declared to be contraband and shall be forfeited to the state.

(C) The hunting and fishing privileges of any person convicted of violating this subsection shall be suspended for three years. (Ga. L. 1911, p. 137, § 17; Code 1933, § 45-322; Ga. The 2006 amendment, effective July 1, 2006, designated the previously existing provisions of this Code section as subsection (a); in subsection (a), substituted “wild animal, game animal, or game bird” for “game animal or game bird” in the first and second

sentences, and substituted “imitated or amplified sounds or calls” for “amplified sounds or imitations of calls or sounds” at the end of the first sentence; and added subsection (b).

(a) It shall be unlawful to hunt any wildlife or feral hog from an electric, gas, or diesel boat, a steamboat, a sailboat, an airplane, a hydroplane, a

hovercraft, or a motor vehicle; except that alligators may be hunted from any boat or watercraft under power.

(b) Any person who violates the provisions of subsection (a) of this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than \$250.00 and, in the discretion of the sentencing court, imprisonment for not more than 12 months; provided, however, that such fine shall not be subject to suspension, stay, or probation except that if the court finds that payment of such fine would impose great economic hardship upon the defendant, the court may order such fine paid in installments. JUDICIAL DECISIONS

Hunting “wildlife” from motor vehicle. — An accusation alleging that the defendants “did with force of arms unlawfully hunt, chase, or kill wildlife from a motor vehicle” was deficient, since one may admit to hunting wildlife from a motor vehicle and still be innocent of criminal activity. *Manley v. State*, 187 Ga. App. 773, 371 S.E.2d 438, cert. denied, 187 Ga. App. 908, 371 S.E.2d 438 (1988) (decided prior to the 1992 amendment, which substituted “wildlife or feral hog” for “game bird, game animal, or fur-bearing animal” in subsection (a)).

When defendants turned their truck around and went back to shoot a deer in a field, they were “pursuing” the deer upon a

public highway from a motor vehicle; therefore, the evidence was sufficient to support their guilty verdict. *Passmore v. State*, 253 Ga. App. 901, 561 S.E.2d 123 (2001).

Any application for a permit for hunting deer with dogs shall be on such form as prescribed by the department and shall include a written description of the tract boundaries and a map showing key features such as public roads or streams on or bordering the tract and occupied dwellings on adjacent properties. The application must be signed by all persons owning any portion of the tract of real property or an authorized agent thereof.

(g) Any person 16 years of age or older, including without limitation any person hunting on his or her own property, who hunts deer with dogs must obtain and possess a deer-dog hunting license in addition to all other required hunting licenses and permits. The license fee for such deer-dog license shall be \$5.00 for a one-year period, except that there shall be no charge for any holder of a valid honorary hunting license, sportsman's license, or lifetime sportsman's license issued pursuant to this title.

(h) In addition to the provisions of subsection (f) of this Code section, the commissioner may revoke a deer-dog license for any hunter who, within a single hunting season, commits two or more violations of dogs off of permitted property. The 2006 amendment, effective July 1,

2006, in subsection (c), deleted "shall be accompanied by the required application fee;" following "by the department" in the third sentence, and deleted the former last sentence, which read: "The application fee for such permit shall be \$100.00 for an annual permit or \$25.00 for a two-day permit."; deleted "the lower corner of the

27-3-19. Hunting alligators; possessing alligator products; gathering alligator eggs.

(a) Except as provided in Code Section 27-3-15, it shall be unlawful for any person to hunt alligators within this state. The display or use of a light in any area closed to alligator hunting by any person not otherwise authorized to do so by regulations of the board in a place which alligators might be known to inhabit and in a manner capable of disclosing the presence of alligators, together with the possession of firearms, spear guns, gigs, harpoons, or other such equipment customarily used for the taking of alligators, during the period between one-half hour after sunset and one-half hour before sunrise shall be considered prima-facie evidence of an intent to violate this subsection.

(b) Any person who violates the provisions of subsection (a) of this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than \$500.00 and, in the discretion of the sentencing court, imprisonment for not more than 12 months; provided, however, that such fine shall not be subject to suspension, stay, or probation

except that if the court finds that payment of such fine would impose great economic hardship upon the defendant, the court may order such fine paid in installments.

(c)(1) It shall be unlawful for any person to possess, buy, or sell in this state the untanned hide or skin or alligator products from an alligator not lawfully taken under the authority of Code Section 27-3-15. All such hides, skins, and alligators not lawfully taken are declared to be contraband and shall be seized and disposed of as directed by the commissioner. Possession in a store, warehouse, or retail place of business of such untanned hides or skins or alligator products not lawfully taken shall be prima-facie evidence of violation of this subsection. This subsection shall not apply to alligator products made from hides or skins of alligators produced on farms licensed under this title or from hides or skins of alligators lawfully possessed, taken, or acquired outside or inside this state, nor shall any provision of this subsection be construed so as to prohibit the preparation, processing, or manufacturing of such commercially grown or lawfully possessed, taken, or acquired alligator hides or the storage or sale of products made therefrom, subject to rules and regulations promulgated by the board.

(2) It shall be unlawful for any person to gather alligator eggs from the wild or possess alligator eggs gathered from the wild in this state except pursuant to permit issued by the department for such purpose. The board shall establish the conditions of such permits by such rules or regulations as are reasonable and necessary under sound game management practices, which shall include without limitation specification of when and where such eggs may be gathered, limits on the number of eggs that may be gathered, the placement of gathered eggs in incubators, return of a minimum percentage and size of hatchlings from gathered eggs to the wild, and permit fees in such amounts as are necessary to cover the cost of administration. GENERAL PROVISIONS

27-4-1. Salt-water and fresh-water demarcation line.

(a) The line established in this state as the separation point between salt waters and fresh waters for commercial fishing and sport fishing is as follows:

(1) The point at which U.S. Highway 17 crosses the following bodies of water and their tributaries shall be the line of demarcation for them: St. Marys River, Satilla River, South Altamaha River, Champney River, Butler River, Darien River, Little Ogeechee System (except Salt Creek), North Newport River, Medway River, Big Ogeechee River, and Savannah River. All water seaward of these points shall be considered salt water; and

(2) The following streams and their tributaries are designated as salt water for their entire length: Crooked River, Little Satilla River, South Brunswick River, Turtle River, Sapelo River, South Newport River, Salt Creek (Little Ogeechee System), and all other rivers, streams, and tributaries in the six coastal counties which are not enumerated in this subsection.

(b) This Code section shall not apply to fresh-water ponds on the seaward side of the demarcation line. (Code 1933, § 45-811, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1982, p. 1629, § 4; Ga. L. 1984, p. 537, § 4; Ga. L. 1998, p. 783, § 13.)

contained in this Code section shall be construed to apply to the fishing or taking of fish, other than oysters, clams, and other shellfish, in any of the salt-water creeks, streams, or estuaries leading from the Atlantic Ocean or from the sounds, rivers, or bays surrounding the several islands of this state. It shall also be unlawful for any person to obstruct or interfere with the right of any other person to fish in these salt-water creeks, streams, or estuaries leading from the Atlantic Ocean or from the sounds, rivers, or bays surrounding the several islands of this state. OPINIONS OF THE ATTORNEY GENERAL

Owner of both sides of nonnavigable stream. — Owner of nonnavigable stream who owns the land on both sides of stream is entitled to exclusive fishing rights in that stream. 1962 Op. Att'y Gen. p. 249.

Owner of land adjacent to navigable stream owns to low-water mark of stream, and may prevent fishing from upon owner's lands and could well have exclusive fishing rights to low-water mark thereof. 1962 Op. Att'y Gen. p. 249.

Where a river is navigable at point where a lake comes into the river, and the same person owns the land on both sides of the lake and the land on both sides of the mouth of the lake, the owner would have the exclusive fishing rights to the low-water mark of a navigable stream; and the lake and the lands could be posted by the owner notwithstanding fact that the lake and lands might be posted by operation of law. 1962 Op. GENERAL PROVISIONS

27-4-30. Fishing in private ponds.

The owner of a private pond, the owner’s family, or tenants with the owner’s consent shall be permitted to fish within the bounds of the pond at any time and in any manner without a fishing license. All other persons shall be required to obtain fishing licenses to fish within the bounds of a private pond as provided in this title unless the fish in the private pond are “domestic fish” as defined in paragraph (23) of Code Section 27-1-2. For the purposes of this Code section, the term “private pond” shall not include ponds owned by city or county governments, the State of Georgia, the United States, or authorities or political subdivisions of such governments. OPINIONS OF THE ATTORNEY GENERAL

Fingerprinting of offenders not required.
— Offenses under O.C.G.A. § 27-4-132.1 are not ones for which those charged with a

violation are to be fingerprinted. 1996 Op. Att’y Gen. No. 96-17.

27-4-133. Lawful nets; opening and closing waters; identification on boats fishing for shrimp.

(a) Except as otherwise specifically provided, it shall be unlawful for any person to use a power-drawn net in any of the salt waters of this state for commercial shrimping for human consumption. All sounds shall be closed to such fishing, except that the commissioner may open Cumberland, St. Simons, Sapelo, St. Andrew, Wassaw, or Ossabaw sounds or any combination of such sounds at any time between September 1 and December 31, provided that he or she has determined that the shrimp in the waters of each sound to be opened are 45 or fewer shrimp with heads on to the pound; and the commissioner shall close each sound so opened when he or she has determined that the shrimp in the waters of the sound exceed 45 shrimp with heads on to the pound. The commissioner may open any waters outside, on the seaward side, of the sounds between May 15 and December 31, provided that he or she has determined that the shrimp in such outside waters are 45 or fewer shrimp with heads on to the pound; and the commissioner shall close the waters so opened when he or she has determined that the shrimp in such outside waters exceed 45 shrimp with heads on to the pound. The commissioner may open any waters outside the sounds during the months of January and February, provided that he or she has determined that the shrimp in such outside waters are 50 or fewer shrimp with heads on to the pound; and the commissioner shall close such outside waters so opened when he or she has determined that the shrimp in such outside waters exceed 50 shrimp with heads on to the pound. The department shall conduct inspections for such shrimp count, and a determination by the commissioner shall be conclusive as to the count. The commissioner shall provide public notice of the opening and closing of such waters, as provided in this Code section, by posting a notice of all openings and closings at the courthouse and on all shrimp docks and by such other means as may appear feasible. The notices shall be posted at least 24 hours prior to any change in the opening and closing of any such waters, provided that such notice is required only when waters are opened or closed by action of the commissioner.

(a.1)(1) It shall be unlawful to fish for shrimp for human consumption with any trawl or trawls having a total foot-rope length greater than 220

feet, not including the foot-rope length of a single trawl not greater than 16 feet when used as a try net. Foot-rope shall be measured from brail line to brail line, first tie to last tie on the bottom line. The provisions of this subsection shall not apply to vessels having a maximum draft of seven feet or less when fully loaded. The department is authorized to exempt trawls used by persons holding a valid scientific collection permit granted by the department.

(2) A vessel operator who violates the provisions of this subsection shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than \$500.00 nor more than \$2,500.00 or imprisoned for not longer than 30 days or both, and any trawl on board the vessel shall be contraband and may be seized.

(b) Reserved.

(c) Except as otherwise specifically provided, it shall be unlawful to fish with nets other than cast nets in any of the tidal rivers or creeks, except to fish for shad or sturgeon, provided that nothing contained in this Code section shall be construed so as to prohibit any person from using a beach seine along any public beach.

(d) The department shall have the power to close all or any portion of the salt waters of this state to commercial and recreational fishing in the event of a disaster likely to cause seafood to be unfit for human consumption or in the event of any other emergency situation.

(e) Nothing contained in this Code section shall be construed to prohibit any person from fishing in the salt waters of this state for shrimp to be used or sold for live bait pursuant to Code Sections 27-4-170 and 27-4-171, provided that it shall be unlawful to fish for shrimp for bait with any trawl equipment which has been used to fish for shrimp pursuant to this Code section.

(f) In accordance with current, sound principles of wildlife research and management, as provided by Code Section 27-4-130, the commissioner is authorized to authorize any person to fish for crabs or whelks with power-drawn nets of four-inch stretched mesh from any waters outside, on the seaward side, of the sounds at any time during the year, or from the waters of Cumberland, St. Simons, Sapelo, St. Andrew, Wassaw, and Ossabaw sounds during the months of January, February, and March, when the commissioner has determined that fishing for crabs or whelks within such waters will not be detrimental to the conservation of crabs or shrimp. Possession of any net with mesh smaller than that provided in this subsection while taking crabs or whelks shall be prima-facie evidence of the violation of this Code section.

(g) It shall be unlawful for any person fishing for shrimp for commercial purposes pursuant to this Code section to fail to have positioned on the bow

or cabin of the boat taking such shrimp a board with a background color of daylight fluorescent orange and with such numerals and letters painted or affixed thereon as are specified by the department for the boat. The numerals and letters shall be at least 16 inches in height, black in color, of block character, and spaced so as to be readable from the air from left to right.

(h) Any determination to open or close the salt waters pursuant to this Code section shall be made in accordance with current, sound principles of wildlife research and management. (Ga. L. 1924, p. 101, § 34; Code 1933, § 45-512; Ga. L. 1952, p. 77, §§ 1-4; Ga. L. 1953, Jan.-Feb. Sess., p. 491, §§ 1-7; Ga. L. 1955, p. 483, § 94; Ga. L. 1956, p. 590, §§ 12, 13, 20; Ga. 27-4-134. Requirements for commercial fishing boat license; penalty for violation.

(a) Upon application for a commercial fishing boat license under Code Section 27-2-8, the owner of such boat, if said boat is to be used for fishing with power-drawn nets in accordance with the provisions of Code Section 27-4-133, must do one of the following:

(1) Post a cash forfeiture bond in the form prescribed by the board in favor of the State of Georgia in the amount of \$5,000.00, conditioned upon faithful compliance with Code Section 27-4-133;

(2) File with the commissioner a forfeiture bond in the form prescribed by the board executed by a bonding, surety, or insurance company licensed to do business in this state in favor of the state in the amount of \$5,000.00, conditioned upon faithful compliance with Code Section 27-4-133; or

(3) File with the commissioner an affidavit in the form prescribed by the board stating that the affiant is a resident of the State of Georgia, that he is the sole owner of the boat to be licensed, and that the boat is free from all encumbrances, including but not limited to liens, mortgages, and other evidences of security interests. The department may require proof of residence or ownership or proof of residence and ownership. The affidavit shall acknowledge that the boat sought to be licensed will be subject to Code Section 27-4-137. The affidavit shall be filed by the department in the office of the clerk of the superior court as follows: when the owner is an individual, then in the county where he resides; when the owner is a partnership, corporation, or business entity other than an individual, then in the county of the owner’s principal place of business. The affidavit shall be filed by the clerk like other security interests on boats; provided, however, that the filing of such affidavit shall not be permissible where the boat is documented under the laws of the United States.

(b) The term of the bond provided for in paragraphs (1) and (2) of subsection (a) of this Code section shall be for one year and shall

correspond to the period of the license. When such a bond has been filed, Code Section 27-4-137 shall not apply to the boat covered by the bond. The commissioner shall have the right to recover on the bond for the breach of its conditions whenever said boat is used in violation of Code Section 27-4-133 or any rule or regulation promulgated pursuant thereto, either with or without the knowledge, consent, or acquiescence of the owner of the boat. The recovery shall be:

(1) For the first violation, \$1,000.00; and

(2) For each subsequent violation within the period of any license, \$4,000.00.

(c) Every breach or violation shall carry over to all succeeding bonds filed under this Code section. The aggregate liability shall not exceed the amount of the bond. However, in the event that the total amount of any bond is forfeited, the commercial fishing boat license shall be suspended until a new bond in the amount of \$10,000.00 is filed covering the remainder of the period of the license. Until the new bond is filed, any commercial use of the boat shall be unlawful; and the owner shall be guilty of a misdemeanor of a high and aggravated nature. Nothing in this subsection shall be construed so as to alter or affect the seizure and condemnation, under Code Section 27-4-137, of any boat not covered by the bonds provided for in paragraphs (1) and (2) of subsection (a) of this Code section. 27-4-137. Condemnation proceedings.

(a) Each boat, propulsion unit, net, door, boom, winch, cable, electronic device, or accessory equipment used in violation of Code Section 27-4-133, 27-4-170, or 27-4-171 is declared to be contraband and forfeited to the state and shall be confiscated and seized by any peace officer, who shall impound it in the name of the district attorney whose circuit includes the county in which a seizure is made. The district attorney whose circuit includes the county in which a seizure is made, within 30 days after the seizure of any such equipment, shall institute proceedings by petition in the superior court of any county where the seizure was made against the property so seized and against any and all persons having an interest in or right affected by the seizure or sale of the equipment. A copy of the petition shall be served upon the owner or lessee of the equipment, if known, and upon the person having custody or possession of the equipment at the time of the confiscation or seizure. If the owner, lessee, or person having custody or possession of the equipment at the time of seizure is unknown, notice of such proceedings shall be published once a week for two consecutive weeks in the newspaper in which sheriff's advertisements of the county are published. Such publication shall be deemed notice to any and all persons having an interest in or right affected by such proceedings and any sale of the equipment resulting therefrom. If no defense or intervention shall be filed within 30 days from the filing of the petition, judgment by default shall be entered by the court; otherwise, the case shall proceed as other civil cases. Should it appear upon the trial of the case or upon default that such equipment was used in violation of the Code sections heretofore cited in this subsection, the equipment shall be sold by order of the court after such advertisement as the court may direct. The proceeds arising from the sale shall be applied:

- (1) To the payment of proper costs and expenses, including expenses incurred in the seizure;
- (2) To the payment of the costs of the court and its officers;
- (3) To the payment of any costs incurred in the storage, advertisement, maintenance, or care of such property; and
- (4) If any money remains, to the general funds of the county.

(b) Where the owner or lessee of any equipment seized for purposes of condemnation shall abscond or conceal himself so that actual notice of the condemnation proceedings cannot be served upon him, he shall be served by publication as is provided in subsection (a) of this Code section in the case of an unknown owner or lessee.

(c) All proceedings against any such equipment for the purpose of condemnation shall be proceedings in rem against the equipment, and the equipment shall be described only in general terms. It shall be no ground

for defense that the person who had the equipment in possession at the time of its use and seizure has not been convicted or acquitted of any criminal proceedings resulting from or arising out of such use. It is the intent and purpose of the procedure provided by this Code section to provide a civil remedy for the condemnation and sale of equipment used in violation of Code Section 27-4-133, notwithstanding the conviction or acquittal of the person having possession or custody of the equipment at the time of its seizure. The conviction or acquittal of any such person shall not be admissible as evidence in any proceeding under this Code section.

(d) Any party at interest may appear, by answer under oath, and make his defense. The holder of any bona fide lien on the property shall be protected to the full extent of his lien only if the lien was perfected prior to the filing by the department of the affidavit provided for in paragraph (3) of subsection (a) of Code Section 27-4-134, provided that nothing contained in this Code section shall be construed to obligate the district attorney whose circuit includes the county in which a seizure is made beyond the proceeds of any such sale less the actual costs incurred by him.

(e) The court to which any such petition for condemnation may be referred may, in its discretion, allow any party at interest to give bond and take possession of the equipment seized. The court shall determine whether the bond shall be a forthcoming bond or an eventual condemnation money bond and shall determine the amount of such bond. The enforcement of any bond so given shall be regulated by the general law applicable in such cases.

(f) The court shall have full discretion and authority to permit a settlement between the parties at any stage of the proceedings by permitting to be paid into court the value of the equipment or the value of the equity therein, as determined by the court, which money, when so paid in, shall be distributed as provided by law in all cases of condemnation.

(g) The Attorney General may, upon the request of the commissioner, aid the district attorney in the in rem proceeding arising from any seizure or confiscation of property. (Ga. L. 1953, Jan.-Feb. Sess., p. 491, § 6; Ga. L. 1955, p. 483, § 94; Ga. L. 1970, p. 961, § 1; Ga. L. 1973, p. 795, § 2; Ga. L. 1975, p. 428, § 1; Code 1933, § 45-902, enacted by Ga. L. 1977, p. 396, § 1; Ga. (B) For the second offense, the person shall be fined not less than \$10,000.00 and given a mandatory suspension from any commercial fishing for 120 fishing days; and

(C) For the third or any subsequent offense, the person shall be fined not less than \$10,000.00 and given a mandatory suspension from any commercial fishing for one year.

(4) Any person who violates a mandatory suspension provided for in paragraphs (2) and (3) of this subsection shall, upon a proper showing, be subject to imprisonment for a period not to exceed 12 months.

(b) It is the responsibility of every person operating a commercial fishing boat to determine whether or not the boat has a license which is valid and in effect. Any person who is engaged in illegal fishing with power-drawn nets while operating a boat which has not been licensed or which has had its license suspended and not reinstated shall be guilty of a misdemeanor and shall be punished by a mandatory minimum sentence as follows:

(1) For the first offense, the person shall be fined not less than \$2,500.00 or sentenced to not less than 30 days' nor more than 12 months' imprisonment, or both; and

(2) For the second offense, the person shall be fined not less than \$5,000.00 and given a mandatory suspension from any fishing for not less than five years. Any person who violates such mandatory suspension shall, upon a proper showing, be subject to imprisonment not to exceed 12 months.

(c) For purposes of this Code section, "illegal fishing with power-drawn nets" means any violation of Code Section 27-4-133 or 27-4-171.

(d) Adjudication of guilt or imposition of sentence shall not be suspended, probated, deferred, or withheld for any offense punishable under this Code section. (Ga. L. 1968, p. 202, § 5; Ga. L. 1974, p. 1173, § 2; Ga. L. 1975, p. 428, § 4; Code 1933, § 45-904, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1983, p. 490, § 1; Ga. L. 1988, p. 364, § 1; Ga. L. 1991, p. 1012, § 3; Ga. PART 2**CRABS****27-4-150. Taking, possessing, and dealing in crabs and peelers; required records.**

(a)(1) It shall be unlawful for any person to take or possess in this state any crab, other than a mature adult female crab, measuring less than five inches from spike to spike across the back; provided, however, that any person may take or possess peelers measuring at least three inches from spike to spike across the back. Any crabs taken or possessed in violation of this paragraph may not be intentionally killed and must be returned to the salt waters of this state as soon as possible; provided, however, nothing

in this paragraph shall prohibit any person from importing, transporting, or possessing crabs when such person can provide documentary evidence showing that the crabs were taken outside this state in full compliance with the laws of the state of origin. He or she must have an executed invoice showing the point of origin of such crabs and exhibit such an invoice upon demand to any conservation ranger.

(2) (Repealed effective July 1, 2008.) It shall be unlawful for any person to take or possess or offer for sale at any time any female blue crab bearing eggs visibly on its body, commonly known as sponge crabs, or any such female blue crab from which the egg pouch or bunion has been removed. It shall not be unlawful temporarily to take such sponge crabs incidental to lawful crabbing operations so long as the sponge crabs are returned immediately to the water free, alive, and unharmed. Nothing in this paragraph shall prohibit any person from importing, transporting, or possessing sponge crabs when such person can provide documentary evidence showing that the sponge crabs were taken outside this state in full compliance with the laws of the state of origin. He or she must have an executed invoice showing the point of origin of such sponge crabs and exhibit such an invoice upon demand to any conservation ranger. This paragraph shall be automatically repealed on July 1, 2008, unless continued by the General Assembly following a report on the status of the blue crab resource and fishery.

(b) It shall be unlawful for any person other than a licensed commercial fisherman or licensed commercial crab fisherman to take or possess commercial quantities of crabs, other than soft-shelled crabs, during any 24 hour period; provided, however, nothing in this subsection shall be construed to prohibit a person from possessing commercial quantities of such crabs when the person can provide documentary evidence showing that the crabs were purchased from a licensed commercial fisherman, a licensed commercial crab fisherman, or any person licensed to engage in the business of selling seafood or were purchased outside this state.

(c)(1) It shall be unlawful for any person other than a licensed commercial crab fisherman or a licensed soft-shell crab dealer to take or possess peelers in commercial quantities; provided, however, it shall be lawful for any person to possess such amount of peelers when the person can provide documentary evidence showing that the peelers were purchased from a licensed soft-shell crab dealer or any person licensed to engage in the business of selling seafood or were purchased outside the state.

(2) It shall be unlawful for any person taking peelers to sell the peelers to any person other than a licensed soft-shell crab dealer.

(3) It shall be unlawful for a soft-shell crab dealer to purchase peelers from any person other than a licensed commercial crab fisherman or another soft-shell crab dealer, provided that it shall be lawful for a

soft-shell crab dealer to purchase peelers from any person outside this state, or from outside this state.

(d) It shall be unlawful for any person other than a licensed soft-shell crab dealer to operate a shedding facility for commercial purposes.

(e)(1) The department shall begin issuing commercial crabbing licenses on April 1, 1995; provided, however, that until July 1, 1998, only a person who was in possession of a valid 1994-1995 license year commercial fishing license, who was listed as an owner or a captain on a valid 1993-1994 or 1994-1995 nontrawler commercial fishing boat license, and who can provide evidence satisfactory to the department that he or she commercially sold crabs ex-vessel during either the 1993-1994 or 1994-1995 license years shall be eligible to be issued a commercial crabbing license; provided, further, that the department may, in its discretion, issue a commercial crabbing license to a person who produces documentation satisfactory to the department that he or she, because of hardship, was unable to obtain a commercial fishing license during the 1994-1995 licensing year. A license issued pursuant to this paragraph shall be nontransferable and shall be issued annually for the fee specified in Code Section 27-2-23.

(2) Except as provided in Code Section 27-4-133, from April 1, 1995, only a person in possession of a valid commercial crabbing license may operate a commercial fishing boat for the purpose of commercial crabbing activities as provided for in subsections (b) and (c) of this Code section. Such license shall be distinct from and in addition to the commercial fishing boat license required by Code Section 27-2-8.

(3) On and after July 1, 1998, only those persons who were in possession of a commercial crabbing license and were listed as the owner or captain on a nontrawler commercial fishing boat license in two of the three license years from the 1995-1996 license year through the 1997-1998 license year and can provide evidence satisfactory to the department that he or she sold crabs ex-vessel during the time he or she was so licensed shall be eligible to be issued a commercial crabbing license. Any person desiring a commercial crabbing license for the 1998-1999 license year must make application not later than August 31, 1998.

(4) The total number of commercial crab licenses issued for license years after the 1998-1999 license year shall not exceed the number of such licenses issued for the 1998-1999 license year. Any license which is not renewed by May 1 of any license year subsequent to the 1998-1999 license year shall revert to the department for reissue by lottery devised and operated by the department. No person may hold more than one license at any time.

(5) Commercial crab licenses may not be sold for consideration and may not be transferred to another person; provided, however, that such licenses may only be transferred:

(A) Without payment of the license fee to the licensee's spouse, children, siblings, or parents if the licensee dies or is permanently and totally disabled. For purposes of this Code section, a permanent, total disability shall be a physical or mental impairment of a total and permanent nature which prevents gainful employment and which is certified as such by the United States Department of Veterans Affairs, the Social Security Administration, Medicaid, medicare, the Railroad Retirement System, or a unit of federal, state, or local government recognized by the board by rule or regulation. The transferee of a license so transferred shall engage in commercial crabbing as evidenced by his or her commercial crab harvest records within two years after such transfer or the license shall revert to the department for reissue as provided in paragraph (4) of this subsection; or

(B) With payment to the department of the license fee to any person who is the bona fide purchaser of the nontrawler boat or vessel the licensee used for crabbing and designated for such purpose as provided in subsection (e) of Code Section 27-4-151.

(6) Any person receiving a commercial crab license by transfer as provided in subparagraphs (A) and (B) of paragraph (5) of this subsection shall register such transfer with the department and pay to the department the license fee, if so required, within 30 days following the date of the transfer.

(f)(1) It shall be unlawful for anyone engaged in commercial fishing for crabs in the salt waters of this state to fail to maintain at all times a record book showing the amount of crabs caught daily; the name and address of the person or persons to whom sold; the date of sale and the time and place of delivery; and such other information as may be required by the department. If no fishing occurred during any calendar month, a report stating such must be filed.

(2) Each person required to maintain records pursuant to the provisions of paragraph (1) of this subsection shall report such information to the department at such time and in such manner as the board provides by rule or regulation. Such records shall be deemed provided in accordance with the provisions of this subsection on the date they were postmarked with the correct address and postage.

(3) Any person who fails to report records as required by the provisions of paragraph (2) of this subsection within 60 days of the date such report is due shall be penalized as follows:

(A) On a first offense, the person shall pay a fine of \$250.00;

(B) On a second offense, the person shall pay a fine of \$500.00; and

(C) On a third or any subsequent offense, the person shall pay a fine of \$500.00, and his or her commercial crabbing license shall be suspended for a period of ten days.

(4) Any licensed crabber who has not submitted all harvest records for the previous year, as required by paragraph (2) of this subsection and all pertinent rules and regulations, shall be ineligible for license renewal until such time as the required records have been submitted and all penalties paid.

(g) Any person violating the provisions of subsection (a) of this Code section shall be guilty of a misdemeanor and, upon conviction, shall pay a fine as follows:

(1) For a first offense, the person shall pay a fine of \$250.00;

(2) For a second offense, the person shall pay a fine of \$500.00, and his or her commercial crabbing and commercial fishing boat licenses shall be suspended for ten days and may not be used by any person; and

(3) For a third and each subsequent offense, the person shall pay a fine of \$1,000.00, and his or her commercial crabbing and commercial fishing boat licenses shall be suspended for 60 days and may not be used by any person. Any person whose license is so suspended shall remove all of his or her traps from the water not later than ten days after the first day of the suspension. (Ga. L. 1939, p. 367, § 1; Ga. L. 1955, p. 483, § 92; Ga. L. 1957, p. 96, § 1; Ga. L. 1976, p. 771, § 1; Code 1933, § 45-901, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1979, p. 893, § 6; Ga. L. 1995, p. 156, § 3; Ga. The 2005 amendment, effective May 2, 2005, substituted “July 1, 2008” for “July 1, 2005” in the last sentence of paragraph (a)(2).

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, in subsection (e), “, or the effective date of this subsec-

tion, whichever date is later” was deleted from paragraph (1) following “April 1, 1995” and “or the date the subsection became effective, whichever is later,” was deleted from paragraph (2) following “April 1, 1995.”

C.J.S. — 36A C.J.S., Fish, §§ 34, 35.

27-4-151. Use of crab traps; identification of boats or vessels; closure of saltwaters authorized.

(a) For purposes of crabbing, that portion of the St. Marys River and the Satilla River System (including the Satilla River and White Oak Creek) which is seaward of the points at which the Seaboard Coastline Railroad crosses such streams and that portion of the Altamaha River System which is seaward of the points at which U.S. Highway I-95 crosses the streams of that system shall be considered salt water. It shall be unlawful to place any crab trap in the waters of this state other than that described as salt water in Code Section 27-4-1 or by this subsection.

(b) It shall be unlawful to set or place any commercial crab trap in the salt waters of this state which does not have attached a float which is made of a substance visible from a distance of 100 feet in clear weather at slack tide. For the purposes of this Code section, "slack tide" means that portion of the tidal current characterized by slowness, sluggishness, and lack of energy and which occurs approximately midway between maximum flood-tide and maximum ebb-tide currents and between maximum ebb-tide and maximum flood-tide currents.

(c) It shall also be unlawful to set or place in the salt waters of this state any commercial crab trap which does not have attached a float with such identification as is assigned by the department to the owner of the trap. Such identification shall be at least one inch in height, of a color which contrasts with the color of the float, of block character, and spaced so as to be readable from left to right. The identification shall be assigned by the department to the owner of the trap when the owner is issued his or her commercial crabbing license. For subsequent years, the same identification shall be assigned to such commercial crab fisherman.

(d) When the float of a commercial crab trap has been identified as provided in this Code section, it shall be unlawful for any person, other than the licensed commercial crab fisherman or a sole individual licensed as required in subsection (b) of Code Section 27-4-150 and carrying on his or her person written permission from the licensed commercial crab fisherman if the department has been previously notified in writing of such permission, to pull such trap or to take crabs from such trap or intentionally to damage, destroy, remove from the water any crab trap or float thereof, or to use such a float for any purpose. It shall also be unlawful for any person to use such a float for any purpose other than to mark a submerged crab trap. For purposes of determining the number of crab traps a person is employing, it shall be conclusively presumed that a crab trap is tethered to each such float.

(e) It shall also be unlawful for any person to engage in commercial crabbing with a boat or vessel unless there is displayed on each side of the forward third of the boat or vessel so as to be readable from the water such

identification as is assigned by the department to such person. The identification shall be at least eight inches in height, of a color which contrasts with the color of the background, of block character, and spaced so as to be readable from left to right. The assigned identification of the boat or vessel being utilized shall correspond to the identification of the float of the trap from which crabs are being taken. No boat or vessel shall be assigned more than one identification in any license year unless such boat or vessel is transferred to another licensed commercial fisherman and such transfer is registered with the department. A crabbing boat or vessel may only employ traps marked with floats with identification issued by the department corresponding to the identification of the boat or vessel being utilized. No identification may be assigned to more than one boat or vessel in any license year, except for replacement vessels as provided in subparagraph (g)(1)(B) of this Code section; provided, however, that one identification number may be assigned to a licensed crabber's primary and alternate vessels, only one of which may be operated for crabbing at any time.

(f) It shall be unlawful for any person to catch crabs for commercial purposes within 100 feet of the dock of any other person. It shall also be unlawful to place or set commercial crab traps in the channel of any stream when such channel has been marked by a lawfully established system of waterway markers.

(g)(1)(A) The first time after July 1, 1998, that a person obtains or renews a commercial crabbing license, he or she shall obtain a permit from the department establishing the maximum number of traps he or she may deploy at any given time during that license year. Such permits shall be issued in 50 trap increments up to a maximum of 200 traps. The licensee shall pay a fee of \$2.00 per trap for the permit, and the permit shall be for the same duration and shall be renewed at the same time as the commercial crabbing license.

(B) No crab trap permit may be sold or transferred to another person except as provided in this subparagraph. Such a permit may be transferred along with the transfer of the licensed commercial crabber's nontrawler license to a replacement vessel if the transfer of the permit and the license is registered with the department. Such a permit may be transferred to the purchaser of a commercial crab boat along with the commercial crabber's license and the commercial crabber's nontrawler license if the transfer of the permit, the commercial crabber's license, and the commercial crabber's nontrawler license are recorded with the department and a new permit fee is paid to the department.

(C) No crab trap permit may be amended to permit the use of more traps except at the time of license renewal. The licensee shall have the trap permit in his or her possession at all times while crabbing.

(2) It shall be unlawful for any licensed commercial crab fisherman or a person designated by such licensee as provided in subsection (d) of this Code section to employ more crab traps than the number allowed by his or her crab trap permit at any time. It shall be unlawful for any person to exercise harvest permission as provided in subsection (d) of this Code section from more than one licensed commercial crab fisherman at any time.

(3) Any person violating the provisions of paragraph (1) or (2) of this subsection shall be guilty of a misdemeanor of a high and aggravated nature and, upon conviction, shall be punished by a fine of not more than \$2,000.00 or incarceration for not longer than one year or both. In addition to such criminal penalty, any person found guilty of employing more than the permitted number of crab traps shall pay a civil fine of \$100.00 for each excess trap. In addition to such criminal and civil penalties, the license of any person found guilty of employing more than 50 excess crab traps shall be suspended for one year, during which time the person shall be ineligible to apply for a new license and upon the completion of which he or she may renew the license. Upon a second or subsequent such offense, the person's license shall be revoked for one year, and at the end of that time such person must apply for a new license as if he or she had never before been in possession of a license; provided, however, that such individual shall not be eligible to receive a license through transfer pursuant to paragraph (5) of subsection (e) of Code Section 27-4-150.

(4) Whenever the commissioner or his or her designee has reason to believe that any person has violated the provisions of paragraph (1) or (2) of this subsection or any rule or regulation promulgated to implement such subsection, he or she may request and shall receive a hearing before an administrative law judge of the Office of State Administrative Hearings acting in place of the Board of Natural Resources, as provided by Code Section 50-13-41. Upon finding that such person has violated this Code section, the administrative law judge shall impose a civil penalty in the amount of \$100.00 for each trap in excess of the permitted number. The decision of the administrative law judge shall constitute a final decision in the matter, and any party to the hearing, including the commissioner, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act."

(h) Any commercial crab trap in violation of this Code section is declared to be contraband and subject to seizure by conservation rangers, sheriffs, and other peace officers authorized to enforce this title.

(i) Nothing in this title shall be construed to require any individual to obtain a commercial fishing license or a commercial crabbing license when such person is deploying six or fewer crab traps in the salt waters of this state to take crabs for personal consumption; provided, however, that each crab

trap measures 2 feet by 2 feet or smaller; a float clearly marked with the owner's name and address is attached to each crab trap; the quantity of crabs taken or possessed by such person does not exceed one bushel per person or two bushels per boat when the boat is occupied by more than one person; and the crabs are not sold.

(j) The commissioner shall have the power to close all or any portion of the saltwaters of this state to commercial and recreational fishing for blue crabs or any component of the blue crab fishery, including peeler, soft, or sponge crabs, in the event of flood, drought, disease, or any other emergency situation or in the event of a disaster or other occurrence likely to cause seafood to be unfit for human consumption. Any determination to close the saltwaters pursuant to this subsection or to reopen such waters shall be made in accordance with current, sound principles of wildlife research and management as provided by Code Section 27-4-130. (Ga. L. 1956, p. 590, § 10; Code 1933, § 45-909, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1979, p. 893, § 7; Ga. L. 1982, p. 1629, § 5; Ga. L. 1982, p. 1729, § 7; Ga. L. 1995, p. 156, §§ 4, 5; Ga. L. 1997, p. 444, §§ 2, 3; Ga. L. 1998, p. 1647, § 3; Ga. L. 1999, p. 785, § 1; Ga. L. 2000, p. 136, § 27; Ga. L. 2002, p. 805, § 2.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1995, “two” was substituted for “2” preceding “bushels per boat” near the end of subsection (i).

Pursuant to Code Section 28-9-5, in 1997, “St. Marys River” was substituted for “St. Mary’s River” in the first sentence of subsection (a).

Pursuant to Code Section 28-9-5, in 1998, in the first sentence of paragraph (g)(3), “than” was deleted following “more than” and “a” was deleted preceding “one year”.

Pursuant to Code Section 28-9-5, in 1999, “licensed” was substituted for “licenced” in the fourth sentence in subsection (e).

27-4-170. Sport bait shrimping.

(a) Any provision of this title to the contrary notwithstanding, any person who has a recreational fishing license may use a power-drawn net in accordance with this Code section, such net not to be larger than a ten-foot

net and to be constructed of mesh not smaller than one inch when stretched, for the purpose of fishing for shrimp to be used for live bait in this state, provided that the shrimp are not to be sold. In addition to the general provisions of this Code section, the Board of Natural Resources is authorized to promulgate rules and regulations establishing the gear and methods allowed for sport bait shrimping. It shall be unlawful to fish for shrimp to be so used at night. It shall also be unlawful to fish for shrimp pursuant to this Code section except in those rivers or creeks or portions thereof opened to such taking. The determination of whether to open or close a river or creek or portion thereof shall be made by the commissioner or his or her designee in accordance with current, sound principles of wildlife research and management as provided in Code Section 27-4-130. No person fishing for shrimp under this subsection shall possess more than two quarts of bait shrimp at any time, no more than one-half pint of which may be dead; but any such person may take a maximum of four quarts of bait shrimp during any 24 hour period. When two or more persons fishing for shrimp under this subsection occupy the same boat, at least one such person must have a recreational fishing license; and there may be no more than four quarts of bait shrimp on board the boat at any time, no more than one pint of which may be dead; but the persons occupying the boat may take a maximum of eight quarts of bait shrimp during any 24 hour period. Possessing or taking more than the limits prescribed in this subsection shall be unlawful. Possessing more than these limits shall be prima-facie evidence that the shrimp were taken for some purpose other than to be used as live bait.

(b) It shall be unlawful for any person to sell or otherwise dispose of, for human consumption, any shrimp caught pursuant to this Code section or to possess such shrimp for the purpose of sale or other distribution for human consumption or personally to consume such shrimp. Possession of shrimp with heads off shall be prima-facie evidence that the shrimp are to be sold for human consumption or are personally to be consumed.

(c)(1) It shall be unlawful for any person fishing for bait shrimp for noncommercial purposes to use any cast net other than a bait shrimp cast net.

(2) The salt waters of the state shall be open to fishing for bait shrimp at any time of the year; provided, however, that when food shrimp season is closed, any person fishing for shrimp under this paragraph shall possess no more than two quarts of bait shrimp at any time, all of which may be dead; and provided, further, that any such person may take a maximum of four quarts of bait shrimp during any day. 27-4-171. Bait dealers.

(a)(1) It shall be unlawful for any person to fish for shrimp for live bait to be sold, to engage in the sale of shrimp for live bait, or to engage in the sale of shrimp for dead bait unless the person has a bait dealer license and possesses a valid personal commercial fishing license as provided in Code Section 27-2-23 or is an employee of a licensed bait dealer and possesses a valid personal commercial fishing license as provided in Code Section 27-2-23. No bait dealer license shall be issued to a person holding a commercial food shrimp cast netting license issued pursuant to Part 5 of this article. Any license issued pursuant to this Code section shall be invalid immediately upon the holder's obtaining such a commercial food shrimp cast netting license. No bait dealer license shall be issued for an individual whose establishment is located on any dock or other facility, including platforms, walkways, and buildings, which is one contiguous unit and where shrimp taken pursuant to Code Section 27-4-133 are processed, stored, or sold for retail purposes; provided, however, that such prohibition shall not apply to any person who was granted a bait

dealer license for the period from April 1, 1993, through March 31, 1994, and whose bait dealer license was not revoked and provided, further, that such exemption shall terminate immediately if the person's current bait dealer license is revoked by the commissioner or if he or she is found guilty of a violation of the provisions of this Code section.

(2) In addition to complying with subsection (b) of this Code section, any applicant for a bait dealer license must first file with the commissioner a forfeiture bond in the form prescribed by the department, executed by a bonding, surety, or insurance company licensed to do business in this state, in the favor of the state in the amount of \$2,000.00, conditioned upon the faithful compliance by the person and all his or her employees with all the laws and regulations relating to the taking, possession, and sale of bait shrimp, provided that a cash forfeiture bond in like amount may be substituted in lieu of the commercial bond provided for in this Code section. The term of the bond shall be one year and shall correspond to the period of the bait dealer license, which shall be April 1 to March 31. The bond shall be in addition to the commercial fishing boat license, where applicable, required by Code Section 27-2-8 and in addition to the personal commercial fishing license required by this Code section. Notation of execution of the bond shall be stamped or endorsed on the applicant's bait dealer license.

(3) Trawler licenses for bait shrimp trawling shall not be issued to any person who does not possess a valid bait dealer license unless such person is an employee of a licensed bait dealer.

(4) In addition to the general provisions of this Code section, the Board of Natural Resources is authorized to promulgate rules and regulations establishing the gear and methods allowed for commercial bait shrimping.

(5) It shall be unlawful for any person fishing for shrimp for live bait pursuant to this Code section to:

(A) Use any power-drawn net which is larger than a 20 foot net or constructed of mesh smaller than one inch or greater than one and three-eighths inches when stretched;

(B) Fish for shrimp pursuant to this Code section at night. All salt waters of this state shall be closed to fishing for shrimp pursuant to this Code section, except those rivers or creeks or portions thereof opened to such taking. The determination of whether to open or close a river or creek or portion thereof shall be made by the commissioner or his or her designee in accordance with current, sound principles of wildlife research and management as provided by Code Section 27-4-130;

(C) Have on board the boat used for fishing for shrimp pursuant to this Code section more than 50 quarts of shrimp at any one time, no more than 10 percent of which may be dead;

(D) Fail to maintain on the commercial fishing boat bait-holding facilities which comply with the requirements set forth in subsection (b) of this Code section, except that it shall not be necessary for the boat to meet the requirements of paragraph (5) of subsection (b) of this Code section; or

(E) Hold a valid commercial food shrimp cast netting license issued pursuant to Part 5 of this article or to employ any person holding such a commercial food shrimp cast netting license.

(b) After April 1, 1995, all applicants for bait dealer licenses and, except as provided in subsection (a) of this Code section, all licensed bait dealers shall have and maintain facilities meeting the following requirements:

(1) Live bait shrimp facilities must be located within the salt waters of the state, as defined by the salt-water demarcation line described in Code Section 27-4-1, and such facilities must consist of either floating bait containers or tanks with circulating or recirculating systems to provide an exchange of salt waters. Floating bait containers must be permanently affixed to docks or other permanent structures which are attached to high ground above the high water mark and must be constructed with adequate openings to provide for a steady exchange of salt water. Tanks with circulating salt-water systems must include adequate spray outlets to provide aeration as well as sufficient water inlets to create a circulating flow within the bait tank;

(2) All live shrimp-holding facilities must be constructed of nontoxic materials or materials which have been properly treated with an approved nontoxic substance. The facilities must be maintained in a condition conducive to keeping shrimp alive, which requires regular cleaning and the removal of dead shrimp;

(3) Any live bait shrimp dealership which is not within one-half mile of public salt-water angling access shall be required to maintain public access to customers through such services as public launching facilities, public fishing docks or platforms, or other forms of salt-water access during all tidal stages, including without limitation vehicular access and public parking; provided, however, that any live bait dealership which derives at least \$5,000.00 of earned income from the sale of recreational fishing supplies and accessories associated with salt-water angling shall be exempt from the provisions of this paragraph. Any dealer claiming such exemption shall provide such records as the department deems necessary to evidence such sales;

(4) No organisms other than shrimp may be held in live shrimp bait tanks; and

(5) Freezer storage sufficient to freeze and to keep frozen any shrimp which die while in possession of the dealer and which are to be sold as

dead bait must be maintained on the premises of the established bait dealership.

(c) Except as provided for in subsection (j) of this Code section, it shall be unlawful for any licensed bait dealer to allow shrimp to be removed from the premises of his or her established bait dealership unless it is sold as:

(1) Live bait in a container of such size as to ensure that all live shrimp therein are covered by a minimum of one inch of salt water; or

(2) Dead bait which has been packaged with heads on and frozen. The packages shall contain not more than one quart of dead shrimp and must be clearly marked with letters at least one-half inch in height to read as follows: "SOLD FOR BAIT ONLY." Dead bait purchased for resale must be purchased from a licensed bait dealer and must be packaged and labeled as described in this Code section.

(d) It shall be unlawful for any licensed bait dealer to fail to keep all shrimp in salt-water tanks meeting the standards prescribed in subsection (b) of this Code section unless and until such shrimp die, in which case the shrimp shall be promptly frozen and packaged as dead bait. It shall also be unlawful for any licensed bait dealer intentionally to cause or allow live shrimp to die.

(e) It shall be unlawful for any person to use, for other commercial fishing purposes, any equipment which has been used for obtaining live bait pursuant to this Code section.

(f) It shall be unlawful for any licensed bait dealer or any of his or her employees to have or permit in or on a commercial bait fishing boat owned by the dealer or such employees and used for bait shrimping pursuant to this Code section or to have or permit in or on the premises of the established bait dealership any shrimp caught, sold, to be sold, or to be disposed of for human consumption.

(g) It shall be unlawful for a licensed bait dealer to fail to maintain at all times a daily record book showing, for each transaction, the amount of bait shrimp purchased, the person from whom it was purchased, and the date of such purchase, as well as the amount of live shrimp and the amount of dead shrimp sold daily. Any such report shall include, without limitation, any transaction between licensed bait dealers and shall provide the name of the dealership acting as the seller in the transaction. Written reports of such transactions for each month shall be submitted to the department no later than the fifth day of the subsequent month in a format prescribed by the department.

(h) It shall be unlawful for any person to sell or otherwise dispose of, for human consumption, any shrimp caught pursuant to this Code section or to possess such shrimp for the purpose of sale or other distribution for human consumption or personally to consume such shrimp. Possession of shrimp

with heads off shall be prima-facie evidence that the shrimp are to be sold for human consumption or are personally to be consumed. Possession of more than 20 quarts of unlabeled, unpackaged, or unfrozen heads-on shrimp shall be prima-facie evidence that such shrimp are to be used for human consumption or are personally to be consumed.

(i) It shall be unlawful for any licensed bait dealer or an employee of such person to sell or otherwise distribute to any one person, within a 24 hour period, more than eight quarts of shrimp taken pursuant to this Code section. It shall also be unlawful for any person to buy, within a 24 hour period, more than eight quarts of shrimp taken pursuant to this Code section.

(j) It shall be unlawful to sell, unload, or otherwise dispose of shrimp taken pursuant to this Code section at any place other than the licensed bait dealership for which the bait was taken. This subsection shall not prohibit:

(1) The transfer from the boat taking such shrimp to an approved vehicle with aeration equipment to keep shrimp alive which will unload shrimp so taken at a licensed bait dealership so long as the amount of bait being transferred does not exceed 50 quarts; or

(2) The interstate import of bait shrimp provided that a bona fide bill of lading accompanies such shrimp as proof that such shrimp were not taken or transported in violation of this Code section or the laws of the jurisdiction from which the bait shrimp originated.

(k) It shall be unlawful for any licensed bait dealer to have, at his or her established bait dealership at one time, more than 200 quarts of live shrimp. It shall also be unlawful for more than 10 percent of the shrimp at the dealership or 20 quarts, whichever amount is less, to be dead shrimp unless the dead shrimp in excess of such percentage are promptly frozen and packaged as dead bait as required by paragraph (2) of subsection (c) and subsection (d) of this Code section.

(l) It shall be unlawful for any person fishing for shrimp pursuant to this Code section to fail to have positioned on the bow or cabin of the boat being used for fishing for shrimp a board with a background color of daylight fluorescent orange with such numerals and letters painted or affixed thereon as are specified by the department for a particular established bait dealership. The numerals and letters shall be at least 16 inches in height and two inches in width or thickness, black in color, of block character, clearly legible, and spaced so as to be readable from the air from left to right. The numerals and letters required for compliance with this subsection shall be assigned by the department at the time the bait dealer licenses are issued pursuant to Code Section 27-2-23.

(m) It shall be unlawful for more than one boat to be in use for fishing for shrimp at any one time for an established bait dealer.

(n) It shall be unlawful for any licensed bait dealer to fail to publicly advertise his or her facility. For the purpose of advertising in accordance with this subsection, each established bait shrimp dealer shall display prominently on the road or drive leading to the facility and on any related dock a sign or signs which shall include the following: (1) "LIVE BAIT FOR SALE" and (2) the hours and days of operation. Signs shall be at least 24 inches by 18 inches in size and shall display letters and numbers at least three inches in height.

(o) Notwithstanding subsections (i) and (j) of this Code section, it shall be lawful for a licensed bait dealer to sell live bait shrimp taken pursuant to this Code section to another licensed bait dealer if the department has been previously notified of the destination of the shrimp to be sold and the time and approximate amount of the sale and if the department has approved the equipment for transferring such shrimp. Transportation and transfer of live bait shrimp between bait dealers shall not exceed the 50 quart possession limit for commercial bait trawlers as provided in subsection (a) of this Code section. Except as provided for in subsection (j) of this Code section, land transportation of quantities greater than eight quarts of live shrimp is prohibited and shall be prima-facie evidence of a violation of this Code section.

(p) It shall be unlawful for any licensed bait dealer to fail to have and display any current business license required by the county or city in which the bait dealership is located and a sales tax certificate of registration issued pursuant to Code Section 48-8-59.

(q) Before the Department of Natural Resources issues a bait dealer license the Department of Natural Resources shall inspect the bait dealer facilities, to determine if the facilities comply with the requirements of this Code section and Code Section 48-8-59, within 30 days from the time application for license is received. (Ga. L. 1970, p. 961, §§ 2-4; Ga. L. 1975, p. 425, §§ 2, 3; Code 1933, § 45-908, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 1552, §§ 8-11, 13; Ga. L. 1979, p. 678, §§ 38-40; Ga. 27-4-172. Protections for horseshoe crabs; catch limits; exceptions.

(a) All salt waters of this state are closed to the taking of horseshoe crabs for bait except during those times when the salt waters or portions thereof are opened to the taking of shrimp, whelk, or blue crab by trawling pursuant to Code Section 27-4-133.

(b) It shall be unlawful for any person to engage in the taking of horseshoe crabs to be sold or used for bait or to engage in the sale of horseshoe crabs for bait unless the person possesses a valid personal commercial fishing license as provided in Code Section 27-2-23.

(c) It shall be unlawful for any person taking horseshoe crabs pursuant to this Code section to take or possess more than 25 horseshoe crabs at any one time or for there to be on board the boat used for the taking more than 75 horseshoe crabs at any one time, whichever is less; provided, however, that the taking or catching of horseshoe crabs incidentally during legal fishing operations of other marine species shall not be a violation of this Code section if the horseshoe crabs so taken in excess of the limits set forth in this Code section are immediately returned to the water from which they were taken without being intentionally or negligently harmed by the taker or the equipment being used.

(d) This Code section shall not prohibit the taking or possession of horseshoe crabs for the purpose of collecting horseshoe crab blood for the production of amebocyte lysate or other approved medical uses, so long as the taker and possessor have permits issued by the Department of Natural Resources authorizing such taking or possession and the horseshoe crabs are handled so as to minimize injury to the horseshoe crabs. Horseshoe crabs may be taken and possessed pursuant to a medical takings permit without regard to the possession limit set forth in subsection (c) of this Code section or whether or not the salt waters from which they are taken are open or closed for the taking of horseshoe crabs for bait. Horseshoe crabs taken and possessed pursuant to a medical takings permit must be returned unharmed to state waters of comparable salinity and water quality as soon as is feasible after collection of their blood.

(e) This Code section shall not prohibit the interstate import of horse-shoe crabs provided that a bona fide bill of lading accompanies such horseshoe crabs as proof that such horseshoe crabs were not taken or transported in violation of this Code section or the laws of the jurisdiction from which the horseshoe crabs originated. 27-4-190. Master collecting and picker's permits; hours for taking shellfish; recreational harvesting.

(a) It shall be unlawful to take or possess shellfish in commercial quantities or for commercial purposes without first having obtained a master collecting permit or without proof of purchase that such shellfish were purchased from a certified shellfish dealer. Master collecting permits shall specify whether the permittee is authorized to take oysters, clams, or other shellfish and shall only be issued to persons certified by the Department of Agriculture to handle shellfish unless permission to take and possess shellfish for mariculture purposes has been granted by the department as described in subsection (d) of Code Section 27-4-197. Such permits shall be provided annually at no cost by the department but shall only be issued to persons with the right to harvest shellfish pursuant to Code Sections 44-8-6 through 44-8-8 or to holders of leases from such persons. A permittee may request authorization from the department for employees or agents, who shall be referred to as pickers, of such permittee to take

shellfish from permitted areas. Such request shall be in writing to the department and shall include the name, address, and personal commercial fishing license number of the picker. It shall be unlawful for pickers to take or possess shellfish as authorized under their employer's master collecting permit unless they carry on their person while taking or in possession of shellfish a picker's permit as provided by the department indicating the exact area and circumstances allowed for taking. Such pickers' permits and charts shall be provided annually by the department at no cost and shall be in a form as prescribed by the department. Pickers must possess a valid personal commercial fishing license as provided for in Code Section 27-4-110 and, when a boat is used, a valid commercial fishing boat license as provided in Code Section 27-2-8. Master collecting permits and pickers' permits shall not be issued to persons who have been convicted three times in the two years immediately preceding the filing of an application for a permit of violations of this Code section, subsection (b) of Code Section 27-4-193, subsections (a) and (b) of Code Section 27-4-195, or Code Section 27-4-199. Master collecting permits and pickers' permits issued to master collecting permittees' agents shall be surrendered to the department upon termination of Department of Agriculture certification for handling shellfish, upon termination of right to harvest shellfish, or upon violation of any provision of this title. If a picker is removed from authorization to take shellfish by the master collecting permittee, that picker shall immediately surrender to the department his picker's permit. It shall be unlawful to possess unauthorized pickers' permits or pickers' permits issued to another person. .

(b) It shall be unlawful for any person to take or possess shellfish from unauthorized locations and during unauthorized periods of taking. It shall be unlawful to take shellfish except between the hours of one-half hour before sunrise and one-half hour after sunset.

(c) A master collecting permit shall not be issued if the permittee has failed to comply with Code Section 27-4-196 during the previous harvest season or if the issuance is determined not to be in accordance with sound, current principles of wildlife research and management by the department. Permits may be revoked according to Code Section 27-2-25.

(d) It shall be unlawful to take any quantity of shellfish for commercial purposes from public recreational harvest areas. Recreational quantities of oysters in the shell shall be two bushels per person with up to six bushels per boat per day. Recreational quantities of clams in the shell shall be one bushel or less per person with no more than one bushel per boat per day. Recreational quantities of shucked oysters or clams or a combination thereof shall be one gallon per day. It shall be unlawful to harvest shellfish recreationally except in areas designated by the commissioner except that private property owners or persons authorized by private property owners may harvest recreational quantities of shellfish from areas for which they

have harvest rights to shellfish if they have in their possession proof of ownership or a letter of permission from the property owner stating the dates allowed to take shellfish, type of shellfish which may be taken, and a description of the area allowed for such taking. Private property owners wishing to harvest recreational quantities of shellfish or to issue permission to others to harvest recreational quantities of shellfish shall notify the department in writing prior to the taking of shellfish or the permitting of others to take shellfish so harvest areas can be opened according to Code Section 27-4-195. Permission to harvest shellfish recreationally in public recreational harvest areas shall be granted to all residents and nonresidents upon the designation of individual public recreational harvest areas. (Code 1981, § 27-4-190, enacted by Ga. L. 1991, p. 693, § 6.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1991, the comma was deleted following “permit” in the eighth sentence of subsection (a), and “harvest

shellfish recreationally” was substituted for “recreationally harvest shellfish” twice in subsection (d).

27-4-193. Taking shellfish from unapproved growing areas; operating facility for controlled purification of shellfish.

(a) As used in this Code section, the term “approved growing area” means that area or areas approved by the department for shellfish harvesting and “unapproved growing area” means all other areas.

(b) It shall be unlawful to take or possess shellfish from unapproved growing areas except at such times and places as the department may establish. The department is authorized to close approved growing areas to allow transplanting at any time between January 1 and December 31. It shall be unlawful to engage in transplanting of shellfish from unapproved growing areas without written authorization from the department. Such authorization may condition the transplanting upon compliance with current, sound principles of wildlife research and management. In approving growing areas, the department shall consider such current guidelines as have been established by the National Shellfish Sanitation Program at the time of approval of the growing areas and current, sound principles of wildlife research and management.

(c) It shall be unlawful to build or operate a facility for controlled purification of shellfish without prior written authorization from the department. In issuing such authorization, the department shall consider such current guidelines as have been established by the National Shellfish Sanitation Program and the rules and regulations of the Department of

27-4-198. Lease of shellfish beds from department.

(a) Any person desiring to lease any state shellfish beds for the exclusive rights to harvest those shellfish pursuant to this Code section shall make an application in writing to the department. The application shall include the name and legal residence of the applicant, a National Oceanic and Atmospheric Administration (NOAA) chart indicating the area desired to be leased, the names and addresses of adjacent landowners as recorded on county tax maps and verification of such information in such form as the department may prescribe, the proposed plans for managing the resources, and such other information as the department may prescribe.

(b) Upon receipt of the application for the lease of shellfish beds, the department shall ascertain the general nature, character, surroundings, and resource value of the area sought to be leased. In the event the department determines that the area or a portion thereof is suitable for leasing and such a lease would be in the best interests of the state, the department may then offer the lease, through public competitive bidding, all or any portion thereof as described in the application. The department shall cause to be

published once per week for two consecutive weeks in the legal organ of the county or counties in which the area to be bid upon is located an advertisement of an invitation for bid, setting forth a description of the area proposed to be leased; the date, time, and place when and where bids will be received; the minimum acceptable bid as determined by the department; and such other information as the department may deem necessary. Prior to such advertisement, the department shall prepare a proposed form of lease and appropriate instructions which shall be available to prospective bidders under such conditions as the department may prescribe. Sealed bids shall be submitted to the department, and each bid shall be accompanied by a refundable certified check, cashier's check, or money order for the total annual amount of the submitted bid. The funds submitted by the successful bidder will be applied towards the lease. In addition, each sealed bid must be accompanied by a detailed management plan for working the shellfish beds. The lease form shall contain provisions regarding the term of the lease, the method of taking shellfish, the time and place for payment for the lease, the minimum replanting or management requirements of shellfish to be harvested, the placement and type of signs to mark the site as a leased area, and such other terms as the department deems necessary.

(c) All bids shall be opened in public on the date and at the time and place specified in the advertisement of the invitation to bid. The department shall announce which bid and bidder it considers most advantageous to the state. In so considering, the department shall give preference to residents over nonresidents who have submitted equal bids. The department shall have the right to reject any or all bids and bidders and the right to waive formalities in bidding.

(d) Shellfish beds leased pursuant to this Code section shall be posted at the site by the lessee so as to identify clearly the areas so leased. The lessee shall also have a copy of the lease recorded within 30 days of the execution of the lease by the clerk of the superior court of the county or counties in which the leased area is located.

(e) The department is authorized to issue permission to remove shellfish from areas where those shellfish may be destroyed by dredging, development, or other destructive activities without entering into a lease as described in this Code section. Such authorization shall include terms and conditions as the department may prescribe and shall be issued only to master collecting permittees. The department shall notify permittees of its intentions to issue such authorization and set forth details on the proposed activity along with directions on how permittees may participate in the activity. When such authorization is issued, participants shall pay directly to the department a one-time fee not to exceed \$500.00 as set by the department.

(f) The department is authorized to issue permission to remove shellfish from unapproved growing areas without entering into a lease as described

in this Code section. Such authorization shall be issued only to master collecting permittees and under guidelines as set forth in subsection (e) of this Code section. (Code 1981, § 27-4-198, enacted by Ga. L. 1991, p. 693, § 6.)

27-4-199. Evidence of intent to use as food; inspection of businesses.

(a) The distribution, sale, or possession with intent to distribute or sell any shellfish shall be prima-facie evidence that the shellfish were intended for use as food unless prior written approval from the department authorizing such possession of shellfish is presented.

(b) Conservation rangers and other authorized personnel of the department are authorized to take samples from, to enter and have access to, and to examine during normal working hours and at any time when the licensed or authorized activity is being conducted all shellfish beds, places of business, and other places where shellfish are grown, kept, stored, sold, or held in possession with intent to distribute, sell, or give away. Such personnel are also authorized at any time to take such samples of shellfish as are necessary to carry out the purposes of this article and to have access to and take samples from all streams, tributaries thereof, and lands adjacent thereto, the waters draining from which may come into contact with shellfish. Such shellfish shall be destroyed or returned to the resource according to methods as the department may prescribe. (Code 1981, § 27-4-199, enacted by Ga. L. 1991, p. 693, § 6.)

ARTICLE 5

INTERSTATE AGREEMENTS

PART 1

ATLANTIC STATES MARINE FISHERIES COMPACT

Editor's notes. — The compact provided of states required to make the compact by this part has been adopted by the number effective according to its terms.

27-4-210. Atlantic States Marine Fisheries Compact.

The Governor of this state is authorized and directed to execute a compact on behalf of the State of Georgia with any one or more of the States of Maine, New Hampshire, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Delaware, Maryland, Virginia, North Carolina, South Carolina, and Florida, and with such other states as may enter into the compact, legally joining therein the form substantially as follows:

“ATLANTIC STATES MARINE FISHERIES COMPACT.

The contracting states solemnly agree:

ARTICLE I.

The purpose of this compact is to promote the better utilization of the fisheries, marine, shell and anadromous, of the Atlantic seaboard by the development of a joint program for the promotion and protection of such fisheries, and by the prevention of the physical waste of the fisheries from any cause. It is not the purpose of this compact to authorize the states joining herein to limit the production of fish or fish products for the purpose of establishing or fixing the price thereof, or creating and perpetuating monopoly.

ARTICLE II.

This agreement shall become operative immediately as to those states executing it whenever any two or more of the States of Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, and Florida have executed it in the form that is in accordance with the laws of the executing state and the Congress has given its consent. Any state contiguous with any of the aforementioned states and riparian upon waters frequented by anadromous fish, flowing into waters under the jurisdiction of any of the aforementioned states, may become a party hereto as hereinafter provided.

ARTICLE III.

Each state joining herein shall appoint three representatives to a commission hereby constituted and designated as the Atlantic States Marine Fisheries Commission. One shall be the executive officer of the administrative agency of such state charged with the conservation of the fisheries resources to which this compact pertains or, if there be more than one officer or agency, the official of that state named by the governor thereof. The second shall be a member of the legislature of such state designated by the commission or committee on interstate cooperation of such state, or if there be none, or if said commission on interstate cooperation cannot constitutionally designate the said member, such legislator shall be designated by the governor thereof; provided, that if it is constitutionally

impossible to appoint a legislator as a commissioner from such state, the second member shall be appointed by the governor of said state in his discretion. The third shall be a citizen who shall have a knowledge or an interest in the marine fisheries problem to be appointed by the governor. This commission shall be a body corporate with the powers and duties set forth herein.

ARTICLE IV.

The duty of the said commission shall be to make inquiry and ascertain from time to time such methods, practice, circumstances and conditions as may be disclosed for bringing about the conservation and the prevention of the depletion and physical waste of the fisheries, marine, shell and anadromous, of the Atlantic seaboard. The commission shall have power to recommend the coordination of the exercise of the police powers of the several states within their respective jurisdictions to promote the preservation of those fisheries and their protection against overfishing, waste, depletion or any abuse whatsoever, and to assure a continuing yield from the fisheries resources of the aforementioned states.

To that end the commission shall draft and, after consultation with the advisory committee hereinafter authorized, recommend to the governors and legislatures of the various signatory states legislation dealing with the conservation of the marine, shell and anadromous fisheries of the Atlantic seaboard. The commission shall, more than one month prior to any regular meeting of the legislature in any signatory state, present to the governor of the state its recommendations relating to enactments to be made by the legislature of this compact.

The commission shall consult with and advise the pertinent administrative agencies in the states party hereto with regard to problems connected with the fisheries and recommend the adoption of such regulations as it deems advisable.

The commission shall have power to recommend to the states party hereto the stocking of the waters of such states with fish and fish eggs or joint stocking by some or all of the states party hereto and when two or more of the states shall jointly stock waters the commission shall act as the coordinating agency for such stocking.

ARTICLE V.

The commission shall elect from its number a chairman and a vice-chairman and shall appoint and at its pleasure remove or discharge such officers and employees as may be required to carry the provisions of this compact into effect and shall fix and determine their duties, qualifications and compensation. Said commission shall adopt rules and regulations for the conduct of its business. It may establish and maintain one or more offices for the transaction of its business and may meet at any time or place but must meet at least once a year.

ARTICLE VI.

No action shall be taken by the commission in regard to its general affairs except by the affirmative vote of a majority of the whole number of compacting states present at any meeting. No recommendation shall be made by the commission in regard to any species of fish except by the affirmative vote of a majority of the compacting states which have an interest in such species. The commission shall define what shall be an interest.

ARTICLE VII.

The Fish and Wildlife Service of the Department of the Interior of the Government of the United States shall act as the primary research agency of the Atlantic States Marine Fisheries Commission cooperating with the research agencies in each state for that purpose. Representatives of the said Fish and Wildlife Service shall attend the meetings of the commission.

An advisory committee to be representative of the commercial fisherman and the saltwater anglers and such other interests of each state as the commission deems advisable shall be established by the commission as soon as practical for the purpose of advising the commission upon such recommendations as it may desire to make.

ARTICLE VIII.

When any state other than those named specifically in Article II of this compact becomes a party thereto for the purpose of conserving its anadromous fish in accordance with the provisions of Article II, the participation of such state in the action of the commission shall be limited to such species of anadromous fish.

ARTICLE IX.

Nothing in this compact shall be construed to limit the powers of any signatory state or to repeal or prevent the enactment of any legislation or the enforcement of any requirement by any signatory state imposing additional conditions and restrictions to conserve its fisheries.

ARTICLE X.

Continued absence of representation or of any representative on the commission from any state party hereto shall be brought to the attention of the governor thereof.

ARTICLE XI.

The states party hereto agree to make annual appropriations to the support of the commission in proportion to the primary market value of the products of their fisheries, exclusive of cod and haddock, as recorded in the most recent published reports of the Fish and Wildlife Service of the United

States Department of the Interior, provided no state shall contribute less than \$200 per annum and the annual contribution of each state above the minimum shall be figured to the nearest \$100.

The compacting states agree to appropriate initially the annual amounts scheduled below, which amounts are calculated in the manner set forth herein, on the basis of the catch record of 1938. Subsequent budgets shall be recommended by a majority of the commission and the cost thereof allocated equitably among the states in accordance with their respective interests and submitted to the compacting states.

27-4-234. Agreements with adjoining states.

(a) As used in this Code section, the term “adjoining state” means any of the following states: Alabama, Florida, North Carolina, South Carolina, and Tennessee.

(b) The department is authorized to make and enter into agreements, from time to time, with the proper authorities of any adjoining state whereby:

(1) A citizen of the State of Georgia who has obtained an honorary fishing license as a blind person pursuant to the provisions of subsection (b) of Code Section 27-2-4 may fish within such adjoining state without the necessity of purchasing a nonresident fishing license in that state; and

(2) A citizen of the adjoining state who has an honorary fishing license as a blind person issued by that state may fish within the State of Georgia without the necessity of purchasing a nonresident fishing license in this state.

(c) An agreement entered into with an adjoining state pursuant to the provisions of subsection (b) of this Code section pertains only to reciprocity of fishing licenses and all other fishing laws and regulations of the State of Georgia shall apply to any nonresident fishing in Georgia waters pursuant to the authority of any such agreement.

(d) The commissioner is authorized to enter into agreements from time to time with the proper authorities of any of the adjoining states whereby a valid fishing license issued by the State of Georgia will be accepted and honored as and in lieu of a fishing license for adjoining states so agreeing on the banks and in the waters of the lakes, rivers, and streams lying between the State of Georgia and such adjoining state or partly within the boundaries of both the State of Georgia and that adjoining state. In turn, valid licenses issued by said adjoining state shall be accepted and honored as and in lieu of a Georgia fishing license on the banks and in the waters of such lakes, rivers, and streams. Notwithstanding provisions of this title to the contrary, it shall be unlawful to take game fish except channel catfish, flathead catfish, American shad, and hickory shad from waters of the lakes, rivers, and streams lying between the State of Georgia and such adjoining state or partly within the boundaries of Georgia and that adjoining state. The numbers of those game fish which may be lawfully taken from such waters are limited by the commissioner in accordance with current, sound principles of wildlife management. Those limits allow one to 50 fish of each species to be taken but no more than a total of 50 fish of all species. (Code 1981, § 27-4-234, enacted by Ga. L. 1988, p. 370, § 1; Ga. Such plan shall include:

- (2) An evaluation of species with potential for culture in Georgia;
- (3) An identification of constraints to development of aquaculture in Georgia and recommendations on methods to alleviate these constraints;

Such registration shall expire on April 1 following the second anniversary of registration; provided, however, that such registration shall expire 30 days following any change in the status of any information required by the provisions of this article or by any rule or regulation adopted pursuant to this article to be reported to the department. The department shall issue to registrants who update their registration new certificates of registration for the full period of registration provided for in this Code section. 27-4-259. Denial of registration.

(a) The Commissioner may deny registration to:

- (1) Any applicant with a criminal record;

(2) Any applicant who is found by the Commissioner to have violated any law administered by the department or any regulation or quarantine of the department; or

(3) A corporation, when any of its officers has a criminal record or is found by the Commissioner to have violated any law administered by the department or any regulation or quarantine of the department.

(b) In the case of a partnership, all parties shall be considered applicants for the purpose of this Code section.

(c) No registration shall be denied under this article without opportunity for hearing in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act." (Code 1981, § 27-4-259, enacted by Ga. L. 1992, p. 1507, § 8.)

27-4-262. Rules and regulations.

The board shall make and publish such rules and regulations, not inconsistent with law, as it deems necessary to carry out the purposes of this article. (Code 1981, § 27-4-262, enacted by Ga. L. 1992, p. 1507, § 8.)

27-4-263. Inspections.

(a) Any inspector or other person authorized to ascertain compliance with any rule or regulation of the department pertaining to the production or sale of domestic fish may enter during normal business hours and inspect the premises of a registered seller or producer of domestic fish to determine whether such person is in compliance with the rules and regulations of the department.

(b) In the event any person refuses to give his consent to an inspection as provided in subsection (a) of this Code section, the commissioner or any person authorized to make inspections may seek a warrant to make an inspection as provided in this subsection:

(1) Any application for an inspection warrant shall be made to a person who is a judicial officer within the meaning of Code Section 17-5-21;

(2) An inspection warrant shall be issued only upon cause and when supported by an affidavit particularly describing the place, dwelling, structure, premises, or vehicle to be inspected and the purpose for which the inspection is to be made. In addition, the affidavit shall contain either a statement that consent to inspect has been sought and refused or facts or circumstances reasonably justifying the failure to seek such consent. Cause shall be deemed to exist if either reasonable legislative or administrative standards for conducting a routine or area inspection are satisfied with respect to the particular place, dwelling, structure, premises, or vehicle, or there is reason to believe that a condition of nonconformity exists with respect to the particular place, dwelling, structure, premises, or vehicle;

(3) An inspection warrant shall be effective for the time specified therein, but not for a period of more than 14 days, unless extended or renewed by the judicial officer who signed and issued the original warrant, upon satisfying himself that such extension or renewal is in the public interest. Such inspection warrant must be executed and returned to the judicial officer by whom it was issued within the time specified in the warrant or within the extended or renewed time. After the expiration of such time, the warrant, unless executed, is void;

(4) An inspection pursuant to an inspection warrant shall be made between 8:00 A.M. and 6:00 P.M. of any day or at any time during operating or regular business hours. An inspection should not be performed in the absence of an owner or occupant of the particular place, dwelling, structure, premises, or vehicle unless specifically authorized by the judicial officer upon a showing that such authority is reasonably necessary to effectuate the purpose of the regulation being enforced. An inspection pursuant to a warrant shall not be made by means of forcible entry, except that the judicial officer may expressly authorize a forcible entry where facts are shown which are sufficient to create a reasonable suspicion of a violation of this title, which, if such violation existed, would be an immediate threat to health, safety, or welfare or where facts are shown establishing that reasonable attempts to serve a previous warrant have been unsuccessful. Where prior consent has been sought and refused and a warrant has been issued, the warrant may be executed without further notice to the owner or occupant of the particular place, dwelling, structure, premises, or vehicle to be inspected;

(5) It shall be unlawful for any person to refuse to allow an inspection pursuant to an inspection warrant issued as provided in this subsection. Any person violating this paragraph shall be guilty of a misdemeanor; and

(6) Under this subsection, an inspection warrant is an order, in writing, signed by a judicial officer, directed to the commissioner or any person authorized to make inspections for the department, and commanding him or her to conduct any inspection authorized by any rules or regulations promulgated pursuant to this article.

(c) The provisions of Code Section 27-1-23 shall not be applicable to any person registered under this article. (Code 1981, § 27-4-263, enacted by Ga. L. 1992, p. 1507, § 8.)

27-5-1. Legislative intent and findings.

The General Assembly finds and declares that it is in the public interest to ensure the public health, safety, and welfare by strictly regulating in this state the importation, transportation, sale, transfer, and possession of those wild animals which pose a possibility of:

- (1) Harmful competition for wildlife;
- (2) The introduction of a disease or pest harmful to wildlife;
- (3) Problems of enforcing laws and regulations relative to wildlife;
- (4) Threatening wildlife or other natural resources; or
- (5) Endangering the physical safety of human beings.

The importation, transportation, sale, transfer, and possession of wild animals are privileges not to be granted unless it can be clearly demonstrated that such actions can be accomplished in a manner that does not pose unnecessary risk to Georgia’s wildlife and other natural resources or to the citizens of and visitors to this state. For these reasons, the General

Assembly further finds and declares that only certain wild animals may be held for scientific or educational purposes, for public exhibition, or as pets and may only be lawfully held when the requirements of this chapter are met. The General Assembly further finds and declares that any wild animal for which a license or permit, or both, is required under the provisions of this chapter and for which no such license or permit, or both, has been obtained is a nuisance and is contraband and is subject to seizure by any peace officer authorized to enforce this chapter. (Code 1933, § 45-1101, enacted by Ga. L. 1979, p. 1094, § 4; Ga. L. 1993, p. 91, § 27.)

Cross references. — Liability of owner or keeper of vicious or dangerous animal for injuries caused by animal, § 51-2-7.

27-5-2. Powers of board generally.

(a) The board shall have the authority to regulate the importation, transportation, sale, and possession of wild animals when and to the extent that the importation, transportation, sale, or possession poses a possibility of:

- (1) Harmful competition for wildlife;
- (2) The introduction of a disease or pest harmful to wildlife;
- (3) Problems of enforcement of laws and regulations relating to wildlife;
- (4) Danger to wildlife or other natural resources; or
- (5) Danger to the physical safety of human beings.

(b) The board is specifically authorized to supplement the list of wild animals set forth in this chapter for which a permit or license, or both, is required.

(c) The board shall have the authority to require that any listed wild animal that is imported, transported, possessed, sold, or transferred by any person, including wild animal dealers, be labeled with the correct species, number, age, or other relevant information.

(d) The board shall have the authority to require an applicant for a permit or license required under this chapter to supply such information and to supply it in such form as the board deems necessary for the department to discharge its responsibilities under this chapter. (Ga. L. 1975, p. 1254, § 2; Code 1933, § 45-1107, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1979, p. 1094, §§ 17, 18.)

(b) The department shall issue or deny all permits and licenses required by this chapter and any rules and regulations adopted pursuant to this chapter.

(c) The department may, prior to a hearing, issue a cease and desist order or other appropriate order to any person who is violating this chapter or any regulation, permit, or license issued pursuant to this chapter.

(d) The department may quarantine or otherwise dispose of or order the disposition of any wild animal when it determines that the wild animal is affected with or exposed to a contagious or infectious disease or is infested with a parasite or pest harmful to wildlife.

(e) The department shall have the authority, based upon the standards set forth in Code Section 27-5-6, to determine if the necessary facilities, conditions, and standards prescribed by this chapter are sufficient for safety to the public and for the humane handling, care, confinement, and transportation of the wild animal for which application for a permit or license, or both, has been received. Following such determination, the department also has the authority to condition the license or permit so that the standards and intent of this chapter are met.

27-5-4. Wild animal licenses and permits generally.

(a) Unless otherwise provided in Code Section 27-5-5, it shall be unlawful for any person to import, transport, transfer, sell, purchase, or possess any wild animal listed in Code Section 27-5-5 or specified by the board by regulation without first obtaining a wild animal license from the department as provided in Code Section 27-2-23 or a wild animal permit as provided in this Code section; provided, however, anyone holding a deer-farming license is not required to have a wild animal license or permit to possess farmed deer. Unless otherwise specified by the department, such license or permit shall be effective from April 1 through March 31 and may contain such conditions and restrictions, including restrictions as to numbers and species of animals, as the department determines appropriate in light of the provisions of this chapter. An applicant for a wild animal license or permit shall have the burden of proving that any wild animals subject to such license or permit are or will be imported, transported, transferred, sold, purchased, or possessed in compliance with this chapter.

(b)(1) Except as provided in paragraph (2) of this subsection, wild animal licenses will be issued only to persons engaged in the wholesale or retail wild animal business or persons exhibiting wild animals to the public. Wild animal permits will be issued at no cost and only to persons for scientific or educational purposes, to persons with a permanent disability or disease as provided and for the purpose described in paragraph (2) of this subsection, or to a pond owner for grass carp or grass carp hybrids where the department has determined that the possession of such carp by the pond owner will not constitute a threat to wildlife; provided, however, that no such permit shall be required for persons buying triploid grass carp from properly licensed wild animal dealers authorized to sell grass carp where the bill of sale is retained by the buyer as proof of such sale and where the triploid grass carp are to be stocked only into a private pond; provided, further, that no such license or permit shall be required solely for the transportation of wild animals through this state where the animals remain in this state no more than 24 hours and are not sold or transferred while in this state.

(2) The department shall issue a wild animal permit only for an animal in the genus *Cebus* (capuchin monkeys) to any person who establishes to the satisfaction of the department that:

(A) Such person has a permanent disability or disease which interferes with the person's ability to perform one or more routine daily living activities;

(B) The animal for which the permit is to be issued has been trained to assist the person in performing his or her daily living activities;

(C) The animal will be humanely treated and will not present a health or safety threat;

(D) The animal for which the permit is to be issued is the only wild animal to be possessed by that person;

(E) The permittee does not have a history of violating this chapter; and

(F) The organization furnishing the animal to the applicant:

(i) Is reputable, lawful, and does not have any history of violating this chapter;

(ii) Provides to the department documentation and data sufficient to establish that the organization has a proven record, over at least a ten-year period, of furnishing animals which provide meaningful assistance to persons with disabilities; and

(iii) Has received and maintained a nonprofit, tax-exempt status.

(3) Permits issued under the provisions of paragraph (2) of this subsection shall be issued only to individuals and are nontransferable.

(4) Capuchin monkeys possessed under the provisions of paragraph (2) of this subsection are exempt from the requirements of paragraph (5) of subsection (k) of this Code section but must be treated humanely and shall be kept only in the residence of the permittee. When transported, the monkey must be in a USDA approved carrier and there shall be no contact allowed between the public and monkey when outside the permittee's residence. Under no circumstances may the monkey be present on premises where food is sold.

(c) It shall be unlawful for any person to sell, transfer, deliver, or surrender a wild animal listed in Code Section 27-5-5 or specified by the board by regulation to any other person unless that other person holds a license or permit issued pursuant to this chapter for such wild animal or is exempt from the requirement for such a permit or license by the provisions of subsection (d) of this Code section.

(d) No wild animal license or permit shall be required for a carrier regulated either by the Interstate Commerce Commission, the Civil Aeronautics Board, or the Public Service Commission to import or transport any wild animal.

(e) Any licenses issued by the department to any person for public exhibition purposes shall be conditioned so that the person operating a wild animal exhibition in a nontraveling, fixed facility shall make the facility open to the public for a time no less than 30 hours per week for at least six months each year; and the person operating a wild animal exhibition in a transient facility shall make the facility open to the public for a reasonable period of time and for reasonable hours of the day, depending upon the nature of the exhibition. The department is authorized to issue such licenses in accordance with this chapter requiring adequate facilities for the humane handling, care, and confinement of wild animals and ensuring public safety. Notwithstanding any other provision of this title, exhibitions of wild animals by federal, state, city, county, or municipal governments or their agencies and transient circuses, which circuses can demonstrate to the satisfaction of the department that 10 percent of the proceeds from such exhibitions shall be devoted to charitable purposes in this state, shall not be required to purchase a wild animal license but shall be required to obtain the license, at no charge, from the department; provided, however, all other provisions of this chapter and all regulations relating to the humane handling, care, and confinement of wild animals must be complied with.

(f) Except as otherwise provided in this chapter, a wild animal license or permit is required for the possession of any wild animal listed in subsection (b) of Code Section 27-5-5 or as required by regulation of the board. Liability insurance is required for the possession of any wild animal that is classified as being inherently dangerous to people in subsection (a) of Code Section 27-5-5 or as required by regulation of the board. Prior to the issuance of a wild animal license or permit for animals classified as being inherently dangerous to people, any applicant other than a governmental agency or university research facility must provide proof of liability insurance from a company licensed to do business in this state or an unauthorized insurer if permitted by Chapter 5 of Title 33. Such insurance must be maintained in force and effect and cover claims for injury or damage to persons or property in an amount equal to \$40,000.00 for each inherently dangerous animal up to a maximum of \$500,000.00. The insurance company shall notify the department at least 30 days prior to the termination of the policy by the company. Liability insurance is not required for wild animals that are not considered to be inherently dangerous to people.

(g) Any license or permit issued in accordance with this chapter shall be valid only for the species and numbers of wild animals referenced on the application and the license or permit. The license or permit to hold a female wild animal shall cover her progeny only while the progeny are physically dependent upon her or until her progeny are two months of age, whichever period is longer. It shall also be unlawful to transfer any license or permit issued by the department from one person to another person.

(h) It shall be unlawful for any person holding a license or permit issued pursuant to this chapter to import, transport, sell, transfer, or possess any

wild animal in facilities not approved by the department as described in Code Section 27-5-6.

(i) In the event that a determination has been made to revoke, suspend, deny, or refuse to renew any license or permit issued pursuant to this chapter, the applicant for the license or permit may appeal the determination according to the provisions stated in Code Section 27-2-25.

(j) It shall be unlawful for any person holding a license or permit pursuant to this chapter to import, purchase, transport, sell, or transfer any wild animal and fail to record in a record book, within 24 hours after the completion of such a transaction, the date, place, manner, and names and addresses of all persons involved in such a transaction. It shall also be unlawful to fail to maintain such records for a period of 12 months or to fail to provide the department access to such records during all regular business hours.

(k) Wild animal licenses shall not be issued unless the following conditions are met:

(1) The applicant must be at least 18 years of age;

(2) Applicants requesting a license for mammals must obtain a license from the Animal and Plant Health Inspection Service of the United States Department of Agriculture or provide written documentation that the applicant is exempt from such requirements;

(3) Applicants must submit documentation verifying that the proposed construction of facilities and the holding of wild animals is not prohibited by county or municipal ordinances;

(4) The applicant must obtain required business licenses; and

(5) Facilities for holding or exhibiting wild animals must be completely separated from a residence and meet specifications for humane handling, care, and confinement as provided in Code Section 27-5-6. (Ga. L. 1975, p. 1254, § 3; Code 1933, § 45-1101, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, §§ 64-66; Code 1933, § 45-1101.1, as redesignated by Ga. L. 1979, p. 1094, § 4; Ga. The 2006 amendment, effective April 18, 2006, designated the previously existing provisions of subsection (b) as paragraph (b)(1); in paragraph (b)(1), substituted "Except as provided in paragraph (2) of this subsection, wild animal licenses" for "Wild animal licenses" in the first sentence, and inserted ", to persons with a permanent disability or disease as provided and for the

purpose described in paragraph (2) of this subsection," in the second sentence; and added paragraphs (b)(2) through (b)(4).

JUDICIAL DECISIONS

Paragraph (4) (now paragraph (b)(6)) void for vagueness. — O.C.G.A. § 27-5-5(4) (now O.C.G.A. § 27-5-5(b)(6)), relating to exotic fish which are not held in aquaria or tanks, was void for vagueness, since there was no

statutory definition of “exotic fish.” Department of Natural Resources v. Blue Ridge Mt. Fisheries, 262 Ga. 305, 417 S.E.2d 12 (1992).

Exotic fish. — In deciding to prosecute a hatchery owner for violating the Game and

Fish Code, based on a definition of “exotic fish” different than its generally accepted definition and not then codified or set forth in any regulation, Department of Natural Resource officials violated due process,

acted outside their discretionary authority, and were not entitled to qualified immunity. *Blue Ridge Mt. Fisheries, Inc. v. Department of Natural Resources*, 217 Ga. App. 89, 456 S.E.2d 651 (1995).

27-5-6. Specifications for humane handling, care, confinement, and transportation of wild animals.

It shall be unlawful to import, transport, sell, transfer, or possess any wild animal regulated by this chapter without meeting the specifications expressed in this Code section for the humane handling, care, confinement, and transportation of such animals:

(1) FACILITIES IN GENERAL.

(A) The facility must be constructed of such material and of such strength as appropriate for the animals involved. The housing facilities shall be structurally sound and shall be maintained in good repair to protect and contain the animals. The facilities shall be designed in such manner, including the inclusion of barriers of sufficient dimensions and conformation, to safeguard both the animals and the public against injury by direct contact.

(B) Reliable and adequate electric power, if required to comply with other provisions of this Code section, and adequate potable water shall be available on the premises.

(C) Supplies of food and bedding shall be stored in facilities which adequately protect the supplies against deterioration, molding, or contamination by vermin. Refrigeration shall be provided for supplies of perishable food.

(D) Provision shall be made for the removal and disposal of animal and food wastes, bedding, dead animals, trash, and debris. Disposal facilities shall be so provided and operated so as to minimize vermin infestation, odors, and disease hazards. The disposal facilities and any disposal of animal and food wastes, bedding, dead animals, trash, and debris shall comply with applicable federal, state, and local laws and

regulations relating to pollution control or the protection of the environment.

(E) Facilities such as washrooms, basins, showers, or sinks shall be provided to maintain cleanliness among animal caretakers.

(2) INDOOR FACILITIES.

(A) Temperature in indoor housing facilities shall be sufficiently regulated by heating or cooling to protect the animals from extremes of temperature, to provide for their health, and to prevent their discomfort. The ambient temperature shall not be allowed to fall below nor rise above temperatures compatible with the health and comfort of the animal.

(B) Indoor housing facilities shall be adequately ventilated by natural or mechanical means to provide for the health and to prevent discomfort of the animals at all times. Such facilities shall be provided with fresh air either by means of windows, doors, vents, fans, or air conditioning and shall be ventilated so as to minimize drafts, odors, and moisture condensation.

(C) Indoor housing facilities shall have ample lighting, by natural or artificial means, or both, of good quality, distribution, and duration as appropriate for the species involved. Such lighting shall be uniformly distributed and of sufficient intensity to permit routine inspection and cleaning. Lighting of primary enclosures shall be designed to protect the animals from excessive illumination.

(D) A suitable sanitary method shall be provided for rapid elimination of excess water from indoor housing facilities. If drains are used, they shall be properly constructed and kept in good repair to avoid foul odors and installed so as to prevent any backup of sewage. The method of drainage shall comply with applicable federal, state, and local laws and regulations relating to pollution control or the protection of the environment.

(3) OUTDOOR FACILITIES.

(A) When sunlight is likely to cause overheating or discomfort of the animals, sufficient shade by natural or artificial means shall be provided to allow all animals kept outdoors to protect themselves from direct sunlight.

(B) Natural or artificial shelter appropriate to the local climatic conditions for the species concerned shall be provided for all animals kept outdoors to afford them protection and to prevent discomfort to such animals. Individual animals shall be acclimated before they are exposed to the extremes of the local climate.

(C) A suitable method shall be provided for rapid elimination of excess water. The method of drainage shall comply with applicable

federal, state, and local laws and regulations relating to pollution control or the protection of the environment.

(4) **SPACE REQUIREMENTS.** Enclosures shall be constructed and maintained so as to provide sufficient space to allow each animal to make normal postural and social adjustments with adequate freedom of movement. Inadequate space may be indicated by evidence of malnutrition, poor condition, debility, stress, or abnormal behavioral patterns.

(5) **FEEDING.**

(A) The food shall be wholesome, palatable, and free from contamination and of sufficient quantity and nutritive value to maintain all animals in good health. The diet shall be prepared with consideration for the age, species, condition, size, and type of animal. Animals shall be fed at least once a day except as dictated by hibernation, veterinary treatment, normal fasts, or other professionally accepted practices.

(B) Food and food receptacles, if used, shall be sufficient in quantity and located so as to be accessible to all animals in the enclosure and shall be placed so as to minimize contamination. Food receptacles shall be kept clean and sanitary at all times. If self-feeders are used, adequate measures shall be taken to prevent molding, contamination, and deterioration or caking of food.

(6) **WATERING.** If potable water is not accessible to the animals at all times, it must be provided as often as necessary for the health and comfort of the animal. Frequency of watering shall take into consideration the age, species, condition, size, and type of the animal. All water receptacles shall be kept clean and sanitary.

(7) **SANITATION.**

(A) Excreta shall be removed from primary enclosures as often as necessary to prevent contamination of the animals contained therein and to minimize disease hazards and to reduce odors. When enclosures are cleaned by hosing or flushing, adequate measures shall be taken to protect the animals confined in such enclosures from being directly sprayed with the stream of water or wetted involuntarily.

(B) Subsequent to the presence of an animal with an infectious or transmissible disease, cages, rooms, and hard-surfaced pens or runs shall be sanitized either by washing them with hot water (180 degrees Fahrenheit at source) and soap or detergent, as in a mechanical washer, or by washing all soiled surfaces with a detergent solution followed by a safe and effective disinfectant or by cleaning all soiled surfaces with saturated live steam under pressure. Pens or runs using gravel, sand, or dirt shall be sanitized when necessary.

(C) Premises (buildings and grounds) shall be kept clean and in good repair in order to protect the animals from injury and to facilitate

the prescribed husbandry practices set forth in this Code section. Accumulations of trash shall be placed in designated areas and cleared as necessary to protect the health of the animals.

(D) A safe and effective program for the control of insects, ectoparasites, and avian and mammalian pests shall be established and maintained.

(8) **EMPLOYEES.** A sufficient number of adequately trained employees shall be utilized to maintain the professionally acceptable level of husbandry practices set forth in this Code section. Such employees shall be under a supervisor who has a background in animal care.

(9) **SEPARATION.** Animals housed in the same primary enclosure must be compatible. Animals shall not be housed near animals that interfere with their health or cause them discomfort.

(10) **VETERINARY CARE.**

(A) Programs of disease prevention, parasite control, euthanasia, and adequate veterinary care shall be established and maintained. The pest control programs shall be reviewed for the safe use of materials and methods.

(B) Animals shall be observed every day by the person in charge of the care of the animals or by someone working under his direct supervision. Sick, diseased, stressed, injured, or lame animals shall be provided with veterinary care or humanely destroyed, unless such action is inconsistent with the research purposes for which the animal was obtained and is being held.

(C)(i) In the case of a research facility, the program of adequate veterinary care shall include the appropriate use of anesthetic, analgesic, or tranquilizing drugs, when such use would be proper in the opinion of the attending veterinarian at the research facility. Such drugs shall be used in accordance with the currently accepted veterinary medical practice as cited in appropriate professional journals or reference guides and shall produce in the individual subject animal a high level of tranquilization, anesthesia, or analgesia consistent with the protocol or design of the experiment.

(ii) It shall be incumbent upon each research facility to provide guidelines and consultation to research personnel with respect to the type and amount of tranquilizers, anesthetics, or analgesics recommended as being appropriate for each species of animal used by that institution.

(iii) The use of these three classes of drugs shall effectively minimize the pain and discomfort of the animals while under experimentation.

(11) HANDLING.

(A) Handling of animals shall be done expeditiously and carefully so as not to cause unnecessary discomfort, behavioral stress, or physical harm to the animal. Care should be exercised also to avoid harm to the handler.

(B) Animals to which the public is afforded direct contact shall only be displayed for periods of time and under conditions consistent with the animals' health and not leading to their discomfort.

(C) During public display, the animals must be handled so there is minimal risk of harm to the public with sufficient distance allowed between the animals and the viewing public to assure safety to both the public and the animals. Performing animals shall be allowed a rest period between performances equal to the time for one performance.

(12) VEHICLES.

(A) Vehicles used in transporting animals shall be mechanically sound and equipped to provide the animals adequate fresh air, both when moving and stationary, without injurious drafts or discomfort.

(B) The animal cargo space shall be so constructed and maintained so as to prevent the ingress of the vehicle's exhaust gases.

(C) The interior of the animal cargo space shall be kept physically clean.

(D) The ambient temperature shall be sufficiently regulated by heating or cooling to protect the animals from the extremes of temperature and to provide for their health and to prevent their discomfort. The ambient temperature shall not be allowed to fall below or rise above temperatures compatible with the health and comfort of the animals.

(13) PRIMARY ENCLOSURES USED TO TRANSPORT ANIMALS.

(A) Primary enclosures, such as compartments used to transport animals, shall be well constructed, well ventilated, and designed to protect the health and assure the safety of the animals. Such enclosures shall be constructed or positioned in the vehicle in such a manner that each animal in the vehicle has access to sufficient air for normal breathing, the openings of such enclosures are easily accessible at all times for emergency removal of the animals, and the animals are afforded adequate protection from the elements.

(B) Animals transported in the same primary enclosure shall be compatible. Socially dependent animals (e.g., siblings, dam, and young cagemates) must be allowed visual and olfactory contact.

(C) Primary enclosures used to transport animals shall be large enough to ensure that each animal contained therein has sufficient

space to turn about freely and to make normal postural adjustments; provided, however, that certain species may be restricted in their movements according to professionally acceptable standards when such freedom of movement would constitute a danger to the animals or their handlers.

(D) Animals shall not be placed in primary enclosures over other animals in transit unless each enclosure is fitted with a floor of a material which prevents animal excreta or other wastes from entering lower enclosures.

(E) Primary enclosures used to transport animals shall be cleansed and sanitized before and after each shipment. All bedding in the vehicle shall be clean at the beginning of each trip.

(14) FOOD AND WATER REQUIREMENTS.

(A) Potable water shall be provided to each animal at least once in each 12 hour period except as directed by hibernation, veterinary treatment, or other professionally accepted practices. Those animals which, by common accepted practice, require watering more frequently shall be so watered.

(B) Each animal shall be fed at least once in each 24 hour period except as directed by hibernation, veterinary treatment, normal fasts, or other professionally accepted practices. Those animals which, by common accepted practice, require feeding more frequently shall be so fed.

(C) A sufficient quantity of food and water shall accompany the animal to provide food and water for the animal for a period of at least 24 hours, except as directed by hibernation, veterinary treatment, normal fasts, or other professionally accepted practices.

(15) CARE IN TRANSIT.

(A) It shall be the responsibility of the attendant or driver to inspect the animals frequently enough to assure the health and comfort of the animals.

(B) In the event of a breakdown or delay of the vehicle, it is the responsibility of the animal caretaker or vehicle operator to assure that animals get adequate ventilation and protection from fumes, vehicle exhaust, and extremes in temperature and to assure that the animals are not subjected to undue discomfort.

(C) In an emergency concerning the health and welfare of the animals, adequate veterinary care shall be provided without delay.

(16) Nothing in this Code section shall prevent wild animal license or permit holders from processing for meat or meat products animals that

are surplus to the primary purpose of their wild animal business. Such processing must be done in compliance with the provisions of Article 3 of Chapter 2 of Title 26, the "Georgia Meat Inspection Act." (Code 1933, § 45-1103, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1993, p. 91, § 27; Ga. L. 1994, p. 97, § 27; Ga. L. 1996, p. 1219, § 20.)

It shall be unlawful for any person to release from captivity any wild animal as defined in paragraph (75) of Code Section 27-1-2 or to import, transport, sell, transfer, or possess such a wild animal in such a manner so as to cause its release or escape from captivity. In the event a person imports, transports, sells, transfers, or possesses a wild animal in such a manner so as to pose a reasonable possibility that such wild animal may be released accidentally or escape from captivity, the department may revoke the license or permit, or both, of such person pursuant to the procedure set forth in Code Section 27-2-25. 27-5-8. Seizure of wild animals as contraband; civil action to recover animals.

(a) Peace officers authorized to enforce this chapter may seize as contraband any wild animal for which a permit or license, or both, is required and for which no permit or license, or both, has been obtained.

(b) When any peace officer authorized to enforce this chapter has seized as contraband any wild animal, he shall deliver the same to the department. To recover such wild animal, the owner or the person in possession of the wild animal at the time of seizure may file, in the state or superior court having jurisdiction in the county where the seizure was made, a civil action against the State of Georgia, Department of Natural Resources, within 30 days following such seizure. The person filing the action shall have the burden of proof of showing that the wild animal was not held in violation of this title, and the action shall be tried as other civil cases in such court. The wild animal for which the action has been filed shall be held pending the resolution of the action. Reasonable charges for storage shall be paid to the department by the owner and the person in possession of the wild animal at the time of seizure unless it is determined that the seizure was unlawful. JUDICIAL DECISIONS

Seizure of fish based on warrant. — Where fish were seized from a hatchery owner under a warrant issued by the commissioner of the Department of Natural Resources, there was a deprivation of property by way of an established state criminal procedure, the implementation of which was authorized by an official act, and the owner had a claim for pre-deprivation denial of due process, notwithstanding the availability of a post-deprivation remedy under O.C.G.A. § 27-5-8. *Blue Ridge Mt. Fisheries, Inc. v. Department of Natural Resources*, 217 Ga. App. 89, 456 S.E.2d 651 (1995).

27-5-9. Seizure of wild animals pursuant to administrative order; appeal.

(a) Authorized personnel of the department may seize any wild animal regulated by this chapter pursuant to an administrative order or an emergency administrative order issued by the department.

(b) In the event that any person is adversely affected by a seizure pursuant to an administrative order or emergency administrative order issued by the department, such person shall be entitled to appeal such order pursuant to subsection (d) of Code Section 27-1-37.

(c) Any wild animal seized under this Code section shall be held until the expiration of the time for filing any administrative appeal and, if such an appeal is filed, pending the resolution of this appeal. Reasonable charges for storage shall be paid to the department by the owner and the person in possession of the wild animal at the time of seizure unless it is determined

that the seizure was unlawful. (Code 1933, § 45-1104.2, enacted by Ga. L. 1979, p. 1094, § 14; Ga. L. 1985, p. 913, § 6.)

27-5-10. Disposal of wild animals recaptured after escape or seized under this title.

(a) The commissioner may authorize the disposal of any wild animal regulated by this chapter which has escaped and been recaptured or any wild animal which has been seized under this title. Such disposal shall be in the manner determined by the commissioner to be in the best interest of the state and shall not be in violation of this title, provided that no such disposal shall be made until there has been a final adjudication of any civil or administrative proceeding commenced by any person authorized to do so by this title.

(b) Notwithstanding any other provisions of this title, when a wild animal regulated by this chapter has escaped, the commissioner or the commissioner's designee may authorize the destruction of the wild animal by employees or agents if it is determined that the wild animal poses a threat to the safety of human beings, threatens the well-being of wildlife populations, or if it is determined that there is very little likelihood that the wild animal can be recaptured. (Code 1933, § 45-1105, enacted by Ga. L. 1977, p. 396, § 1; Ga. L. 1978, p. 816, § 69; Ga. L. 1979, p. 1094, § 15; Ga. L. 1997, p. 1395, § 5.)

28-1-8. Salary and allowances of members and officers.

(a) Each member of the General Assembly shall receive an annual salary, as provided for in Code Section 45-7-4, to be paid in equal monthly installments. Upon complying with the requirements of paragraph (22) of subsection (a) of Code Section 45-7-4, each member shall also be reimbursed for those actual expenses incurred in the performance of duties for which reimbursement is provided in paragraph (22) of subsection (a) of Code Section 45-7-4. The Speaker of the House of Representatives, the Speaker Pro Tempore of the House of Representatives, and the President Pro Tempore of the Senate shall receive an additional amount per annum as provided for in Code Section 45-7-4. The majority leader, the minority leader, the administration floor leader, and the assistant administration floor leaders of the House of Representatives and the majority leader, the minority leader, the administration floor leader, and the assistant administration floor leaders of the Senate shall each receive such additional amount per annum as shall be provided by resolution of the respective houses; but such amount for each shall not be greater than the additional amount provided by law for the Speaker Pro Tempore of the House of

Representatives. All of such additional amounts shall also be paid in equal monthly installments.

(b)(1) During regular and extraordinary sessions of the General Assembly, each member shall also receive a daily expense allowance. Each member shall also receive the mileage allowance for the use of a personal car when devoted to official business as provided for in Code Section 50-19-7, for not more than one round trip to and from the member's residence and the state capitol by the most practical route, per calendar week, or portion thereof, during each regular and extraordinary session. In the event a member travels by public carrier for any part of a round trip as provided above, such member shall receive a travel allowance of actual transportation costs for each such part in lieu of the mileage allowance. For each day's service within the state as a member of a standing committee or of an interim committee created by or pursuant to a resolution of either or both houses or as a member of a committee, board, bureau, commission, or other agency created by or pursuant to statute or the Constitution of Georgia, such member shall receive a daily expense allowance and the mileage allowance for the use of a personal car when devoted to official business as provided for in Code Section 50-19-7 or a travel allowance of actual transportation costs if traveling by public carrier. Any such member shall also be reimbursed for any conference or meeting registration fee incurred in the performance of his or her official duties as a member of any committee, board, bureau, commission, or other agency. In the event it becomes necessary for a committee to rent a meeting room in the performance of the duties of the committee, the committee chairperson must have prior written approval of the President of the Senate or the Speaker of the House, or both, as the case may be, depending on the composition of the committee. The expense of such rental shall be billed to the committee. For each day's service out of state as a member of any committee, board, bureau, commission, or other agency, such member shall receive actual expenses as an expense allowance, plus the mileage allowance for the use of a personal car when devoted to official business as provided for in Code Section 50-19-7 or a travel allowance of actual transportation costs if traveling by public carrier or by rental motor vehicle. The amount of the daily expense allowances provided for in this paragraph shall be fixed by the Legislative Services Committee; provided, however, that the amount of the daily expense allowance shall remain at \$75.00 until changed by the Legislative Services Committee. The Legislative Services Committee shall periodically review, and when appropriate revise, the amount of the daily expense allowance. The amount of the daily expense allowance shall be fixed by the Legislative Services Committee in an amount which reasonably corresponds to the housing and meal expenses typically incurred by members in the performance of their duties; provided, however, that the amount so fixed shall not exceed the federal

per diem rate in effect for the state capital as specified by the General Services Administration at the time that the committee acts.

(2) Transportation costs incurred by a member of the Senate for air travel within or without the state during the interim as a member of a committee, board, bureau, commission, or other agency shall be reimbursed only if the incurring of such costs is approved under procedures established by the Senate Administrative Affairs Committee. Transportation costs incurred by a member of the House of Representatives for air travel within or without the state during the interim as a member of a committee, board, bureau, commission, or other agency shall be reimbursed only if the incurring of such costs is approved under procedures established by the Speaker of the House.

(3) Notwithstanding any other provision of this subsection to the contrary, reimbursement of authorized transportation costs incurred by a member of the General Assembly for air travel inside or outside the state at any time shall be limited to the amounts provided for in the state-wide contract. As used in this paragraph, the term "state-wide contract" means the state-wide contract for airline travel incorporated in the state travel regulations established by the State Accounting Office. This limitation shall not apply, however, if the air travel is between pairs of cities not covered in the state-wide contract, if no state-wide contract is in effect, if the contracted flight is other than a nonstop flight, the contracted flight would cause the member undue hardship or would conflict with the member's schedule, or if passage under a state-wide contract is otherwise not reasonably available. When reimbursement is requested for an amount in excess of the amount provided in the state-wide contract, the member shall sign a statement indicating which of the foregoing exceptions applies.

(4) All allowances provided for in this subsection shall be paid upon the submission of proper vouchers.

(c) No member shall receive any expense allowance, mileage allowance, or travel allowance for service as a member of any committee, board, bureau, commission, or other agency, as provided for in this Code section, unless such member has personally performed the service and has personally incurred the expense for mileage or travel. Each member of the General Assembly submitting a voucher shall certify that such member personally performed the service and personally incurred the expense for mileage or travel covered by the voucher and that the information contained on the voucher is true and correct. The voucher shall contain such a certificate which the member must sign.

(d) It shall be unlawful for any member willfully to make a certificate, as provided for in subsection (c) of this Code section, knowing it to be false; and any member convicted of making such a false certificate shall be

punished by a fine of not more than \$1,000.00, or by imprisonment of not less than one nor more than five years, or both. No member of the General Assembly shall receive any compensation, salary, per diem, expenses, allowances, mileage, costs, or any other remuneration whatsoever for service as a member of the General Assembly other than as provided for in this Code section.

(e) The Senate Rules Committee shall designate an audit subcommittee to examine and review, not less than once every two months, legislative expenditures, including all vouchers submitted by members of the Senate, as provided for in this Code section, for which the members have received payment. The subcommittee is authorized to issue reports of its examination and review. The Journals Committee of the House of Representatives shall examine and review, not less than once every two months, legislative expenditures, including all vouchers submitted by members of the House of Representatives, as provided for in this Code section, for which the members have received payment. The committee is authorized to issue reports of its examination and review.

(f) If sickness prevents any member from attending the house of which he is a member during any session of the General Assembly, he shall be entitled to the same daily expense allowance as an attending member. No member shall receive a daily expense allowance for absent time except on account of sickness of himself or his family or by express leave of the house of which he is a member.

(g) Prior to January 10, 1983, if any member of the General Assembly dies during or after a regular or extraordinary session without having received all or any portion of his daily expense allowance for such session, the amount due for the whole session shall be paid to the surviving spouse of the deceased; and if there is no surviving spouse, in like manner to the children; and if there are no children, in like manner to the mother; and if there is no mother, in like manner to the father; and if there is no father, in like manner to the estate of the deceased member.

(h) From and after January 10, 1983, if any member of the General Assembly dies during or after a regular or extraordinary session without having received all or any portion of the member's daily expense allowance for such session, the amount due for the whole session shall be paid to the surviving spouse of the deceased; and if there is no surviving spouse, in like manner to the children; and if there are no children, in like manner to the estate of the deceased member. The member's salary for the full calendar month during which the member dies shall be paid in the same manner. (Orig. Code 1863, §§ 184, 185, 186; Code 1868, §§ 178, 179, 180; Ga. Such advertisement must be not more than 60 days prior to the convening date of the session at which the bill is introduced. After the advertisement has been published the bill may be introduced at any time during that session unless the advertisement is published during the session, in which event the bill may not be introduced before Monday of the calendar week following the week in which the advertisement is published.

(b) No local bill amending the charter of a municipality or the enabling Act of the governing authority of a county or a consolidated government shall become law unless a copy of the notice of the intention to introduce local legislation required by subsection (a) of this Code section is mailed, transmitted by facsimile, or otherwise provided to the governing authority of any county, municipality, or consolidated government referred to in the bill during the calendar week in which such notice is published as provided in subsection (a) of this Code section or during the seven days immediately following the date of publication of such notice. A single notice sent by United States mail, postage prepaid, addressed to the governing authority of the county, municipality, or consolidated government at the official address of such governing authority shall satisfy the requirement of this subsection. If such notice is mailed, the notice requirement of this subsection shall be presumed to have been met by depositing the copy of the required notice in the United States mail. For purposes of this subsection, the copy of the notice provided to such governing authority may consist of an actual or photostatic copy of the published notice or a typed restatement of the contents of such notice.

(c) A copy of the notice as it was advertised and an affidavit stating that the notice has been published as provided by this Code section and that the notice requirements of this Code section have been met shall be attached to the bill and shall become a part of the bill. Such affidavit shall be made by the author of the bill. (Code 1981, § 28-1-14, enacted by Ga. L. 1983, p. 646,

§ 2; Ga. L. 1991, p. 747, § 1; Ga. L. 1996, p. 1198, § 1; Ga. L. 1997, p. 11, § 2; Ga. L. 2002, p. 985, § 1.)

Editor's notes. — Ga. L. 1983, p. 646, § 2 and Ga. L. 1983, p. 1205, § 2, both enacted Code sections designated as “28-1-14.” The “28-1-14” enacted by Ga. L. 1983, p. 1205, § 2 was redesignated as “28-1-15” by Ga. L. 1984, p. 22, § 28.

Ga. L. 1983, p. 646, § 1, not codified by the General Assembly, provides: “It is the

intent of this Act to provide the law required by Article III, Section V, Paragraph IX of the Constitution of the State of Georgia.”

Ga. L. 1991, p. 747, § 2, not codified by the General Assembly, provides: “This Act shall become effective July 1, 1991, and shall apply with respect to bills introduced at sessions of the General Assembly convening on or after that date. Any bill introduced at any prior session of the General Assembly shall be subject to prior law, notwithstanding the fact that it may be carried over to a later session of the General Assembly.”

JUDICIAL DECISIONS

Notice of intent to continue constitutional amendment. — Notice of intention to introduce legislation continuing a constitutional amendment allowing establishment of a joint board of tax assessors in a population category applying only to Fulton County and the City of Atlanta was sufficient, notwithstanding that it did not specifically refer to either Fulton County or the City of Atlanta. *Lomax v. Lee*, 261 Ga. 575, 408 S.E.2d 788 (1991).

Sufficient notice found. — Where the corporate limits of a municipality include portions of two counties, and the notice of intention to apply for passage of a local bill is published as required by law in the newspaper in which the sheriff's advertisements for the county of the legal situs of the municipality are published, and the local act in its

enrolled form contains proof of such publication in the county of the legal situs of the municipality, this is a sufficient compliance with the requirements of article 3, section 7, paragraph 14 of the Constitution of 1945. *Robertson v. Temple*, 207 Ga. 311, 61 S.E.2d 285 (1950) (see now Ga. Const. 1983, Art. III, Sec. V., Para. IX).

Public hearing not required. — Because the legislature, at the request of a city council, passed legislation authorizing the city to change its form of government from a strong mayor/weak council system to a weak mayor/strong council system employing a city manager, no public hearing was required, as O.C.G.A. § 28-1-14 did not require one. *Griffin v. City Council*, 279 Ga. 835, 621 S.E.2d 734 (2005).

28-1-14.1. Local bills proposing annexation by municipalities; providing copies to county governing authority.

Reserved. Repealed by Ga. L. 2002, p. 985, § 1, effective May 14, 2002.

Editor's notes. — This Code section was based on Code 1981, § 28-1-14.1, enacted by Ga. L. 1992, p. 2592, § 1; Ga. L. 1993, p. 91, § 28.

28-1-15. Restrictions on population bills; “population bill” defined.

(a) This Code section is passed pursuant to the authority of Article III, Section VI, Paragraph IV, subparagraph (b) of the Constitution, and no population bill shall be passed and no bill using classification by population as a means of determining the applicability of any bill or law to any political

subdivision or group of political subdivisions may expressly or impliedly amend, modify, supersede, or repeal this Code section.

(b) As used in this Code section, “political subdivision” means any county, municipality, county school district, independent school district, judicial circuit, militia district, or any other geographical area of the state which does not include the entire area of the state.

(c) Except as provided in this subsection, “population bill” means any bill using classification by population as a means of determining the applicability of any bill or law to any political subdivision or group of political subdivisions of the state. “Population bill” shall not include the following:

(1) A bill applicable to one specified type of political subdivision and containing a combination of population classifications which includes the population of and affects all political subdivisions of the type specified, including but not limited to state-wide minimum salary bills for county officers;

(2) A bill classifying political subdivisions having less than a specified population and affecting three or more such political subdivisions; provided, however, that this paragraph shall not apply to or affect the legality of any bills classifying political subdivisions having less than a specified population enacted prior to July 1, 1988, or which become effective July 1, 1988;

(3) A bill classifying political subdivisions having more than a specified population and affecting three or more such political subdivisions; provided, however, that this paragraph shall not apply to or affect:

(A) The legality of any bills classifying political subdivisions having more than a specified population enacted prior to July 1, 1988, or which become effective July 1, 1988; or

(B) The passage or legality of any bills amending bills referred to in subparagraph (A) of this paragraph with respect to specific subject matter contained in such bills on July 1, 1988;

(4) A bill classifying political subdivisions on the basis of the population of standard metropolitan statistical areas and affecting three or more such political subdivisions; provided, however, that this paragraph shall not apply to or affect the legality of any bills classifying on the basis of the population of standard metropolitan statistical areas enacted prior to July 1, 1988, or which become effective July 1, 1988;

(5) A bill amending a law which classifies political subdivisions on the basis of population if that amendment merely changes the population classification of such law so as to permit that law to remain applicable to those political subdivisions to which that law was applicable immediately

prior to the time the most recent census figures became applicable to those political subdivisions; or

(6) A bill repealing a law which classifies on the basis of population.

In order to be permissible under the foregoing exceptions, a bill must fit within only one of the foregoing exceptions; and any bill which uses two or more of the foregoing classification devices shall be a prohibited “population bill.”

(c.1)(1) A population bill shall also mean any bill using classification by population as a means of determining the applicability of any bill or law to any political subdivision or group of political subdivisions of the state with respect to the following:

(A) The salary of any officer, official, or employee of a county, municipality, or other political subdivision; provided, however, that the limitation provided for in this subparagraph shall not apply to state-wide minimum salary bills for county officers which are authorized under paragraph (1) of subsection (c) of this Code section; or

(B) The property, affairs, or operation of the governing authority of a county or municipality, including, but not limited to, any matters pertaining to municipal annexation, deannexation, incorporation, or dissolution.

(2) Except as provided in subparagraph (A) of paragraph (1) of this subsection, any population bill which meets any of the classification criteria of this subsection shall be a prohibited population bill even if such bill is described in paragraphs (1) through (4) of subsection (c) of this Code section. Any such bill enacted prior to July 1, 1997, or which became effective July 1, 1997, may thereafter be repealed as authorized under paragraph (6) of subsection (c) of this Code section or may only be amended as authorized under paragraph (5) of subsection (c) of this Code section.

(d) Nothing in this Code section shall be construed to invalidate any judicially imposed requirements for Acts classifying on the basis of population. (Code 1981, § 28-1-14, enacted by Ga. L. 1983, p. 1205, § 2; Code 1981, § 28-1-15, as redesignated by Ga. L. 1984, p. 22, § 28; Ga. L. 1988, p. 1547, § 1; Ga. L. 1997, p. 1308, §§ 1, 2.)

Cross references. — Prohibition of population bills, Ga. Const. 1983, Art. III, Sec. VI, Para. IV.

Editor's notes. — Ga. L. 1983, p. 646, § 2 and Ga. L. 1983, p. 1205, § 2 both enacted Code sections designated as “28-1-14.” The Code section enacted by the latter Act was redesignated as “28-1-15” by Ga. L. 1984, p. 22, § 28, effective February 3, 1984.

Ga. L. 1983, p. 1205, § 1, not codified by the General Assembly, provides: “It is the intent of this Act to implement certain changes required by Article III, Section VI, Paragraph IV, subparagraph (b) of the Constitution of the State of Georgia.”

JUDICIAL DECISIONS

Cited in Building Auth. of Fulton County
v. State, 253 Ga. 242, 321 S.E.2d 97 (1984).

28-1-16. Issuance of subpoenas by Superior Court of Fulton County on behalf of the Committees on Ethics of the Senate and House of Representatives.

(a) If the Committee on Ethics of the Senate or House of Representatives determines that the effective functioning of the committee requires the issuance of compulsory process to secure the attendance of a witness or the production of documents and materials, or if a person whose conduct is called into question in an investigation or other proceeding requests the issuance of such compulsory process, the chairperson or acting chairperson shall make application in writing to the presiding judge of the Superior Court of Fulton County for the issuance of an appropriate subpoena. Such application shall:

(1) Describe in general terms the investigation or other proceeding for which the issuance of subpoena is sought and identify the provisions of the Senate or House rules authorizing the committee to conduct such investigation or proceeding;

(2) In the case of process to secure the attendance of a witness, identify the witness; the general nature of the questions to be propounded to the witness; and the reasons for believing that the testimony of the witness is likely to be relevant to the authorized scope of the investigation or proceeding;

(3) In the case of process to secure the production of documents and materials, identify the person to whom the subpoena is to be directed; the general nature of the documents and materials in question; and the reasons for believing that such documents and materials are likely to be relevant to the authorized scope of the investigation or proceeding;

(4) State whether confidential treatment of the application for and issuance of the subpoena is requested;

(5) If the application is submitted on behalf of a person whose conduct is called into question, be accompanied by any materials in support of the application which such person desires to have transmitted to the court with the application; and

(6) If the application is submitted on motion of the committee, be sought by the chairperson or acting chairperson only after notification to the person whose conduct is in issue that the subpoena will be sought.

(b) The presiding judge shall act on such application within 48 hours after it is presented to the judge. If the judge finds that the committee is

acting within the scope of the authority granted to it by the rules of the Senate or House and that the testimony or documents or materials sought to be elicited appear to be likely to be relevant to the authorized scope of the investigation or proceeding, the judge may cause an appropriate subpoena to be issued and transmitted to the chairperson or acting chairperson. If the judge deems it necessary or appropriate, the judge may hold a closed or open hearing with respect to his or her determination of this matter.

(c) When authorized by the rules of the Senate and House, the confidential treatment of material and information in the course of investigations and other proceedings of the Committees on Ethics shall be recognized by law. Such confidential treatment shall be preserved in proceedings under this Code section as provided in this subsection. If the application for a subpoena requests confidential treatment, the court shall in any event take any and all steps necessary or appropriate to preserve the confidentiality of the application. The court may, but shall not be required to, issue the subpoena in such a manner as to preserve its confidentiality. If the court determines that a subpoena may be issued but confidential treatment is not warranted under the rules of the Senate or House, the judge shall so notify the chairperson or acting chairperson; and the chairperson or acting chairperson shall then have the option to:

(1) Abandon the request for a subpoena, in which case the application shall remain confidential; or

(2) Accept the determination of the court, in which case the subpoena shall issue, but the application and the issuance shall not be treated as confidential.

(d) In case of refusal to obey a subpoena issued under this Code section to any person, the Superior Court of Fulton County, upon application by the chairperson or acting chairperson, may issue to the person an order requiring him or her to appear before the court to show cause why he or she should not be held in contempt for refusal to obey the subpoena. Failure to obey a subpoena may be punished by the court as contempt of court.

(e) A subpoena issued under this Code section may be served at any place in the state and in any manner authorized in Code Section 24-10-23. Fees and mileage shall be paid and tendered as provided in Code Section 24-10-24, notwithstanding the general exemption of the state from tender of fees and mileage, and shall be in the form of a check issued by the Legislative Fiscal Office upon the written request of the chairperson or acting chairperson.

(f) Any decision of the court under this Code section shall be appealable in the same manner as provided by law for the appeal of a final judgment in a civil action. (Code 1981, § 28-1-16, enacted by Ga. L. 1993, p. 1390, § 1; Ga. L. 2003, p. 140, § 28.)

28-1-17. Prefiling of proposed bills and resolutions prior to each legislative session; administrative procedure.

(a) The purpose of this Code section is to establish an administrative procedure for the prefiling of proposed bills and resolutions prior to the convening of each legislative session. The purposes of such procedure shall include:

(1) Allowing, but not requiring, the author of a measure which he or she intends to introduce in the General Assembly to make the members of the General Assembly and the general public aware of the existence and contents of such proposed measure;

(2) Allowing, but not requiring, the presiding officers of the Senate and House of Representatives to indicate the committees to which they intend to assign such proposed measures if and when they are officially introduced; and

(3) Allowing, but not requiring, standing committees so selected to begin informal consideration of such proposed measures.

(b) During the period which begins on November 15 of each calendar year and ends on the Friday before the second Monday in January of the following calendar year, bills and resolutions considered for introduction in the General Assembly may be prefiled with the Secretary of the Senate and the Clerk of the House as authorized in this Code section. Such measures may be so prefiled with the Secretary of the Senate by any one or more Senators who will be eligible to consider the measure when introduced. Such measures may be so prefiled with the Clerk of the House by any one or more Representatives who will be eligible to consider the measure when introduced. The prefiling of a measure shall not constitute the official introduction of a bill or resolution, and a bill or resolution may be officially introduced only during a legislative session.

(c) When any one or more authors of a proposed measure desire to prefile the proposed measure, they shall obtain copies of the same from the Office of Legislative Counsel, prepared in a form to indicate their status as measures to be prefiled, and shall prefile the same with the Secretary of the Senate or the Clerk of the House in such manner as may be prescribed by the Secretary or the Clerk.

(d) Neither the prefiling of a proposed measure by the author, an indication of intention to assign a proposed measure to a committee by a presiding officer, nor the informal consideration of a proposed measure by a committee shall be binding or have official status as the introduction, assignment to committee, or committee consideration of a measure; and all of such actions may officially be taken only after the convening of a session of the General Assembly.

(e) Upon receipt of a prefiled bill or resolution, the Secretary or Clerk shall assign to the proposed measure an identifying number. The Secretary and Clerk may develop numbering systems which will allow prefiled measures to be identified by a number corresponding to the bill or resolution number which will be assigned to the same measure when and if it is officially introduced during the legislative session.

(f) Following receipt of a prefiled measure, the Secretary or Clerk shall notify the presiding officer of the Senate or House, and such presiding officer may make a preliminary assignment of the measure to a standing committee for consideration by the committee. Such a preliminary assignment shall not constitute the official assignment of an officially introduced bill. Such official assignment of a bill or resolution may take place only following the official introduction of the bill or resolution during the legislative session. Such a preliminary assignment shall in no manner be binding upon the presiding officer, and the official assignment of a bill or resolution after its official introduction may be made without regard to any preliminary assignment of the proposed measure.

(g) Upon the preliminary assignment of a bill or resolution, the committee to which the same is assigned may commence consideration of the proposed measure and the issues addressed therein, but the committee shall have no power to take any official action with respect to such a proposed measure until after its official introduction and assignment to the committee.

(h) All measures prefiled under this Code section and the preliminary assignment of the same shall be matters of public record and shall be made available to the public. (Code 1981, § 28-1-17, enacted by Ga. L. 1994, p. 1146, § 1.)

Code Commission notes. — Pursuant to section, enacted as Code Section 28-1-16, was Code Section 28-9-5, in 1994, this Code redesignated as Code Section 28-1-17.

JUDICIAL DECISIONS

Permissible variance in apportionment. — A mathematical formula fixing a maximum variance by which the population of a district may differ from the average district population is not possible, but a variance of more than 15 percent would be difficult, if not impossible, to justify. The court will base any test as to the reasonableness of variances on the departure figure of 15 percent. This does not mean a deliberate built-in variance of this degree but a good faith effort to meet the average with departure only where necessary to afford individual representation to as many counties as possible. *Toombs v. Fortson*, 241 F. Supp. 65 (N.D. Ga. 1965),

aff'd, 384 U.S. 210, 86 S. Ct. 1464, 16 L. Ed. 2d 482 (1966).

Judicial review of legislative apportionment. — The proper judicial approach is to ascertain whether, under the particular circumstances existing in the individual state whose legislative apportionment is at issue, there has been a faithful adherence to a plan of population-based representation, with such minor deviations only as may occur in recognizing certain factors that are free from any taint of arbitrariness or discrimination. *Toombs v. Fortson*, 241 F. Supp. 65 (N.D. Ga. 1965), aff'd, 384 U.S. 210, 86 S. Ct. 1464, 16 L. Ed. 2d 482 (1966).

District 147

Camden County

(b) A member of the House of Representatives must be a resident of the district which such member represents and at the time of such member's election must have been a resident of the territory embraced within such district for at least one year preceding such time. Each Representative shall be elected only by the voters of such Representative's representative district.

(c) The first members of the House of Representatives elected pursuant to this Code section shall be those who are elected to take office on the convening date of the regular session of the General Assembly in 2003. Until that time the membership of the House of Representatives elected under prior law shall continue to serve and shall represent the districts from which elected; and until that time the composition of the districts from which such members were elected shall remain the same. The provisions of this Code section shall be effective, however, for the primary and general elections of 2002 for the purpose of electing members of the House of Representatives in 2002 who are to take office in 2003. Successors to those members and future successors shall likewise be elected under this Code section.

(d) For purposes of this Code section:

(1) The terms "Tract" and "BG" (Block Group) shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia. The separate numeric designations in a Tract description which are underneath a "BG" heading shall mean and describe individual Blocks within a Block Group as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia; and

(2) Except as otherwise provided in the description of any representative district, whenever the description of any representative district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2000 for the State of Georgia.

(e) Any part of the State of Georgia which is not included in any representative district described in this Code section shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2000 for the State of Georgia.

(f) Any part of the State of Georgia which is described in this Code section as being included in a particular representative district shall nevertheless not be included within such representative district if such part is not contiguous to such representative district. Such noncontiguous part shall instead be included within that representative district contiguous to such part which contains the least population according to the United States decennial census of 2000 for the State of Georgia. Editor's notes. — The 2001 House reapportionment plan provided by O.C.G.A. § 28-2-1, as amended by Ga. L. 2001, Ex. Sess. p. 425, §§ 1-3, was held unconstitutional in *Larios v. Cox*, 300 F. Ga. L. 2006, p. 12, § 1/HB 1137, not codified by the General Assembly, provides: “(a) The General Assembly recognizes that the apportionment of the house districts for the 2004 elections was governed by the interim reapportionment plan entered by order of the United States District Court for the Northern District of Georgia in the case of *Larios v. Cox*, 314 F. Supp. 2d 1357 (N.D. Ga. 2004).

“(b) Except as otherwise provided in this subsection, the districts for House Districts 1

through 180 shall continue to be those districts as provided in the order of the United States District Court in the case of *Larios v. Cox*. On and after January 1, 2007, House Districts 5, 12, 46, 48, 50, 51, 167, and 179 shall be as described in a report which is attached to this Act and is made a part of this Act.

“(c) The first members of the House of Representatives from House Districts 5, 12, 46, 48, 50, 51, 167, and 179 elected pursuant to subsection (b) of this section shall be those who are elected to take office on the convening date of the regular session of the General Assembly in 2007. Until that time the members of the House of Representatives elected from House Districts 5, 12, 46, 48, 50, 51, 167, and 179 under the interim court order in the case of *Larios v. Cox* shall continue to serve and shall represent the districts from which elected; and until that time the composition of the districts from which such members were elected shall remain the same. The provisions of subsection (b) of this section shall be effective, however, for the primary and general elections of 2006 for the purpose of electing members of the House of Representatives from House Districts 5, 12, 46, 48, 50, 51, 167, and 179 in 2006 who are to take office in 2007. Successors to those members shall likewise be elected under the provisions of this Act.”

JUDICIAL DECISIONS

Unconstitutionality of 2001 House Reapportionment Plan and 2002 Senate Reapportionment Plan. — Georgia's state legislative reapportionment plans (House plan provided by O.C.G.A. § 28-2-1 as amended by Ga. L. 2001, Ex. Sess. p. 425, §§ 1-3; and Senate plan provided by Ga. L. 2002, p. 148, § 2) plainly violated the one person, one vote principle embodied in the Equal Protection Clause because each deviated from population equality by a total of 9.98% of the

ideal district population and there were no legitimate, consistently applied state policies which justify these population deviations. Instead, the plans arbitrarily and discriminatorily diluted and debased the weight of certain citizens' votes by intentionally and systematically underpopulating districts in rural south Georgia and inner-city Atlanta, correspondingly overpopulating the districts in suburban areas surrounding Atlanta, and by underpopulating the districts

held by incumbent Democrats. *Larios v. Cox*, 300 F. Supp. 2d 1320 (N.D. Ga. 2004), *aff'd*, 542 U.S. 947, 124 S. Ct. 2806, 159 L. Ed. 2d 831 (2004).

Criteria for 2004 Court-Ordered House and Senate Reapportionment Plans. — Special Master appointed to prepare state legislative reapportionment plans pursuant to court order was required to consider three principal criteria in drafting such plans: the U.S. Constitution; the federal Voting Rights Act; and neutral principles of redistricting such as compactness, contiguity, minimizing the splits of counties and municipalities, recognizing communities of interest, maintaining the cores of existing districts, and using well-defined boundaries as district lines, insofar as those policies did not conflict with the primary considerations of compliance with the one person, one vote principle and the Voting Rights Act. Special Master was also required to prefer single-member districts over multi-member districts. *Larios v. Cox*, 306 F. Supp. 2d 1214 (N.D. Ga. 2004).

Adoption of 2004 Court-Ordered House and Senate Reapportionment Plans. — Special Master's state legislative reapportionment plans ("Special Master's 1-B Plans") were adopted as the court's plans, since those plans complied fully with the Constitution and the principle of one person, one vote, the Voting Rights Act, and the traditional redistricting guidelines of compactness, contiguity, minimizing the splits of counties, municipalities, and precincts, recognizing communities of interest, and avoiding multi-member districts. The court also was completely satisfied that the Special Master considered comments and objections concerning political incumbency as only a subordinated and secondary consideration. *Larios v. Cox*, 314 F. Supp. 2d 1357 (N.D. Ga. 2004).

Each Senate district shall be composed of a portion of a county, or a county, or counties, or a combination thereof, and shall be represented by one Senator. (2) Except as otherwise provided in the description of any senatorial district, whenever the description of any senatorial district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2000 for the State of Georgia.

(a) There shall be a Secretary of the Senate and a Clerk of the House of Representatives, elected by the members of each house respectively by recorded vote; and a majority of votes cast is necessary to elect. FISCAL BILLS GENERALLY

28-5-40. Short title.

This article shall be known and may be cited as the “Georgia Fiscal Note Act.” (Ga. L. 1975, p. 1568, § 1.)

28-5-41. “Retirement bill” defined.

Reserved. Repealed by Ga. L. 1985, p. 1331, § 1, effective April 10, 1985.

Editor’s notes. — This Code section was based on Ga. L. 1975, p. 1568, § 2, and Ga. L. 1981, Ex. Sess., p. 8.

28-5-42. Introduction of bills having significant impact upon anticipated revenues or expenditures; furnishing of fiscal notes.

(a)(1) Any bill having a significant impact on the anticipated revenue or expenditure level of any state department, bureau, board, council, committee, commission, or other state agency must be introduced no later than the twentieth day of any session. The sponsor of such legislation must request a fiscal note from the Office of Planning and Budget and the Department of Audits and Accounts by November 1 of the year preceding the annual convening of the General Assembly in which the bill is to be introduced, but subsequent to the preparation of such bill by the Office of Legislative Counsel. With respect to a member-elect of the General Assembly, such person must request a fiscal note from the Office of Planning and Budget and the Department of Audits and Accounts by December 1 of the year preceding the annual convening of the General Assembly in which the bill is to be introduced, but subsequent to the preparation of such bill by the Office of Legislative Counsel. The director of the Office of Planning and Budget and the state auditor shall prepare and submit the fiscal note not later than the day of convening of the General Assembly.

(2) The failure to request a fiscal note by November 1 as provided in paragraph (1) of this subsection shall preclude consideration of the measure by the Senate or the House of Representatives unless the committee to which a bill is assigned in the chamber in which it is introduced:

(A)(i) Determines that such bill will have a significant impact as described in paragraph (1) of this subsection;

(ii) Waives the applicable November 1 or December 1 deadline of paragraph (1) of this subsection;

(iii) Requests a fiscal note from the director of the Office of Planning and Budget and the state auditor, except as otherwise provided in subsection (e) of this Code section; and

(iv) Among fiscal notes so requested, the chairperson of such committee suggests a preferred order of completion to guide the director of the Office of Planning and Budget and the state auditor;
or

(B) Determines that such bill will not have a significant impact as described in paragraph (1) of this subsection.

(3) Any such determination or waiver shall be by the affirmative vote of a majority of the members of the committee, on a specific motion for waiver, and shall allow consideration of the measure by both chambers so long as the bill has been introduced not later than the twentieth day of any session.

(4) Any general bill having a significant impact on the anticipated revenue or expenditure level of counties and municipalities must be introduced no later than the twentieth day of any session.

(5) This article shall not apply to any local bill affecting a county or municipality which must be advertised in accordance with the requirements of Code Section 28-1-14, relating to the advertisement of local legislation.

(b) In the event any bill having a significant impact as described in paragraph (1) of subsection (a) of this Code section is introduced after the twentieth day of any session, it shall not be considered or acted upon in any manner by either the Senate or the House of Representatives. The President of the Senate shall decide whether a bill which is introduced in the Senate falls within this category; and the Speaker of the House of Representatives shall decide whether a bill which is introduced in the House of Representatives falls within this category. The President of the Senate shall have the same right of decision on House bills which reach the Senate; and the Speaker of the House of Representatives shall have the same right of decision on Senate bills which reach the House of Representatives.

(c)(1) In the event a bill having a significant impact as described in paragraph (1) of subsection (a) of this Code section is introduced not later than the twentieth day of any session, the chairperson of the committee to which such bill is referred shall request the director of the Office of Planning and Budget and the state auditor to submit any such fiscal note as to the fiscal effect of any such bill and to file a copy of such fiscal note with the legislative budget analyst. The chairperson shall make such request after the bill is referred to the committee.

(2) The chairperson shall not be required to make such request with respect to any bill for which:

(A) A fiscal note has been requested by the sponsor of the bill pursuant to paragraph (1) of subsection (a) of this Code section and the chairperson has been duly notified in writing of such request by such sponsor; or

(B) The director of the Office of Planning and Budget and the state auditor have previously submitted a fiscal note pursuant to a request under paragraph (1) of subsection (a) of this Code section.

(d) In the event a determination is made under subparagraph (a)(2)(B) of this Code section that a bill will not have a significant impact, if the director of the Office of Planning and Budget or the state auditor has information or knowledge that any bill will have a significant impact as described in paragraph (1) of subsection (a) of this Code section, a fiscal note may be prepared according to the criteria outlined in subsection (g) of this Code section. Such a fiscal note may be prepared without a request

by the bill's author or the committees to which it is assigned in either chamber. Any fiscal note prepared according to this subsection shall be distributed consistent with Code Section 28-5-44.

(e) During any regular session of the General Assembly, the director of the Office of Planning and Budget and the state auditor shall prepare and submit the fiscal note within five days after receipt of the request or within ten days if the director of the Office of Planning and Budget and the state auditor have made a formal request for extension of time.

(f) The principal administrative and fiscal officers of all departments, boards, councils, committees, commissions, and other agencies of the state government and, when applicable, of counties, municipalities, and other political subdivisions are authorized and directed to cooperate fully with the director of the Office of Planning and Budget and the state auditor in providing any information and assistance necessary in the preparation of fiscal notes pursuant to this Code section.

(g) The fiscal note required by this Code section shall include a reliable estimate in dollars of the anticipated change in revenue or expenditures under the provisions of the bill. It shall also include a statement as to the immediate effect and, if determinable or reasonably foreseeable, the long-range effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the fiscal note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. In this event, the fiscal note shall contain an example based on a specific situation or reflecting the average group of persons possibly affected by the bill so as to provide an indication of the cost of such bill to the General Assembly. Assumptions used to develop these averages shall be noted in the fiscal note and the criteria included herein shall constitute a fiscal note. No comment or opinion regarding the merits of the measure for which the statement is prepared shall be included in the fiscal note; however, technical or mechanical defects may be noted. The state auditor and the director of the Office of Planning and Budget shall jointly prepare their fiscal note; and, if there is a difference of opinion between such officials, it shall be noted in the fiscal note. In the event the director of the Office of Planning and Budget and the state auditor concur that the fiscal note on any such bill cannot be prepared within the five-day limitation in effect during any regular session of the General Assembly, they shall so inform the chairperson in writing and shall be allowed to submit said note not later than ten days after the request for it is made. JUDICIAL DECISIONS

Fiscal note to be attached to bill but need not be attached to enrolled Act. — Although Ga. L. 1966, p. 573, as amended by Ga. L. 1969, p. 570 (see now O.C.G.A. § 28-5-42) requires that the chairman of the committee to which a retirement or pension bill is referred procure a fiscal note as to the effect of such bill and Ga. L. 1969, p. 570 (see now O.C.G.A. § 28-5-44) requires the committee chairman to attach the fiscal note to the bill and to furnish and read said note to the members of the respective houses of the General Assembly, neither of these laws require that the fiscal note be attached to the enrolled Act. The Supreme Court declined to construe Ga. L. 1969, p. 570 (see O.C.G.A. § 28-5-44) so as to require the fiscal note to be attached to the enrolled Act and to enforce that Ga. L. 1969, p. 570 (see O.C.G.A. § 28-5-22) as thus construed as if it were a constitutional mandate. *Richmond*

Validity of amendment passed in violation of time limit. — The 1987 amendment to O.C.G.A. § 49-4-6, relating to the computation of eligibility of persons for public assistance, was presumed valid notwithstanding a contention that it was passed in violation of the time limitation prescribed in O.C.G.A. § 28-5-42(a). *Wilson v. ARTICLE 3A

STATE AND LOCAL GOVERNMENT PARTNERSHIP

28-5-47. Short title.

This article shall be known and may be cited as the “State and Local Government Partnership Act of 1995.” (Ga. L. 1981, p. 1809, § 1; Ga. L. 1995, p. 1189, § .5.)

28-5-47.1. Legislative intent and purpose.

It is the intent and purpose of the General Assembly in enacting this article:

(1) To strengthen the partnership between the State of Georgia and local political subdivisions;

(2) To assist the General Assembly in its consideration of proposed legislation and new and revised state programs containing fiscal requirements affecting local political subdivisions by:

(A) Requiring the provision of accurate estimates of the fiscal impact upon local political subdivisions of proposed legislation and new and revised state programs; and

(B) Establishing a mechanism to bring such information to the attention of the members of the General Assembly before the House of Representatives or Senate, respectively, votes on proposed legislation;

(3) To promote informed and deliberate decisions by the General Assembly on the appropriateness of proposed fiscal impact legislation in any particular instances;

(4) To improve the quality of state regulations affecting local political subdivisions and the process by which those regulations are developed by:

(A) Providing that state agencies consult with elected and other officials of local political subdivisions; and

(B) Requiring that state agencies prepare accurate estimates of the budgetary impact of state regulatory mandates upon local political subdivisions before adopting such regulations. (Code 1981, § 28-5-47.1, enacted by Ga. L. 1995, p. 1189, § .5.)

28-5-48. Definitions.

As used in this article, the term:

(1) "Commissioner" means the commissioner of community affairs.

(2) "Department" means the Department of Community Affairs.

(3) "Fiscal note" means a realistic statement of the estimated financial cost of implementing or complying with the proposed law, regulation, rule, order, or administrative law upon local political subdivisions to which the proposed law, regulation, rule, order, or administrative law applies.

(4) "Local political subdivision" means a county, municipality, county school district, or independent school district. (Ga. L. 1981, p. 1809, § 2; Ga. L. 1995, p. 1189, § .5.)

28-5-48.1. Applicability to proposed laws for which full funding to affected localities has been appropriated.

This article shall not apply to any proposed bill, resolution, regulation, rule, order, or administrative law for which an appropriation, in an amount sufficient to fund the full cost of the proposal, has been made to affected local political subdivisions. (Code 1981, § 28-5-48.1, enacted by Ga. L. 1995, p. 1189, § .5.)

28-5-49. Analysis of costs of proposed bills and joint resolutions to affected localities; filing of fiscal notes; requests by representatives of local political subdivisions for copies; waiver of requirements.

(a) The department shall conduct any analysis to determine the cost of implementation or compliance for all bills and joint resolutions introduced in the General Assembly which have a fiscal impact on local political subdivisions. Before any vote is taken in a committee of the House of Representatives or Senate or on the floor of either house upon any bill or joint resolution determined by the department to require an expenditure which in the aggregate exceeds \$5 million of public funds by local political subdivisions, a fiscal note shall be attached to such bill or resolution and shall be filed by the sponsor of the bill with the chairperson of the

committee and the Clerk of the House of Representatives or the Secretary of the Senate and shall be provided to all members of the General Assembly. Any representative of any local political subdivision requesting a copy of the fiscal note shall be furnished with a copy immediately upon request to the Clerk of the House of Representatives or the Secretary of the Senate. This Code section shall not apply to a bill or joint resolution that is necessary for the state to assume the administration of regulatory programs mandated by federal statute.

(b) The requirements of this Code section may be waived by the committee to which the bill is assigned in the chamber wherein the bill is introduced. Any such waiver shall be by the affirmative vote of a majority of the members of the committee. Any such waiver by the committee shall allow consideration of the measure by both chambers.

(c) The requirements of this Code section may be waived:

(1) By a majority vote of the House of Representatives or by the Speaker of the House with respect to a bill introduced in the House of Representatives; or

(2) By majority vote of the Senate or by the President of the Senate with respect to a bill introduced in the Senate.

Any such waiver shall allow consideration of the measure by both the House of Representatives and the Senate. (Ga. L. 1981, p. 1809, § 3; Ga. L. 1995, p. 1189, § .5; Ga. L. 1996, p. 6, § 28.)

28-5-50. Filing of notes for regulations, rules, or orders; requests by local political subdivisions for copies.

Except as otherwise provided in this Code section, no regulation, rule, order, or administrative law which would have a fiscal impact which in the aggregate exceeds \$5 million on local political subdivisions in this state shall be valid unless 30 days prior to its adoption by a board, commission, agency, department, officer, or other authority of the government of this state, except the General Assembly, the courts, and the Governor, such board, commission, agency, department, officer, or other authority shall file a fiscal note with the members of the General Assembly. Any local political subdivisions that will be affected by the proposed regulation, rule, policy, order, or administrative law, upon request, shall immediately be furnished with a copy of the fiscal note by the board, commission, agency, department, officer, or other authority. This Code section shall not apply to an emergency regulation, rule, order, or administrative law as described by

subsection (b) of Code Section 50-13-4, to any rule or regulation adopted or order issued pursuant to legislation exempted from Code Section 28-5-49, or to any other order issued to abate or prevent violations of specific statutory provisions enacted by the General Assembly. Law reviews. — For article surveying developments in Georgia local government law from mid-1980 through mid-1981, see 33 Mercer L. Rev. 187 (1981).

28-5-51. Contents of fiscal note.

A fiscal note shall contain an aggregated estimate of the fiscal impact of a bill, a joint resolution, or an administrative action on local political subdivisions for the fiscal year in which it would become effective, if enacted, and for the next two succeeding fiscal years. If the fiscal impact of the bill, joint resolution, or administrative action is not expected to be totally evident within the applicable period, the estimate shall be projected beyond that period to include an estimate for the first fiscal year in which it is expected to be fully effective. (Ga. L. 1981, p. 1809, § 5; Ga. L. 1995, p. 1189, § .5.)

28-5-52. Assistance of other departments and agencies in the preparation of fiscal notes for bills and joint resolutions; required names and signatures.

The other departments or agencies of the state government shall assist the department in the preparation of fiscal notes required by this article. Where appropriate, the commissioner shall seek the advice and assistance of local government officials or their representatives. The departments or agencies of state government assisting in the preparation of the fiscal note shall be clearly indicated on the fiscal note along with the signature of the commissioner or the commissioner's authorized representative indicating that the commissioner agrees with the fiscal impact estimated thereon. (Ga. L. 1981, p. 1809, § 6; Ga. L. 1995, p. 1189, § .5.)

28-5-53. Revision of fiscal note where fiscal effect of bill or joint resolution changed by amendment; waiver of such revision; processing of revised fiscal note.

(a) A fiscal note that is attached to a bill or joint resolution shall be revised by the commissioner at each successive stage of the legislative process in which an amendment is adopted that changes the fiscal effect of the bill or joint resolution, unless this requirement is waived by the President of the Senate, by a majority vote of the Senate, by the Speaker of the House of Representatives, or by a majority vote of the House of Representatives. A revised fiscal note shall not be required for any amend-

ment which either increases local revenues or decreases mandated expenditures.

(b) The revised fiscal note shall be processed by the commissioner and returned as quickly as possible to the committee or the Clerk of the House of Representatives or Secretary of the Senate if either the Clerk or the Secretary has the custody of the bill or joint resolution at that time.

(c) Except as otherwise provided by subsections (a) and (b) of this Code section, a waiver of a fiscal note shall be replaced at any time with a fiscal note if an amendment to a bill or joint resolution causes the bill or joint resolution to have an effect upon the revenues or expenditures of local political subdivisions. (Ga. L. 1981, p. 1809, §§ 7, 8; Ga. L. 1995, p. 1189, § .5.)

28-5-54. Preservation of copies of fiscal notes and waivers; availability for public inspection; publication in journals for each house of the General Assembly.

(a) A copy of each fiscal note or waiver of a fiscal note shall be retained by the commissioner and shall be reasonably available for public inspection for at least three years following its preparation. The fiscal note or waiver of a fiscal note shall be published in the journal of each house of the General Assembly.

(b) A fiscal note, upon being filed as provided in this article, shall be open to inspection by the general public as provided by Code Sections 50-18-70 through 50-18-72. (Ga. L. 1981, p. 1809, § 9; Ga. L. 1995, p. 1189, § .5.)

Nothing in this article shall be construed to require any degree of formality of proof of compliance with any requirement of this article, and any enrolled bill shall be conclusively presumed to have been enacted in compliance with the requirements of this article. PART 1

GENERAL PROVISIONS

28-5-60. Creation; membership; representation of members by deputies or other designated employees.

(a) There is created the Claims Advisory Board, hereinafter called the board, to be composed of the Secretary of State, who shall be the chairman, the commissioner of human resources, the commissioner of corrections, and the commissioner of transportation. Whenever the board takes any official action authorized under the law or duly promulgated rules and regulations, three of the members shall constitute a quorum; however, any of those individuals named above may be represented by a deputy or other designated employee; and any such action shall be valid if any two of the remaining three individuals are present during such action.

(b) The Claims Advisory Board is assigned to the Secretary of State for administrative purposes only as prescribed in Code Section 50-4-3. (Ga. L. 1963, p. 624, § 1; Ga. L. 1972, p. 1015, § 1805; Ga. L. 1979, p. 797, § 1; Ga. L. 1986, p. 155, § 1.)

JUDICIAL DECISIONS

Function of the board. — The function of the Claims Advisory Board is to receive notice of claims against the state, investigate them, hold hearings if necessary, and prepare statements of its findings, its determination of the merits of such claims and its recommendation as to the payment of the same for transmittal to the legislature of this state. The recommendations of this board shall be advisory only and are not binding in any way on the legislature in whose absolute

discretion and good faith the ultimate determination of a claim rests. *Trice v. Wilson*, 113 Ga. App. 715, 149 S.E.2d 530 (1966).

Guidelines for awarding compensation. — The legislature has created no statutory guidelines to insure that fair and adequate compensation is paid to injured parties; its award of compensation is absolutely discretionary, ex parte in its determination, and based upon the state's moral obligation to answer for the torts of its employees and not

upon any legal duty. *Trice v. Wilson*, 113 Ga. App. 715, 149 S.E.2d 530 (1966). 565, 148 S.E.2d 902 (1966); *Hight v. Burden*, 180 Ga. App. 716, 350 S.E.2d 471 (1986).

No such resolution may be introduced unless a notice of claim has been filed with the board on or before the fifteenth day of November immediately preceding the introduction of the resolution, if the event giving rise to a claim against the state occurred on or before the fifth day of November. If said event occurred subsequent to the fifth day of November, immediately preceding the introduction of the resolution a notice of claim shall be filed as provided for in this Code section within ten days after the

Upon receipt of a notice of claim, the board may begin its investigation thereof; or it may wait until the supporting information provided for in

Code Section 28-5-80 has been furnished. After investigation of the claim by the board, after introduction of the resolution, and after a hearing thereon, if any, the board shall prepare a statement including its findings, its determination of the merits of the claim, its recommendation as to the payment thereof, and such other information as the board deems advisable. Such statement shall be immediately transmitted to the chairman of the House Appropriations Committee, who shall present the same to the full committee. The recommendations of the board shall be advisory in nature only and shall not be binding on the House of Representatives, the Senate, or any committee of either. The resolution shall be acted upon in the same manner as provided by law and the rules of the House and Senate for action upon bills. (Ga. L. 1963, p. 624, § 4.)

28-5-84. Restrictions on passage of resolutions and board powers.

No resolution provided for in this part shall be passed without being presented to the board. The board is prohibited from considering any resolution unless notice of claim is filed within the time provided for in Code Section 28-5-80, unless the resolution is introduced within the time limitations specified in Code Section 28-5-80, and unless the information required by the board is filed within the time limitations specified in Code Section 28-5-80. 28-5-85. Payment of small claims by board.

(a) When the total amount of a claim against the state is \$5,000.00 or less, and the claim is not of a type excluded from a recommendation for compensation by subsection (a) of Code Section 28-5-104, the Claims Advisory Board shall be authorized to direct the state department or agency affected by the claim to pay the claimant such amount, not exceeding \$5,000.00, as may be authorized by the Claims Advisory Board pursuant to the authority of this Code section.

(b) If a citizen has a claim against the state subject to the provisions of this Code section, such person may file such claim with the Claims Advisory Board. The Claims Advisory Board shall promulgate rules or regulations governing the submission of claims pursuant to this Code section. Such rules or regulations shall be adopted under the provisions of Chapter 13 of Title 50, known as the “Georgia Administrative Procedure Act.”

(c) When a claim subject to this Code section is filed with the Claims Advisory Board, said board shall notify the department or agency of the state government affected by such claim of the basis for such claim, and such notice shall include any information submitted by the claimant in support of such claim. Within 45 days after receiving such notification, it shall be the duty of such state department or agency to submit a report to the Claims Advisory Board setting forth the findings of such state department or agency relative to such claim. Said report may make a recommendation to the Claims Advisory Board relative to the payment of such claim, but such recommendation shall not be binding upon the Claims Advisory Board.

(d) After reviewing and considering all information submitted by a claimant in support of the claim against the state and the report of the state department or agency affected by such claim, the Claims Advisory Board shall make a determination either to pay or reject such claim against the state. The Claims Advisory Board shall not be bound by the total amount claimed against the state and may authorize the payment of a lesser amount. If the Claims Advisory Board determines that the claim against the state is justified and that the amount of such claim, or a portion thereof, should be paid, it shall issue its order to the chief executive or administrative officer of the state department or agency affected by such claim ordering such officer, within 30 days after receipt of such order, to pay the claimant the amount specified by the Claims Advisory Board in its order. A copy of such order shall be mailed to the claimant. If the Claims Advisory Board determines that the claim against the state should be rejected, it shall notify

the claimant of such rejection, and such notice shall explain the reasons for such rejection. A copy of such notice to the claimant shall be sent to the state department or agency affected by the claim. The decision of the Claims Advisory Board shall be final.

(e) The Claims Advisory Board shall not authorize or direct the payment of any part of any claim under this Code section which is paid or payable by insurance.

(f) Any payment made to a claimant pursuant to the authority of this Code section shall be in full and complete settlement of any claim against the state arising from the same occurrence, and each claimant, as a condition precedent to receiving payment pursuant to this Code section, shall acknowledge and agree to the requirements of this subsection pursuant to regulations adopted by the Claims Advisory Board for such purpose.

(g)(1) The provisions of this Code section shall apply to any claim against the state in the amount of \$5,000.00 or less if the date of the occurrence giving rise to such claim was after July 1, 2000. After July 1, 2000, the General Assembly shall not consider any compensation resolution for a claim against the state if the amount of the claim is \$5,000.00 or less, and the provisions of this Code section shall be the exclusive method for making such claims against the state, except as provided in paragraph (2) of this subsection.

(2) If the claim against the state is timely filed with the Claims Advisory Board after July 1, 2000, for an occurrence which took place before July 1, 2000, and the amount of the claim is less than \$5,000.00 but more than \$500.00, the claimant shall have the option of seeking a compensation resolution from the General Assembly. All claims pending on July 1, 2000, or thereafter if such claim is based on an occurrence which took place before July 1, 2000, for \$500.00 or less shall be settled exclusively through the Claims Advisory Board.

(h) The General Assembly waives the immunity of the state for the purpose of authorizing the payment of claims against the state pursuant to the authority of this Code section. (Code 1981, § 28-5-85, enacted by Ga. L. 1982, p. 930, § 1; Ga. L. 1984, p. 608, § 1; Ga. L. 1993, p. 91, § 28; Ga. L. 1999, p. 798, § 1; Ga. L. 2000, p. 1243, § 3.)

Code Commission notes. — Ga. L. 2000, p. 1243, § 3, amended this Code section and in so doing omitted without expressly repealing language added to subsection (a) of this Code section by Ga. L. 1999, p. 798, § 1. The two amendments were not irreconcilably conflicting and, in accordance with *Reeves v. Gay*, 92 Ga. 309 (1893), the amendment to

this Code section made by Ga. L. 1999, p. 798, § 1, was treated as not having been repealed by Ga. L. 2000, p. 1243, § 3.

Pursuant to Code Section 28-9-5, in 2000, in paragraph (g)(2), “July 1, 2000,” was substituted for “the effective date of this Code section”.

28-5-100. Recommendations by board as to payment of compensation; procedural rules.

(a) The Claims Advisory Board shall have authority to consider and make recommendations to the General Assembly concerning payment of compensation to innocent persons who sustain injury or property damage, or both, and to dependent heirs of innocent persons killed in attempting to prevent the commission of crime against the person of another or in aiding or attempting to aid officers of the law upon their request. In a particular

case the board may appoint a special master to take testimony, supervise or conduct necessary investigations, and report to the board; but ultimate recommendation on any claim shall be made only by the board.

(a) Any person who is eligible for compensation under this part must give notice thereof in accordance with Part 2 of Article 4 of this chapter in order to have such claim brought before the General Assembly for action.

(b) Any such claimant shall also, prior to introduction of a resolution for compensation, submit all documents called for by the board, including reports from all physicians and surgeons who have treated or examined the victim and from hospitals that have admitted the victim in relation to the injury for which compensation is claimed at the time of or subsequent to the victim's injury or death. If, in the opinion of the board, reports on the previous medical history of the victim, examination of the injured victim and a report thereon, or a report on the cause of death of the victim by an impartial medical expert would be of material aid in making its recommendation, the board shall call for the claimant to produce such reports and submit to such examination. 28-5-103. When compensation may be recommended; factors to be considered in making recommendations as to compensation.

(a) In any case in which a person is injured or sustains property damage or is killed by an incident for which compensation is authorized by this part, the board may recommend to the General Assembly payment of compensation:

(1) To or for the benefit of the injured person;

(2) In the case of personal injury of the victim, to any person responsible for the maintenance of the victim who has suffered pecuniary loss or incurred expenses as a result of such injury;

(3) In the case of death of the victim, to or for the benefit of any one or more of the heirs at law of the victim, who at the time of the victim's demise were dependent upon him for over half of their support; or

(4) To or for the benefit of the owner of the damaged property.

(b) In making its recommendation to the General Assembly, the board shall:

(1) Consider a person to have intended an act, notwithstanding that by reason of age, insanity, drunkenness, or otherwise, he was legally incapable of forming a criminal intent;

(2) Consider all circumstances surrounding the claim, including, but not limited to, provocation, consent, or any other behavior of the victim which directly or indirectly contributed to his injury or death; the prior case or social history, if any, of the victim or claimant; any need for financial aid present; and any other relevant matters; and

(3) Take into consideration any amounts received or receivable from any other source or sources by the victim or his dependents as a result of the incident or offense giving rise to the claim.

(c) Claims and recommendations may be made under this Code section regardless of whether or not any person is prosecuted or convicted of any offense arising out of such act. (Ga. L. 1967, p. 712, § 4.)

(a) In no event shall the board recommend that compensation be awarded to:

(1) Any victim of a criminal act not provided for in Code Section 28-5-100;

(2) Anyone who:

(A) Is a spouse, parent, grandparent, child (natural or adopted), grandchild, brother, sister, half brother, half sister, or parent of the spouse of the offender;

(B) Was, at the time of the personal injury or death of the victim, living with the offender as a member of his or her family or household or maintaining a sexual relationship, whether illicit or not, with such person or with any member of the family of such person;

(C) Violated a penal law of this state which violation caused or contributed to his or her injuries or death; or

(D) Was injured as a result of the operation of a motor vehicle, boat, or airplane, unless the same was used as a weapon in a deliberate attempt to run the victim down;

(3) Any officer of the law injured in the performance of his or her official duties; or

(4) Any person who is or was at the time of the alleged loss an inmate in the custody of the Department of Corrections.

(b) No compensation shall be recommended by the board in an amount exceeding \$5,000.00 per claim.

28-5-120. Short title.

This article shall be known and may be cited as the “Fair and Open Grants Act of 1993.” (Code 1981, § 28-5-120, enacted by Ga. L. 1993, p. 1914, § 20.)

OPINIONS OF THE ATTORNEY GENERAL

Applicability of Act to funds expended from the State Public Transportation Fund.

— The Fair and Open Grants Act, O.C.G.A. § 28-5-120 et seq., does not apply to contracts entered into with private entities, nor to intergovernmental contracts with counties for harbor maintenance; but the Act does apply where funds are disbursed by the department on an unrestricted basis to, or for the benefit of, local governments for

public road and other transportation purposes. 1994 Op. Att’y Gen. No. 94-1.

Applicability to HOPE Scholarship and grant.

— It was not the intent of the General Assembly that the Georgia Student Finance Commission comply with the Fair and Open Grants Act, O.C.G.A. § 28-5-120 et seq., in administering the HOPE Scholarship, Hope Grant, and other state scholarship and grant programs. 2002 Op. Att’y Gen. No. 2002-2.

28-5-121. Definitions.

As used in this article, the term:

(1) “Grant” means any line item appropriation of funds that will be disbursed for a public purpose of which such amount, purpose, and recipient is not identified in the appropriations Act. For the purposes of this Code section, “grant” shall not include:

(A) Disbursements made pursuant to the Quality Basic Education formula;

(B) Disbursements made pursuant to the board of regents funding formula;

(C) Any grant, by law, which is apportioned entirely by formula;

(D) Common object classes excluding per diem, fees, and contracts;

(E) Disbursements made through the Governor’s Emergency Fund; or

(F) Any disbursements made pursuant to an emergency.

(2) “State agency” means any department, agency, bureau, commission, or like unit of organization of state government and any state authority. (Code 1981, § 28-5-121, enacted by Ga. L. 1993, p. 1914, § 20.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1993, “appropriation Act” was substituted for “Appropriation Act” in the first sentence in paragraph (1).

Pursuant to Code Section 28-9-5, in 1997, “appropriations” was substituted for “appropriation” at the end of the first sentence of paragraph (1).

OPINIONS OF THE ATTORNEY GENERAL

Applicability of O.C.G.A. Title 28, Chapter 5, Article 5. — O.C.G.A. Title 28, Chapter 5, Article 5 does not apply to all expenditures from appropriations for “per diem, fees, and contracts” but only applies to disbursements for “grants” to local governments. 1993 Op. Att’y Gen. No. 93-13.

The exemption provided by O.C.G.A. § 28-5-121(1)(D) does not apply to grants made to local governments by the Department of Transportation for the construction, maintenance, or improvement of public roads within their jurisdiction merely because the funds used by the Department for such grants are appropriated in the “capital outlay” object class. 1994 Op. Att’y Gen. No. 94-1.

Language required to be in appropriations Act. — A listing in the “Comparative Summary” or “Track Sheet” published by the Legislative Budget Office does not suffice to satisfy the exclusion of grant appropriations which list recipient, amount, and purpose since the “Comparative Summary” is an administrative document only and does not have the force of law or a binding expression of legislative intent and in any event, O.C.G.A. Art. 5, Ch. 5, T. 28 requires that the language be in the appropriations Act and does not mention the “Track Sheet”. 1993 Op. Att’y Gen. No. 93-13.

28-5-122. Publication of description of grant program by agency as prerequisite to making grants.

Before any state agency may make any grant of public funds or of funds otherwise within its power of disposition, the state agency must publish a description of the grant program in the Official Compilation of the Rules and Regulations of the State of Georgia and the Secretary of State shall make such descriptions available for convenient public inspection. The description must contain at least the following:

- (1) The name of the grant program;
- (2) The citation to the statutory basis for the grant program in the Official Code of Georgia Annotated or other general law of the State of Georgia;
- (3) The general scope and purpose of the grant program;
- (4) General terms and conditions of the grant;
- (5) Eligible recipients of the grant;
- (6) The criteria for the award of the grant; and
- (7) Directions and deadlines for applying for such grant. (Code 1981, § 28-5-122, enacted by Ga. L. 1993, p. 1914, § 20.)

OPINIONS OF THE ATTORNEY GENERAL

Applicability of Administrative Procedure Act. — The Administrative Procedure Act, O.C.G.A. § 50-13-1 et seq., does not apply to O.C.G.A. Title 28, Chapter 5, Article 5 requirement of submitting a description of a program to the Secretary of State and, while the Secretary of State must publish the program descriptions in the rules, a state agency has complied sufficiently when it has filed the description with the Secretary. 1993 Op. Att'y Gen. No. 93-13.

Applicability to federal funds. — O.C.G.A.

§ 28-5-122 makes clear that O.C.G.A. Title 28, Chapter 5, Article 5 applies to grants from federal funds, with the possible exception, hypothetically, of federal funds granted to the state under terms and conditions which preclude application of that article under the Supremacy Clause of the United States Constitution, but where state participation in the federal program is otherwise clearly authorized. 1993 Op. Att'y Gen. No. 93-13.

28-5-123. Written application demonstrating eligibility as prerequisite to awarding of grant; award of grants to be determined independently by state agency.

(a) No grant shall be awarded except upon written application which demonstrates in specific terms how the applicant is eligible and satisfies the criteria. All grants shall be disbursed pursuant to grant agreements which state in specific terms the amount and purposes of the grant and the other terms and conditions of the grant.

(b) No grant by the executive branch of state government shall be awarded or disbursed solely upon the recommendation, request, or direction of an officer, member, or employee of the legislative or judicial branch of state government. The award and disbursement of any grant shall be determined independently by the state agency. (Code 1981, § 28-5-123, enacted by Ga. L. 1993, p. 1914, § 20.)

OPINIONS OF THE ATTORNEY GENERAL

Independent determination of eligibility. — A state agency making grants to local governments must independently exercise its statutory discretion in determining eligi-

ble applicants and may not limit eligibility solely on the basis of an administrative document of the General Assembly. 1993 Op. Att'y Gen. No. 93-19.

28-5-124. State agencies to compile annual list of grants awarded and disbursed in prior fiscal year; register of lists to be maintained by Secretary of State.

Before December 31 of each calendar year, each state agency shall compile and file with the Secretary of State a list of grants awarded and disbursed in the prior fiscal year, reporting the recipient, grant program by name, specific purpose, and amount. The Secretary of State shall maintain a register of such lists and make them available for convenient public inspection. (Code 1981, § 28-5-124, enacted by Ga. L. 1993, p. 1914, § 20.)

28-5-125. Audits of recipients of grants.

Any recipient of a grant made by a state agency shall be subject to audit by the state auditor for the purpose of confirming compliance with state law and the performance of the terms of the grant. (Code 1981, § 28-5-125, enacted by Ga. L. 1993, p. 1914, § 20.)

28-5-126. Grants in violation of article deemed void; effect of void grant on recipient.

Any grant made in violation of this article shall be void. In addition to any other remedy provided by law, no recipient of a void grant shall be eligible for the award or disbursement of any other grant by a state agency until the full amount of the void grant is refunded to the state agency. (Code 1981, § 28-5-126, enacted by Ga. L. 1993, p. 1914, § 20.)

28-5-127. Separate appropriation for grants in appropriations Acts; appropriation to contain word “grant.”

Any funding for grants in an appropriations Act by the General Assembly shall be separately appropriated, and the appropriation shall contain the word “grant” in its description of the purpose of the appropriation. All appropriations for grants by a particular state agency shall be listed together under a heading that contains the word “grant” or “grants.” (Code 1981, § 28-5-127, enacted by Ga. L. 1993, p. 1914, § 20.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 1993, “‘grants.’” was substituted for “‘grants.’” at the end of this Code section.

OPINIONS OF THE ATTORNEY GENERAL

Applicability to present appropriations. — When the current General Appropriations Act for Fiscal Year 1993-94 was enacted, O.C.G.A. Title 28, Chapter 5, Article 5 requirement that appropriations intended for “grants” be identified as such by use of the word “grant” was not in effect, and that requirement may not be applied to present appropriations. 1993 Op. Att’y Gen. No. 93-13.

The provision regulating the executive expenditure of appropriations may be applied to expenditures of appropriations which took effect on the same day as O.C.G.A. Title 28, Chapter 5, Article 5 (the first day of the fiscal year). 1993 Op. Att’y Gen. No. 93-13.

(3) Endeavor to advance cooperation between this state and other units of government whenever it seems advisable to do so by formulating proposals for and by facilitating:

(A) The adoption of compacts;

(Ga. L. 1937, p. 708, § 6; Ga. L. 2004, p. 69, § 2; Ga. L. 2006, p. 689, § 3/HB 1067.)

The 2006 amendment, effective July 1, 2006, substituted “any regional, national, or international nonpartisan legislative organization that promotes interstate or international cooperation” for “the Council of

State Governments and of the Southern Legislative Conference” in paragraph (1); and substituted “in promoting international relations by developing nonpartisan legislative organizations for such purposes” for “in

developing the Council of State Governments for that purpose” in paragraph (4).

Editor’s notes. — Ga. L. 2004, p. 69, § 1, not codified by the General Assembly, provides: “This Act shall be known and may be cited as the ‘State and Local Taxation, Fi-

nancing, and Service Delivery Revision Act of 2004.’.”

member), and the Southern Legislative Conference are each declared to be a joint governmental agency of this state and of the other states which cooperate through them."

OPINIONS OF THE ATTORNEY GENERAL

Purchases and property public in nature. — Ga. L. 1937, p. 708, § 10 (see O.C.G.A. § 28-6-7) and the obvious relationship of the Council of State Governments to the Georgia Commission on Interstate Cooperation and its work indicate a legislative intent that the council's work be viewed as government-

tal at the state level; accordingly, its property is in the nature of public property and its purchases of tangible personal property and services under the sales and use tax are the equivalent of purchases by the state. 1972 Op. Att'y Gen. No. 72-20.

Editor's notes. — Code Section 28-9-5 was enacted by an Act other than the Act which enacted Code Sections 28-9-1 through 28-9-4. See the editor's notes to Code Section 28-9-5.

28-9-1. Definitions.

As used in this chapter, the term:

(1) "Code" means the Official Code of Georgia Annotated, any unannotated version thereof, or any codification of the laws of the State of Georgia which is a successor to or replacement of such Code, and such term shall include all statutory provisions, annotations, research references, notes, indexes, tables, constitutions, cross-references, pocket parts, and other material related to or included in such Code.

(2) "Commission" means the Code Revision Commission originally created pursuant to H.R. No. 217-838 adopted by the General Assembly at the 1977 regular session, as amended, and as re-created by Code Section 28-9-2. (Code 1981, § 28-9-1, enacted by Ga. L. 1985, p. 197, § 1.)

28-9-2. Creation of the Code Revision Commission; membership, term of office, and vacancies; expenses and allowances; ratification of previous actions and contracts.

(a) There is created the Code Revision Commission, to be composed of 15 members as follows:

(1) The Speaker of the House of Representatives;

(2) Four members of the House of Representatives to be appointed by the Speaker of the House of Representatives for terms of office coinciding with their terms as members of the House of Representatives;

(3) The President of the Senate;

(4) Four members of the Senate to be appointed by the President of the Senate for terms of office coinciding with their terms as members of the Senate; and

(5) Five members of the State Bar of Georgia to be appointed by the president of the State Bar of Georgia for terms of office of one year each and until their successors are appointed, with such terms beginning on the second Monday of January of each year, provided that one such member shall be a judge or senior judge of the superior courts and one such member shall be a district attorney. Notwithstanding any other provision of law, the president of the State Bar of Georgia is authorized to appoint an official or employee of any branch of the state government, a county, municipality, board of education, or other political subdivision if such person is a member of the State Bar of Georgia; and any person so appointed is authorized to serve as a member of the Code Revision Commission.

(b) Any vacancy occurring in the membership of the commission, whether by the death, resignation, or failure of a member to hold office or membership in the State Bar of Georgia, shall be filled by appointment in the same manner as the appointment of the member whose seat is vacant. A person appointed to fill a vacancy shall be appointed for the remainder of the unexpired term.

(c) While engaged in the duties of the commission, all members shall receive the expenses and allowances authorized by law for legislative members of interim legislative committees. The judge or senior judge of the superior courts, the district attorney, and any member of the State Bar of Georgia who is also an official or employee of the executive or judicial branch of state government shall receive such expenses and allowances from state funds from which they are otherwise compensated. Any other funds necessary to carry out the provisions of this chapter and any contract executed pursuant to this chapter or any prior resolution of the General Assembly shall come from the funds provided for the legislative branch of state government.

(d) The members of the Code Revision Commission created pursuant to H.R. No. 217-838 adopted by the General Assembly at the 1977 regular session and as amended by H.R. No. 447-1274 adopted by the General Assembly at the 1978 regular session who are serving as members of the commission on April 1, 1985, shall continue in office as members until the

second Monday in January, 1987, in the case of legislative members or until the second Monday in January, 1986, in the case of members appointed by the president of the State Bar of Georgia, at which time their terms shall expire and their successors shall be appointed as provided in subsection (a) of this Code section. All actions taken by such commission and all contracts entered into by such commission are ratified and confirmed. The commission created by this Code section shall be deemed to be a continuation of the commission created pursuant to such resolutions. (Code 1981, § 28-9-2, enacted by Ga. L. 1985, p. 197, § 1.)

28-9-3. Powers and duties of commission generally.

The commission is authorized:

- (1) To select and contract with a publisher to conduct a revision, codification, or recodification of the Code and laws of Georgia, provided that any such contract requiring the expenditure of state funds shall be contingent upon the General Assembly appropriating the necessary funds therefor;
- (2) To formulate with the publisher all the details associated with the codification or recodification of the Code and laws of Georgia;
- (3) To take such action as is necessary to effectuate Code revision;
- (4) To carry out the functions required of it in any contract entered into between the commission and the publisher;
- (5) To negotiate and establish the price at which the Code or any volume, replacement volume, pocket part, index, or related material may be sold to governmental or private purchasers, or both;
- (6) To determine when volumes of the Code may be revised and republished;
- (7) To adopt and implement a system for arranging, numbering, and designating material within the Code;
- (8) To adopt rules of style and grammar for use in the Code;
- (9) To prepare, or provide for the preparation of, and to include in the Code such annotations, historical notes, research references, notes on law review articles, cross-references, summaries of the opinions of the Attorney General of Georgia, editor's notes, Code Revision Commission notes, comments, commentaries, rules and regulations, indexes, tables, and other material as the commission determines to be useful to users of the Code;
- (10) To provide for the publication of annotated or unannotated versions of the Code, or both;

(11) To provide for the publication of volumes containing the Constitution of the United States, the Constitution of the State of Georgia, and an index of local and special laws, general laws of local application, and home rule ordinances;

(12) To review, approve, or disapprove the work of the publisher in preparing, supplementing, indexing, or revising the Code or any volume, pocket part, or portion thereof;

(13) To grant exclusive or nonexclusive publication and sales rights to the Code or portions thereof to the publisher;

(14) To grant rights to governmental agencies and others to reprint and distribute portions or excerpts of the Code;

(15) To register the copyright claim in all materials in the Code and any supplements thereto, to protect, enforce, and preserve all claims in such materials, to bring and defend actions in any court in connection therewith, and to negotiate and grant licenses or rights, on behalf of the state, to use such material upon such terms and conditions as the commission shall determine to be in the best interest of the state;

(16) To seek the advice and assistance of members and committees of the State Bar of Georgia, the law schools of the state, the Attorney General or members of his staff, state and local public officials and employees, and others with expertise or interest in the laws of Georgia;

(17) To provide for the preparation and introduction of one or more bills to revise, modernize, and correct errors or omissions in the Code or the laws of Georgia or to repeal portions of the Code or laws which have become obsolete, have been declared to be unconstitutional, or have been preempted or superseded by subsequent state or federal laws;

(18) To provide for procedures for the implementation or execution of its powers and duties; and

(19) To take such other action or exercise such additional powers as may be necessary or convenient to carry out the purposes of this chapter, the duties and powers of the commission, or any contract entered into under this chapter. (Code 1981, § 28-9-3, enacted by Ga. L. 1985, p. 197, § 1.)

JUDICIAL DECISIONS

Purchasing procedures. — Code Revision Commission is not subject to procedures for state purchasing under T. 50, C. 5, A. 3, P. 1. *Harrison v. Code Revision Com.*, 244 Ga. 325, 260 S.E.2d 30 (1979).

OPINIONS OF THE ATTORNEY GENERAL

Authority to license Code publications. —

The Code Revision Commission is authorized to grant an exclusive or nonexclusive license to the publisher, other than the book publisher, to publish the Official Code of Georgia Annotated on CD-ROM, which includes use of the annotations, indexes, notes, and other material written and typeset by the book publisher. 1994 Op. Att'y Gen. No. U94-16.

The effect of sales by multiple licensees of the CD-ROM edition of the Official Code of Georgia Annotated on the book edition is an appropriate matter for the Commission to

consider in negotiating and granting licenses on behalf of the state. 1994 Op. Att'y Gen. No. U94-16.

The decision to limit the number of licenses to be issued for publication of the Official Code of Georgia Annotated is a matter within the sound discretion of the Code Revision Commission guided by its duty to negotiate and grant licenses in Code materials "upon such terms and conditions as the commission shall determine to be in the best interest of the state." 1994 Op. Att'y Gen. No. U94-16.

JUDICIAL DECISIONS

Constitutionality. — Because a petition to terminate a guardianship filed in the probate court did not include any constitutional challenge, an order declaring two provisions in the recently revised guardianship code, O.C.G.A. § 29-1-1 et seq., as unconstitutional was reversed, given that a constitutional question was not raised by the plead-

ings or in any portion of the record; therefore, absent a proper attack, the probate court lacked the authority to strike the provisions down. In the Interest of J.R.R., 281 Ga. 662, 641 S.E.2d 526 (2007).

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former law are included in the annotations for this Code section.

Persons dealing with guardian should examine guardian's authority. — A guardian is in effect a special agent of the law to manage the estate of a person non sui juris, and it is incumbent upon all persons dealing with the guardian to examine the guardian's authority. *Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co.*, 180 Ga. 4, 177 S.E. 803 (1934) (decided under former law).

Guardian cannot use funds to pay third party's debt. — Guardian cannot, with or without court order, use minor ward's funds to pay third party's debt; nor is the guardian authorized without such an order to invest the funds of the ward in bonds issued by a private corporation. Where the guardian attempts to do either, and tenders to the opposite party in the transaction, as payee, a

check bearing the signature of the ward by the guardian, these facts without more are sufficient to put the payee on inquiry as to the validity of the transaction. *Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co.*, 180 Ga. 4, 177 S.E. 803 (1934) (decided under former law).

Office of guardian of minor expires by operation of law when ward attains majority. *Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co.*, 180 Ga. 4, 177 S.E. 803 (1934) (decided under former law).

Person cannot obliterate acts incident to former guardianship. — Person of normal mental faculties cannot, after attaining majority, obliterate all transactions incident to former guardianship, and disregard all impressions received therefrom, merely because they related to events which occurred during minority. *Brinsfield v. Robbins*, 183 Ga. 258, 188 S.E. 7 (1936) (decided under former law).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former law are included in the annotations for this Code section.

The age of majority as to guardianships created prior to July 1, 1972 is 21. 1972 Op. Att'y Gen. No. U72-37 (decided under former law).

MINORS

PART 1

GENERAL PROVISIONS

29-2-1. Categories of guardians for minors.

Guardians of minors may be categorized as follows:

- (1) Natural guardians;
- (2) Testamentary guardians;
- (3) Temporary guardians;
- (4) Standby guardians; and
- (5) Permanent guardians. (Code 1981, § 29-2-1, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, decisions under former Code 1895, § 2571, and former Code 1933, §§ 49-101 and 49-603, as it read prior to revision by Ga. L. 1980, p. 1661, § 1, are included in the annotations for this Code section.

Definition of "guardian of the person." — A guardian of the person is defined to be one who has been lawfully invested with the care of the person of an infant whose natural guardian is dead, and is considered as standing in the place of the natural guardian. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

Construction of "natural guardianship." — Natural guardianship, pure and simple, is of the person only, and is incident to the relation of parent. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

Circumstances under which probate judge has power to appoint guardian. — The ordinary (now probate judge) is without power to appoint a guardian for the person or for the property of a child unless the child has no guardian as to the one or the other of these things for which the guardianship is asked. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

There cannot be two guardianships at same time as to either person or property of infant, though one person may be guardian of infant's person and another may be guardian of infant's property. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

Mother is natural guardian automatically. — Ordinary (now probate judge) has nothing to do with constituting mother natural guardian; the mother is natural guardian by operation of law, and without any action whatever by the ordinary (now probate judge) — no appointment, no letters of guardianship are contemplated and nothing is said of any authority of the ordinary (now probate judge) to displace the parent as guardian of the person. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

Appointment limited to guardianship of property where natural guardian. — For a minor having no guardian, the ordinary (now probate judge) may appoint a guardian of person and property, or of either, but if the minor has a natural guardian, it certainly cannot be said in a broad sense that the person has no guardian; in such case the range of appointment is limited to guardianship of the property, for it is only as to property that there is no guardian. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former Code 1933, § 49-101).

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. *Phillips v. Phillips*, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

 - (2) Has a conflict of interest with the minor unless the court determines that the conflict of interest is insubstantial or that the appointment would be in the minor's best interest. (Code 1981, § 29-2-2, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Attorney's fees. — Because a lawyer failed to present any evidence of the value of the lawyer's services at a probate hearing, the trial court was left to determine that value based on its own experience; since the lawyer failed to prove that the contingency

agreement with the beneficiaries of an estate provided for a reasonable fee, the trial court was authorized to determine that \$15,000 was a reasonable fee. *Rowen v. Estate of Hughley*, 272 Ga. App. 55, 611 S.E.2d 735 (2005).

PART 2

PARENTAL RIGHTS IN GUARDIAN SELECTION

29-2-3. Guardian of minor children in event of divorce; death of spouse or former spouse.

(a) For purposes of this Code section, the terms “joint legal custody” and “sole custody” shall have the meanings as provided in Code Section 19-9-6.

(b) Except as otherwise provided in this chapter, each parent shall be the natural guardian of any minor child of the parent, except that, if the parents are divorced and one parent has sole custody of the minor, that parent is the sole natural guardian of that minor. If the parents have joint legal custody, both parents are the natural guardians of that minor.

(c) If one parent of a minor dies, the surviving parent is the sole natural guardian of the minor, even if the parents were divorced and the deceased parent had sole custody of the minor. (Code 1981, § 29-2-3, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION
RIGHTS OF NATURAL GUARDIAN
BOND

General Consideration

Editor’s notes. — In light of the similarity of the provisions, decisions under former Code 1868, § 1794, former Code 1895, § 2513, former Civil Code 1910, § 3032, former Code 1933, § 49-102, and former O.C.G.A. § 29-4-2 are included in the annotations for this Code section.

O.C.G.A. § 19-7-1 and former O.C.G.A. § 29-4-2 must be construed together. — See *McCallum v. Bryant*, 212 Ga. 348, 92 S.E.2d 531 (1956) (decided under former Code 1933, § 49-102).

Necessity for appointing guardian ad litem. — Whenever a minor appears as a petitioner in instituting litigation by a next friend, there would seem to be no legal

necessity to appoint a guardian ad litem, unless, for some reason, it should be made to appear to the court that the next friend is not a suitable person or for some other reason interests of minor would not be properly protected. *Sanders v. Hinton*, 171 Ga. 702, 156 S.E. 812 (1931) (decided under former Civil Code 1910, § 3032).

Binding in courts of law and equity. — Former Code 1868, § 1794 (former O.C.G.A. § 29-4-2) was for protection of rights of minor children and was as imperative and binding in courts of equity as in courts of law. *Southwestern R.R. v. Chapman*, 46 Ga. 538 (1872) (decided under former Code 1868, § 1794).

For discussion of scope of natural guardianship, see *Jordan v. Smith*, 5 Ga. 559, 63

General Consideration (Cont'd)

S.E. 595 (1909) (decided under former Code 1895, § 2513).

Imbecile minor presents no exception to this rule. *Brown v. Gibson*, 203 Ga. 213, 46 S.E.2d 68 (1948) (decided under former Code 1933, § 49-102).

Ward without recourse cannot be bound. — When child has no recourse against representative, then authority to bind child cannot exist. *Lynn v. Wagstaff Motor Co.*, 126 Ga. App. 516, 191 S.E.2d 324 (1972) (decided under former Code 1933, § 49-102).

King*, 203 Ga. 811, 48 S.E.2d 465 (1948); *Faith v. Massengill*, 104 Ga. App. 348, 121 S.E.2d 657 (1961); *Kennison v. Lee*, 217 Ga. 155, 121 S.E.2d 821 (1961); *Ingle v. Rubenstein*, 112 Ga. App. 767, 146 S.E.2d 367 (1965); *Georgia Mut. Ins. Co. v. Nix*, 113 Ga. App. 735, 149 S.E.2d 494 (1966); *Summerour v. Summerour*, 131 Ga. App. 519, 206 S.E.2d 535 (1974); *Jordan v. Goff*, 160 Ga. App. 636, 287 S.E.2d 640 (1981); *Anaya v. Coello*, 279 Ga. App. 578, 632 S.E.2d 425 (2006).

Rights of Natural Guardian

Cannot appoint guardian of person unless natural guardian lost status. — The probate court has no authority to appoint another as guardian of the person of a child with a living natural guardian unless the loss of that status has been ascertained and declared in some regular proceeding authorized by law, after due notice is given. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2).

When natural mother of illegitimate child showed that she was the child's mother, that her parental rights had not been relinquished or forfeited in some regular proceeding authorized by law, and that she was, therefore, the natural guardian of the child, the probate court was without jurisdiction to appoint someone else as the guardian of the

child's person. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2).

Mother of illegitimate child is the child's natural guardian with prima-facie right to custody. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2). *Brown v. King*, 193 Ga. App. 495, 388 S.E.2d 400 (1989) (decided under former O.C.G.A. § 29-4-2).

Surviving parent's right to custody of child cannot be divested by will of deceased parent. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-102).

Parent may forfeit rights as guardian by cruel treatment. — Father has right to be guardian of his minor children, but he may forfeit such right by cruel treatment or neglect of them. *McCallum v. Bryant*, 212 Ga. 348, 92 S.E.2d 531 (1956) (decided under former Code 1933, § 49-102).

Parental rights not relinquished by custody agreement. — Although the petitioner argued the appointment of guardianship was proper because the mother, the natural guardian of the minor children involved, had voluntarily waived her parental rights and consented to the award of guardianship by sworn affidavit, the affidavit clearly conferred only temporary custody, and made no reference to permanent guardianship. Parental rights are not relinquished by an agreement granting mere custody. *Hill v. Loren*, 187 Ga. App. 71, 369 S.E.2d 260, cert. denied, 187 Ga. App. 907, 369 S.E.2d 260 (1988) (decided under former O.C.G.A. § 29-4-2).

Custody right under divorce decree inures to surviving parent. — Upon death of parent who has held custody under divorce decree, the right to custody automatically inures to surviving parent, and divorce proceeding fails so far as concerns any further right to custody of children. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-102).

Natural guardian may not sign away child's chose of action. — A chose in action is property and a natural guardian has no more authority to sign it away than the guardian would have to sell tangible property of child. *Lynn v. Wagstaff Motor Co.*, 126 Ga. App. 516, 191 S.E.2d 324 (1972) (decided under former Code 1933, § 49-102).

Bond

Requirement of bond applies to income of property and corpus. — Provision of former Code 1868, § 1794 (former O.C.G.A. § 29-4-2), requiring that guardian give bond before the guardian can demand and receive property of child, applied to income of property as well as to corpus thereof. *Southwestern R.R. v. Chapman*, 46

Ga. 538 (1872) (decided under former Code 1868, § 1794).

Effect of giving bond by natural guardian.

— The only effect of giving bond by natural guardian is to empower the guardian to demand and receive any property belonging to the child. *Drake v. Drake*, 187 Ga. 423, 1 S.E.2d 573 (1939) (decided under former Code 1933, § 49-102).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-102 and former O.C.G.A. § 29-4-2 are included in the annotations for this Code section.

Probate court without authority to appoint guardian where living parent. — Unless an appointment of a temporary guardian was made under former O.C.G.A. § 29-4-4.1, a probate court was without authority to appoint a guardian of the person for a minor child if the child had living parents, unless the parents relinquished or forfeited their rights in the child. 1983 Op. Att'y Gen. No. U83-37 (decided under former O.C.G.A. § 29-4-2).

Child support transfer not benefitting child improper. — Transfer by parent of child support judgment without benefitting child is inconsistent with parent's duties as

natural guardian of child and child's property. 1972 Op. Att'y Gen. No. 72-147 (decided under former Code 1933, § 49-102).

Parents responsible for locating child absent from school without authorization.

— Whereabouts of minor child would clearly seem to fall within area of parental or guardianship responsibility, and therefore, primary responsibility for locating a child who is absent from an educational center or school on an unauthorized basis would fall upon parents or other guardians or custodians. 1978 Op. Att'y Gen. No. 78-48 (decided under former Code 1933, § 49-102).

Domicile of minor is that of parents, but this can be altered where usual parental authority and control over the minor is ended by voluntary or involuntary relinquishment. 1981 Op. Att'y Gen. No. U81-5 (decided under former O.C.G.A. § 29-4-2).

(a) Every parent, by will, may nominate a testamentary guardian for the parent's minor child.

(c) A testamentary guardian shall not be required to give bond or security. In all other respects a testamentary guardian shall have the same rights, powers, and duties as a permanent guardian appointed by the court. (Code 1981, § 29-2-4, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION BOND

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1851-52, p. 101, § 1, former Code 1882, § 1804, former Civil Code 1895, § 2514, former Civil Code 1910, § 3033, and former Code 1933, § 49-103 are included in the annotations for this Code section.

Statutes providing for appointment of guardians for minor children. — The general assembly by inclusion of word "minor" at one place and its exclusion at another did not intend that a parent might, by will, appoint a guardian for property of children who had reached their majority. Therefore, former Code 1933, § 49-103 (former O.C.G.A. § 29-4-3) only provided for appointment of guardians for persons and/or property of minor children. *Adams v. Lay*, 218 Ga. 451, 128 S.E.2d 502 (1962) (decided under former Code 1933, § 49-103).

Citation unnecessary in appointing guardian already appointed testamentary guardian. — In appointing one as guardian of minors, who has already been appointed as testamentary guardian in their father's will, citation, as ordinarily required by law, is unnecessary. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Parental power does not include power to appoint testamentary guardian. — One awarded parental power over minor has no power to appoint testamentary guardian for such minor. *Lamar v. Harris*, 117 Ga. 993, 44

S.E. 866 (1903) (decided under former Civil Code 1895, § 2514).

Only surviving parent may appoint guardian of person of minor. *Adams v. Lay*, 218 Ga. 451, 128 S.E.2d 502 (1962) (decided under former Code 1933, § 49-103).

Surviving parent's right to custody of child cannot be divested by will of deceased parent. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-103).

Custody does not include power to appoint testamentary guardian. — Judgment or decree of divorce which gives custody and education of child of marriage to wife, does not empower her to appoint a testamentary guardian for that child while the father survives. *Taylor v. Jeter*, 33 Ga. 195, 81 Am. Dec. 202 (1862) (decided under Ga. L. 1851-52, p. 101, § 1).

Testamentary guardian cannot, by will, transfer custody of the ward to another. *Taylor v. Jeter*, 33 Ga. 195, 81 Am. Dec. 202 (1862) (decided under Ga. L. 1851-52, p. 101, § 1).

Testamentary guardian is still guardian of the person though dismissed for waste or failure to give bond. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Grandparent named as testamentary guardian should prevail. — Where both parents of infant child are deceased, father having survived mother and by will having provided that his mother should be testamentary guardian of the person of such

child, and where in contest between paternal and maternal grandmothers of the child it appears that both are fit and proper persons to have custody of the child, the testamentary guardian is entitled to custody. *Shanks v. Ross*, 173 Ga. 55, 159 S.E. 700 (1931) (decided under former Civil Code 1910, § 3033).

Cited in *Poe v. Schley*, 16 Ga. 364 (1854); *Southern Marble Co. v. Stegall*, 90 Ga. 236, 15 S.E. 806 (1892); *Bulloch v. Bulloch*, 45 Ga. App. 1, 163 S.E. 708 (1932); *Gilmore v. Mutual Benefit Life Ins. Co.*, 179 Ga. 267, 175 S.E. 681 (1934); *Odum v. Henry*, 254 Ga. 739, 334 S.E.2d 304 (1985).

Bond

When bond required. — Bond and security is required from all general guardians appointed by the ordinary (now judge of probate court) and the ordinary has discretionary power to require additional bond and security when the estate of the ward is enlarged by subsequent acquisition. *Huson v. Green*, 88 Ga. 722, 16 S.E. 255 (1892) (decided under former Code 1882, § 1804).

Probate court may authorize testamentary guardian to take charge of minor's estate

without requiring bond. — Nothing in the law indicates that court of ordinary (now probate court) is without jurisdiction to authorize testamentary guardian to take charge of minor's estate without requiring bond. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Probate court failing to require bond under can, nonetheless, issue letters of guardianship. — Failure to require bond where property comes to ward from sources other than parent's will does not deprive probate court of original jurisdiction to issue letters of guardianship which cannot be collaterally attacked. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Letters of guardianship not null and void due to failure to require bond. -- Issuance of letters of guardianship was not null and void because of failure of probate court to require bond from guardian as required by former Code 1910, § 3033 (former O.C.G.A. § 29-4-3(c)) where property came to ward from sources other than parent's will. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

The 2006 amendment, effective July 1, 2006, added “; however, if the petitioner is not a domiciliary of this state, the petition may be filed in the probate court of the county where the minor is found” at the end of subsection (b); and substituted the present provisions of paragraph (c)(3) for the former provisions, which read: “(3) A statement that the petitioner is domiciled in the county in which the petition is being

filed and has physical custody of the minor;”.

Temporary guardianship dissolved. — Under former O.C.G.A. § 29-4-4.1(c), trial court correctly dissolved guardianship under former O.C.G.A. § 29-4-4.1 where

guardianship at time of its creation was intended to be or was represented to be temporary in nature. *Hays v. Jeng*, 184 Ga. App. 157, 360 S.E.2d 913 (1987) (decided under former O.C.G.A. § 29-4-4.1).

Appointment to provide health insurance denied. — Where the child was living with the mother, who was not alleged to be incompetent or under any duress or difficulty

with respect to her parental responsibilities, the court properly refused to appoint a temporary guardian solely for the provision of health insurance. *In re Roscoe*, 242 Ga. App. 440, 529 S.E.2d 897 (2000) (decided under former O.C.G.A. § 29-4-4.1).

OPINIONS OF THE ATTORNEY GENERAL

Opinions of Attorney General. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-4-4.1 are included in the annotations for this Code section.

Cannot appoint permanent guardian where child has living parent. — Unless an appointment of a temporary guardian was

made under former O.C.G.A. § 29-4-4.1, a probate court was without authority to appoint a guardian of the person for a minor child if the child had living parents, unless the parents relinquished or forfeited their rights in the child. 1983 Op. Att’y Gen. No. U83-37 (decided under former O.C.G.A. § 29-4-4.1).

29-2-6. Parental consent to temporary guardianship; failure to consent; minor’s preference.

(a) Except as otherwise provided in subsection (f) of this Code section, if the sole parent or both parents of the minor have consented to the appointment of the temporary guardian, as evidenced by notarized written consents attached to the petition, the court shall grant the petition without further notice or hearing and shall issue letters of guardianship to the petitioner.

(b)(1) If one or both of the parents of the minor have not consented to the appointment of the temporary guardian, notice of the petition shall be given to any parent who has not consented.

(2) The notice shall be by personal service if the parent resides in this state at a known address; by first-class mail if the parent resides outside this state at a known address; or by publication for two weeks in the official county legal organ for the county in which the petition is filed if no address is known.

(3) The notice shall state that the parent is entitled to object either to the establishment of a temporary guardianship or to the selection of the petitioner as temporary guardian, or both.

(4) The notice shall require that any objection be filed in writing with the court within ten days of the personal service, within 14 days of the mailing of the notice, or within ten days of the date of the second publication of the notice.

(c) Except as otherwise provided in subsection (f) of this Code section, if no parent who is entitled to notice under subsection (b) of this Code

section files a timely objection to the petition, the court shall grant the petition without further notice or hearing and shall issue letters of guardianship to the petitioner.

(d) If a natural guardian of the minor files a timely objection to the establishment of the temporary guardianship, the court shall dismiss the petition. If a natural guardian files a timely objection to the selection of the petitioner as temporary guardian, the court shall hold a hearing to determine who shall serve as temporary guardian.

(e) If a parent who is not a natural guardian files a timely objection to the establishment of the temporary guardianship or to the selection of the petitioner as temporary guardian, the court shall hold a hearing to determine all matters at issue.

(f) In all hearings held pursuant to this Code section, the standard for determination for all matters at issue shall be the best interest of the minor. As to the selection of the temporary guardian, the preference of the minor may be heard. In all proceedings under this Code section, the court has the option to refer the petition to the juvenile court which shall, after notice and hearing, determine whether the temporary guardianship is in the best interest of the minor. (Code 1981, § 29-2-6, enacted by Ga. L. 2004, p. 161, § 1.)

PART 4

STANDBY GUARDIANS

29-2-9. Part definitions.

As used in this part, the term:

(1) “Designating individual” means a parent or guardian who appoints a standby guardian. A designating individual may only be:

(A) A parent of a minor, provided that he or she has physical custody of the minor and his or her parental rights have not terminated; and provided, further, that the other parent of the minor is deceased, has had his or her parental rights terminated, cannot be found after a diligent search has been made, or has consented to the designation of and service by the standby guardian; or

(B) A guardian of the minor who is duly appointed and serving pursuant to court order.

(2) “Health care professional” means a person licensed to practice medicine under Chapter 34 of Title 43 or a person licensed as a registered professional nurse under Chapter 26 of Title 43 and authorized by the Georgia Board of Nursing to practice as a nurse practitioner.

(3) “Health determination” means the dated, written determination by a health care professional that a designating individual is unable to care for a minor due to the designating individual’s physical or mental condition or health including a condition created by medical treatment.

(4) “Standby guardian” means an adult who is named by a designating individual to serve as standby guardian of the minor. (Code 1981, § 29-2-9, enacted by Ga. L. 2004, p. 161, § 1.)

29-2-10. Designation of standby guardian pending health issue; required probate court filing; no bond required; parental obligation to support continues.

(a) A designating individual may designate an individual to serve as standby guardian of a minor upon the health determination being made.

(b) Upon the health determination being made and without the necessity of any judicial intervention, the standby guardian shall assume all the rights, duties, and responsibilities of guardianship of the person of the minor. Consistent with the designating individual’s physical or mental

condition or health, the designating individual may confer with the standby guardian in decision making concerning the care and welfare of the minor.

(c) Upon the health determination being made, the standby guardian shall file with the probate court of the county of domicile of the minor a notice of the standby guardianship with a copy of the standby guardianship designation and the health determination attached thereto.

(d) No bond shall be required of a standby guardian.

(e) No proceedings under this part shall relieve any parent, custodial or noncustodial, of a duty to support the minor under the provisions of Chapter 6 of Title 19. (Code 1981, § 29-2-10, enacted by Ga. L. 2004, p. 161, § 1.)

29-2-11. Designation in writing; requirements of designation; form.

(a) A designation of a standby guardian shall be in writing and shall be signed by the designating individual or by some other individual in the designating individual's presence and at the designating individual's express direction. The designation shall be attested to and subscribed by two or more competent witnesses. Neither the witness nor an individual signing on behalf of the designating individual may be named the standby guardian.

(b) A standby guardian designation shall set forth the name, address, and county of domicile of the designating individual and of the standby guardian; the name, address, county of domicile, and date of birth of the minor; and the circumstances which define the parent or guardian as a designating individual. With regard to a parent of the minor who is not the designating individual, the designation shall state, to the extent known, that parent's name and address and if that parent is deceased, has his or her parental rights terminated, and whether that parent cannot be located. The designation shall include a statement of consent, signed by the standby guardian, to serve in such capacity.

(c) A standby guardian designation shall be in substantially the following form and contain the following information:

DESIGNATION OF STANDBY GUARDIAN

(1) IDENTIFICATION OF DESIGNATING INDIVIDUAL: I, _____ (insert name of person designating the standby guardian), whose address is _____ (insert address) and whose county and state of domicile are _____ (insert name of county and state), am:

(Check and complete the ones which apply)

(A) _____ The parent with physical custody of the minor child or children listed below and my parental rights are not terminated; and

the other parent, whose name is _____ (insert name of other parent) and whose address is _____ (insert address of other parent), of the minor child or children listed below:

_____ (A-1) Is deceased;

_____ (A-2) Has his or her parental rights to the minor or minors terminated;

_____ (A-3) Cannot be found after a diligent search has been made; or

_____ (A-4) Has consented to the designation of and service by the standby guardian as set forth below; or

(B) _____ The guardian of the minor child or children listed below, who is duly appointed and serving pursuant to court order.

(2) IDENTIFICATION OF MINOR(S): The minor or minors for whom I am designating a standby guardian are:

NAME	ADDRESS (include county of domicile)	DATE OF BIRTH
_____	_____	_____

(3) DESIGNATION AND IDENTIFICATION OF STANDBY GUARDIAN: Pursuant to Part 4 of Article 1 of Chapter 2 of Title 29 of the Official Code of Georgia Annotated, I hereby designate _____ (insert name of standby guardian), whose address is _____ (insert address) and whose county and state of domicile are _____ (insert name of county and state), to serve as the standby guardian of the minor(s) whom I have identified above.

(4) POWERS OF STANDBY GUARDIAN: The standby guardian whom I have designated above shall have all the rights, duties, and responsibilities under Georgia law of a guardian of a minor who has been appointed by a court.

I understand that I can revoke this standby guardianship by destroying this document, obliterating it, or by revoking it in writing with proper witnesses. I understand that if I wish to revoke the standby guardianship after the health determination has been made I must file a notice of the revocation of the standby guardianship with the probate court and mail a copy of the notice of revocation to the standby guardian.

Finally, I understand that this standby guardianship will automatically end 120 days after the health care professional makes the determination that I am unable to care for the minor(s), unless the standby guardian has

filed a petition for guardianship of the minor. If the standby guardian files such a petition, the standby guardianship will remain in effect, unless otherwise revoked, until the judge rules on the petition. 29-2-12. Revocation of standby guardianship prior to and subsequent to health determination.

(a) At any time before the health determination is made, a standby guardianship may be revoked without notice to anyone by destruction or obliteration of the designation done by the designating individual with an intent to revoke or by a written revocation signed by the designating individual or by some other individual in the designating person's presence and at the designating individual's express direction and attested to and subscribed by two or more competent witnesses.

(b) After the health determination has been made, the standby guardianship may be revoked by the designating individual by filing a notice of such revocation with the court in which the standby guardianship was filed as required by Code Section 29-2-10 and by mailing a copy of the notice of revocation by first-class mail to the standby guardian. (Code 1981, § 29-2-12, enacted by Ga. L. 2004, p. 161, § 1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2004, in subsection (b), “made, the” was substituted for “made the” near the beginning and “filed as required” was substituted for “filed the notice as required” near the middle.

29-2-13. Petition seeking temporary guardianship; automatic termination of standby guardianship.

(a) Within 120 days of the health determination being made, the standby guardian shall file with the probate court in the county of domicile of the minor a petition seeking temporary guardianship of the minor.

(b) Except as otherwise provided, a standby guardianship shall automatically terminate 120 days after the making of the health determination unless the standby guardian has filed a petition for temporary guardianship of the minor, in which case the standby guardianship shall remain in effect, unless otherwise revoked, until the petition is ruled upon.

(c) If the designating individual dies prior to the entering of an order on a petition for guardianship of the minor, as contemplated by subsection (a) of this Code section, the standby guardianship shall be terminated. If the designating individual dies subsequent to the entering of an order on such a petition, the guardianship created pursuant to that order shall terminate in favor of any testamentary designation of a guardian of the minor or, if there is no testamentary designation, to an order on a petition for guardianship brought thereafter and subject to Code Section 29-2-17. (Code 1981, § 29-2-13, enacted by Ga. L. 2004, p. 161, § 1.)

PART 5

PERMANENT GUARDIANSHIP

29-2-14. Power of probate court to appoint guardian.

The probate court of the county in which a minor is found or in which the proposed permanent guardian is domiciled shall have the power to appoint a permanent guardian for a minor who has no natural guardian, testamentary guardian, or permanent guardian. In its discretion, the probate court of the county in which the petition for appointment of a permanent guardian is filed may transfer the case to the probate court of any other county in this state if such transfer would serve the best interest of the minor. (Code 1981, § 29-2-14, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION WARD'S RIGHT TO SELECT JURISDICTION

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. Laws 1850, Cobb's 1851 Digest, p.338, former Code 1868, § 1797, former Code 1882, § 1806, former Civil Code 1895, § 2516, former Code 1933, § 49-105, and former O.C.G.A. § 29-4-4 are included in the annotations for this Code section.

Probate judge has appointment power for benefit of child. — Power of appointment is vested in ordinary (now judge of probate court), for benefit of child, not of applicant. *Watson v. Warnock*, 31 Ga. 716 (1861) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Guardian of the property. — Former O.C.G.A. § 29-4-4 authorized a probate court to appoint a guardian of the property, over the natural guardian's objection, of a minor over the age of 14, whose sole property was a personal injury action. *In re Ray*, 248 Ga. App. 45, 545 S.E.2d 617 (2001) (decided under former O.C.G.A. § 29-4-4).

Discussion of former Civil Code 1895, § 2516 (former O.C.G.A. § 29-4-4) application where child had natural guardian. — See *Jordan v. Smith*, 5 Ga. App. 559, 63 S.E. 595 (1909) (decided under former Civil Code 1895, § 2516).

Generally cannot appoint guardian of person where living parent. — The ordinary (now judge of probate court) had no power under former Civil Code 1895, § 2516 (former O.C.G.A. § 29-4-4) to appoint guardian of person of child whose father was living, unless parental rights of latter have

been forfeited and the forfeiture had been ascertained and declared in some regular proceeding authorized by law, after due notice to him. *Jordan v. Smith*, 5 Ga. App. 559, 63 S.E. 595 (1909) (decided under former Civil Code 1895, § 2516).

Acting guardian estopped from arguing lack of venue regarding appointment. — One appointed and acting as guardian estopped from claiming court of wrong county made appointment. *Hines v. Mullins ex rel. Smith*, 25 Ga. 696 (1858) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Effect of guardian's death upon guardianship. — Relation of guardian and ward is necessarily terminated by death of either, and if terminated by death of guardian, it is the duty of guardian's personal representative to render an account and turn over property in the guardian's hands to proper person, and the guardianship continues, in a sense, to exist for that purpose only. *Harrison v. Tonge*, 67 Ga. App. 54, 19 S.E.2d 535 (1942) (decided under former Code 1933, § 49-105).

General Consideration (Cont'd)

620, 208 S.E.2d 446 (1974).

Ward's Right to Select

At age of 14 ward may choose new guardian. — Pursuant to former Code 1868, § 1797 (former O.C.G.A. § 29-4-4), a ward, after attaining an age of 14 years, has right to choose a guardian, and for that purpose to have letters of guardianship issued under appointment of ordinary (now judge of probate court) to former guardian, revoked. *Bryce v. Wynn*, 50 Ga. 332 (1873) (decided under former Code 1868, § 1797).

Proceeding for ward to select new guardian. — The first step which ward must take to remove guardian appointed by the ordinary (now judge of probate court), and substitute therefor one of the ward's own selection, after the ward has arrived at age to make such selection, is to institute a proceeding to revoke letters of guardian. The ward can only do this by petition filed in court of ordinary (now probate court) of county of guardian's appointment. *Dickerson v. Bowen*, 128 Ga. 122, 57 S.E. 326 (1907) (decided under former Civil Code 1895, § 2516).

Ward may appeal when denied right to select guardian. — If legal right of ward is adversely affected by order of ordinary (now judge of probate court) appointing new guardian not selected by ward, the ward has right of appeal to superior court. *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-105).

On appeal the whole case is tried anew, and discretion of ordinary (now judge of probate court) vests in superior court for that trial. *Watson v. Warnock*, 31 Ga. 716 (1861) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Jurisdiction

Guardianship letters granted only at regular term of court were without jurisdiction. Where proceedings show on their face that letters were granted by ordinary (now probate judge) at chambers, the appointment was made without jurisdiction, and is void.

Bell v. Love, 72 Ga. 125 (1883) (decided under former Code 1882, § 1806).

Infant's residence at time guardian appointed determines jurisdiction. — Infant's place of residence at time guardian is to be appointed determines jurisdiction; hence the ordinary (now judge of probate court) who appointed the first guardian of a ward may not always appoint the guardian's successor. *Harrison v. Tonge*, 67 Ga. App. 54, 19 S.E.2d 535 (1942) (decided under former Code 1933, § 49-105).

No jurisdiction to appoint guardian for infant residing outside county. — Ordinary (now judge of probate court) has no jurisdiction to appoint guardian for infant whose residence is out of the county. *Rives v. Sneed*, 25 Ga. 612 (1858) (decided under Ga. L. 1850, Cobb's 1851 Digest, p. 338).

Judge of residence approves guardian selection. — It is for probate judge of ward's county of residence to approve or disapprove selection. *Dickerson v. Bowen*, 128 Ga. 122, 57 S.E. 326 (1907) (decided under former Civil Code 1895, § 2516).

Letters of guardian must be revoked to appoint new guardian. — After jurisdiction to appoint guardian has been exercised, a new guardian cannot be appointed until letters of former guardian have been revoked. *Harrison v. Tonge*, 67 Ga. App. 54, 19 S.E.2d 535 (1942) (decided under former Code 1933, § 49-105).

Jurisdiction over removal and new appointments where guardian and ward leave county without removing trust, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-105).

Cannot collaterally attack right of guardianship. — Judgments rendered under court's jurisdiction over controversies concerning right of guardianship cannot be collaterally attacked. *Beavers v. Williams*, 194 Ga. 875, 23 S.E.2d 171 (1942) (decided under former Code 1933, § 49-105).

Cannot collaterally attack appointment unless want of jurisdiction. — Judgment of court of ordinary (now probate court) appointing guardian cannot be collaterally attacked, unless want of jurisdiction appears on face of record. *Sturtevant v. Robinson*, 133 Ga. 564, 66 S.E. 890 (1909) (decided under former Civil Code 1895, § 2516).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-4-4 are included in the annotations for this Code section.

Cannot appoint guardian of person where child has living parent. — Unless an appointment of a temporary guardian was made

under former O.C.G.A. § 29-4-4.1, a probate court was without authority to appoint a guardian of the person for a minor child if the child had living parents, unless the parents relinquished or forfeited their rights in the child. 1983 Op. Att'y Gen. No. U83-37 (decided under former O.C.G.A. § 29-4-4).

29-2-15. "Biological father" defined; notice of petition for appointment of permanent guardian; protest of father; petition to legitimate.

(a) For purposes of this part, the term "biological father" means a father of a minor born out of wedlock whose rights regarding the minor have not been surrendered or terminated but who is not entitled to have custody of and exercise parental power over the child pursuant to Code Section 19-7-25.

(b)(1) Notice of a petition for appointment of a permanent guardian of a minor shall be given to the minor's biological father, if any, in the following circumstances:

(A) If the identity of the biological father is known to the petitioner;

(B) If the biological father is a registrant on the putative father registry who has acknowledged paternity of the minor in accordance with subparagraph (d)(2)(A) of Code Section 19-11-9;

(C) If the biological father is a registrant on the putative father registry who has indicated possible paternity of a child of the minor's mother during a period beginning two years immediately prior to the minor's date of birth in accordance with subparagraph (d)(2)(B) of Code Section 19-11-9; or

(D) If the biological father has lived with the minor; contributed to the minor's support; made any attempt to legitimate the minor; or provided support or medical care for the mother either during her pregnancy or during her hospitalization for the birth of the minor.

(2) The notice shall advise the biological father that he will lose all rights to object to the appointment of a permanent guardian for the

minor if he does not file an objection with the court within 14 days of the notice and file a petition to legitimate the minor within 30 days of the hearing on his objection. The notice shall include the name of the individual who will be the minor's permanent guardian if the petition is granted.

(c) If the biological father files a timely objection to the petition, the court shall hear the objection and, if the biological father makes a request, shall continue the hearing for 30 days to allow the father to file a petition to legitimate the minor pursuant to Code Section 19-7-22. If the biological father's petition for legitimation of the minor is granted, the petition for the appointment of a permanent guardian for the minor shall be dismissed.

(d) If the biological father does not file a petition for legitimation within 30 days or files a petition that is subsequently dismissed for failure to prosecute or files a petition and the action is subsequently concluded without a court order declaring that he is the father of the minor, the biological father shall have no further rights to receive notice of or object to the appointment of a permanent guardian for the minor. 29-2-16. Individuals with preference for permanent guardianship of minor; preference not controlling.

(a) The court shall appoint as permanent guardian that individual who will serve the best interest of the minor, considering the following order of preferences:

(1) The adult who is the preference of the minor if the minor is 14 years of age or older;

(2) The nearest adult relative of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998;

(3) Other adult relatives of the minor;

(4) Other adults who are related to the minor by marriage;

(5) An adult who was designated in writing by either of the minor's natural guardians in a notarized document or document witnessed by two or more persons; or

(6) An adult who has provided care or support for the minor or with whom the minor has lived.

(b) The court may disregard an individual who has preference and appoint an individual who has a lower preference or no preference. In determining what is in the best interest of the minor, the court may take into account any facts and circumstances presented to it, including the statement of a minor who is under 14 years of age. (Code 1981, § 29-2-16, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor’s notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 2518, former Civil Code 1910, § 3039, Ga. L. 1922, p. 46, § 1, former Code 1933, § 49-107, and former O.C.G.A. § 29-4-8 are included in the annotations for this Code section.

Contest for guardianship of person and property of one adjudged incompetent. — Former Civil Code 1895, § 2518 (former O.C.G.A. § 29-4-8) was applicable to a contest for guardianship of the person and property of one who has been adjudged incapable of managing one’s estate and therefore liable to have a guardian appointed for that person. *Armor v. Moore*, 104 Ga. 579, 30 S.E. 821 (1898) (decided under former Civil Code 1895, § 2518).

Nearest relative has absolute right to appointment if unobjectionable. See *Kelley v. Kelley*, 129 Ga. App. 257, 199 S.E.2d 399 (1973) (decided under former Code 1933, § 49-107). *Abrams v. Daffron*, 155 Ga. App. 182, 270 S.E.2d 278 (1980) (decided under former Code 1933, § 49-107).

Meaning of word “objectionable.” — The word “objectionable” in former Code 1933, § 49-107 referred not to moral qualities exclusively but to any position or course of dealing which led to the conclusion that the interest of a person selected was adverse to that of the estate. *Kelley v. Kelley*, 129 Ga. App. 257, 199 S.E.2d 399 (1973) (decided under former Code 1933, § 49-107).

A court has wide discretion in determining whether an applicant was entitled to the absolute preference set forth in former O.C.G.A. § 29-4-8, and it was apparent that

“objectionability” in a guardianship dispute was not the same as “parental unfitness,” which must generally be shown before a court can interfere with a parent’s right to custody over a child. An inquiry into a guardianship applicant’s “unobjectionability” may broadly consider the applicant’s suitability, habits, responsibility, sense, and morality, as well as the financial interests of the child. A person may be “objectionable,” and not entitled to guardianship as a matter of right, even though the objections would not authorize interfering with the person’s right to custody of the person’s own child. *Huval v. Jacobs*, 248 Ga. App. 696, 548 S.E.2d 437 (2001) (decided under former O.C.G.A. § 29-4-8).

Grandparent named as testamentary guardian should prevail. — Where both parents of an infant child are deceased, the father having survived the mother and by will having provided that his mother should be testamentary guardian of the person of such child, and where in a contest between the paternal and the maternal grandmothers of the child it appears that both are fit and proper persons to have custody of the child, the testamentary guardian is entitled to the custody. *Shanks v. Ross*, 173 Ga. 55, 159 S.E. 700 (1931) (decided under Ga. L. 1922, p. 46, § 1).

Child’s grandmother was not entitled to the absolute preference provided for in the statute, and custody of the child was properly awarded to the child’s aunt and uncle since: (1) the trial court noted that the grandmother had not exhibited good parenting skills in regard to her own children and had

led an inappropriate life style in the presence of minors in the past; (2) the court noted that she divorced the children's father when they were young and then had two long term live in relationships while the minor children lived in her house; (3) one of the children went to live with her father for a year when she was 13 because of difficulties in her relationship with her mother and subsequently left home before finishing high school; and (4) the court found that the grandmother had time and again made poor moral decisions and that educational success had not been a priority for her or her children. *Huval v. Jacobs*, 248 Ga. App. 696, 548 S.E.2d 437 (2001) (decided under former O.C.G.A. § 29-4-8).

Preference of remaindermen is immaterial. — Under the provisions of former Civil Code 1895, § 2518 (former O.C.G.A. § 29-4-8), the ward's nearest of kin by blood, if unobjectionable, was, in such a contest, entitled to the appointment; and the preference of remaindermen, to whom the ward's estate may eventually belong was not, in legal contemplation, material. *Armor v. Moore*, 104 Ga. 579, 30 S.E. 821 (1898) (decided under former Civil Code 1895, § 2518).. See also *Johnson v. Kelly*, 44 Ga. 485 (1871); *Chalker v. Thornton*, 31 Ga. App. 791, 122 S.E. 244 (1924).

Sureties on bond of clerk not liable for clerk's default. — Sureties upon official bond of clerk of superior court are not liable thereon for sureties' default as guardian

appointed by the ordinary (now judge of probate court) under provisions of former Civil Code 1910, § 3039 (former O.C.G.A. § 29-4-11). *Hardwick v. Fidelity & Deposit Co.*, 29 Ga. App. 567, 116 S.E. 220, cert. denied, 29 Ga. App. 799, 116 S.E. 648 (1923) (decided under former Civil Code 1910, § 3039).

Attorney's fees. — Because the attorney failed to present any evidence of the value of the lawyer's services at a probate hearing, the trial court was left to determine that value based on its own experience and, where the lawyer failed to prove that the contingency agreement with the beneficiaries of an estate provided for a reasonable fee, the trial court was authorized to determine that \$15,000 was a reasonable fee. *Rowen v. Estate of Hughley*, 272 Ga. App. 55, 611 S.E.2d 735 (2005).

Purported settlement agreement involving the ward not enforceable. — Trial court did not err in denying a driver's motions to enforce a settlement with the driver's injured passenger, and dismiss the passenger's action, as: (1) the attorney, who purported to agree to the settlement of the passenger's claim, lacked the authority to do so; and (2) the undisputed evidence revealed that at the time of the purported settlement no guardian had been appointed for the passenger. *Anaya v. Coello*, 279 Ga. App. 578, 632 S.E.2d 425 (2006).

(a) Any interested person may file a petition for the appointment of a permanent guardian of a minor.

(b) The petition for appointment of a permanent guardian shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and date of birth of the minor;

(3) The name, address, and county of domicile of the petitioner and the petitioner's relationship to the minor, if any, and, if different from the petitioner, the name, address, and county of domicile of the individual nominated by the petitioner to serve as guardian and that individual's relationship to the minor, if any;

(4) A statement that the minor has no natural guardian, testamentary guardian, or permanent guardian;

(5) A statement of whether the child was born out of wedlock and, if so, the name and address of the biological father, if known;

(6) Whether, to the petitioner's knowledge, there exists any notarized or witnessed document made by a parent of the minor that deals with the guardianship of the minor and the name and address of any designee named in the document;

(7) In addition to the petitioner and the nominated guardian, the names and addresses of the following relatives of the minor whose whereabouts are known:

(A) The adult siblings of the minor; provided, however, that not more than three adult siblings need to be listed;

(B) If there is no adult sibling of the minor, the grandparents of the minor; provided, however, that not more than three grandparents need to be listed; or

(C) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998;

(8) Whether a temporary guardian has been appointed for the minor or a petition for the appointment of a temporary guardian has been filed or is being filed; and

(9) The reason for any omission in the petition for appointment of a permanent guardian for a minor in the event full particulars are lacking.

(c) In addition to the notice required by Code Section 29-2-15, notice of the petition for appointment of a permanent guardian for a minor shall be given to any designee named in paragraph (6) of subsection (b) of this Code section and the individuals named in paragraph (7) of subsection (b) of this Code section. The notice shall be by personal service if the individual resides in this state at a known address; by first-class mail if the individual resides outside this state at a known address; or by publication for two weeks in the official county legal organ for the county in which the petition is filed

if no address is known. The notice shall state that the individual is entitled to object either to the establishment of a permanent guardianship or to the selection of the petitioner as permanent guardian, or both. The notice shall require that any objection be filed in writing with the court within ten days of the personal service, within 14 days of the mailing of the notice, or within ten days of the date of the second publication of the notice.

(d) If the judge deems it necessary, a temporary guardian may be appointed under the same rules that apply to the appointment of a temporary administrator. (Code 1981, § 29-2-17, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

For purpose of notice, see *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided prior to amendment of former Civil Code 1810, § 3046 by Ga. L. 1958, p. 673, § 2, which changed notice requirement).

Citation unnecessary to appoint mother as guardian of daughter's property. — In order for a mother, the natural guardian, to also be appointed guardian of her daughter's property, citation is unnecessary. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-112).

Citation necessary for appointment for one not child of applicant. — Where application is for appointment of guardian of a minor child under 14 years of age, other than child of applicant, it is necessary for citation to issue. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-112).

Second citation unnecessary. — It is not necessary to issue a second citation when the first citation of application for letters of administration is for the appointment of one person even though the court issues letters of administration to an entirely different

person, as to whose appointment no previous notice had been given to any one. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3046).

No citation is necessary for appointment of testamentary guardian and a testamentary guardian might be authorized by probate court to take charge of property coming to the guardian's ward from sources other than parent's will, without necessity of citation. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Further notice unnecessary for testamentary guardian over property from other sources. — Where applicant has already, by will, been made testamentary guardian, it is a matter of testamentary disposition, and there would seem to be no necessity for further notice. Moreover, the law raises implication that there could be no better selection for guardianship of property of minors coming from outside sources than that already provided by the father in his own will as to their persons and property devised by the will. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3046).

New York Life Ins. Co. v. Gilmore, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

New York Life Ins. Co. v. Gilmore,

171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3046).

Requiring notice is to protect public and alleged incompetent. — The object of former Code 1933, § 49-604 in requiring notice to relatives was not to confer any right upon them, but was solely for the purpose of protecting public and interest of alleged incompetent. *Phillips v. Phillips*, 202 Ga. 776, 44 S.E.2d 767 (1947) (decided under former Code 1933, § 49-604).

Relations notified are not parties in their own behalf but are notified for benefit of person to be considered and given an opportunity to be heard in that person's behalf. They are not summoned by process; no judgment can be rendered against them merely because of such notice; and there is no provision for taxing costs against them. *Slaughter v. Heath*, 127 Ga. 747, 57 S.E. 69, 27 L.R.A. (n.s.) 1 (1907) (decided under former Code 1895, § 2573).

Proceedings in probate court only governed by recording requirement in former O.C.G.A. § 29-5-6(e)(2) and on de novo appeal from probate court decision on guardianship petition, superior court may, but was not required to, have the hearing reported. *Snider v. Lavender*, 164 Ga. App. 591, 298 S.E.2d 582 (1982) (decided under former O.C.G.A. § 29-5-6).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Stepchildren are not included in "children." — A ward's stepchildren are not children under the guardianship statute, nor are they next of kin, and because there were individuals in this case related to the ward by blood, who were not notified of the guardianship proceedings, the appointment of the guardian was void. *Wilson v. James*, 260 Ga. 234, 392 S.E.2d 5 (1990) (decided under former O.C.G.A. § 29-5-6).

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798 (1988) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the

other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the petition at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Mental capacity to petition for appointment of guardian. — A person receiving social security disability benefits based on a mental disability, who had not been adjudicated to be incapacitated, was not disqualified to petition for appointment of a guardian for mother. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts)

was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Notice to nearest relatives of alleged mental incompetent is insufficient. *Edwards v. Lampkin*, 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Failure to have hearing recorded impacts appeal. — Absent a record of the hearing, the appellate could not determine whether the probate court's finding that appellant was incapable of managing appellant's estate was supported by clear and convincing evidence; accordingly, because the probate court failed to have the hearing recorded or reported, appellant was effectively denied appellant's right to appeal the probate court's decision. *In re Phillips*, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-6).

Standing to appeal from grant of petition. — Where the probate court granted wife's petition for guardianship over her husband, the superior court correctly dismissed an appeal by the adult children of the husband because they did not file a petition for guardianship under former O.C.G.A. § 29-5-6 and did not hold any other status under former O.C.G.A. § 29-5-11(a). *Twitty v. Akers*, 218 Ga. App. 467, 462 S.E.2d 418 (1995) (decided under former O.C.G.A. § 29-5-6).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of former O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of former O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-2-19. Requirements of order granting permanent guardianship.

An order granting permanent guardianship shall specify:

(1) The name of the permanent guardian and the basis for the selection of the guardian;

(2) A specific listing of any of the additional powers which are granted to the permanent guardian as provided in subsection (b) of Code Section 29-2-22;

(3) If only a guardian is appointed or if the guardian and the conservator appointed are not the same person, the reasonable sums of property to be provided the guardian to provide adequately for the minor's support, care, education, health, and welfare are subject to modification by subsequent order of the court; and

(4) Such other and further provisions of the guardianship as the court shall determine to be in the best interest of the minor. (Code 1981, § 29-2-19, enacted by Ga. L. 2004, p. 161, § 1.)

ARTICLE 2

PROTECTION OF MINOR

29-2-20. Rights of minor; impact on testamentary capacity.

(a) In every guardianship, the minor has the right to:

(1) A qualified guardian who acts in the best interest of the minor;

(2) A guardian who is reasonably accessible to the minor;

(3) Have his or her property utilized as necessary for his or her support, care, education, health, and welfare; and

(4) Individually or through the minor's representative or legal counsel, bring an action relating to the guardianship.

(b) The appointment of a guardian is not a determination that a minor who is 14 years of age or older lacks testamentary capacity. (Code 1981, § 29-2-20, enacted by Ga. L. 2004, p. 161, § 1.)

C.J.S. — 39 C.J.S., Guardian and Ward, § 135.

29-2-21. Power of guardian over minor; obligations of guardians; liability of guardian.

(a) The power of a guardian over the minor shall be the same as that of a parent over a child; the guardian standing in place of the parent. A guardian shall at all times act as a fiduciary in the minor's best interest and exercise reasonable care, diligence, and prudence.

(b) A guardian shall:

(1) Respect the rights and dignity of the minor;

(2) Arrange for the support, care, education, health, and welfare of the minor considering the minor's available resources;

(3) Take reasonable care of the minor's personal effects;

(4) Expend money of the minor that has been received by the guardian for the minor's current needs for support, care, education, health, and welfare;

(5) Conserve for the minor's future needs any excess money of the minor received by the guardian; provided, however, that if a conservator has been appointed for the minor, the guardian shall pay to the conservator, at least quarterly, money to be conserved for the minor's future needs;

(6) If necessary, petition to have a conservator appointed;

(7) Endeavor to cooperate with the conservator, if any;

(8) Within 60 days after appointment and within 60 days after each anniversary date of appointment, file with the court and provide to the conservator, if any, a personal status report concerning the minor, which shall include:

(A) A description of the minor's general condition, changes since the last report, and the minor's needs;

(B) All addresses of the minor during the reporting period and the living arrangements of the minor for all addresses; and

(C) Recommendations for any alteration in the guardianship order;

(9) Promptly notify the court of any conflict of interest between the minor and the guardian when the conflict arises or becomes known to the guardian and take such action as is required by Code Section 29-2-23;

(10) Keep the court informed of the guardian's current address; and

(11) Act promptly to terminate the guardianship when the minor dies, reaches age 18, is adopted, or is emancipated.

(c) A guardian, solely by reason of the guardian-minor relationship, is not personally liable for:

- (1) The minor's expenses;
- (2) Contracts entered into in the guardian's fiduciary capacity;
- (3) The acts or omissions of the minor;
- (4) Obligations arising from ownership or control of property of the minor; or
- (5) Other acts or omissions occurring in the course of the guardianship. (Code 1981, § 29-2-21, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1873, § 1822 and former Code 1933, § 49-201 are included in the annotations for this Code section.

Guardian stands in loco parentis to child, with duty to provide for the child's welfare. Where parental duty and control are lost to a third person by any of the ways recognized by law, such person stands in loco parentis to the child, with the duty and obligation to provide for the child's welfare. *Hale v. Henderson*, 210 Ga. 273, 79 S.E.2d 804 (1954) (decided under former Code 1933, § 49-201).

Where there is no father or mother, the guardian becomes head of the family. *Rountree v. Dennard*, 59 Ga. 629, 27 Am. R. 401 (1877) (decided under former Code 1873, § 1822).

Guardian of minor child has same claim to custody. — Former Code 1933, § 49-201 (former O.C.G.A. § 29-2-1) clearly indicated that guardian of person and property of minor child had same claim to custody of the child as the child's father would have had. *Beavers v. Williams*, 194 Ga. 875, 23 S.E.2d

171 (1942) (decided prior to revision of former Code 1933, § 49-201 by Ga. L. 1976, p. 688, § 4, at which time section employed term "father" rather than "parent").

Guardian's duty to maintain. — Court cannot derive from the duty to protect and maintain, required by former Code 1933, § 49-201 (former O.C.G.A. § 29-2-1), a guardian's duty to visit the guardian's ward in the state hospital. *Tucker v. Lea*, 83 Ga. App. 207, 63 S.E.2d 252 (1951) (decided under former Code 1933, § 49-201).

Upon marriage between adult and underage ward, rights and powers of the guardian cease, both as respects her person and her estate, and the husband acquires the same right and incurs the same obligations which he acquires and incurs in case his wife is of age. *Nicholson v. Wilborn & McWhorter*, 13 Ga. 467 (1853) (decided under prior law).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-201 are included in the annotations for this Code section.

Whereabouts of minor child would seem

to fall within area of parental or guardianship responsibility and therefore the primary responsibility for locating a child who is absent from an educational center or school on an unauthorized basis would fall

upon parents or other guardians or custodians. 1978 Op. Att'y Gen. No. 78-48 (decided under former Code 1933, § 49-201).

29-2-22. Authority of guardian; appointment of guardian ad litem.

(a) The appointment of a guardian shall vest in the guardian the exclusive power, without court order, to:

(1) Take custody of the person of the minor and establish the minor's place of dwelling within this state;

(2) Subject to Chapters 9, 20, and 36 of Title 31 and any other pertinent law, give any consent or approval that may be necessary for medical or other professional care, counsel, treatment, or services for the minor;

(3) Bring, defend, or participate in legal, equitable, or administrative proceedings, including alternative dispute resolution, as are appropriate for the support, care, education, health, or welfare of the minor in the name of or on behalf of the minor;

(4) Execute a surrender of rights to enable the adoption of the minor pursuant to the provisions of Chapter 8 of Title 19 or the adoption laws of any other state; and

(5) Exercise those other powers reasonably necessary to provide adequately for the support, care, education, health, and welfare of the minor.

(b) At the time of the appointment of the guardian or at any time thereafter, any of the following powers may be specifically granted by the court to the guardian upon such notice, if any, as the court shall determine, provided that no disposition of the minor's property shall be made without the involvement of a conservator, if any:

(1) To establish the minor's place of dwelling outside this state;

(2) To change the jurisdiction of the guardianship to another county in this state that is the county of the minor's place of dwelling, pursuant to Code Section 29-2-60;

(3) To change the domicile of the minor to the minor's or the guardian's place of dwelling, in the determination of which the court shall consider the tax ramifications and the succession and inheritance rights of the minor and other parties;

(4) To consent to the marriage of the minor;

(5) To receive reasonable compensation from the estate of the minor for services rendered to the minor; and

(6) If there is no conservator, to disclaim or renounce any property or interest in property of the minor in accordance with the provisions of Code Section 53-1-20 of the Revised Probate Code of 1998.

(c) Before granting any of the powers described in subsection (b) of this Code section, the court shall appoint a guardian ad litem for the minor and shall give notice to any natural guardian of the minor.

(d) In granting any of the powers described in subsection (b) of this Code section, the court shall consider the property rights of the minor and the views of the conservator, if available, or, if there is no conservator, of others who have custody of the minor's property.

(e) In performing any of the acts described in this Code section, the guardian shall act in coordination and cooperation with the conservator or, if there is no conservator, with others who have custody of the minor's property. (Code 1981, § 29-2-22, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1873, § 1838 are included in the annotations for this Code section.

Guardian empowered to appoint agent. — Guardian had power to appoint agent to act for guardian during absence in confederate army, and any act of agent within scope of agent's authority would be as valid as that of guardian. *Tarpley v. McWhorter*, 56 Ga. 410 (1876) (decided under former Code 1873, § 1838).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connec-

tion with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Attorney's fees. — Because a lawyer failed to present any evidence of the value of the lawyer's services at a probate hearing, the trial court was left to determine that value based on its own experience; since the lawyer failed to prove that the contingency agreement with the beneficiaries of an estate provided for a reasonable fee, the trial court was authorized to determine that \$15,000 was a reasonable fee. *Rowen v. Estate of Hughley*, 272 Ga. App. 55, 611 S.E.2d 735 (2005).

29-2-23. Conflicts of interest.

Before entering upon the duties of the appointment, every guardian appointed pursuant to the terms of this chapter shall take an oath or affirmation before the court to perform well and truly the duties required of a guardian and to account faithfully for the estate. The oath or affirmation of a guardian may be subscribed before the judge or clerk of any probate court of this state. The judge of the probate court who appoints the guardian shall have the authority to grant a commission to a judge or clerk of any court of record of any other state to administer the oath or affirmation. Only substantial compliance with statutes in execution of bonds required. — Policy of the law as to all bonds required by statute, and especially as to bonds of guardians, administrators, and like trustees, is to disregard mere formalities, and to require only substantial compliance to secure all statutory remedies to persons injured by their breach. *United States Fid. & Guar. Co. v. Davis*, 2 Ga. App. 525, 58 S.E. 777 (1907) (decided under former Civil Code 1895, § 2528).

Grant of letters without bond not void without notice. — In all cases of appointment by ordinary (now judge of probate court) of guardian of a minor — whether the clerk of the superior court or some other proper person — bond should be required; but the grant of letters without taking bond would not be void as against a bona fide purchaser under the guardian, without no-

tice of want of a bond. *Cuyler v. Wayne*, 64 Ga. 78 (1879) (decided under former Code 1873, § 1812).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Void sale does not amount to breach. — Where sale of realty conducted by guardian is illegal and void, title to property sold does not pass, and heirs and distributees may assert their title to property so sold, so that there is no such loss to them as would amount to breach of bond of administrator and render surety thereon liable. *Hawes v. TERMINATION OF GUARDIANSHIP

29-2-30. Circumstances when guardianship terminates; delivery of property.

(a) The guardianship of a minor shall terminate on the date upon which the earliest of the following occurs: the minor reaches age 18, the minor is adopted, the minor is emancipated, the minor dies, or a court order terminating the guardianship is entered. Proof of adoption, death, or emancipation shall be filed with the court and the court in its discretion may order a hearing.

(b) Within six months prior to the date the minor reaches 18 years of age, the guardian or any other interested person may file a petition for the appointment of a guardian for the minor when that minor becomes an adult, in accordance with the provisions of Article 2 of Chapter 4 of this title, to take effect on or after the date the minor reaches 18 years of age.

(c) The death of the minor automatically terminates the guardianship, except as otherwise provided in Code Section 29-2-31.

(d) Upon termination of the guardianship, the guardian shall deliver any money or property to the former minor or, if a guardian or conservator has been appointed for the former minor, to that guardian or conservator or, if the minor is deceased, to the minor's personal representative. (Code 1981, § 29-2-30, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 4/SB 534.)

29-2-31. Petition for order dismissing guardian.

(a) Upon the termination of the guardianship or the resignation of the guardian, the guardian may petition the court for an order dismissing the guardian from office. The petition shall include a final status report to the court which covers the period of time from the latest annual status report filed by the guardian. The final status report shall contain the information required for annual status reports and shall otherwise comply with the provisions of paragraph (8) of subsection (b) of Code Section 29-2-21. Notice shall be published one time in the newspaper in which sheriff's

advertisements are published in the county in which the petition is filed and shall state that any objection must be made in writing and shall designate the date on or before which objections must be filed in the court, which shall not be less than 30 days from the date of publication. The court shall examine any objections filed.

(b) If no objection is filed or if, upon hearing any objection, the court is satisfied that the order dismissing the guardian from office is appropriate, the court shall enter an order dismissing the guardian from office. Such order shall not bar an action against the guardian. (Code 1981, § 29-2-31, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1850, Cobb's 1851 Digest, p. 340, former Code 1882, § 1849, former Civil Code 1895, §§ 2567, 2568, former Code 1933, § 49-314, and former O.C.G.A. § 29-2-84 are included in the annotations for this Code section.

Letters of dismission act as bar to matters they cured. — Letters of dismission granted to guardian, like other judgments of courts of competent jurisdiction, are a bar as to matters cured by them, unless set aside for fraud in their procurement or for other sufficient cause. *Mobley v. Mobley*, 9 Ga. 247 (1851) (decided under Ga. L. 1850, Cobb's 1851 Digest, p. 340); *Poullain v. Poullain*, 72 Ga. 412 (1884) (decided under former Code 1882, § 1849); *Poullain v. Poullain*, 76 Ga. 420, 4 S.E. 92 (1886) (decided under former Code 1882, § 1849).

Dismissal presupposes a validly appointed guardian. *Gay v. Gay*, 121 Ga. App. 287, 173 S.E.2d 712 (1970) (decided under former Code 1933, § 49-314).

Dismissal amounts to adjudication that guardian has fully and completely performed all duties of trust. *Gay v. Gay*, 121 Ga. App. 287, 173 S.E.2d 712 (1970) (decided under former Code 1933, § 49-314).

Discharge without notice publication does not bar suit. — Discharge granted without compliance with notice publication requirement does not bar suit on guardian's bond. *Griffin v. Collins*, 122 Ga. 102, 49 S.E. 827 (1905) (decided under former Civil Code 1895, § 2567).

Discharge without notice does not bar personal jurisdiction. — Where an application for dismission of a guardian was published as required by former O.C.G.A. § 29-2-84(a), the probate court did not lack personal jurisdiction even though the ward was never served with notice of the dismission. *Utica Mut. Ins. Co. v. Mitchell*, 227 Ga. App. 830, 490 S.E.2d 489 (1997) (decided under former O.C.G.A. § 29-2-84).

Possibility of conflict of interest does not require refusal of dismission. — Mere possibility of conflict between personal interest of guardian who is salaried officer and director in corporation in which ward owns stock and interest of guardian's ward will not require refusal of letters of dismission to guardian. *Gay v. Gay*, 226 Ga. 90, 172 S.E.2d 690 (1970) (decided under former Code 1933, § 49-314).

VIOLATIONS BY GUARDIANS

29-2-40. Petition to resign guardianship; requirements; service; hearing; appointment of successor guardian.

(a) A guardian or the duly authorized guardian, conservator, or attorney in fact of a guardian, acting on behalf of the guardian, may resign upon petition to the court, showing to the satisfaction of the court that:

(1) The guardian is unable to continue to serve due to age, illness, infirmity, or other good cause;

(2) Greater burdens have devolved upon the office of guardian than those that were originally contemplated or should have been contemplated when the guardian was qualified and the additional burdens work a hardship upon the guardian;

(3) Disagreement exists between the minor and the guardian or between the guardian and the conservator in respect of the guardian's care of the minor, which disagreement and conflict appear to be detrimental to the minor;

(4) The resignation of the guardian will result in or permit substantial financial benefit to the minor; or

(5) The resignation would not be disadvantageous to the minor.

(b) The petition for resignation shall include the name of a suitable person who is willing to accept the guardianship.

(c) Personal service of the petition for resignation shall be made upon the minor and a guardian ad litem appointed by the court for the minor. Service shall be made by first-class mail to the parents of the minor in the event of the resignation of a temporary guardian, to the conservator of the minor, if any, and, in the following order of preference, to the following relatives of the minor whose whereabouts are known and who must be persons other than the resigning guardian or the proposed successor guardian:

(1) The adult siblings of the minor; provided, however, that not more than three adult siblings need be served;

(2) If there is no adult sibling of the minor, the grandparents of the minor; provided, however, that not more than three grandparents need be served; or

(3) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998.

(d) If after such hearing as the court deems appropriate, the court is satisfied that the petition for the resignation of the guardian and the appointment of the successor guardian should be granted, the court shall enter an order appointing the successor guardian in accordance with the provisions of Code Section 29-2-51 and accept the resignation, subject to the resigning guardian turning over to the successor guardian or conservator all property of the minor held by the guardian. (Code 1981, § 29-2-40, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised language in subsection (d).

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1873, § 1848 and former Code 1882, § 1848 are included in the annotations for this Code section.

Guardian must present suitable successor who is willing to accept. — Before guardian is permitted to resign the guardian must present a fit and suitable person to the ordinary (now judge of probate court) as

successor who is willing to accept. *Bryce v. Wynn*, 50 Ga. 332 (1873) (decided under former Code 1873, § 1848); *King v. Hughes*, 52 Ga. 600 (1874) (decided under former Code 1873, § 1848).

Order permitting resignation is not judgment that full settlement and accounting have been made. *King v. Hughes*, 52 Ga. 600 (1874) (decided under former Code 1873, § 1848).

The court shall notify the minor and any guardian ad litem appointed for the minor by personal service. Notice shall be given by first-class mail to the conservator of the minor, if any, to the personal representative of the deceased guardian, if any, and, in the following order of preference, to the following relatives of the minor whose whereabouts are known and who must be persons other than the proposed successor guardian:

(a) Upon the petition of any interested person or whenever it appears to the court that good cause may exist to revoke or suspend the letters of guardianship or to impose sanctions, the court shall cite the guardian to answer the charge. The court shall investigate the allegations and may require such accounting as the court deems appropriate. The court may appoint a temporary substitute guardian for the minor during the investigation.

(b) Upon investigation the court may in its discretion:

(1) Revoke or suspend the letters of guardianship;

(3) Reduce or deny compensation to the guardian or impose such other sanction or sanctions as the court deems appropriate; and

(4) Issue any other order as in the court's judgment is appropriate under the circumstances of the case.

- (1) To recover damages;

- (3) To enjoin the commission of a breach of fiduciary duty; or
- (4) To compel the redress of a breach of fiduciary duty by payment of money or otherwise.

(b) When the minor's assets are misapplied and can be traced into the hands of persons who have notice of the misapplication, a trust shall attach to the assets.

(c) The provision of remedies for breach of fiduciary duty by this Code section does not prevent resort to any other appropriate remedy provided by statute or common law. (Code 1981, § 29-2-43, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1868, § 1807, former Code 1882, § 1816, former Civil Code 1910, § 3051, former Code 1933, § 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Infant may maintain bill in equity, by next friend, against guardian for misappropriation of funds. (decided under former Code 1882, § 1816).

Religious belief of guardian does not render guardian unfit to discharge guardianship. *Maxey v. Bell*, 41 Ga. 183 (1870) (decided under former Civil Code 1910, § 3051).

Suit against guardian for waste permitted if regarding revocation of guardianship. — Suit by next friend in behalf of ward for waste committed by guardian, or recovery of money in guardian's hands, can be brought only in connection with a proceeding to

remove guardian and revoke guardian's letters. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Proceedings are against guardian as an individual, not against estate. — Proceedings to remove guardian and revoke guardian's letters, under former Code 1933, § 49-232, 49-115 or 49-116 (former O.C.G.A. § 29-2-45, 29-4-14, or 29-4-15), were proceedings against guardian as an individual, and not against the estate or trust guardian represents; and where guardian was removed as guardian and guardian's letters revoked, it was proper that guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

On question of removal, interest of ward governs, rather than that of guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479

(1937) (decided under former Code 1933, § 49-232).

Burden of proof rests upon party attacking guardian's conduct. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and guardian's letters revoked, upon rule issued by the ordinary (now judge of probate court), under former Code 1933, § 49-232, 49-115 or 49-116 (former O.C.G.A. § 29-2-45, 29-4-14, or 29-4-15), after hearing on guardian's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

Revocation of letters of guardianship. — Where court of ordinary (now probate court) rendered decision revoking letters of

guardianship, an appeal will lie from such decision to superior court, though no issue of fact be involved. *Teasley v. Vickery*, 133 Ga. 721, 66 S.E. 918 (1910) (decided under former Civil Code 1910, § 3051).

For jurisdiction over removal proceedings where guardian and ward have moved from county of original appointment, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-232 are included in the annotations for this Code section.

Use of estate funds should accompany petition to revoke guardianship. — One who has been adjudged insane and confined to state mental hospital and who desires to use

funds in estate for purpose of proving that sanity has been restored, should properly proceed by making application to ordinary (now judge of probate court) for revocation of letters of guardianship. 1952-53 Op. Att'y Gen. p. 373 (decided under former Code 1933, § 49-232).

ARTICLE 1

PROPERTY

- 29-3-1. “Personal property” defined; natural guardian must qualify as conservator; exception.
(a) For purposes of this Code section, “personal property” does not

include the value of property that is held for the minor's benefit in trust or by a custodian under Article 5 of Chapter 5 of Title 44, "The Georgia Transfers to Minors Act."

(b) The natural guardian of a minor may not receive the personal property of the minor until the natural guardian becomes the legally qualified conservator of the minor; provided, however, that when the total value of all personal property of the minor is \$15,000.00 or less, the natural guardian may receive and shall thereafter hold and use all or part of the personal property for the benefit of the minor and shall be accountable for the personal property but shall not be required to become the legally qualified conservator as to that personal property.

(c) Upon receiving an affidavit:

(1) That the value of all the personal property of a minor will not exceed \$15,000.00 in value;

(2) That no conservator has been appointed for the minor's estate; and

(3) That the affiant is the natural guardian of the minor,

any person indebted to or holding personal property of the minor shall be authorized to pay the amount of the indebtedness or to deliver the personal property to the affiant. In the same manner and upon like proof, any person having the responsibility for the issuance or transfer of stocks, bonds, or other personal property shall be authorized to issue or transfer the stocks, bonds, or personal property to or in the name of the affiant. Upon such payment, delivery, transfer, or issuance pursuant to the affidavit, the person shall be released to the same extent as if the payment, delivery, transfer, or issuance had been made to the legally qualified conservator of the minor and shall not be required to see to the application or disposition of the personal property.

(d) This Code section shall not authorize a temporary, testamentary, or permanent guardian to receive personal property of the minor unless the guardian becomes the legally qualified conservator of the minor. (Code 1981, § 29-3-1, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION
RIGHTS OF NATURAL GUARDIAN
BOND

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1868, § 1794, former Code 1895, § 2513, former Civil Code 1910, § 3032, former Code 1933, § 49-102, and former O.C.G.A. § 29-4-2 are included in the annotations for this Code section.

O.C.G.A. § 19-7-1 and former O.C.G.A. § 29-4-2 must be construed together. — See *McCallum v. Bryant*, 212 Ga. 348, 92 S.E.2d 531 (1956) (decided under former Code 1933, § 49-102).

Necessity for appointing guardian ad litem. — Whenever a minor appears as a petitioner in instituting litigation by a next friend, there would seem to be no legal necessity to appoint a guardian ad litem, unless, for some reason, it should be made to appear to the court that the next friend is not a suitable person or for some other reason interests of minor would not be properly protected. *Sanders v. Hinton*, 171 Ga. 702, 156 S.E. 812 (1931) (decided under former Civil Code 1910, § 3032).

Binding in courts of law and equity. — Former Code 1868, § 1794 (former O.C.G.A. § 29-4-2) was for protection of rights of minor children and was as imperative and binding in courts of equity as in courts of law. *Southwestern R.R. v. Chapman*, 46 Ga. 538 (1872) (decided under former Code 1868, § 1794).

For discussion of scope of natural guardianship, see *Jordan v. Smith*, 5 Ga. 559, 63 S.E. 595 (1909) (decided under former Code 1895, § 2513).

Imbecile minor presents no exception to this rule. *Brown v. Gibson*, 203 Ga. 213, 46 S.E.2d 68 (1948) (decided under former Code 1933, § 49-102).

Ward without recourse cannot be bound. — When child has no recourse against representative, then authority to bind child cannot exist. *Lynn v. Wagstaff Motor Co.*, 126 Ga. App. 516, 191 S.E.2d 324 (1972) (decided under former Code 1933, § 49-102).

Lee*, 217 Ga. 155, 121 S.E.2d 821 (1961); *Ingle v. Rubenstein*, 112 Ga. App. 767, 146 S.E.2d 367 (1965); *Georgia Mut. Ins. Co. v. Nix*, 113 Ga. App. 735, 149 S.E.2d 494 (1966); *Summerour v. Summerour*, 131 Ga. App. 519, 206 S.E.2d 535 (1974); *Jordan v. Goff*, 160 Ga. App. 636, 287 S.E.2d 640 (1981).

Rights of Natural Guardian

Cannot appoint guardian of person unless natural guardian lost status. — The probate court has no authority to appoint another as guardian of the person of a child with a living natural guardian unless the loss of that status has been ascertained and declared in some regular proceeding authorized by law, after due notice is given. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2).

When natural mother of illegitimate child showed that she was the child's mother, that her parental rights had not been relinquished or forfeited in some regular proceeding authorized by law, and that she was, therefore, the natural guardian of the child, the probate court was without jurisdiction to appoint someone else as the guardian of the child's person. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2).

Mother of illegitimate child is the child's natural guardian with prima-facie right to custody. *Whitlock v. Barrett*, 158 Ga. App. 100, 279 S.E.2d 244 (1981) (decided under former O.C.G.A. § 29-4-2). *Brown v. King*, 193 Ga. App. 495, 388 S.E.2d 400 (1989) (decided under former O.C.G.A. § 29-4-2).

Surviving parent's right to custody of child cannot be divested by will of deceased parent. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-102).

Parent may forfeit rights as guardian by cruel treatment. — Father has right to be guardian of his minor children, but he may forfeit such right by cruel treatment or neglect of them. *McCallum v. Bryant*, 212 Ga. 348, 92 S.E.2d 531 (1956) (decided under former Code 1933, § 49-102).

Parental rights not relinquished by custody agreement. — Although the petitioner

Rights of Natural Guardian (Cont'd)

argued the appointment of guardianship was proper because the mother, the natural guardian of the minor children involved, had voluntarily waived her parental rights and consented to the award of guardianship by sworn affidavit, the affidavit clearly conferred only temporary custody, and made no reference to permanent guardianship. Parental rights are not relinquished by an agreement granting mere custody. *Hill v. Loren*, 187 Ga. App. 71, 369 S.E.2d 260, cert. denied, 187 Ga. App. 907, 369 S.E.2d 260 (1988) (decided under former O.C.G.A. § 29-4-2).

Custody right under divorce decree inures to surviving parent. — Upon death of parent who has held custody under divorce decree, the right to custody automatically inures to surviving parent, and divorce proceeding fails so far as concerns any further right to custody of children. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-102).

Natural guardian may not sign away child's chose of action. — A chose in action is

property and a natural guardian has no more authority to sign it away than the guardian would have to sell tangible property of child. *Lynn v. Wagstaff Motor Co.*, 126 Ga. App. 516, 191 S.E.2d 324 (1972) (decided under former Code 1933, § 49-102).

Bond

Requirement of bond applies to income of property and corpus. — Provision of former Code 1868, § 1794 (former O.C.G.A. § 29-4-2), requiring that guardian give bond before the guardian can demand and receive property of child, applied to income of property as well as to corpus thereof. *Southwestern R.R. v. Chapman*, 46 Ga. 538 (1872) (decided under former Code 1868, § 1794).

Effect of giving bond by natural guardian. — The only effect of giving bond by natural guardian is to empower the guardian to demand and receive any property belonging to the child. *Drake v. Drake*, 187 Ga. 423, 1 S.E.2d 573 (1939) (decided under former Code 1933, § 49-102).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-102 and former O.C.G.A. § 29-4-2 are included in the annotations for this Code section.

Probate court without authority to appoint guardian where living parent. — Unless an appointment of a temporary guardian was made under former O.C.G.A. § 29-4-4.1, a probate court was without authority to appoint a guardian of the person for a minor child if the child had living parents, unless the parents relinquished or forfeited their rights in the child. 1983 Op. Att'y Gen. No. U83-37 (decided under former O.C.G.A. § 29-4-2).

Child support transfer not benefitting child improper. — Transfer by parent of child support judgment without benefitting child is inconsistent with parent's duties as

natural guardian of child and child's property. 1972 Op. Att'y Gen. No. 72-147 (decided under former Code 1933, § 49-102).

Parents responsible for locating child absent from school without authorization. — Whereabouts of minor child would clearly seem to fall within area of parental or guardianship responsibility, and therefore, primary responsibility for locating a child who is absent from an educational center or school on an unauthorized basis would fall upon parents or other guardians or custodians. 1978 Op. Att'y Gen. No. 78-48 (decided under former Code 1933, § 49-102).

Domicile of minor is that of parents, but this can be altered where usual parental authority and control over the minor is ended by voluntary or involuntary relinquishment. 1981 Op. Att'y Gen. No. U81-5 (decided under former O.C.G.A. § 29-4-2).

29-3-2. Release of debtor when collection doubtful.

The natural guardian of a minor who has no conservator may release the debtor and compromise a debt when the collection of the debt is doubtful without becoming the conservator of the minor and without such action being approved by the court if the amount of the debt is \$15,000.00 or less. (Code 1981, § 29-3-2, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1882, § 2539, and former Code 1933, § 49-221 are included in the annotations for this Code section.

"Debt" means that fixed and specific amount is owing. — Distinguishing characteristic of word debt is that fixed and specific amount is owing and no future valuation is

required to settle it. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

29-3-3. "Gross settlement" defined; compromise of claim; finality of settlement.

(a) For purposes of this Code section, the term "gross settlement" means the present value of all amounts paid or to be paid in settlement of the claim, including cash, medical expenses, expenses of litigation, attorney's fees, and any amounts paid to purchase an annuity or other similar financial arrangement.

(b) If the minor has a conservator, the only person who can compromise a minor's claim is the conservator.

(c) Whether or not legal action has been initiated, if the proposed gross settlement of a minor's claim is \$15,000.00 or less, the natural guardian of the minor may compromise the claim without becoming the conservator of the minor and without court approval. The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1.

(d) If no legal action has been initiated and the proposed gross settlement of a minor's claim is more than \$15,000.00, the settlement must be submitted for approval to the court.

(e) If legal action has been initiated and the proposed gross settlement of a minor's claim is more than \$15,000.00, the settlement must be submitted for approval to the court in which the action is pending. The natural guardian or conservator shall not be permitted to dismiss the action and present the settlement to the court for approval without the approval of the court in which the action is pending.

(f) If the proposed gross settlement of a minor's claim is more than \$15,000.00, but the gross settlement reduced by:

(1) Attorney's fees, expenses of litigation, and medical expenses which shall be paid from the settlement proceeds; and

(2) The present value of amounts to be received by the minor after reaching the age of majority

is \$15,000.00 or less, the natural guardian may seek approval of the proposed settlement from the appropriate court without becoming the conservator of the minor. The natural guardian must qualify as the conservator of the minor in order to receive payment of the settlement if necessary to comply with Code Section 29-3-1.

(g) If the proposed gross settlement of a minor's claim is more than \$15,000.00, but such gross settlement reduced by:

(1) Attorney's fees, expenses of litigation, and medical expenses which shall be paid from the settlement proceeds; and

(2) The present value of amounts to be received by the minor after reaching the age of majority

is more than \$15,000.00, the natural guardian may not seek approval of the proposed settlement from the appropriate court without becoming the conservator of the minor.

(h) If an order of approval is obtained from the court based upon the best interest of the minor, the natural guardian or conservator is authorized to compromise any contested or doubtful claim in favor of the minor without receiving consideration for such compromise as a lump sum. Without limiting the foregoing, the compromise may be in exchange for an arrangement that defers receipt of part or all of the consideration for the compromise until after the minor reaches the age of majority and may involve a structured settlement or creation of a trust on terms which the court approves.

(i) Any settlement entered consistent with the provisions of this Code section shall be final and binding upon all parties, including the minor. (Code 1981, § 29-3-3, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 5/SB 534.)

The 2006 amendment, effective July 1, 2006, in the first sentence of subsection (h), deleted “judge of the probate” preceding “court” near the beginning, and substituted “the natural guardian or conservator” for “the guardian” near the middle.

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION CLAIMS SUBJECT TO COMPROMISE EFFECT OF COMPROMISE

General Consideration

Editor’s notes. — In light of the similarity of the provisions, decisions under former Code 1882, §§ 2537, 2538, former Civil Code 1910, §§ 4004, 4005, former Code 1933, §§ 49-219, 49-221, and former O.C.G.A. § 29-2-16 are included in the annotations for this Code section.

Compromises of claims and compromises of debts distinguished. — Former Code 1933, §§ 49-219 and 49-221 (former O.C.G.A. §§ 29-2-16 and 29-2-18) were for purpose of distinguishing when guardian can compromise contested or doubtful claim of ward, and when the guardian can compromise a doubtful debt of ward; requirements for compromising a claim and for compromising a debt are different, and are set forth in separate sections. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, §§ 49-219 and 49-221).

Subject matter to be compromised is claims whose justice and legality may be questioned. *Maynard v. Cleveland*, 76 Ga. 52 (1885) (decided under former Code 1882, § 2537).

Compromise need not be approved by probate judge. — There is no requirement that a compromise be approved by the ordinary (now judge of probate court), as is the case with doubtful debts under former Code 1933, § 49-221 (former O.C.G.A. § 29-2-18) referring to liquidated contractual demands. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

A probate court clearly has jurisdiction to appoint a guardian for a minor. However, a guardian, once appointed, need not obtain

the approval of the probate court to settle a contested or doubtful claim for or against the minor. Accordingly, any settlement of the tort claims of minors to which their duly appointed guardian agreed would not have to be approved by the probate court. *King Cotton, Ltd. v. Powers*, 200 Ga. App. 549, 409 S.E.2d 67 (1991) (decided under former O.C.G.A. § 29-2-16).

A guardian of property need not obtain prior approval of the probate court in order to compromise or settle a contested or disputed claim. *Hay v. Norfolk S. Ry.*, 879 F. Supp. 1192 (N.D. Ga. 1994) (decided under former O.C.G.A. § 29-2-16).

Executor’s authority need not be revoked to attack fraudulent agreement. — Where executor has exceeded authority in entering agreement, the executor’s authority need not be revoked in order to attack such agreement. *Empire Life Ins. Co. v. Mason*, 140 Ga. 141, 78 S.E. 935 (1913) (decided at time when law included guardians, administrators, executors and other fiduciaries in its grant of authority to compromise claims; decided under former Civil Code 1910, § 4004).

The probate court’s jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward’s attorneys pay into the registry of court such settlement funds as they disbursed to themselves and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-2-16).

Binding settlement reached. — Minor’s exemption under O.C.G.A. § 13-5-3 from contractual liability is a personal privilege

General Consideration (Cont'd)

which others may not assert as a defense; binding settlement agreement was reached between an insurer and a minor injured party even though: (1) a contract of a minor is voidable under O.C.G.A. § 13-3-20(a); (2) judicial approval pursuant to former O.C.G.A. § 29-2-16(e) postdated the settlement agreement; and (3) no guardian had been appointed for the minor at the time the agreement was reached. *Grange Mut. Cas. Co. v. Kay*, 264 Ga. App. 139, 589 S.E.2d 711 (2003) (decided under former O.C.G.A. § 29-2-16).

On necessity of order of ordinary (now judge of probate court), see *Jones v. Ragan*, 136 Ga. 653, 71 S.E. 1098 (1911) (decided under former Civil Code 1910, § 4005).

App. 391, 499 S.E.2d 150 (1998).

Claims Subject to Compromise

“Claim” embraces assertion of liability to party making it to pay sum of money.

Campbell v. Atlanta Coach Co., 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

“Claims” is sufficiently broad to include a tort action. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

“Claims” includes demands arising out of tort. — “Claims” as used in former Code 1933, § 49-219 (former O.C.G.A. § 29-2-16) had a technical meaning and implied that a right is in dispute, including a demand arising out of tort. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Wrongful death action was a property right and could be compromised or settled by a duly appointed guardian of property pursuant to former O.C.G.A. § 29-2-16. *Hay v. Norfolk S. Ry.*, 879 F. Supp. 1192 (N.D. Ga. 1994) (decided under former O.C.G.A. § 29-2-16).

Effect of Compromise

Guardian may negotiate complete settlement, which is conclusive until set aside in direct proceeding brought for that purpose. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

Compromise settlement is conclusive until set aside. — Compromise settlement of doubtful “claim” made by guardian is conclusive until set aside in direct proceeding in which guardian is a necessary party. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

29-3-4. Disqualifications of conservator.

No person may be appointed or continue to serve as conservator of a minor who:

(1) Is a minor, a ward, or a protected person; or

(2) Has a conflict of interest with the minor unless the court determines that the conflict of interest is insubstantial or that the appointment clearly would be in the minor's best interest. (Code 1981, § 29-3-4, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-5. Nomination of testamentary conservator; no notice, bond, or security required; rights, powers, and duties.

(a) Every parent, by will, may nominate a testamentary conservator for the parent's minor child for the property that passes to the minor under the parent's will.

(b) Upon probate of the will, letters of conservatorship shall be issued to the individual nominated in the parent's will who shall serve as testamentary conservator without notice or hearing.

(c) A testamentary conservator shall not be required to give bond and security on the property that passes to the minor under the parent's will, except in the case of waste committed or apprehended, in which case the court may require a bond and security. If the testamentary conservator fails to give bond as required, the court may dismiss the conservator and appoint another conservator. If property accrues or has accrued to the minor from sources other than the parent's will, the court may appoint a different conservator for such property or may appoint the testamentary conservator for such property and require the testamentary conservator to give bond for the property thus accruing.

(d) In all other respects a testamentary conservator shall have the same rights, powers, and duties as other conservators appointed by the court. (Code 1981, § 29-3-5, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION
BOND

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1851-52, p. 101, § 1, former Code 1882, § 1804, former Civil Code 1895, § 2514, former Civil Code 1910, § 3033, and former Code 1933, § 49-103 are included in the annotations for this Code section.

Statutes providing for appointment of guardians for minor children. — The general assembly by inclusion of word "minor" at one place and its exclusion at another did not intend that a parent might, by will, appoint a guardian for property of children who had reached their majority. Therefore, former Code 1933, § 49-103 (former O.C.G.A. § 29-4-3) only provided for appointment of guardians for persons and/or property of minor children. *Adams v. Lay*, 218 Ga. 451, 128 S.E.2d 502 (1962) (decided under former Code 1933, § 49-103).

Citation unnecessary in appointing guardian already appointed testamentary guardian. — In appointing one as guardian of minors, who has already been appointed as testamentary guardian in their father's will, citation, as ordinarily required by law, is unnecessary. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Parental power does not include power to appoint testamentary guardian. — One awarded parental power over minor has no power to appoint testamentary guardian for such minor. *Lamar v. Harris*, 117 Ga. 993, 44 S.E. 866 (1903) (decided under former Civil Code 1895, § 2514).

Only surviving parent may appoint guardian of person of minor. *Adams v. Lay*, 218 Ga. 451, 128 S.E.2d 502 (1962) (decided under former Code 1933, § 49-103).

Surviving parent's right to custody of child cannot be divested by will of deceased parent. *Girtman v. Girtman*, 191 Ga. 173, 11 S.E.2d 782 (1940) (decided under former Code 1933, § 49-103).

Custody does not include power to appoint testamentary guardian. — Judgment

or decree of divorce which gives custody and education of child of marriage to wife, does not empower her to appoint a testamentary guardian for that child while the father survives. *Taylor v. Jeter*, 33 Ga. 195, 81 Am. Dec. 202 (1862) (decided under Ga. L. 1851-52, p. 101, § 1).

Testamentary guardian cannot, by will, transfer custody of the ward to another. *Taylor v. Jeter*, 33 Ga. 195, 81 Am. Dec. 202 (1862) (decided under Ga. L. 1851-52, p. 101, § 1).

Testamentary guardian is still guardian of the person though dismissed for waste or failure to give bond. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Grandparent named as testamentary guardian should prevail. — Where both parents of infant child are deceased, father having survived mother and by will having provided that his mother should be testamentary guardian of the person of such child, and where in contest between paternal and maternal grandmothers of the child it appears that both are fit and proper persons to have custody of the child, the testamentary guardian is entitled to custody. *Shanks v. Ross*, 173 Ga. 55, 159 S.E. 700 (1931) (decided under former Civil Code 1910, § 3033).

Cited in *Poe v. Schley*, 16 Ga. 364 (1854); *Southern Marble Co. v. Stegall*, 90 Ga. 236, 15 S.E. 806 (1892); *Bulloch v. Bulloch*, 45 Ga. App. 1, 163 S.E. 708 (1932); *Gilmore v. Mutual Benefit Life Ins. Co.*, 179 Ga. 267, 175 S.E. 681 (1934); *Odum v. Henry*, 254 Ga. 739, 334 S.E.2d 304 (1985).

Bond

When bond required. — Bond and security is required from all general guardians appointed by the ordinary (now judge of probate court) and the ordinary has discretionary power to require additional bond and security when the estate of the ward is enlarged by subsequent acquisition. *Huson*

v. Green, 88 Ga. 722, 16 S.E. 255 (1892) (decided under former Code 1882, § 1804).

Probate court may authorize testamentary guardian to take charge of minor's estate without requiring bond. — Nothing in the law indicates that court of ordinary (now probate court) is without jurisdiction to authorize testamentary guardian to take charge of minor's estate without requiring bond. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Probate court failing to require bond under can, nonetheless, issue letters of guardianship. — Failure to require bond where property comes to ward from sources other than parent's will does not deprive probate

court of original jurisdiction to issue letters of guardianship which cannot be collaterally attacked. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Letters of guardianship not null and void due to failure to require bond. — Issuance of letters of guardianship was not null and void because of failure of probate court to require bond from guardian as required by former Code 1910, § 3033 (former O.C.G.A. § 29-4-3(c)) where property came to ward from sources other than parent's will. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

GENERAL CONSIDERATION
WARD'S RIGHT TO SELECT
JURISDICTION

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. Laws 1850, Cobb's 1851 Digest, p.338, former Code 1868, § 1797, former Code 1882, § 1806, former Civil Code 1895, § 2516, former Civil Code 1910, § 3036, former Code 1933, § 49-105, and former O.C.G.A. § 29-4-4 are included in the annotations for this Code section.

Probate judge has appointment power for benefit of child. — Power of appointment is vested in ordinary (now judge of probate court), for benefit of child, not of applicant. *Watson v. Warnock*, 31 Ga. 716 (1861) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Cited in *Nicholson v. Spencer*, 11 Ga. 607 (1852); *Perkins v. Attaway*, 14 Ga. 27 (1853); *Wood v. Crawford*, 18 Ga. 526 (1855); *McBain v. Wimbish*, 27 Ga. 259 (1859); *Beard v. Dean*, 64 Ga. 258 (1879); *Bulloch v. Bulloch*, 45 Ga. App. 1, 163 S.E. 708 (1932); *Price v. Matthews*, 68 Ga. App. 510, 23 S.E.2d 535 (1942); *Beavers v. Adams*, 219 Ga. 633, 135 S.E.2d 428 (1964); *Mathis v. Sapp*, 232 Ga. 620, 208 S.E.2d 446 (1974).

Ward's Right to Select

On appeal the whole case is tried anew, and discretion of ordinary (now judge of probate court) vests in superior court for that trial. *Watson v. Warnock*, 31 Ga. 716

(1861) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Jurisdiction

Infant's residence at time guardian appointed determines jurisdiction. — Infant's place of residence at time guardian is to be appointed determines jurisdiction; hence the ordinary (now judge of probate court) who appointed the first guardian of a ward may not always appoint the guardian's successor. *Harrison v. Tonge*, 67 Ga. App. 54, 19 S.E.2d 535 (1942) (decided under former Code 1933, § 49-105).

No jurisdiction to appoint guardian for infant residing outside county. — Ordinary (now judge of probate court) has no jurisdiction to appoint guardian for infant whose residence is out of the county. *Rives v. Sneed*, 25 Ga. 612 (1858) (decided under Ga. L. 1850, Cobb's 1851 Digest, p. 338).

Judge of residence approves guardian selection. — It is for probate judge of ward's county of residence to approve or disapprove selection. *Dickerson v. Bowen*, 128 Ga. 122, 57 S.E. 326 (1907) (decided under former Civil Code 1895, § 2516).

Jurisdiction over removal and new appointments where guardian and ward leave county without removing trust, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-105).

Jurisdiction is based upon presence of property within county. See *Coker v. Gay*, 154 Ga. 337, 114 S.E. 217 (1922) (decided under former Civil Code 1910, § 3036).

29-3-7. Preference amongst individuals for appointment of conservator; court's ability to ignore preference for best interest of minor.

(a) The court shall appoint as conservator that person who shall best serve the interest of the minor considering the following order of preferences:

(1) The individual who is the preference of a minor who is 14 years of age or older;

(2) The nearest adult relative of the minor as set forth in Code Section 53-2-1 of the Revised Probate Code of 1998;

(3) Other adult relatives of the minor;

(4) Other adults who are related to the minor by marriage;

(5) A person who was designated in writing by a minor's natural guardian in a notarized document or document witnessed by two or more persons;

(6) A person who has provided care or support for the minor or with whom the minor has lived; or

(7) The county guardian.

(b) The court may disregard an individual who has preference and appoint a person who has a lower preference or no preference. In determining what is in the best interest of the minor, the court may take into account any facts and circumstances presented to it, including the statement of a minor who is under 14 years of age. L. 1922, p. 46, § 1, former Code 1933, §§ 49-105, 49-107, and former O.C.G.A. §§ 29-4-4 and 29-4-8 are included in the annotations for this Code section.

Probate judge has appointment power for benefit of child. — Power of appointment is vested in ordinary (now judge of probate court), for benefit of child, not of applicant. *Watson v. Warnock*, 31 Ga. 716 (1861) (decided under Ga. Laws 1850, Cobb's 1851 Digest, p. 338).

Guardian of the property. — Former O.C.G.A. § 29-4-4 authorized a probate court to appoint a guardian of the property, over the natural guardian's objection, of a minor over the age of 14, whose sole property was a personal injury action. In *re Ray*, 248 Ga. App. 45, 545 S.E.2d 617 (2001) (decided under former O.C.G.A. § 29-4-4).

Discussion of former Civil Code 1895, § 2516 (former O.C.G.A. § 29-4-4) application where child had natural guardian. — See *Jordan v. Smith*, 5 Ga. App. 559, 63 S.E. 595 (1909) (decided under former Civil Code 1895, § 2516).

Contest for guardianship of person and property of one adjudged incompetent. — Former Civil Code 1895, § 2518 (former O.C.G.A. § 29-4-8) was applicable to a contest for guardianship of the person and property of one who has been adjudged incapable of managing one's estate and therefore liable to have a guardian appointed for that person. *Armor v. Moore*, 104 Ga. 579, 30 S.E. 821 (1898) (decided under former Civil Code 1895, § 2518).

Nearest relative has absolute right to appointment if unobjectionable. See *Kelley v. Kelley*, 129 Ga. App. 257, 199 S.E.2d 399 (1973) (decided under former Code 1933, § 49-107); *Abrams v. Daffron*, 155 Ga. App. 182, 270 S.E.2d 278 (1980).

Meaning of word "objectionable." — The word "objectionable" in former Code 1933, § 49-107 referred not to moral qualities exclusively but to any position or course of dealing which led to the conclusion that the interest of a person selected was adverse to

that of the estate. *Kelley v. Kelley*, 129 Ga. App. 257, 199 S.E.2d 399 (1973) (decided under former Code 1933, § 49-107).

A court has wide discretion in determining whether an applicant was entitled to the absolute preference set forth in former O.C.G.A. § 29-4-8, and it was apparent that "objectionability" in a guardianship dispute was not the same as "parental unfitness," which must generally be shown before a court can interfere with a parent's right to custody over a child. An inquiry into a guardianship applicant's "unobjectionability" may broadly consider the applicant's suitability, habits, responsibility, sense, and morality, as well as the financial interests of the child. A person may be "objectionable," and not entitled to guardianship as a matter of right, even though the objections would not authorize interfering with the person's right to custody of the person's own child. *Huval v. Jacobs*, 248 Ga. App. 696, 548 S.E.2d 437 (2001) (decided under former O.C.G.A. § 29-4-8).

Grandparent named as testamentary guardian should prevail. — Where both parents of an infant child are deceased, the father having survived the mother and by will having provided that his mother should be testamentary guardian of the person of such child, and where in a contest between the paternal and the maternal grandmothers of the child it appears that both are fit and proper persons to have custody of the child, the testamentary guardian is entitled to the custody. *Shanks v. Ross*, 173 Ga. 55, 159 S.E. 700 (1931) (decided under Ga. L. 1922, p. 46, § 1).

Child's grandmother was not entitled to the absolute preference provided for in the statute, and custody of the child was properly awarded to the child's aunt and uncle since: (1) the trial court noted that the grandmother had not exhibited good parenting skills in regard to her own children and had led an inappropriate life style in the presence of minors in the past; (2) the court noted that she divorced the children's father when they were young and then had two long term live in relationships while the minor children lived in her house; (3) one of the children went to live with her father for a year when she was 13 because of difficulties in her relationship with her mother and subsequently left home before

finishing high school; and (4) the court found that the grandmother had time and again made poor moral decisions and that educational success had not been a priority for her or her children. *Huval v. Jacobs*, 248 Ga. App. 696, 548 S.E.2d 437 (2001) (decided under former O.C.G.A. § 29-4-8).

Preference of remaindermen is immaterial. — Under the provisions of former Civil Code 1895, § 2518 (former O.C.G.A. § 29-4-8), the ward's nearest of kin by blood, if unobjectionable, was, in such a contest, entitled to the appointment; and the preference of remaindermen, to whom the ward's estate may eventually belong was not, in legal contemplation, material. *Armor v. Moore*, 104 Ga. 579, 30 S.E. 821 (1898) (decided under former Civil Code 1895, § 2518).. See also *Johnson v. Kelly*, 44 Ga. 485 (1871); *Chalker v. Thornton*, 31 Ga. App. 791, 122 S.E. 244 (1924).

Ward's Right to Select

At age of 14 ward may choose new guardian. — Pursuant to former Code 1868, § 1797 (former O.C.G.A. § 29-4-4), a ward, after attaining an age of 14 years, has right to choose a guardian, and for that purpose to have letters of guardianship issued under appointment of ordinary (now judge of probate court) to former guardian, revoked. *Bryce v. Wynn*, 50 Ga. 332 (1873) (decided under former Code 1868, § 1797).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-4-4 are included in the annotations for this Code section.

Cannot appoint guardian of person where child has living parent. — Unless an appointment of a temporary guardian was made

under former O.C.G.A. § 29-4-4.1, a probate court was without authority to appoint a guardian of the person for a minor child if the child had living parents, unless the parents relinquished or forfeited their rights in the child. 1983 Op. Att'y Gen. No. U83-37 (decided under former O.C.G.A. § 29-4-4).

29-3-8. Petition for appointment of conservator for minor; requirements of petition; notice.

(a) Any person may file a petition for the appointment of a conservator of a minor.

(b) The petition for appointment of a conservator shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and date of birth of the minor;

(3) The name, address, and county of domicile of the petitioner and the petitioner's relationship to the minor, if any, and, if different from the petitioner, the name, address, and county of domicile of the person nominated by the petitioner to serve as conservator and that person's relationship to the minor, if any;

(4) Whether to the petitioner's knowledge there exists any notarized or witnessed document made by a parent of the minor that deals with the conservatorship of the minor and the name and address of any designee named in the document;

(5) In addition to the petitioner and the nominated conservator, the names and addresses of the following relatives of the minor whose whereabouts are known:

(A) Any parent of the minor whose parental rights have not been terminated;

(B) If there is no parent of the minor whose parental rights have not been terminated, the adult siblings of the minor; provided, however, that not more than three adult siblings need be listed;

(C) If there is no adult sibling of the minor, the grandparents of the minor; provided, however, that not more than three grandparents need be listed; or

(D) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998;

(6) A description of all known assets, income, other sources of funds, liabilities, and expenses of the minor;

(7) A disclosure of any financial interest that would cause the proposed conservator to have a conflict of interest with the minor;

(8) A specific listing of any of the additional powers, as described in subsections (b) and (c) of Code Section 29-3-22, that are requested by the conservator and a statement of the circumstances that would justify the granting of such powers; and

(9) The reason for any omission in the petition for appointment of conservator of a minor in the event full particulars are lacking.

(c) Notice of the petition for appointment of a conservator for a minor shall be given to any designee named in paragraph (4) of subsection (b) of

this Code section and the individuals named in paragraph (5) of subsection (b) of this Code section. The notice shall be by personal service if the individual resides in this state at a known current address; by first-class mail if the individual resides outside this state at a known address; or by publication for two weeks in the official county legal organ for the county in which the petition is filed if no address is known. The notice shall state that the individual is entitled to object either to the establishment of a conservatorship or to the selection of the petitioner as conservator, or both. The notice shall require that any objection be filed in writing with the court within ten days of the personal service, within 14 days of the date of the mailing of the notice, or within ten days of the date of the second publication of the notice.

(d) If the judge deems it necessary, a temporary conservator may be appointed under the same rules that apply to the appointment of a temporary administrator as provided in Article 4 of Chapter 6 of Title 53. (Code 1981, § 29-3-8, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1910, §§ 3033 and 3046, former Code 1933, § 49-112, and former O.C.G.A. § 29-5-2 are included in the annotations for this Code section.

For purpose of notice, see *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided prior to amendment of former Civil Code 1810, § 3046 by Ga. L. 1958, p. 673, § 2, which changed notice requirement).

Citation unnecessary to appoint mother as guardian of daughter's property. — In order for a mother, the natural guardian, to also be appointed guardian of her daughter's property, citation is unnecessary. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-112).

Citation necessary for appointment for one not child of applicant. — Where application is for appointment of guardian of a minor child under 14 years of age, other than child of applicant, it is necessary for citation to issue. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-112).

Second citation unnecessary. — It is not necessary to issue a second citation when the first citation of application for letters of

administration is for the appointment of one person even though the court issues letters of administration to an entirely different person, as to whose appointment no previous notice had been given to any one. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3046).

No citation is necessary for appointment of testamentary guardian and a testamentary guardian might be authorized by probate court to take charge of property coming to the guardian's ward from sources other than parent's will, without necessity of citation. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3033).

Further notice unnecessary for testamentary guardian over property from other sources. — Where applicant has already, by will, been made testamentary guardian, it is a matter of testamentary disposition, and there would seem to be no necessity for further notice. Moreover, the law raises implication that there could be no better selection for guardianship of property of minors coming from outside sources than that already provided by the father in his own will as to their persons and property devised by the will. *New York Life Ins. Co. v. Gilmore*, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 3046).

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county guardian as the new guardian, the record supported appellant's argument that the probate court failed to consider the statu-

tory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. In re Phillips, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-2).

29-3-10. Requirements of order granting conservatorship; required filing of certificate.

(a) An order granting conservatorship shall specify:

- (1) The name of the conservator and the basis for the selection;
- (2) A specific listing of any of the additional powers, as described in subsections (b) and (c) of Code Section 29-3-22 that are granted to the conservator;
- (3) If a guardian is also appointed and if the guardian and conservator are not the same person, the reasonable sums or property to be provided to the guardian to provide adequately for the minor's support, care, education, health, and welfare, subject to modification by subsequent order of the court;
- (4) If the minor has an interest in real property, the name of the county in which the real property is located; and
- (5) Such other and further provisions of the conservatorship as the court shall determine to be in the best interest of the minor, stating the reasons therefor.

(b) In any case involving the appointment of a conservator, if the minor has an interest in real property, the court shall file, within 30 days of granting the petition for conservatorship, a certificate with the clerk of the superior court of each county in this state in which the minor owns real property, which shall be recorded in the deed records of the county and indexed under the name of the minor in the grantor index. The certificate shall set forth the name of the minor, the expiration date of the conservatorship, the date of the order granting the conservatorship, and the name of the conservator. The certificate shall be accompanied by the same fee required for filing deeds with the clerk of the superior court. The filing fee and any fee for the certificate shall be taxed as costs to the estate. (Code 1981, § 29-3-10, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been included in the annotations for this Code section.

Proceedings in probate court only governed by recording requirement in former

O.C.G.A. § 29-5-6(e)(2) and on de novo appeal from probate court decision on guardianship petition, superior court may, but was not required to, have the hearing reported. *Snider v. Lavender*, 164 Ga. App. 591, 298 S.E.2d 582 (1982) (decided under former O.C.G.A. § 29-5-6).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's

address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798 (1988) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the petition at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Mental capacity to petition for appointment of guardian. — A person receiving social security disability benefits based on a

mental disability, who had not been adjudicated to be incapacitated, was not disqualified to petition for appointment of a guardian for mother. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Notice to nearest relatives of alleged mental incompetent is insufficient. *Edwards v. Lampkin*, 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v.*

Lampkin, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Failure to have hearing recorded impacts appeal. — Absent a record of the hearing, the appellate could not determine whether the probate court's finding that appellant was incapable of managing appellant's estate was supported by clear and convincing evidence; accordingly, because the probate

court failed to have the hearing recorded or reported, appellant was effectively denied appellant's right to appeal the probate court's decision. *In re Phillips*, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-6).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. RIGHTS OF MINOR AND OBLIGATIONS OF CONSERVATOR

29-3-20. Rights of minor; effect on testamentary capacity.

(a) In every conservatorship, the minor has the right to:

- (1) A qualified conservator who acts in the best interest of the minor;
- (2) A conservator who is reasonably accessible to the minor;
- (3) Have the minor's property utilized as necessary to provide adequately for the minor's support, care, education, health, and welfare; and
- (4) Individually or through the minor's representative or legal counsel, bring an action relating to the conservatorship.

(b) The appointment of a conservator is not a determination that an individual who is 14 years of age or older lacks testamentary capacity. (Code 1981, § 29-3-20, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-7 are included in the annotations for this Code section.

Ward's right to make will. — The appointment of a guardian for adults who are incapacitated does not destroy the ward's right or ability to make a will. *Pope v. Fields*, 273

Ga. 6, 536 S.E.2d 740 (2000) (decided under former O.C.G.A. § 29-5-7).

29-3-21. Obligations of conservator; liability of conservator.

(a) A conservator shall receive, collect, and make decisions regarding the minor's property, except as otherwise provided by law or by the court. A conservator shall at all times act as a fiduciary in the minor's best interest and exercise reasonable care, diligence, and prudence.

(b) A conservator shall:

- (1) Respect the rights and dignity of the minor;
- (2) Be reasonably accessible to the minor and maintain regular communication with the minor;
- (3) Petition to have a guardian appointed if necessary;
- (4) Endeavor to cooperate with the guardian, if any;
- (5) Provide for the support, care, education, health, and welfare of the minor, considering available resources;

- (6) Give such bond as required by Code Section 29-3-40;
 - (7) Within two months of appointment, file with the court and provide to the guardian, if any, an inventory of the minor's property and a plan for administering the property, pursuant to the provisions of Code Section 29-3-30;
 - (8) Take into account any estate plan of the minor known to the conservator in the administration of the conservatorship;
 - (9) Keep accurate records including adequate supporting data and file annual returns as required by Code Section 29-3-60;
 - (10) Promptly notify the court of any conflict of interest between the minor and the conservator when the conflict arises or becomes known to the conservator and take such action as is required by Code Section 29-3-23;
 - (11) Keep the court informed of the conservator's current address; and
 - (12) Act promptly to terminate the conservatorship when the minor reaches the age of majority.
- (c) A conservator, solely by reason of the conservator-minor relationship, is not personally liable for:
- (1) The minor's expenses;
 - (2) Contracts entered into in the conservator's fiduciary capacity;
 - (3) The acts or omissions of the minor;
 - (4) Obligations arising from ownership or control of property of the minor; or
 - (5) Other acts or omissions occurring in the course of the conservatorship. (Code 1981, § 29-3-21, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1855-56, p. 147, § 1, former Code 1895, § 2571, and former Code 1933, § 49-231, former Code 1933, § 49-603, as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-2 are included in the annotations for this Code section.

Guardian failing to make annual return forfeits annual commission. — Under former O.C.G.A. § 29-2-44 and O.C.G.A. § 53-6-146, guardians and administrators who fail to make annual returns as required by law forfeit their commissions for those years unless the judge of the probate court orders them relieved of this forfeiture.

Fuller v. Moister, 246 Ga. 397, 271 S.E.2d 622 (1980) (decided under former Code 1933, § 49-231).

Failure entails burden of proving faithful discharge of duties. — Failure of executor or guardian to make returns is an omission of duty, and therefore a breach of trust, and puts upon the executor the burden of proving to satisfaction of court that the executor discharged trust with fidelity. Wellborn v. Rogers, 24 Ga. 558 (1858) (decided under Ga. L. 1855-56, p. 147, § 1).

Failure to make returns of interest does not demonstrate fraud. — Failure of guardian to make returns of interest accumulated in guardian's hands is not by itself sufficient to authorize finding of fraud and charging of compound interest. Royston v. Royston, 29 Ga. 82 (1859) (decided under Ga. L. 1855-56, p. 147, § 1).

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county guardian as the new guardian, the record supported appellant's argument that the probate court failed to consider the statutory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. In re Phillips, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-2).

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed.

Bonner v. Evans, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. Hawes v. Standard Accident Ins. Co., 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. Phillips v. Phillips, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. Bonner v. Evans, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

(11) Sell the minor's stocks and bonds pursuant to the provisions of subsection (b) of Code Section 29-3-35;

(12) Compromise any contested or doubtful claim for or against the minor if the proposed gross settlement as defined in Code Section 29-3-3 is in the amount of \$15,000.00 or less; and

(13) Release the debtor and compromise all debts in the amount of \$15,000.00 or less when the collection of the debt is doubtful.

(b)(1) In the petition for appointment, or at any time during the conservatorship, the conservator may request the continuing power to:

(A) Invest the minor's property in investments other than those authorized in Code Section 29-3-32, pursuant to the provisions of Code Section 29-3-34, without further court approval of any investment;

(B) Sell, rent, lease, exchange, or otherwise dispose of any or all of the minor's real or personal property without complying with the provisions of Code Section 29-3-35, other than the provisions for additional bond set forth in subsection (e) of Code Section 29-3-35; or

(C) Continue the operation of any farm or business in which the minor has an interest.

(2) Unless the request for the powers described in paragraph (1) of this subsection is made in the petition for the initial appointment of the conservator, the court shall order such hearing as the court deems appropriate. Notice shall be given by personal service to the minor and a guardian ad litem appointed for the minor. Notice shall be given by first-class mail to the guardian of the minor, if any; the surety on the conservator's bond; and to the following relatives of the minor whose whereabouts are known:

(A) Any parent of the minor whose parental rights have not been terminated;

(B) If there is no parent of the minor whose parental rights have not been terminated, the adult siblings of the minor; provided, however, that not more than three adult siblings need to be notified;

(C) If there is no adult sibling of the minor, the grandparents of the minor; provided, however, that not more than three grandparents need to be notified; or

(D) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined as set forth in Code Section 53-2-1 of the Revised Probate Code of 1998.

(c) After appointment of a guardian ad litem for the minor and such hearing as the court deems appropriate, in granting the petition for appointment of conservator or at any time during the conservatorship, the court may grant the conservator any of the following powers on a case-by-case basis:

(1) To make disbursements that exceed by no more than a specific amount the annual income or, if applicable, the annual budget amount which has been approved by the court pursuant to Code Section 29-3-30 for the support, care, education, health, and welfare of the minor;

(7) To establish or add property to a trust for the benefit of the minor; provided, however, that the trust must provide that the minor may revoke the trust at any time after reaching the age of majority and, unless otherwise provided by court order pursuant to Code Section 29-3-36, the trust shall terminate upon the minor's death and any property remaining in the trust shall be paid to the minor's estate;

Corp. v. Jackson*, 47 Ga. App. 667, 171 S.E. 171 (1933) (decided under former Code 1933, § 49-204).

Sale without required court order not binding upon ward. — Sale of realty belonging to minors by guardian without order from court of ordinary (now probate court) is not binding upon them. *Wells v. Chaffin*, 60 Ga. 677 (1878) (decided under former law).

Purchaser claiming title due to guardian's sale must show order. — Purchaser of real estate claiming title by virtue of guardian's sale must show order of ordinary (now judge of probate court) granting to guardian leave to sell it. *Wells v. Chaffin*, 60 Ga. 677 (1878) (decided under former law).

Sale by will not applicable. — Former Code 1933, § 49-208 (former O.C.G.A. § 29-2-7) had no application to sale under power conferred by will. *Harwell v. Foster*, 102 Ga. 38, 28 S.E. 967 (1897) (decided under former Civil Code 1895, § 4630).

Superior court shall determine necessity of order and validity of claim. — The superior court shall try both issue of necessity of order, and whether property is held adversely. *Hull v. Watkins*, 134 Ga. 779, 68 S.E. 506 (1910) (decided under former Civil Code 1910, § 5176).

Validity of claim not dependent upon giving of bond. — It is not necessary to validity of claim of land at executor's or administra-

tor's sale that bond and security should be given. *Falls v. Griffith*, 25 Ga. 72 (1858) (decided under Laws 1809, Cobb's 1851 Digest, p. 315).

Finding a purchaser for property was a service within meaning of former Code 1933, § 49-213 (former O.C.G.A. § 29-2-11). *Turner v. Prigmore*, 202 Ga. 377, 43 S.E.2d 259 (1947) (decided under former Code 1933, § 49-213).

Reference to county in former Code 1933, § 49-213 (former O.C.G.A. § 29-2-11) referred to county wherein jurisdiction of guardianship laid. *Turner v. Prigmore*, 202 Ga. 377, 43 S.E.2d 259 (1947) (decided under former Code 1933, § 49-213).

For limitation of authority of testamentary guardian of incompetent to whom life estate has been devised, see *Greer v. Greer*, 218 Ga. 416, 128 S.E.2d 51 (1962) (decided under former Code 1933, § 49-213).

For a discussion of liability of bank which receives fruits of misappropriation by trustee, see *Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co.*, 180 Ga. 4, 177 S.E. 803 (1934) (decided under former Code 1933, §§ 49-215, 49-217).

Former Civil Code 1910, § 3432 (former O.C.G.A. § 29-2-14) was inapplicable to exchange of lands. *Mills v. Geer*, 111 Ga. 275, 36 S.E. 673, 52 L.R.A. 934 (1900) (decided under former Civil Code 1895, § 3432).

Guardian acted in fiduciary capacity and was bound to utmost good faith with court and ward in interest of latter in proceeding under former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14). *American Sur. Co. v. Adams*, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

Proceeding does not require appointment of guardian ad litem. — Petition of guardian to invest funds of ward under this law is an ex parte proceeding of the ward acting through the guardian; it does not require appointment of guardian ad litem for ward. *American Sur. Co. v. Adams*, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

No presumption that investments comply with statutes. — Although guardian may in good faith have disposed of funds by investing a portion of them in real estate for benefit of the ward, who afterwards during minority occupies the real estate as a home,

there is no presumption that these expenditures are legally made by the guardian's having obtained from judge an order for investment of funds in real estate. *New York Life Ins. Co. v. Gilmore*, 40 Ga. 431, 149 S.E. 799 (1929), rev'd on other grounds, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 4008).

Investment by guardian in violation of former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14) was a breach of guardian's statutory bond that would authorize suit to recover amount from guardian and guardian's surety. *American Sur. Co. v. Adams*, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

For a discussion of liability of guardian for real estate investments without court order, see *Paulk v. Roberts*, 42 Ga. App. 79, 155 S.E. 55 (1930) (decided under former Civil Code 1910, § 4008).

Compromises of claims and compromises of debts distinguished. — Former Code 1933, §§ 49-219 and 49-221 (former O.C.G.A. §§ 29-2-16 and 29-2-18) were for purpose of distinguishing when guardian can compromise contested or doubtful claim of ward, and when the guardian can compromise a doubtful debt of ward; requirements for compromising a claim and for compromising a debt are different, and are set forth in separate sections. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, §§ 49-219 and 49-221).

Subject matter to be compromised is claims whose justice and legality may be questioned. *Maynard v. Cleveland*, 76 Ga. 52 (1885) (decided under former Code 1882, § 2537).

Compromise need not be approved by probate judge. — There is no requirement that a compromise be approved by the ordinary (now judge of probate court), as is the case with doubtful debts under former Code 1933, § 49-221 (former O.C.G.A. § 29-2-18) referring to liquidated contractual demands. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

A probate court clearly has jurisdiction to appoint a guardian for a minor. However, a guardian, once appointed, need not obtain the approval of the probate court to settle a

contested or doubtful claim for or against the minor. Accordingly, any settlement of the tort claims of minors to which their duly appointed guardian agreed would not have to be approved by the probate court. *King Cotton, Ltd. v. Powers*, 200 Ga. App. 549, 409 S.E.2d 67 (1991) (decided under former O.C.G.A. § 29-2-16).

A guardian of property need not obtain prior approval of the probate court in order to compromise or settle a contested or disputed claim. *Hay v. Norfolk S. Ry.*, 879 F. Supp. 1192 (N.D. Ga. 1994) (decided under former O.C.G.A. § 29-2-16).

Executor's authority need not be revoked to attack fraudulent agreement. — Where executor has exceeded authority in entering agreement, the executor's authority need not be revoked in order to attack such agreement. *Empire Life Ins. Co. v. Mason*, 140 Ga. 141, 78 S.E. 935 (1913) (decided at time when law included guardians, administrators, executors and other fiduciaries in its grant of authority to compromise claims; decided under former Civil Code 1910, § 4004).

Probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as they disbursed to themselves and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-2-16).

Binding settlement reached. — Minor's exemption under O.C.G.A. § 13-5-3 from contractual liability is a personal privilege which others may not assert as a defense; binding settlement agreement was reached between an insurer and a minor injured party even though: (1) a contract of a minor is voidable under O.C.G.A. § 13-3-20(a); (2) judicial approval pursuant to former O.C.G.A. § 29-2-16(e) postdated the settlement agreement; and (3) no guardian had been appointed for the minor at the time the agreement was reached. *Grange Mut. Cas. Co. v. Kay*, 264 Ga. App. 139, 589 S.E.2d 711 (2003) (decided under former O.C.G.A. § 29-2-16).

For general discussion of former Code 1882, § 2538 (former O.C.G.A. § 29-2-17), see *Maynard v. Cleveland*, 76 Ga. 52 (1885)

General Consideration (Cont'd)

(decided under former Code 1882, § 2538).

On necessity of order of ordinary (now judge of probate court), see *Jones v. Ragan*, 136 Ga. 653, 71 S.E. 1098 (1911) (decided under former Civil Code 1910, § 4005).

Compliance with section necessary for validity of compromise order. — The ordinary's (now judge of probate court) direction to compromise doubtful debt belonging to estate was worth nothing to executor unless it appeared that requirements of former Code 1873, § 2539 (former O.C.G.A. § 29-2-18) had been complied with. *Ponce v. Wiley*, 62 Ga. 118 (1878) (decided under former Code 1873, § 2539, which included guardians, administrators, executors and other fiduciaries in its grant of authority to compromise debts).

Compromise of claims and compromise of debts distinguished. — Former Code 1933, § 49-221 (former O.C.G.A. § 29-2-16) was for purpose of distinguishing when guardian could compromise contested or doubtful claim of ward, and when guardian could compromise a doubtful debt of ward; requirements for compromising a claim and for compromising a debt were different, and were set forth in separate sections. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Subject matter to be compromised is debts, true and real, but doubtful as to solvency. *Maynard v. Cleveland*, 76 Ga. 52 (1885) (decided under former Code 1882, § 2539).

"Debt" means that fixed and specific amount is owing. — Distinguishing characteristic of word debt is that fixed and specific amount is owing and no future valuation is required to settle it. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Guardian empowered to appoint agent. — Guardian had power to appoint agent to act for guardian during absence in confederate army, and any act of agent within scope of agent's authority would be as valid as that of guardian. *Tarpley v. McWhorter*, 56 Ga. 410 (1876) (decided under former Code 1873, § 1838).

Guardian is entitled to possession of ward's effects. — Guardian of person and

property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingleing of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. *Phillips v. Phillips*, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Authority of Probate Judge

Probate judge may ratify certain actions of guardian. — Where trustee has acted fairly and properly without previous consent of the ordinary (now judge of probate court), and where prompt and regular annual returns of the trustee's actions in that behalf have been made, the ordinary (now judge), by approving such returns, may ratify the action. *Dowling v. Feeley*, 72 Ga. 557 (1884) (decided under former Code 1882, § 1824); *Shipp v. McCowen*, 147 Ga. 711, 95 S.E. 251 (1918) (decided under former Civil Code 1910, § 3060).

Probate judge may consent to expenditures exceeding profits. — Ordinary (now judge of probate court) may consent to expenditures exceeding annual profits of ward's estate for expenses of maintenance and education by approving the regular annual returns of the guardian, which show on their face that expenses have exceeded income. *Cook v. Rainey*, 61 Ga. 452 (1878) (decided under former Code 1873, § 1824); *Sturgis v. Davis*, 157 Ga. 352, 121 S.E. 318

(1924) (decided under former Civil Code 1910, § 3060); *Banister v. Bagley*, 56 Ga. App. 615, 193 S.E. 480 (1937) (decided under former Code 1933, § 49-202); *Bailey v. McElroy*, 61 Ga. App. 367, 6 S.E.2d 140 (1939) (decided under former Code 1933, § 49-202).

Probate judge cannot delegate his discretion. — Discretion to encroach upon corpus for maintenance and education of ward is confined to the ordinary (now judge of probate court) and the ordinary cannot relegate it to another. *Shipp v. McCowen*, 147 Ga. 711, 95 S.E. 251 (1918) (decided under former Civil Code 1910, § 3060).

Notice

Notice requirement is jurisdictional. — Requirement of former Code 1933, §§ 49-204 and 49-205 (former O.C.G.A. §§ 29-2-4 and 29-2-5) as to citation and notice to ward prior to leave to sell, exchange or encumber the ward's property is jurisdictional, and the ordinary (now judge of probate court) acts without jurisdiction by granting an order to sell without the required notice having been given. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964) (decided under former Code 1933, § 49-204).

Showing lack of notice rebuts presumption of validity of sale. — Though a judgment of an ordinary (now judge of probate court) granting leave to sell being regular upon its face is presumptively valid, such presumption is only prima facie and may be rebutted by evidence showing that jurisdictional fact of publication of notice had not been accomplished at time of grant of order. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964) (decided under former Code 1933, § 49-204).

Adequacy of notice under former O.C.G.A. § 29-2-4. — See *Union Camp Corp. v. Youmans*, 227 Ga. 687, 182 S.E.2d 468 (1971) (decided under former Code 1933, § 49-204).

Ward may appear by next friend. — Former Code 1933, § 49-204 (former O.C.G.A. § 29-2-4) contemplated right of ward to be heard, and where ward was incompetent to appear in person, the ward had right to appear by next friend. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964)

Notice (Cont'd)

(decided under former Code 1933, § 49-204).

Claims Subject to Compromise

"Claim" embraces assertion of liability to party making it to pay sum of money. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

"Claims" is sufficiently broad to include a tort action. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

"Claims" includes demands arising out of tort. — **"Claims"** as used in former Code 1933, § 49-219 (former O.C.G.A. § 29-2-16) had a technical meaning and implied that a right is in dispute, including a demand arising out of tort. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Wrongful death action was a property right and could be compromised or settled by a duly appointed guardian of property pursuant to former O.C.G.A. § 29-2-16. *Hay v. Norfolk S. Ry.*, 879 F. Supp. 1192 (N.D. Ga. 1994) (decided under former O.C.G.A. § 29-2-16).

Effect of Compromise

Guardian may negotiate complete settlement, which is conclusive until set aside in direct proceeding brought for that purpose. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

Compromise settlement is conclusive until set aside. — Compromise settlement of doubtful "claim" made by guardian is conclusive until set aside in direct proceeding in which guardian is a necessary party. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

29-3-23. Rights of conservator to property; disclosure of conflicts of interest.

(a) The appointment of a conservator shall not automatically cause the conservator to forfeit any rights to property.

(b) The conservator must promptly disclose any conflict of interest between the conservator and the minor when it arises or becomes known to the conservator and seek the court's determination as to whether the conflict is insubstantial or whether it is in the best interest of the minor for the conservator to continue to serve and not forfeit any property right. If the court finds that the conflict of interest is substantial or contrary to the best interest of the minor, the conservator may either resign or forfeit the property interest that is the source of the conflict.

(c) A transaction affected by a substantial conflict between personal and fiduciary interests includes any sale, encumbrance, or other transaction involving the conservatorship estate entered into by the conservator or the spouse, descendant, agent, or lawyer of the conservator or a corporation or other enterprise in which the conservator has a significant beneficial interest. (Code 1981, § 29-3-23, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-2 are included in the annotations for this Code section.

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county

guardian as the new guardian, the record supported appellant's argument that the probate court failed to consider the statutory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. In re Phillips, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-2).

ARTICLE 3**PROPERTY OBLIGATIONS OF CONSERVATOR****29-3-30. Inventory of minor's property; plan for managing, expending, and distributing minor's property.**

(a) Within two months of appointment, the conservator shall file with the court and provide to the minor's guardian, if any, an inventory of the minor's property and a plan for managing, expending, and distributing the property.

(b) The inventory shall describe all the assets and liabilities of the minor and shall include a list of all the personal and real property owned by the minor and describe how the property is titled. When the inventory is returned to the court, the conservator shall swear or affirm, in addition to the usual oath on making returns, that the inventory contains a true statement of all the assets and liabilities of the minor which are known to the conservator.

(c) The plan for managing, expending, and distributing the minor's property must be based on the actual needs of the minor and take into

consideration the best interest of the minor. The conservator shall include in the plan projections for expenses and resources and any proposals to change the title of any of the assets in the conservatorship estate. The plan and any proposed budget for the expenditure of funds in excess of the anticipated income from the property must be approved by the court. With each annual return filed thereafter, the conservator shall file with the court and provide to the guardian, if any, an updated plan pursuant to the provisions of this subsection. 29-3-31. Retention of property or securities; exchange or conversion of assets.

(a) A conservator may retain the property received by the conservator on the creation of the conservatorship, including, in the case of a corporate fiduciary, stock or other securities of its own issue, even though the property may not otherwise be a legal investment and shall not be liable for the retention, except for gross neglect. In the case of corporate securities, the conservator may likewise retain any securities into which the securities originally received may be converted or which may be derived therefrom as a result of merger, consolidation, stock dividends, splits, liquidations, and similar procedures; and the conservator may exercise by purchase or otherwise any rights, warrants, or conversion features attaching to any such securities.

(b) In the case of a corporate fiduciary, the authority granted in subsection (a) of this Code section shall apply to the exchange or conversion of stock or securities of the corporate fiduciary's own issue, whether or not any new stock or securities received in exchange therefor are substantially equivalent to those originally held; and such authority shall also apply to the continued retention of all new stock and securities resulting from merger, consolidation, stock dividends, splits, liquidations, and similar procedures and received by virtue of such conversion or exchange of stock or securities of the corporate fiduciary's own issue,

whether or not the new stock or securities are substantially equivalent to those originally received by the fiduciary. The foregoing authority shall have reference, inter alia, to the exchange of such stock or securities for stock or securities of any holding company which owns stock or other interests in one or more other corporations including the corporate fiduciary, whether the holding company is newly formed or already existing, and whether or not any of the corporations own assets identical or similar to the assets of or carry on business identical or similar to the corporation whose stock or securities were previously received by the fiduciary and the continued retention of stock or securities, or both, of the holding company; and such authority shall apply regardless of whether any of the corporations have officers, directors, employees, agents, or trustees in common with the corporation whose stock or securities were previously received by the fiduciary. (Code 1981, § 29-3-31, enacted by Ga. L. 2004, p. 161, § 1.)

- (1) Bonds issued by any county or municipality of this state which have been validated as required by law for the validation of county and municipal bonds;
- (2) Bonds issued by any county board of education under Subpart 1 of Part 3 of Article 9 of Chapter 2 of Title 20 for the purpose of building and equipping schoolhouses, which bonds have been validated and confirmed as required under Part 1 of Article 2 of Chapter 82 of Title 36;
- (3) Bonds and other securities issued by this state or by the Board of Regents of the University System of Georgia;
- (4) Bonds or other obligations issued by the United States government and bonds of any corporation created by an act of Congress, the bonds of which are guaranteed by the United States government;

- (6) Bonds or other obligations issued by a housing authority pursuant to Article 1 of Chapter 3 of Title 8 or issued by any public housing authority or agency of the United States when such bonds or other obligations are secured by a pledge of annual contributions to be paid by the United States government or any agency thereof, as authorized by Code Section 8-3-81;

(11) Bonds or other obligations issued by a municipality or county pursuant to Chapter 61 of Title 36 or by any urban redevelopment agency or housing authority vested with urban redevelopment project powers under Code Section 36-61-17, provided that such bonds or other obligations are secured by an agreement between the issuer and the federal government in accordance with Code Section 36-61-13, as authorized by Code Section 36-61-13;

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 3432, former Civil Code 1910, § 4008, and former Code 1933, §§ 49-215, 49-216, 49-217 are included in the annotations for this Code section.

For a discussion of liability of bank which receives fruits of misappropriation by trustee, see Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co., 180 Ga. 4, 177 S.E. 803 (1934) (decided under former Code 1933, §§ 49-215, 49-217).

Former Civil Code 1910, § 3432 (former O.C.G.A. § 29-2-14) was inapplicable to exchange of lands. Mills v. Geer, 111 Ga. 275, 36 S.E. 673, 52 L.R.A. 934 (1900) (decided under former Civil Code 1895, § 3432).

Guardian acted in fiduciary capacity and was bound to utmost good faith with court and ward in interest of latter in proceeding under former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14). American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

Proceeding does not require appointment of guardian ad litem. — Petition of guardian to invest funds of ward under this law is an ex parte proceeding of the ward acting through the guardian; it does not require appointment of guardian ad litem for ward. American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

No presumption that investments comply

with statutes. — Although guardian may in good faith have disposed of funds by investing a portion of them in real estate for benefit of the ward, who afterwards during minority occupies the real estate as a home, there is no presumption that these expenditures are legally made by the guardian's having obtained from judge an order for investment of funds in real estate. New York Life Ins. Co. v. Gilmore, 40 Ga. 431, 149 S.E. 799 (1929), rev'd on other grounds, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 4008).

Investment by guardian in violation of former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14) was a breach of guardian's statutory bond that would authorize suit to recover amount from guardian and guardian's surety. American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

For a discussion of liability of guardian for real estate investments without court order, see Paulk v. Roberts, 42 Ga. App. 79, 155 S.E. 55 (1930) (decided under former Civil Code 1910, § 4008).

29-3-33. Investment in securities; open-end or closed-end management type investments; conflicts of interest.

(a) Whenever by law or by court order the conservator is authorized, permitted, required, or directed to invest funds in direct and general obligations of the United States government, obligations unconditionally guaranteed by the United States government, or obligations of the agencies of the United States government enumerated in Code Section 29-3-32, the conservator may invest in and hold such obligations either directly or in the form of securities or other interests in any open-end or closed-end management type investment company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C. Sections 80a-1, et seq., so long as:

(1) The portfolio of such investment company or investment trust is limited to such obligations and repurchase agreements fully collateralized by such obligations;

(2) Such investment company or investment trust takes delivery of such collateral, either directly or through an authorized custodian; and

(3) Such investment company or investment trust is operated so as to provide a constant net asset value or price per share.

(b) The authority granted in this Code section shall be applicable notwithstanding that a corporate fiduciary or an affiliate of the corporate fiduciary provides services to the investment company or investment trust as investment adviser, custodian, transfer agent, registrar, sponsor, distributor, manager, or otherwise and receives compensation for such services. (Code 1981, § 29-3-33, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-34. Investment decisions must coincide with those of a prudent person; acquiring and retention of assets.

(a) After receiving court approval as required in subsection (b) or (c) of Code Section 29-3-22, in making investments and in acquiring and retaining those investments and managing property of the minor, the conservator shall exercise the judgment and care, under the circumstances then prevailing, that a prudent person acting in a like capacity and familiar with such matters would use to attain the purposes of the account. In making such investment decisions, a conservator may consider the general economic conditions, the anticipated tax consequences of the investments, the anticipated duration of the account, and the needs of the minor.

(b) Within the limitations of the standard provided in subsection (a) of this Code section and with prior approval by the court in accordance with Code Section 29-5-23, a conservator is authorized to acquire and retain every kind of property, including real, personal, or mixed and every kind of

investment, specifically including, but not by way of limitation, bonds, debentures and other corporate obligations, and stocks, preferred or common, including the securities of or other interests in any open-end or closed-end management investments company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C. Sections 80a-1, et seq. The propriety of an investment is to be determined by what the conservator knew or should have known at the time of the decision about the inherent nature and expected performance of a particular investment, including probable yield, the attributes of the portfolio, the general economy, and the needs of the minor as they existed at the time of the decision. Any determination of liability for investment performance shall consider not only the performance of a particular investment but also the performance of the minor's portfolio as a whole. Within the limitations of such standard, a conservator may retain property properly acquired without limitation as to time and without regard to its suitability for original purchase.

(c) A conservator that is a financial institution, trust company, national or state bank, savings bank, or savings and loan association described in Code Section 7-1-242 shall not be precluded from acquiring and retaining securities of or other interests in an investment company or investment trust because the bank or trust company or an affiliate provides services to the investment company or investment trust as investment adviser, custodian, transfer agent, registrar, sponsor, distributor, manager, or otherwise and receives compensation for such services. (Code 1981, § 29-3-34, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-35. Sale of perishable property of minor; sale of stock; disposition of other property; appointment of guardian ad litem; full return to court required; authority of temporary substitute conservator.

(a) A conservator may sell perishable property of the minor, property of the minor that is liable to deteriorate from keeping, or property of the minor that is expensive to keep as early as practicable and in the manner as the court shall determine is in the best interest of the minor, after notice and opportunity for hearing, if any, as the court shall deem practicable under the circumstances.

(b) A conservator may sell stocks or bonds of the minor that are either listed or admitted to unlisted trading privileges upon any stock exchange or quoted regularly in any newspaper having a general circulation in Georgia at a sales price not less than the stock exchange bid price or the published bid price at the time of sale and pay reasonable brokerage commissions not in excess of those customarily charged by stock exchange members.

(c) Except as otherwise provided in subsections (a) and (b) of this Code section, a conservator may petition the court to sell, rent, lease, exchange,

or otherwise dispose of property of the minor, whether real or personal or mixed. The petition shall set forth the property involved and the interests therein, the specific purpose of the transaction, the proposed price, the anticipated net proceeds of the sale, all other terms or conditions proposed for the transaction, and that the proposed transaction is in the best interest of the minor.

(d) Upon the filing of the petition, the court shall appoint a guardian ad litem for the minor. The petition and notice shall be served personally on the minor and the guardian ad litem.

(e) If no written objection by a person notified pursuant to subsection (d) of this Code section is filed within 30 days following the mailing of notice or service upon the guardian ad litem, the court shall order the sale summarily in the manner and under the terms petitioned; provided, however, that if real property is to be converted to personal property, the court shall order the conservator to post additional bond to cover the amount of the anticipated net proceeds of the sale prior to the closing of the sale. If an objection is filed, the court shall hear the matter and grant or deny the petition for sale or make such other order as is in the best interest of the minor, which may require the sale to be private or at public auction, including confirmation of the sale by the court or otherwise.

(f) A conservator shall make a full return to the court within 30 days of every sale, specifying the property sold, the purchasers, and the amounts received, together with the terms of the sale.

(g) The recital in the conservator's deed of a compliance with legal provisions shall be prima-facie evidence of the facts recited.

(h) Where a conservator sells real property under the provisions of this Code section, liens thereon may be divested and transferred to the proceeds of the sale as a condition of the sale.

(i) A temporary substitute conservator is authorized to petition the court for leave to sell or otherwise deal with the property of the estate only if good cause is shown for not waiting until a different type of conservatorship is created or the conservatorship is terminated. (Code 1981, § 29-3-35, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-36. Estate plan for minor; appointment of guardian ad litem; considerations prior to property transfer.

(a) After notice to interested parties and other persons as the court may direct, and upon a showing that the minor shall probably remain in need of a conservator throughout the minor's lifetime and that it is in the best interest of the minor, the court may order the conservator to apply such principal or income of the minor as is not required for the support, care, education, health, and welfare of the minor toward the establishment or continuation of an estate plan for the minor and make transfers of the minor's personal or real property, outright or in trust, provided that the court finds that a competent, reasonable person in the minor's circumstances would make such transfers and there is no evidence that the minor, if not in need of a conservator, would not adopt such an estate plan.

(b) Prior to authorizing such transfers, the court shall appoint a guardian ad litem for the minor and shall consider:

(1) The composition and value of the entire estate of the minor, other known sources of support available to the minor, and the income produced thereby;

(2) The probable expenses for the support, care, education, health, or welfare of the minor for the remainder of the minor's lifetime in the standard of living to which the minor has become accustomed;

(3) The identity of the proposed transferees and, in particular, whether they are natural objects of the minor's bounty by relationship or prior behavior of the minor;

(4) The purpose and estate planning benefit to be derived by the transfer as well as the possible harm to any interested party; and

(5) Any previous history or predisposition toward making similar transfers by the minor. (Code 1981, § 29-3-36, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

ARTICLE 4

BONDING OF CONSERVATORS

29-3-40. Bond required; exception; recording of bonds.

(a) A conservator appointed by the court shall give bond with good and sufficient security.

(b) A financial institution, trust company, national or state bank, savings bank, or savings and loan association described in Code Section 7-1-242 that seeks to qualify as a conservator is not required to give bond for the faithful performance of its duties unless its combined capital, surplus, and undivided profits are less than \$3 million as reflected in its last statement filed with the Comptroller of the Currency of the United States or the commissioner of banking and finance.

(c) The clerk of the court shall record bonds in books kept for that purpose and shall retain custody of the bonds. (Code 1981, § 29-3-40, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Grant of letters without bond not void without notice. — In all cases of appointment by ordinary (now judge of probate court) of guardian of a minor — whether the clerk of the superior court or some other proper person — bond should be required; but the grant of letters without taking bond would not be void as against a bona fide purchaser under the guardian, without notice of want of a bond. Cuyler v. Wayne, 64

Ga. 78 (1879) (decided under former Code 1873, § 1812).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. Hawes v. Standard Accident Ins. Co., 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

29-3-41. Requirements of bond; term and value of bond; substantial compliance sufficient.

(a) The bond of a conservator shall be:

(1) Secured by an individual who is a domiciliary of this state or by a licensed commercial surety authorized to transact business in this state;

(2) Payable to the court for the benefit of the minor;

(3) Conditioned upon the faithful discharge of the conservator's duty, as is required by law; and

(4) Attested by the judge or clerk of the court.

(b) The court may order a conservator who is required to give bond to post bond for a period of time greater than one year, as may be appropriate in the circumstances. A surety on a bond posted pursuant to this subsection shall not be relieved of liability merely because of the expiration of the term of the bond but shall be subject to the provisions of law for the discharge of a surety applicable to other bonds.

(c) The bond shall be in a value equal to double the estimated value of the minor's estate; provided, however, that the bond shall be in an amount equal to the estimated value of the estate if secured by a licensed commercial surety authorized to transact business in this state. The value of the estate for purposes of the bond shall be determined without regard to the value of any real property or improvements thereon but, upon conversion of the real property into personal property, a bond shall be given based upon the value of the estate, including the value of the personal property into which the real property was converted.

(d) Substantial compliance with these requirements for the bond shall be deemed sufficient; and no bond shall be declared invalid by reason of any variation from these requirements as to payee, amount, or condition, where the manifest intention was to give bond as conservator and a breach of the fiduciary's duty as such has been proved. (Code 1981, § 29-3-41, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 2528, former Code 1873, § 1812, and former Code 1933, § 49-113 are included in the annotations for this Code section.

Only substantial compliance with statutes in execution of bonds required. — Policy of the law as to all bonds required by statute, and especially as to bonds of guardians, administrators, and like trustees, is to disregard mere formalities, and to require only substantial compliance to secure all statutory remedies to persons injured by their breach. *United States Fid. & Guar. Co. v. Davis*, 2 Ga. App. 525, 58 S.E. 777 (1907) (decided under former Civil Code 1895, § 2528).

Grant of letters without bond not void without notice. — In all cases of appointment by ordinary (now judge of probate court) of guardian of a minor — whether the clerk of the superior court or some other proper person — bond should be required; but the grant of letters without taking bond would not be void as against a bona fide purchaser under the guardian, without no-

tice of want of a bond. *Cuyler v. Wayne*, 64 Ga. 78 (1879) (decided under former Code 1873, § 1812).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Void sale does not amount to breach. — Where sale of realty conducted by guardian is illegal and void, title to property sold does not pass, and heirs and distributees may assert their title to property so sold, so that there is no such loss to them as would amount to breach of bond of administrator and render surety thereon liable. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

If the value of the minor's bonded estate decreases, the court may permit a corresponding reduction in the value of the bond, but this reduction does not affect the liability of the surety for prior waste or misconduct of the conservator. 29-3-43. Requirement of additional bond; notice in event of sureties deficiencies; revocation of letters of conservatorship.

(a) When it comes to the attention of the court, either by annual return or otherwise:

(1) That additional personal property has accrued to the minor by descent, gift, or otherwise or that for any other reason the bond or security of the conservator fails to comply with the minimum statutory bond amount set forth in Code Section 29-3-40; or

(2) That the bond or security is otherwise insufficient in the judgment of the court,

the court shall give notice to the conservator to appear and give additional bond or security. Notice shall be mailed by first-class mail to the conservator and to the surety on the conservator's bond. If the conservator fails to comply with the notice, the court may revoke the letters of conservatorship in accordance with Code Section 29-3-82.

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1882, §§ 1814, 1815, former Civil Code 1910, §§ 3049, 3050, and former Code 1933, §§ 49-115 and 49-116 are included in the annotations for this Code section.

Additional bond is discretionary and cumulative. — Additional bond required by former Code 1882, § 1814 (former O.C.G.A. § 29-4-14), upon other property coming in, was discretionary with the ordinary (now judge of probate court) and, if required, would be cumulative and not exclusive as to such assets. *Huson v. Green*, 88 Ga. 722, 16 S.E. 255 (1892) (decided under former Code 1882, § 1814).

Additional bond is cumulative, *Remington*

v. Hopson, 137 Ga. 95, 72 S.E. 918 (1911) (decided under former Civil Code 1910, § 3049).

Proceedings for removal are against guardian as individual. — Proceedings to remove guardian and revoke guardian's letters under former Code 1933, §§ 49-232, 49-115, or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) were proceedings against the guardian as an individual, and not against estate or trust the guardian represents; and where the guardian was removed and letters revoked, it is proper that the guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-115).

Removed guardian may appeal to superior court. — Where guardian is removed and guardian's letters revoked, upon rule issued by ordinary (now judge of probate court) under O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15, after hearing on the ordinary's answer to such rule, the guardian may appeal to the superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-115).

Proceeding under former Code 1933, § 49-116 (former O.C.G.A. § 29-4-15) can be instituted only by court. — See *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-116).

Proceedings for removal are against guardian as individual. — Proceedings to remove guardian and revoke the guardian's letters under former Code 1933, § 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) were proceedings against the guardian as an individual, and not against estate or trust represented; and where the guardian was removed as guardian and letters revoked, it was proper that the guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-116).

Additional bond is cumulative; new sureties become cosureties. — Where additional security was required of guardian by court pursuant to former Code 1933, § 49-116 (former O.C.G.A. § 29-4-15), second bond is cumulative of first, and new sureties become cosureties with those on first bond. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E. 135 (1941) (decided under former Code 1933, § 49-116).

New sureties become cosureties on first bond for waste. — Where guardian's bond was executed for specific amount, and subsequently one of the sureties died, and, in

proceeding under former Civil Code 1910, § 3050 (former O.C.G.A. § 29-4-15), guardian executed second bond with new sureties, the sureties upon such bond were cosureties with those on first bond for any past or future waste. *Remington v. Hopson*, 137 Ga. 95, 72 S.E. 918 (1911) (decided under former Civil Code 1910, § 3050).

Death of only surety will not abate letters of guardianship. — Where guardian has been regularly appointed and has given bond, death of only surety on such bond will not abate letters of guardianship and render any act of guardian thereafter illegal and void. *Prime v. Mapp*, 80 Ga. 137, 5 S.E. 66 (1888) (decided under former Code 1882, § 1815).

Purchaser not affected by failure to require additional security. — If upon death of surety on guardian's bond, the ordinary (now judge of probate court) fails to require new bond, and guardian continues to act as such and ordinary recognizes appointment and receives the guardian's returns, a purchaser at a guardian's sale will not be affected by failure of ordinary to require additional security of guardian. *Prime v. Mapp*, 80 Ga. 137, 5 S.E. 66 (1888) (decided under former Code 1882, § 1815).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and letters revoked, upon rule issued by ordinary (now judge of probate court) under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) and after hearing on the ordinary's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-116).

The conservator and any surety shall be held and deemed joint and several obligors and may be subjected jointly and severally to liability in the same action. When a conservator moves beyond the limits of this state, dies and leaves an unrepresented estate, or is in such a position that an attachment may be issued as against a debtor, any party in interest or any

person having demands against that conservator in the conservator's representative capacity may institute an action against any one or more of the sureties on the bond of the conservator in the first instance, without first obtaining a judgment against the conservator in that person's representative capacity. 29-3-49. Petition for release from surety obligation; order of discharge; appointment and liability of new surety; accounting requirement.

(a) The surety on the bond of any conservator or, if the surety is dead, the surety's personal representative, may at any time petition the court regarding any misconduct of the conservator in the discharge of the conservator's trust or to show the court its desire for any reason to be relieved as surety. The death of a surety shall be a sufficient ground for the discharge of the surety from future liability.

(b) Upon a petition by the surety or the surety's personal representative, the court shall cite the conservator to appear and show cause, if any, why the surety should not be discharged. After hearing the parties and the evidence, the court, in its discretion, may issue an order discharging the surety from all future liability and requiring the conservator to give new and sufficient security or be removed as conservator.

(c) If new security is given, the discharged surety shall be discharged only from liability for future misconduct of the conservator from the time the new security is given. The new surety shall be liable for past as well as future misconduct of the conservator.

(d) If new security is not given and the conservator is removed, the discharged surety shall be bound for a true accounting of the conservator with the successor conservator or with the minor if no other conservator is appointed. In all cases where letters of conservatorship are revoked, any surety on the bond shall be liable for all acts of the conservator in relation to the trust up to the time of the settlement with the new conservator or the minor. JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION

LIABILITIES OF DISCHARGED AND SECOND SURETY

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Laws 1810, Cobb's 1851 Digest, p. 317, Code 1873, § 1817, former Code 1882, § 1817, former Civil Code 1895, § 2533, former Civil Code 1910, § 3052, former Code 1933, § 49-233, and former O.C.G.A. § 29-2-52 are included in the annotations for this Code section.

Only surety or representative can institute proceeding. — Proceeding under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52) could be instituted only by surety, or, if surety was dead, by the surety's representative. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-233).

Principal and surety cannot by agreement release surety, even with approval of court. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-233).

Guardian must be cited before surety can be discharged. — Surety on a guardian's bond can obtain no discharge without a petition and without having an ordinary (now judge of probate court) to cite guardian to appear and show cause against application. *DuPont v. Mayo*, 56 Ga. 304 (1876) (decided under former Code 1873, § 1817).

Two distinct contingencies whereby surety may seek discharge. — Under former Civil Code 1910, § 3052 (former O.C.G.A. § 29-2-52), surety on guardian's bond could obtain relief in two distinct contingencies; first, in case of misconduct of guardian in discharge of trust; second, when for any other reason, the surety desires to be relieved. *Means v. American Bonding Co.*, 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052). See also *National Sur. Co. v. Morris*, 111 Ga. 307, 36 S.E. 690 (1900).

Preremoval misconduct. — Former O.C.G.A. § 29-2-52 did not require the court, based on the guardian's preremoval misconduct, to grant a surety's petition for relief from its obligations under bonds, and thereby discharge the surety from any liability for the guardian's misconduct. *Osborne Bonding & Sur. Co. v. Glaze*, 230 Ga. App. 895, 497 S.E.2d 612 (1998) (decided under former O.C.G.A. § 29-2-52).

Acts or omissions pertaining to mismanagement of estate constitute misconduct. — Under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52) all acts, whether of commission or omission, which pertain to mismanagement of estate by guardian or administrator, constituted misconduct and could authorize discharge of surety. *Spradley v. St. Paul Fire & Marine Ins. Co.*, 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

The words, "any misconduct of his principal [guardian] in discharge of his trust," are exhaustive of all acts, whether of commission or omission, which pertain to guardian's mismanagement of estate, or nonperformance of any duties devolving upon him in his office. *National Sur. Co. v. Morris*, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533). *Means v. American Bonding Co.*, 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052).

Acts of guardian authorized discharge of surety. — See *Means v. American Bonding Co.*, 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052).

Discharge prevents proceedings against continuing guardian's acts prior to discharge. — Outgoing surety cannot by proceedings instituted subsequent to discharge, interfere with guardian who is continued in outgoing surety's office, in discharge of the surety's duties, because of acts of mismanagement and failure to comply with requirements of law relative to the surety's duties which occurred prior to discharge of first surety. *Hooks v. Fidelity & Deposit Co.*, 135 Ga. 396, 69 S.E. 484 (1910) (decided under former Civil Code 1910, § 3052).

Reasons other than official misconduct for which surety might seek discharge. — A guardian's want of personal integrity, lack of business capacity, extravagant or reckless living, indulgence in vicious or immoral habits, criminality, and scores of other things which might be suggested, would certainly afford good reasons for a desire to be relieved as surety. *National Sur. Co. v. Morris*, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533). *Means v. American Bonding Co.*, 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813

General Consideration (Cont'd)

(1919) (decided under former Civil Code 1910, § 3052).

Surety seeking discharge against continuing guardian is not entitled to accounting. — Surety is not entitled to seek in a petition for discharge an accounting from guardian who, by providing new security, continues in a trust capacity. *Spradley v. St. Paul Fire & Marine Ins. Co.*, 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

Discharged surety not entitled to require payment of ward's funds into court by continuing guardian. *Hooks v. Fidelity & Deposit Co.*, 135 Ga. 396, 69 S.E. 484 (1910) (decided under former Civil Code 1910, § 3052).

Surety need not wait until liable for waste or mismanagement. — Surety not bound to wait until liability for actual waste or mismanagement arises. The surety may reasonably anticipate same and move for relief at that time. *National Sur. Co. v. Morris*, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533).

Surety need not show actual loss by guardian's misconduct. — To state a cause of action for discharge under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52), it was not necessary that surety show actual loss had accrued to estate by reason of official misconduct of the principal, it being sufficient to show that guardian or adminis-

trator has refused to comply with the law, thereby raising reasonable apprehension of future loss. *Spradley v. St. Paul Fire & Marine Ins. Co.*, 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

Liabilities of Discharged and Second Surety

Effect of discharge on liabilities of new and old sureties. — Discharge of sureties upon guardian's bond releases them from all future responsibility. New sureties are bound for all past and future waste. *Justices of Inferior Court ex rel. Woods v. Woods*, 1 Ga. 84 (1846) (decided under Laws 1810, Cobb's 1851 Digest, p. 317).

Liability is between second surety and discharged surety. — Second surety's liability for guardian's past defaults is primary as between himself and discharged surety. *Title v. Bennett*, 94 Ga. 405, 21 S.E. 62 (1894) (decided under former Code 1882, § 1817).

Discharged and new sureties both primarily liable to wards. — Liability of discharged surety and second surety is not joint, but several, both being primarily liable to wards, and as between themselves, the second surety is primarily liable. *Sutton v. COMPENSATION OF CONSERVATORS

29-3-50. Amount of compensation conservator owed; compensation to multiple conservators; failure to make annual returns results in forfeiture; renouncing of compensation.

(a) Other than a temporary substitute conservator, a conservator shall be entitled to compensation for services rendered equal to:

(1) Two and one-half percent commission on all sums of money received by the conservator on account of the estate, except on money

loaned by and repaid to the conservator, and 2 1/2 percent commission on all sums paid out by the conservator;

(2) An additional commission equal to one-half of 1 percent computed on the market value of the estate as of the last day of the reporting period. This commission shall be proportionately reduced for any reporting period of less than 12 months;

(3) Ten percent commission on the amount of interest made if, during the course of the conservatorship, the conservator shall receive interest on money loaned by the conservator in that capacity and shall include the same on the return to the court so as to become chargeable with the interest as a part of the corpus of the estate;

(4) Reasonable compensation, as determined in the discretion of the court and after such notice, if any, as the court shall direct, for the delivery over of property in kind, not exceeding 3 percent of the appraised value and, in cases where there has been no appraisal, not over 3 percent of the fair value as found by the court, irrespective of whether delivery over in kind is made pursuant to proceedings for that purpose in the court and irrespective of whether the property, except money, is tangible or intangible or personal or real; and

(5) In the discretion of the court, compensation for working land for the benefit of the minor, but not to exceed 10 percent of the annual income of the managed property.

(b) Whenever any portion of the dividends, interest, or rents payable to a conservator is required by law of the United States or other governmental unit to be withheld by the person paying the same for income tax purposes, the amount withheld shall be deemed to have been collected by the conservator.

(c) Where some or all of the estate passes through the hands of several conservators by reason of the death, removal, or resignation of the first qualified conservator or otherwise, the estate shall not be subject to diminution by charges of commission of each successive conservator holding and receiving in the same right but rather commissions for receiving the estate shall be paid to the first conservator who receives the property for the benefit of the estate or that person's representative, and commissions for paying out shall be paid to the conservator who actually distributes the fund, and no commissions shall be paid for handing over the fund to a successor conservator. If there is more than one conservator serving simultaneously, the division of the compensation allowed them shall be according to the services rendered by each.

(d) A conservator shall not be entitled to any commissions for any sums paid to any conservator of the estate as commissions or other compensation.

(e) Conservators who fail to make annual returns as required by law shall forfeit all commissions for transactions during the year within which no return is made unless the probate court, upon cause shown, shall by special order entered on the record, relieve them from the forfeiture.

(f) A conservator may renounce the right to all or any part of the compensation to which the conservator is entitled under this Code section. (Code 1981, § 29-3-50, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 8/SB 534.)

The 2006, amendment, effective July 1, or" following "Other than" at the beginning 2006, deleted "an emergency conservator of subsection (a).

29-3-51. Allowance for reasonable expenses.

Conservators shall be allowed reasonable expenses incurred in the administration of the estate, including without limitation, expenses for travel, employing counsel and other agents, and the expenses and premiums incurred in securing a bond. Such reasonable expenses shall be determined after notice, if any, as the court shall direct. The conservator's commissions are part of the expense of administering the estate and may be charged against the corpus of the estate as well as the income of the estate. (Code 1981, § 29-3-51, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-52. Petition for larger compensation; procedural requirements.

(a) A conservator may petition the court for compensation that is greater than that allowed under Code Section 29-3-50. Service of notice of the petition for extra compensation shall be made to the minor and to a guardian ad litem appointed for the minor. Service shall be made in the manner described in Chapter 9 of this title and shall direct the parties served to file any written objections to the petition for extra compensation with the court within ten days.

(b) After hearing any objection filed by or on behalf of the minor, the court shall allow such extra compensation as the court deems reasonable. The allowance of extra compensation shall be conclusive as to all parties in interest. (Code 1981, § 29-3-52, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-53. Compensation from corporation or business enterprise; effect of compensation; purpose of provisions.

(a) Any conservator who is a domiciliary of this state may receive compensation for services, as specified in this subsection, from a corporation or other business enterprise where the estate of the minor owns an interest in the corporation or other business enterprise, provided that:

(1) The services furnished by the conservator to the corporation or other business enterprise are of a managerial, executive, or business advisory nature;

(2) The compensation received for the services is reasonable; and

(3) The services are performed and the conservator is paid pursuant to a contract executed by the conservator and the corporation or business enterprise, which contract is approved by a majority of those members of the board of directors or other similar governing authority of the corporation or business enterprise who are not officers or employees of the conservator and are not related to the conservator and provided the contract is approved by the court of the county which has jurisdiction over the conservatorship.

(b) Any conservator receiving compensation from a corporation or other business enterprise for services to it as described in subsection (a) of this Code section shall not receive extra compensation in respect to such services as provided in Code Section 29-3-52; provided, however, that nothing in this Code section shall prohibit the receipt by the conservator of extra compensation for services rendered in respect to other assets or matters involving the estate.

(c) Nothing in this Code section shall prohibit the receipt by conservators of normal commissions and compensation for the usual services performed by conservators pursuant to law.

(d) The purpose of this Code section is to enable additional compensation to be paid to a conservator for business management and advisory services to corporations and business enterprises pursuant to contract, without the necessity of petitioning for extra compensation pursuant to Code Section 29-3-52. (Code 1981, § 29-3-53, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-54. Compensation of temporary substitute conservator; reduction of conservator's compensation.

A temporary substitute conservator may apply to the court for reasonable compensation after notice to interested parties in compliance with Chapter 9 of this title. The court shall award reasonable compensation to a temporary substitute conservator and such compensation shall be the only compensation or commission paid to the temporary substitute conservator for services performed in that capacity. For good cause, including but not limited to services performed and compensation awarded to a temporary substitute conservator, the court may reduce the compensation due the conservator under other provisions of this article. (Code 1981, § 29-3-54, enacted by Ga. L. 2004, p. 161, § 1.)

ARTICLE 6

ACCOUNTING FOR ASSETS

29-3-60. Annual filing of verified return; change of reporting period; production of documents; effect of failure to file return.

(a) Each year, within 60 days of the anniversary date of qualification, every conservator shall file with the court a verified return consisting of a statement of the receipts and expenditures of the conservatorship during the year preceding the anniversary date of qualification, an updated inventory consisting of a statement of the assets and liabilities of the estate as of the anniversary date of qualification, an updated plan for managing, expending, and distributing the minor's property, a note or memorandum of any other fact necessary to show the true condition of the estate, and a statement of the current amount of the bond. The conservator shall mail a copy of the return by first-class mail to the surety on the conservator's bond and the minor's guardian, if any. If the minor has no guardian or if the guardian and the conservator are the same person, the conservator shall mail a copy of the return by first-class mail to the minor.

(b) Upon petition of the conservator or upon the court's own motion, the court may change the reporting period from the year immediately preceding the anniversary date of qualification to the year immediately preceding a date ordered by the court. In lieu of changing the reporting date, the court is authorized to accept a return for filing even if the return does not cover the appropriate reporting period; however, such acceptance shall not change the reporting period established by either the anniversary date of qualification or a subsequent order of the court, unless the court also enters an order changing the reporting date.

(c) The court shall carefully examine each return of a conservator and, upon petition of any interested person or upon the court's own motion, may require the conservator to produce the original documents that support the return. Except as otherwise provided in this subsection, if no objection is filed within 30 days of the time the conservator's return is filed, the court shall record the return within 60 days of its filing. The return shall be kept on file in the court. The recorded return shall be prima-facie evidence of its correctness. If there is an objection to the return or if the court on its own motion determines that the conservator may have wasted the property of the minor or failed in any manner to comply with applicable law, the court shall hold a hearing or take such other action as the court deems appropriate.

(d) The court shall keep a docket of conservators liable to file returns. Upon the failure of any conservator to file any return within the time frame required by law, the court shall cite the conservator to appear and show reason for the delay. A conservator who fails to file an annual return as

required by law shall forfeit all commissions and other compensation for the year within which no return is filed unless otherwise ordered by the court. A willful and continued failure to file a return shall be good cause for removal. (Code 1981, § 29-3-60, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1855-56, p. 147, § 1, former Code 1868, § 1807, former Code 1882, § 1816, former Code 1933, §§ 49-231 and 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Guardian failing to make annual return forfeits annual commission. — Under former O.C.G.A. § 29-2-44 and O.C.G.A. § 53-6-146, guardians and administrators who fail to make annual returns as required by law forfeit their commissions for those years unless the judge of the probate court orders them relieved of this forfeiture. *Fuller v. Moister*, 246 Ga. 397, 271 S.E.2d 622 (1980) (decided under former Code 1933, § 49-231).

Failure entails burden of proving faithful discharge of duties. — Failure of executor or guardian to make returns is an omission of duty, and therefore a breach of trust, and puts upon the executor the burden of proving to satisfaction of court that the executor discharged trust with fidelity. *Wellborn v. Rogers*, 24 Ga. 558 (1858) (decided under Ga. L. 1855-56, p. 147, § 1).

Failure to make returns of interest does not demonstrate fraud. — Failure of guardian to make returns of interest accumulated in guardian's hands is not by itself sufficient to authorize finding of fraud and charging of compound interest. *Royston v. Royston*, 29 Ga. 82 (1859) (decided under Ga. L. 1855-56, p. 147, § 1).

Infant may maintain bill in equity, by next friend, against guardian for misappropriation of funds. (decided under former Code 1882, § 1816).

"Unfit" is not limited nor is scope of inquiry. — "Unfit," as used in former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45), was not limited to physical, mental, or moral conditions, and the Code laid down no limitations on scope of inquiry as to fitness and capacity of a guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479 (1937) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

29-3-61. Interim settlement of accounts; reporting and requirements of report; procedure for objecting.

(a) At any time after the six-month period following qualification, but not more frequently than once every 24 months, a conservator may petition the court for an interim settlement of accounts. The court shall appoint a guardian ad litem for the minor upon the filing of the petition for interim settlement.

(b) The petition for an interim settlement of accounts shall be accompanied by a report which shall set forth all of the information required by law in annual returns and, in addition thereto, shall show:

(1) The period which the report covers;

(2) The name and address of the minor, the name and address of the minor's guardian, if any, and the name of the surety on the conservator's bond, with the amount of the bond; and

(3) Such other facts as the court may require.

(c) The court, upon the petition for an interim settlement of accounts being filed, shall issue a citation and shall require any objections to be filed in accordance with Chapter 9 of this title. 29-3-62. Objections to conservator's interim settlement of accounts; hearing.

Any interested person may file an objection to the conservator's interim settlement of accounts. Upon receipt of objections or on the court's own motion, the court shall hold a hearing in which it shall consider all

objections, hear evidence, and determine whether the conservator shall be discharged from liability for the period covered by the interim settlement of accounts. (Code 1981, § 29-3-62, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-63. Judgment against conservator and surety.

29-3-64. Termination of conservatorship.

(a) The conservatorship of a minor shall terminate either on the date upon which the minor reaches 18 years of age or earlier if the minor becomes emancipated. Proof of emancipation shall be filed with the court; and, where the court deems appropriate, the court may order a hearing on the issue of termination.

(b) Within six months prior to the date the minor reaches 18 years of age, the conservator or any other interested person may file a petition for the appointment of a conservator for the minor when that minor becomes an adult, in accordance with the provisions of Article 2 of Chapter 5 of this title, to take effect on the date the minor reaches 18 years of age.

(c) The death of the minor automatically terminates the conservatorship, but the conservator or the conservator's personal representative must comply with the provisions in Code Section 29-3-70.

(d) Upon termination of the conservatorship, the conservator shall deliver any money or property to the former minor or, if a conservator has been appointed for the former minor, to that conservator, or, if the minor is deceased, to the minor's personal representative. ARTICLE 7

TERMINATION OF CONSERVATORSHIP

29-3-70. Petition for order of dismissal of conservatorship; final return; notice; order of dismissal.

(a) Upon the termination of the conservatorship or upon the resignation of the conservator, the conservator may petition the court for an order dismissing the conservator from office. The petition shall include a final return to the court which covers the period from the last annual return filed by the conservator. The final return shall contain the information required

for annual returns and shall otherwise comply with the provisions of Code Section 29-3-60. Notice shall be published one time in the newspaper in which sheriff's advertisements are published in the county in which the petition is filed and shall state that any objection must be made in writing and shall designate the date on or before which objections must be filed in the court, which date shall not be less than 30 days from the date of publication. The court shall examine any objections filed.

(b) If no objection is filed or if, upon hearing any objection, the court is satisfied that the order dismissing the conservator from office is appropriate, the court shall enter an order dismissing the conservator from office. Such order shall not bar an action against the conservator or the conservator's surety. (Code 1981, § 29-3-70, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-71. Final settlements; settlement period; examination of returns and accounts by court; return of property to minor.

(a) A minor who has reached the age of majority, the personal representative of a deceased minor, a successor conservator, or any interested person may petition the court for an order requiring a conservator or that conservator's personal representative to appear and submit to a final settlement of the conservator's accounts. Alternatively, the court on its own motion may issue such an order. The settlement period shall be the period of time from the commencement of the conservatorship or the end of the period covered by the last interim settlement of accounts. If the conservator fails or refuses to appear as cited, the court may proceed without the appearance of the conservator. If the conservator has been required to give bond, the surety on the bond shall be bound by the settlement if the surety is given notice by first-class mail of the settlement proceeding.

(b) A conservator, a former conservator, the conservator of a conservator, or the personal representative of a deceased conservator shall be allowed to cite the minor, the minor's personal representative, or a successor conservator to appear and be present at a final settlement of the conservator's accounts and discharge from liability in the manner provided for in subsection (a) of this Code section. The settlement period shall be the period of time from the commencement of the conservatorship or the end of the period covered by the last interim settlement of accounts. Notice by first-class mail of the settlement proceeding must be given to the surety on the conservator's bond and to the minor's guardian, if any. If the minor has not reached 18 years of age or if the conservator is the minor's personal representative, the court shall appoint a guardian ad litem for the minor who shall be served personally.

(c) Upon the return of a notice referred to in subsections (a) and (b) of this Code section, the court shall proceed to examine all returns and accounts of the conservator during the settlement period and to hear any objection to the settlement and discharge.

(d) The court shall order any property in the hands of the conservator to be delivered to the minor, the minor's personal representative, or to the successor conservator and shall issue a judgment, writ of fieri facias, and execution thereon for any sums found to be due from the conservator. If the court is satisfied that the conservator has faithfully and honestly discharged the office, an order shall be entered releasing and discharging the conservator from all liability.

(e) When a minor ward for whom the county administrator or county guardian has been previously appointed as conservator dies intestate, the conservator shall proceed to distribute the minor ward's estate in the same manner as if the conservator had been appointed administrator of the estate. The sureties on the conservator's bond shall be responsible for the conservator's faithful administration and distribution of the estate. (Code 1981, § 29-3-71, enacted by Ga. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1873, § 1839, former Code 1882, §§ 1839, 1849, former Code 1895, § 2567, former Civil Code 1895, § 2568, former Code 1933, §§ 49-301 and 49-314, and former O.C.G.A. § 29-2-84 are included in the annotations for this Code section.

Constitutionality. — *Davis v. Harper*, 54 Ga. 180 (1875) (decided under former Code 1873, § 1839).

Ward seeking accounting must apply to probate court. — Where duly qualified guardian had not filed for approval any annual returns, ward should have applied to ordinary (now judge of probate court), instead of superior court, for accounting which ward was seeking. *Moon v. Moon*, 215 Ga. 110, 109 S.E.2d 39 (1959) (decided under former Code 1933, § 49-301).

Of age ward can cite former guardian for settlement. — Upon arriving at age, ward can cite former guardian, to appear before

ordinary (now judge of probate court) for settlement of the guardian's accounts, whether the guardian was, in fact, guardian at the time of such citation and hearing or not. *Hood v. Perry*, 73 Ga. 319 (1884) (decided under former Code 1882, § 1839).

Relationship of guardian and ward does not terminate for settlement purposes when ward reaches majority. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

When ward reaches majority, relationship of guardian and ward continues only for purposes of settlement. *Donehoo v. Commercial Bank & Trust Co.*, 124 Ga. App. 588, 184 S.E.2d 690 (1971) (decided under former Code 1933, § 49-301).

Ward is not barred by statute of limitations in seeking accounting and settlement with guardian. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

Approval not conclusive when given when ward was minor. — Approval of returns by probate court when ward was an infant is not conclusive against ward. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

Application to executor of deceased guardian. — See *Cunningham v. Schley*, 34 Ga. 395 (1866) (decided under former Code 1863, § 1790).

Citation for settlement of non-resident guardian. — A guardian who has obtained letters of guardianship in one county but lives in another county becomes a quasi officer of the appointing court and may be cited by ordinary (now judge of probate court) of that county. *Usry v. Usry*, 82 Ga. 198, 8 S.E. 60 (1888) (decided under former Code 1882, § 1839).

Citation of non-resident guardian when not subject to court's jurisdiction. — An ordinary (now judge of probate court) does not have jurisdiction to cite for settlement a guardian who was not appointed by the judge and who had never, in any way, been subject to jurisdiction of such judge and acknowledgment of service of citation was no waiver of jurisdiction where guardian did not appear or plead to the citation. *Jackson v. Hitchcock*, 48 Ga. 491 (1873) (decided under former Code 1873, § 1839).

Pleading which attacks approved returns of guardian must be specific. *Pettigrew v.*

Williams, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

Petitions in substantial compliance with law. — See *Weldon v. Patrick*, 69 Ga. 724 (1882) (decided under former Code 1882, § 1839). *De Loach v. Waters*, 54 Ga. App. 386, 188 S.E. 58 (1936) (decided under former Code 1933, § 49-301).

One palpable item casts suspicion upon all. — The law presumes that one palpable item casts suspicion upon entire account. *Poullain v. Poullain*, 76 Ga. 420, 4 S.E. 92 (1886) (decided under former Code 1882, § 1849).

Mingling with ward's uninvested funds incurs liability for interest. — While a guardian may have the right to hold funds of the ward, uninvested, for purpose of paying off a judgment as to which there is pending litigation, if the guardian mingles such funds with the guardian's own, the guardian is liable for interest thereon, even though the guardian individually has at all times with banks, enough money to settle fully with the ward, none of such money being deposited by the depositor as guardian. *Jones v. Nolan*, 120 Ga. 588, 48 S.E. 166 (1904) (decided under former Civil Code 1895, § 2568).

(a) A conservator or the duly authorized guardian, conservator, or attorney in fact of a conservator acting on behalf of the conservator may resign upon petition to the court showing to the satisfaction of the court that:

(1) The conservator is unable to continue serving due to age, illness, infirmity, or other good cause;

(2) Greater burdens have devolved upon the office of conservator than those that were originally contemplated or should have been contemplated when the conservator was qualified and the additional burdens work a hardship upon the conservator;

(3) Disagreement exists between the minor and the conservator or between the guardian and the conservator in respect to the conservator's management of the minor's property, which disagreement and conflict appear to be detrimental to the minor;

(4) The resignation of the conservator will result in or permit substantial financial benefit to the minor; or

(5) The resignation would not be disadvantageous to the minor.

(b) The petition for resignation shall include the name of a suitable person who is willing to accept the conservatorship.

(c) Personal service of the petition for resignation shall be made upon the minor and a guardian ad litem appointed by the court for the minor. Service shall be made by first-class mail to the guardian of the minor, if any, the surety on the conservator's bond, and to the following relatives of the minor who are persons other than the resigning conservator or the proposed successor conservator:

(1) Any parent of the minor whose parental rights have not been terminated;

(4) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998.

(d) If, after such hearing as the court deems appropriate, the court is satisfied that the petition for the resignation of the conservator and the appointment of the successor conservator should be granted, the court shall enter an order appointing the successor conservator in accordance with the provisions of Code Section 29-3-91 and shall accept the conservator's resignation, subject to the resigning conservator turning over to the successor conservator all property of the minor held by the conservator. (Code 1981, § 29-3-80, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, substituted "property of the minor held" for "property held" near the end of subsection (d).

Code Commission notes. — Pursuant to

Code Section 28-9-5, in 2004, "or" was added following the semicolon at the end of paragraph (c)(3) and "Code Section 53-2-1" was substituted for "53-2-1" in paragraph (c)(4).

29-3-82. Suspension of conservatorship or imposition of sanctions; power of court; liability of conservator.

(a) Upon the petition of any interested person or whenever it appears to the court that good cause may exist to revoke or suspend the letters of conservatorship or to impose sanctions, the court shall cite the conservator to answer the charge. The court shall investigate the allegations and may require such accounting as the court deems appropriate. The court may appoint a temporary substitute conservator to take possession of and to administer the minor's property during the investigation.

(b) Upon investigation the court may in its discretion:

(1) Revoke or suspend the letters of conservatorship;

(2) Require additional security;

(3) Require the conservator to appear and submit to a settlement of accounts following the procedure as set forth in Code Section 29-3-71, whether or not the conservator has first resigned or been removed and whether or not a successor conservator has been appointed;

(4) Reduce or deny compensation to the conservator or impose such other sanction or sanctions as the court deems appropriate; and

(1) To recover damages;

(2) To compel performance of the conservator's duties;

(3) To enjoin the commission of a breach of fiduciary duty; or

(4) To compel the redress of a breach of fiduciary duty by payment of money or otherwise.

(b) When the minor's assets are misapplied and can be traced into the hands of persons who have notice of the misapplication, a trust shall attach to the assets.

(c) The provision of remedies for breach of fiduciary duty by this Code section does not prevent resort to any other appropriate remedy provided by statute or common law. (Code 1981, § 29-3-83, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1868, § 1807, former Code 1882, § 1816, former Civil Code 1910, § 3051, former Code 1933, § 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Infant may maintain bill in equity, by next

friend, against guardian for misappropriation of funds. (decided under former Code 1882, § 1816).

Religious belief of guardian does not render guardian unfit to discharge guardianship. *Maxey v. Bell*, 41 Ga. 183 (1870) (decided under former Civil Code 1910, § 3051).

Suit against guardian for waste permitted if regarding revocation of guardianship. — Suit by next friend in behalf of ward for waste committed by guardian, or recovery of money in guardian's hands, can be brought only in connection with a proceeding to remove guardian and revoke guardian's letters. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Proceedings are against guardian as an individual, not against estate. — Proceedings to remove guardian and revoke guardian's letters, under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), were proceedings against guardian as an individual, and not against the estate or trust guardian represents; and where guardian was removed as guardian and guardian's letters revoked, it was proper that guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

On question of removal, interest of ward governs, rather than that of guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479 (1937) (decided under former Code 1933, § 49-232).

Burden of proof rests upon party attack-

ing guardian's conduct. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and guardian's letters revoked, upon rule issued by the ordinary (now judge of probate court), under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), after hearing on guardian's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

Revocation of letters of guardianship. — Where court of ordinary (now probate court) rendered decision revoking letters of guardianship, an appeal will lie from such decision to superior court, though no issue of fact be involved. *Teasley v. Vickery*, 133 Ga. 721, 66 S.E. 918 (1910) (decided under former Civil Code 1910, § 3051).

For jurisdiction over removal proceedings where guardian and ward have moved from county of original appointment, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-232, are included in the annotations for this Code section.

Use of estate funds should accompany petition to revoke guardianship. — One who has been adjudged insane and confined to state mental hospital and who desires to use

funds in estate for purpose of proving that sanity has been restored, should properly proceed by making application to ordinary (now judge of probate court) for revocation of letters of guardianship. 1952-53 Op. Att'y Gen. p. 373 (decided under former Code 1933, § 49-232).

(a) Upon its own motion or on the petition of any interested party, including the minor, the court may appoint a temporary substitute conservator for a minor if it appears to the court that the best interest of the minor requires immediate action.

(b) The temporary substitute conservator shall be appointed for a specified period not to exceed 120 days.

(c) The court shall appoint as temporary substitute conservator the county guardian or some other appropriate person who shall serve the best interest of the minor.

(d) Except as otherwise ordered by the court, a temporary substitute conservator has the powers set forth in the order of appointment. The authority of the previously appointed conservator is suspended for as long as the temporary substitute conservator has authority.

(e) Notice of the appointment of a temporary substitute conservator shall be served personally on the minor. Notice of the appointment shall be served personally on the previously appointed conservator at the last address provided by that conservator to the court. Notice of the appointment shall be mailed by first-class mail to the surety of the previously appointed conservator and to the minor's guardian, if any.

(f) The court may remove the temporary substitute conservator at any time. A temporary substitute conservator shall make any report and shall

give any bond the court deems appropriate. In all other respects, the provisions of this chapter apply to the temporary substitute conservator. (Code 1981, § 29-3-90, enacted by Ga. L. 2004, p. 161, § 1.)

29-3-91. Appointment of successor conservator; notice; hearing and bond requirements.

(a) The court shall appoint a successor conservator upon the resignation, death, or revocation of the letters of the conservator if the appointment of a successor conservator is in the best interest of the minor. The court shall select the successor conservator in the manner provided in Code Section 29-3-7.

(b) In the event of the resignation or death of the conservator, notice of the proceeding for appointment of a successor conservator shall be given as provided in Code Sections 29-3-80 and 29-3-81. In all other cases, notice of the proceeding for appointment of a successor conservator shall be served personally on the minor and a guardian ad litem appointed for the minor. Notice shall be given by first-class mail to the guardian of the minor, if any, and to the following relatives of the minor, in the following order of preference, who are persons other than the proposed successor conservator:

(1) Any parent of the minor whose parental rights have not been terminated;

(2) If there is no parent of the minor whose parental rights have not been terminated, the adult siblings of the minor; provided, however, that not more than three adult siblings need be served;

(3) If there is no adult sibling of the minor, the grandparents of the minor; provided, however, that not more than three grandparents need be served; or

(4) If there is no grandparent of the minor, any three of the nearest adult relatives of the minor determined according to Code Section 53-2-1 of the Revised Probate Code of 1998.

(c) After any hearing the court deems appropriate, the court shall enter an order appointing the successor conservator and require that bond be posted in the amount set forth in Code Section 29-3-40. (Code 1981, § 29-3-91, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

FOREIGN CONSERVATORSHIPS

PART 1

GENERAL PROVISIONS

29-3-100. Petition for removal to jurisdiction where minor resides; appointment of guardian ad litem; bond; authority; liability of surety; retention of jurisdiction by initial court.

(a) A conservator may petition to remove the conservatorship to the jurisdiction of the court of the county in this state in which the minor resides.

(b) Upon the filing of a petition to remove the conservatorship to another county in this state, the court shall appoint a guardian ad litem for the minor. The court of the county in which the conservator was appointed shall grant the petition for removal only if the court determines that the removal is in the best interest of the minor.

(c) Before the removal of the conservatorship to another county in this state, the conservator must give bond and good security to the court of such county as if the conservator had been first appointed by that court and a certificate to this effect shall be filed in the court in which the conservator was appointed. The conservator shall file with the court of the county to which the conservatorship is to be removed certified copies of all the records pertaining to the conservatorship.

(d) Following removal of a conservatorship to another county in this state, the court to which the conservatorship is removed shall have the same jurisdiction over the conservator as if the conservator had been first appointed in that county, and every case growing out of or affecting the conservatorship shall be heard and tried only in the county to which the conservatorship has been removed.

(e) The sureties on the conservator's first bond shall be liable only for misconduct of the conservator up until the giving of new bond and security. The sureties on the new bond shall be liable for both past and future misconduct of the conservator.

(f) The court in which an action or proceeding is pending or which has issued an order for a settlement of accounts, removal, or sanction of a conservator shall retain jurisdiction of such matters even though the conservatorship has been removed to another county. (Code 1981, § 29-3-100, enacted by Ga. L. 2004, p. 161, § 1.)

Compliance discharges surety from further liability on account of guardian. — When provisions of the Act of 1812 (former O.C.G.A. § 29-2-70) are fully complied with, sureties on first bond are discharged from all further liability on account of their principal. (5) The name, age, and current address of the minor;

(6) The names and current addresses of the adult siblings of the minor, if any;

title in the ward's estate, but is merely a custodian or manager. *Moore v. Self*, 222 Ga. App. 71, 473 S.E.2d 507 (1996) (decided under former O.C.G.A. Ch. 5, T. 29).

L. 1964, pp. 499, 657, and former O.C.G.A. 29-5-1 are included in the annotations for this Code section.

All insane persons covered. — Former Code 1933, § 49-601 was broad enough to cover all classes of insane persons, resident and nonresident. *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

Probate court vested with original, exclusive, and general jurisdiction. — Court of ordinary (now probate court) was vested with original, exclusive, and general jurisdiction over insane persons and the appointment and removal of their guardians. *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

May commit insane person present in county. — Court of ordinary (now probate court) has jurisdiction to adjudge and have committed an insane person who is present in that county in keeping with law in general relative to power of state over persons found within its borders as provided in former Code 1933, § 15-202 (former O.C.G.A. § 50-2-21). *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

May appoint guardian for in-state land of nonresident insane person. — Courts of ordinary (now probate courts) of this state have jurisdiction to appoint guardians for lands of lunatics who reside beyond limits of this state, where property is located in territorial limits of state in which such courts act. *Coker v. Gay*, 154 Ga. 337, 114 S.E. 217 (1922) (decided under former Civil Code 1910, § 3089).

May authorize guardian to sell ward's land to pay debts. — Court of ordinary (now probate court) is vested by law with jurisdiction to render judgment granting to guardian of insane person permission to sell land belonging to such ward for purpose of paying debts; proceedings in such case to be in conformity with statutes relating to sales by administrators. *Jernigan v. Radford*, 182 Ga.

484, 185 S.E. 828 (1936) (decided under former Code 1933, § 49-601).

Applicability of Code sections pertaining to guardians of minors. — All provisions of Code as to settlements of guardians of minors, their resignation, letters of dismission, and distribution of estates of deceased wards, also apply to guardians appointed under former Civil Code 1910, § 3089 (former O.C.G.A. § 29-5-1). *Shadburn v. Verner*, 169 Ga. 5, 149 S.E. 579 (1929) (decided under former Civil Code 1910, § 3089).

Appointment of guardian does not mandate eligibility for commitment. — One may be eligible to have guardian even if ineligible for admission as inmate of Milledgeville State Hospital. *Tucker v. American Sur. Co.*, 78 Ga. App. 327, 50 S.E.2d 859 (1948) (decided under former Code 1933, § 49-601).

Insufficient evidence for appointment of guardian. — Jury's verdict finding that the mother was a mentally incapacitated adult who needed to have a guardian appointed over her person and property had to be reversed as the testimony of her children's own mental incapacity expert who examined her did not support that finding, testimony of lay witness that mother was mentally incapacitated was based on inadmissible hearsay, and thus, the verdict was not supported by the necessary clear and convincing evidence. (decided under former O.C.G.A. § 29-5-1).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-601 are included in the annotations for this Code section.

Court cannot appoint guardian for one rational but arthritic. — Probate court would

have no authority to name guardian for one who is perfectly rational but is only afflicted with arthritis. 1960-61 Op. Att'y Gen. p. 88 (decided under former Code 1933, § 49-601).

29-4-2. Qualifications of guardians selected for adults.

(a) Only an individual may serve as guardian of an adult, except in the event a public guardian or the Department of Human Resources is appointed pursuant to subsection (b.1) of Code Section 29-4-3.

(b) No individual may be appointed as guardian of an adult who:

(1) Is a minor, a ward, or a protected person;

(2) Has a conflict of interest with the adult unless the court determines that the conflict of interest is insubstantial or that the appointment would be in the adult's best interest; or

(3) Is an owner, operator, or employee of a long-term care or other caregiving institution or facility at which the adult is receiving care, unless related to the adult by blood, marriage, or adoption.

(c) No entity may be appointed as guardian of an adult which:

(1) Has a conflict of interest with the adult unless the court determines that the conflict of interest is insubstantial or that the appointment would be in the adult's best interest; or

(2) Is a long-term care or other caregiving institution or facility at which the adult is receiving care. (Code 1981, § 29-4-2, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 509, § 2/HB 394.)

The 2005 amendment, effective July 1, 2005, added the exception at the end of subsection (a) and added subsection (c).

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county guardian as the new guardian, the record supported appellant's argument that the

probate court failed to consider the statutory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. In re Phillips, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-2).

29-4-3. Order of preference in selection of guardians; written request nominating guardian; requirements of writing.

(a) The court shall appoint as guardian that individual who will best serve the interest of the adult, considering the order of preferences set forth in this Code section. The court may disregard an individual who has preference and appoint an individual who has a lower preference or no preference; provided, however, that the court may disregard the preferences listed in paragraph (1) of subsection (b) of this Code section only upon good cause shown.

(b) Individuals who are eligible have preference in the following order:

(1) The individual last nominated by the adult in accordance with the provisions of subsection (c) of this Code section;

(2) The spouse of the adult or an individual nominated by the adult's spouse in accordance with the provisions of subsection (d) of this Code section;

(3) An adult child of the adult or an individual nominated by an adult child of the adult in accordance with the provisions of subsection (d) of this Code section;

(4) A parent of the adult or an individual nominated by a parent of the adult in accordance with the provisions of subsection (d) of this Code section;

(5) A guardian appointed during the minority of the adult;

(6) A guardian previously appointed in Georgia or another state;

(7) A friend, relative, or any other individual;

(8) Any other person, including a volunteer to the court, found suitable and appropriate who is willing to accept the appointment; and

(9) The county guardian.

(b.1) If no other person is available to serve as guardian of the ward, the judge may appoint a public guardian in accordance with Chapter 10 of this title. In the event the court determines that there is no public guardian registered in accordance with Chapter 10 of this title appropriately available to serve as guardian for a ward, the court may appoint the Department of Human Resources as guardian. If so appointed, the department shall designate a representative of the department to provide guardian services who shall take the oath of guardianship. If, after having been so appointed, the department presents to the court a public guardian registered in accordance with Chapter 10 of this title or some other person suitable and appropriate to serve as guardian of a ward and willing to so serve, the court shall allow the department to resign and shall appoint such public guardian or such other person. If the department is appointed pursuant to this subsection, it shall be bound by all the requirements of this chapter, except that it shall not be required to post bond or pay any cost or fee of court associated with the guardianship proceeding. If the department is appointed pursuant to this subsection and enters into a contract with an independent contractor for the provision of guardianship services, the expense of providing such services may be paid for from state funds appropriated for public guardians under Chapter 10 of this title or, upon approval of the court, from the estate of the ward.

(c) At any time prior to the appointment of a guardian, an adult may nominate in writing an individual to serve as that adult's guardian should the adult be judicially determined to be in need of a guardian, and that nomination shall be given the preference described in this Code section, provided that it is signed in accordance with the provisions of subsection (e) of this Code section or the provisions of Code Section 31-32-5.

(d) At any time prior to the appointment of a guardian, a spouse, adult child, or parent of an adult may nominate in writing an individual to serve as that adult's guardian should the adult be judicially determined to be in need of a guardian, and that nomination shall be given the preference described in this Code section, provided that it is signed in accordance with the provisions of subsection (e) of this Code section or, if in a will, is executed in accordance with the provisions of Code Section 53-4-20 of the Revised Probate Code of 1998.

(e) A writing nominating the guardian of an adult:

(1) Must contain an express nomination of the individual who shall serve as guardian and must be signed or acknowledged by the individual making the nomination in the presence of two witnesses who sign in the individual's presence; and

(2) May be revoked by the individual by obliteration, cancellation, or by a subsequent inconsistent writing, whether or not witnessed. (Code 1981, § 29-4-3, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 509, § 3/HB 394; Ga. L. 2007, p. 133, § 7/HB 24.)

The 2005 amendment, effective July 1, 2005, deleted “and” at the end of paragraph (b)(7); redesignated former paragraph (b)(8) as present paragraph (b)(9); added present paragraph (b)(8); deleted “or the director of the department of family and children services of the county of domicile of the adult or of the county in which the adult is found; provided, however, that the director of the county department of family and children services may delegate the guardianship duties to responsible employees of the department.” at the end of paragraph (b)(9); and added subsection (b.1).

The 2007 amendment, effective July 1, 2007, substituted “Code Section 31-32-5” for “Code Section 31-36-5” at the end of subsection (c).

Editor’s notes. — Ga. L. 2005, p. 509, § 9, not codified by the General Assembly, provides: “This Act shall become effective on July 1, 2005, and all appointments of guardians of the person made pursuant to former Title 29 shall continue in effect and shall thereafter be governed by the provisions of this Act.”

Ga. L. 2007, p. 133, § 1, not codified by the General Assembly, provides: “(a) The General Assembly has long recognized the right of the individual to control all aspects of his or her personal care and medical treatment, including the right to insist upon medical treatment, decline medical treatment, or direct that medical treatment be withdrawn. In order to secure these rights, the General Assembly has adopted and amended statutes recognizing the living will and health care agency and provided statutory forms for both documents.

“(b) The General Assembly has determined that the statutory forms for the living will and durable power of attorney for health care are confusing and inconsistent and that the statutes providing for the living will and health care agency contain conflicting concepts, inconsistent and out-of-date terminology, and confusing and inconsistent requirements for execution. In addition, there is a commendable trend among the states to combine the concepts of the living will and health care agency into a single legal document.

“(c) The General Assembly recognizes that a significant number of individuals representing the academic, medical, legislative, and legal communities, state officials, ethics scholars, and advocacy groups worked together to develop the advance directive for health care contained in this Act, and the collective intent was to create a form that uses understandable and everyday language in order to encourage more citizens of this state to execute advance directives for health care.

“(d) The General Assembly finds that the clear expression of an individual’s decisions regarding health care, whether made by the individual or an agent appointed by the individual, is of critical importance not only to citizens but also to the health care and legal communities, third parties, and families. In furtherance of these purposes, the General Assembly enacts a new Chapter 32 of Title 31, setting forth general principles governing the expression of decisions regarding health care and the appointment of a health care agent, as well as a form of advance directive for health care.”

ARTICLE 2

PROCEDURE FOR APPOINTMENT

29-4-10. Petition for appointment of guardian; requirements for petition.

(a) Any interested person or persons, including the proposed ward, may file a petition for the appointment of a guardian. The petition shall be filed in the court of the county in which the proposed ward is domiciled or is found, provided that the court of the county where the proposed ward is found shall not have jurisdiction to hear any guardianship petition if it appears that the proposed ward was removed to that county solely for the purposes of filing a petition for the appointment of a guardian.

(b) The petition for appointment of a guardian shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and county of domicile of the proposed ward, if known;

(3) The name, address, and county of domicile of the petitioner or petitioners and the petitioner's relationship to the proposed ward, if any, and, if different from the petitioner, the name, address, and county of domicile of the person nominated by the petitioner to serve as guardian and that person's relationship to the proposed ward, if any;

(4) A statement of the reasons the guardianship is sought, including the facts which support the claim of the need for a guardian;

(5) Any foreseeable limitations on the guardianship;

(6) Whether, to the petitioner's knowledge, there exists any living will, durable power of attorney for health care, advance directive for health care, order relating to cardiopulmonary resuscitation, or other instrument that deals with the management of the person of the proposed ward in the event of incapacity and the name and address of any fiduciary or agent named in the instrument;

(7) The names and addresses of the following whose whereabouts are known:

(A) The spouse of the proposed ward; and

(B) All children of the proposed ward; or

(C) If there are no adult children, then at least two adults in the following order of priority:

- (i) Lineal descendants of the proposed ward;
- (ii) Parents and siblings of the proposed ward; and
- (iii) Friends of the proposed ward;

(8) If known, the name and address of any individual nominated to serve as guardian by the proposed ward, as described in paragraph (1) of subsection (b) of Code Section 29-4-3;

(9) If known, the name and address of any individual nominated to serve as guardian by the proposed ward's spouse, adult child, or parent, as described in paragraph (2), (3), or (4) of subsection (b) of Code Section 29-4-3;

(10) Whether any nominated guardian has consented or will consent to serve as guardian;

(11) If known, whether any nominated guardian is an owner, operator, or employee of a long-term care or other caregiving institution or facility at which the proposed ward is receiving care, and, if so, whether the nominated guardian is related to the proposed ward by blood, marriage, or adoption;

(12) Whether an emergency guardian has been appointed for the proposed ward or a petition for the appointment of an emergency guardian has been filed or is being filed;

(13) If known, a disclosure of any ownership or other financial interest that would cause any nominated guardian to have a conflict of interest with the proposed ward;

(14) A specific listing of any of the additional powers, as described in subsection (b) of Code Section 29-4-23, that are requested by the guardian and a statement of the circumstances that would justify the granting of additional powers;

(15) Whether a guardian or conservator has been appointed in another state or whether a petition for the appointment of a guardian or conservator is pending in another state;

(16) That to petitioner's knowledge, there has been no petition for guardianship denied or dismissed within two years by any court of this state or, if so, that there has been a significant change in the condition or circumstances of the individual, as shown by the accompanying affidavits or evaluation; and

(17) The reason for any omission in the petition for appointment of a guardian in the event full particulars are lacking.

(c)(1) The petition shall be sworn to by two or more petitioners or shall be supported by an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker who is authorized to practice in that facility.

(2) Any affidavit shall be based on personal knowledge and shall state that the affiant has examined the proposed ward within 15 days prior to the filing of the petition and that, based on the examination, the proposed ward was determined to lack sufficient capacity to make or communicate significant, responsible decisions concerning the proposed ward's health or safety.

(3) In addition to stating the facts that support the claim of the need for a guardian, the affidavit shall state the foreseeable duration of the guardianship and may set forth the affiant's opinion as to any other limitations on the guardianship. (Code 1981, § 29-4-10, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2007, p. 133, § 8/HB 24.)

The 2007 amendment, effective July 1, 2007, inserted "advance directive for health care," in paragraph (b)(6).

Editor's notes. — Ga. L. 2007, p. 133, § 1, not codified by the General Assembly, provides: "(a) The General Assembly has long recognized the right of the individual to control all aspects of his or her personal care and medical treatment, including the right to insist upon medical treatment, decline medical treatment, or direct that medical treatment be withdrawn. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been included in the annotations for this Code section.

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Stepchildren are not included in "children." — A ward's stepchildren are not children under the guardianship statute, nor are they next of kin, and because there were individuals in this case related to the ward by blood, who were not notified of the guardianship proceedings, the appointment of the guardian was void. *Wilson v. James*, 260 Ga. 234, 392 S.E.2d 5 (1990) (decided under former O.C.G.A. § 29-5-6).

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798 (1988) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the petition at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Mental capacity to petition for appointment of guardian. — A person receiving social security disability benefits based on a mental disability, who had not been adjudicated to be incapacitated, was not disquali-

fied to petition for appointment of a guardian for mother. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly

construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-4-11. Prerequisite judicial finding of probable cause; notice; petition; evaluations; reporting requirements.

(a) Upon the filing of a petition for guardianship of a proposed ward, the court shall review the petition and the affidavit, if any, and determine whether there is probable cause to believe that the proposed ward is in need of a guardian within the meaning of Code Section 29-4-1.

(b) If the court determines that there is no probable cause to believe that the proposed ward is in need of a guardian, the court shall dismiss the petition and provide the proposed ward with a copy of the petition, the affidavit, if any, and the order dismissing the petition.

(c) If the court determines that there is probable cause to believe that the proposed ward is in need of a guardian:

(1) The court shall immediately notify the proposed ward of the proceedings by service of all pleadings on the proposed ward, which notice shall:

(A) Be served personally on the proposed ward by an officer of the court and shall not be served by mail;

(B) Inform the proposed ward that a petition has been filed to have a guardian appointed for the proposed ward, that the proposed ward has the right to attend any hearing that is held, and that, if a guardian is appointed, the proposed ward may lose important rights to control the management of the proposed ward's person;

(C) Inform the proposed ward of the place and time at which the proposed ward shall submit to the evaluation provided for by subsection (d) of this Code section; and

(D) Inform the proposed ward of the proposed ward's right to independent legal counsel and that the court shall appoint counsel within two days of service unless the proposed ward indicates that he or she has retained counsel in that time frame;

(2) Upon notice that the proposed ward has retained legal counsel or upon the appointment of legal counsel by the court, the court shall furnish legal counsel with a copy of the petition, the affidavit, if any, and

the order for evaluation provided for by subsection (d) of this Code section;

(3) The court shall give notice of the petition by first-class mail to all adult individuals and other persons who are named in the petition pursuant to the requirements of paragraphs (7), (8), and (9) of subsection (b) of Code Section 29-4-10; and

(4) On the motion of any interested person or on the court's own motion, the court shall determine whether to appoint a guardian ad litem.

(d)(1) If the petition is not dismissed under subsection (b) of this Code section, the court shall appoint an evaluating physician who shall be a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or licensed clinical social worker or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker authorized to practice in that federal facility, other than the physician, psychologist, or licensed clinical social worker who completed the affidavit attached to the petition pursuant to subsection (c) of Code Section 29-4-10.

(2) When evaluating the proposed ward, the physician, psychologist, or licensed clinical social worker shall explain the purpose of the evaluation to the proposed ward. The proposed ward may remain silent. Any statements made by the proposed ward during the evaluation shall be privileged and shall be inadmissible as evidence in any proceeding other than a proceeding under this chapter. The proposed ward's legal counsel shall have the right to be present but shall not participate in the evaluation.

(3) The evaluation shall be conducted with as little interference with the proposed ward's activities as possible. The evaluation shall take place at the place and time set in the notice to the proposed ward and the legal counsel and the time set shall not be sooner than the fifth day after the service of notice on the proposed ward. The court, however, shall have the exclusive power to change the place and time of the examination at any time upon reasonable notice being given to the proposed ward and to his or her legal counsel. If the proposed ward fails to appear, the court may order that the proposed ward be taken directly to and from a medical facility or the office of the physician, psychologist, or licensed clinical social worker for purposes of evaluation only. The evaluation shall be conducted during the normal business hours of the facility or office and the proposed ward shall not be detained in the facility or office overnight. The evaluation may include, but not be limited to:

(A) A self-report from the proposed ward, if possible;

(B) Questions and observations of the proposed ward to assess the functional abilities of the proposed ward;

(C) A review of the records for the proposed ward including, but not limited to, medical records, medication charts, and other available records;

(D) An assessment of cultural factors and language barriers that may impact the proposed ward's abilities and living environment; and

(E) All other factors the evaluator determines to be appropriate to the evaluation.

(4) A written report shall be filed with the court no later than seven days after the evaluation and the court shall serve a copy of the report by first-class mail upon the proposed ward and the proposed ward's legal counsel and, if any, the guardian ad litem.

(5) The report shall be signed under oath by the physician, psychologist, or licensed clinical social worker and shall:

(A) State the circumstances and duration of the evaluation, including a summary of questions or tests utilized, and the elements of the evaluation;

(B) List all persons and other sources of information consulted in evaluating the proposed ward;

(C) Describe the proposed ward's mental and physical state and condition, including all observed facts considered by the physician or psychologist or licensed clinical social worker;

(D) Describe the overall social condition of the proposed ward, including support, care, education, and well-being; and

(E) Describe the needs of the proposed ward and their foreseeable duration.

(6) The proposed ward's legal counsel may file a written response to the evaluation, provided the response is filed no later than the date of the commencement of the hearing. The response may include, but is not limited to, independent evaluations, affidavits of individuals with personal knowledge of the proposed ward, and a statement of applicable law. (Code 1981, § 29-4-11, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to

revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been included in the annotations for this Code section.

Requiring notice is to protect public and alleged incompetent. — The object of

former Code 1933, § 49-604 in requiring notice to relatives was not to confer any right upon them, but was solely for the purpose of protecting public and interest of alleged incompetent. *Phillips v. Phillips*, 202 Ga. 776, 44 S.E.2d 767 (1947) (decided under former Code 1933, § 49-604).

Relations notified are not parties in their own behalf but are notified for benefit of person to be considered and given an opportunity to be heard in that person's behalf. They are not summoned by process; no judgment can be rendered against them merely because of such notice; and there is no provision for taxing costs against them. *Slaughter v. Heath*, 127 Ga. 747, 57 S.E. 69, 27 L.R.A. (n.s.) 1 (1907) (decided under former Code 1895, § 2573).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Stepchildren are not included in "children." — A ward's stepchildren are not children under the guardianship statute, nor are they next of kin, and because there were individuals in this case related to the ward by blood, who were not notified of the guardianship proceedings, the appointment of the guardian was void. *Wilson v. James*, 260 Ga. 234, 392 S.E.2d 5 (1990) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files

application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the petition at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's

capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Notice to nearest relatives of alleged mental incompetent is insufficient. *Edwards v. Lampkin*, 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceed-

ings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

29-4-12. Judicial review of pleadings and evaluation report; findings; hearing.

(a) After the filing of the evaluation report, the court shall review the pleadings and the evaluation report.

(b) If, after the review, the court finds that there is no probable cause to support a finding that the proposed ward is in need of a guardian within the meaning of Code Section 29-4-1, the court shall dismiss the petition.

(c) If, after the review, the court finds that there is probable cause to support a finding that the proposed ward is in need of a guardian, the court shall schedule a hearing on the petition. Notice of the hearing shall be served by first-class mail upon the proposed ward, the proposed ward's legal counsel, and the proposed ward's guardian ad litem, if any; the petitioner or the petitioner's legal counsel, if any; and all adult individuals and other persons who are named in the petition pursuant to the requirements of paragraphs (7), (8), and (9) of subsection (b) of Code Section 29-4-10. The date of the hearing shall not be less than ten days after the notice is mailed.

(d)(1) The hearing shall be held in a courtroom or, for good cause shown, at such other place as the court may choose. At the request of the proposed ward or the proposed ward's legal counsel and for good cause shown, the court may exercise its discretion to exclude the public from the hearing and the record shall reflect the court's action. The proposed ward or the proposed ward's legal counsel may waive the appearance of the proposed ward at the hearing.

(2) The hearing shall be recorded by either a certified court reporter or a sound-recording device. The recording shall be retained for not less than 45 days from the date of the entry of the order described in Code Section 29-4-13.

(3) The court shall apply the rules of evidence applicable in civil cases.

(4) The court shall utilize the criteria in Code Section 29-4-1 to determine whether there is clear and convincing evidence of the need for a guardianship in light of the evidence taken at the hearing. In addition, the court may consider the evaluation report and any response filed by the proposed ward. The burden of proof shall be upon the petitioner.

(5) Upon determination of the need for a guardianship, the court shall determine the powers, if any, which are to be retained by the proposed ward, in accordance with the provisions of Code Section 29-4-21 and whether any additional powers are to be granted to the guardian, pursuant to the provisions of subsection (b) of Code Section 29-4-23.

(6) If the court determines that a guardianship is necessary and the proposed ward is present, the proposed ward may suggest any individual

as guardian. The court shall select as guardian the individual who will serve the best interest of the ward.

(7) In any procedure under this chapter in which the judge of the court is unable to hear a case within the time required for such hearing, the judge shall appoint an individual to hear the case and exercise all the jurisdiction of the court in the case. Any individual appointed shall be a member of the State Bar of Georgia who is qualified to serve as the probate judge in that county and who is, in the opinion of the appointing judge, qualified for the duties by training and experience. The appointment may be made on a case-by-case basis or by making a standing appointment of one or more individuals. Any individual who receives a standing appointment shall serve at the pleasure of the judge who makes the appointment or the judge's successor in office. The compensation of an individual appointed shall be as agreed upon by the judge who makes the appointment and the individual appointed, with the approval of the governing authority of the county for which the individual is appointed, and shall be paid from county funds. All fees collected for the service of the appointed individual shall be paid into the general funds of the county. (Code 1981, § 29-4-12, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised punctuation in subsection (a).

Proceedings in probate court only governed by recording requirement in former O.C.G.A. § 29-5-6(e)(2) and on de novo appeal from probate court decision on guardianship petition, superior court may, but was not required to, have the hearing reported. *Snider v. Lavender*, 164 Ga. App. 591, 298 S.E.2d 582 (1982) (decided under former O.C.G.A. § 29-5-6).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's resi-

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798

(1988) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Failure to have hearing recorded impacts appeal. — Absent a record of the hearing, the appellate could not determine whether the probate court's finding that appellant was incapable of managing appellant's estate was supported by clear and convincing evidence; accordingly, because the probate court failed to have the hearing recorded or reported, appellant was effectively denied appellant's right to appeal the probate court's decision. *In re Phillips*, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-6).

Standing to appeal from grant of petition. — Where the probate court granted wife's petition for guardianship over her husband, the superior court correctly dismissed an

appeal by the adult children of the husband because they did not file a petition for guardianship under former O.C.G.A. § 29-5-6 and did not hold any other status under former O.C.G.A. § 29-5-11(a). *Twitty v. Akers*, 218 Ga. App. 467, 462 S.E.2d 418

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-4-14. Petition for appointment of emergency guardian; requirements of petition.

(a) Any interested person, including the proposed ward, may file a petition for the appointment of an emergency guardian. The petition shall be filed in the court of the county in which the proposed ward is domiciled or is found.

(b) The petition for appointment of an emergency guardian shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and county of domicile of the proposed ward, if known;

(3) The name, address, and county of domicile of the petitioner and the petitioner's relationship to the proposed ward;

(4) A statement of the reasons the emergency guardianship is sought, including the facts that support the need for a guardian and the facts that establish an immediate and substantial risk of death or serious physical injury, illness, or disease unless an emergency guardian is appointed;

(5) The reasons why compliance with the procedures of Code Sections 29-4-10 through 29-4-13 is not appropriate in the circumstances;

(6) The fact that no other person appears to have authority and willingness to act in the circumstances, whether under a power of attorney, trust, or otherwise; and

(7) The reason for any omission in the petition for appointment of emergency guardian in the event full particulars are lacking.

(c) The petition shall state whether a petition for the appointment of a guardian or conservator has been filed or is being filed in conjunction with the petition for the appointment of an emergency guardian.

(d)(1) The petition shall be sworn to by two or more petitioners or shall be supported by an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker authorized to practice in that facility.

(2) Any affidavit shall be based on personal knowledge and shall state that the affiant has examined the proposed ward within 15 days prior to the filing of the petition and that, based on the examination, the proposed ward was determined to lack sufficient capacity to make or communicate significant, responsible decisions concerning the proposed ward's health or safety and that there is an immediate and substantial risk of death or serious physical injury, illness, or disease unless an emergency guardian is appointed.

(3) In addition to stating the facts that support the claim of the need for an emergency guardianship, the affidavit shall state the foreseeable duration of the emergency guardianship and may set forth the affiant's opinion as to any other limitations on the emergency guardianship. OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-9 are included in the annotations for this Code section.

Right to jury trial. — If the appointment of an emergency guardian under former O.C.G.A. § 29-5-8 is only for that period of time pending the outcome either of the emergency guardianship hearing or the permanent guardianship hearing, the order would not be final or appealable to a jury in superior court, and hence would not be subject to Ga. L. 1986, p. 982, affecting procedures before the probate court in cer-

tain counties; on the other hand, if the petition before the probate court sought only an emergency guardian for a period not to exceed 45 days, as in a situation where immediate surgical or other medical consent was required for a seriously ill person proposed to be a ward, an order granting such a petition, which would leave nothing further to be decided by the probate court, would be final, appealable to a superior court jury, and hence would be a "civil case" under the 1986 Act, giving a party a right to demand a jury trial. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-8).

29-4-15. Prerequisite findings prior to appointment of emergency guardian; evaluation; notice; hearing.

(a) Upon the filing of a petition for an emergency guardianship, the court shall review the petition and the affidavit, if any, to determine whether there is probable cause to believe that the proposed ward is in need of an emergency guardian within the meaning of paragraph (4) of subsection (b) of Code Section 29-4-14.

(b) If the court determines that there is no probable cause to believe that the proposed ward is in need of an emergency guardian, the court shall dismiss the petition and provide the proposed ward with a copy of the petition, the affidavit, if any, and the order dismissing the petition.

(c) If the court determines that there is probable cause to believe that the proposed ward is in need of an emergency guardian, the court shall:

(1) Immediately appoint legal counsel to represent the proposed ward at the emergency hearing, which counsel may be the same counsel who is appointed to represent the proposed ward in the hearing on the petition for guardianship or conservatorship, if any such petition has been filed, and shall inform counsel of the appointment;

(2) Order an emergency hearing to be conducted not sooner than three days nor later than five days after the filing of the petition;

(3) Order an evaluation of the proposed ward by a physician who shall be a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, other than the physician, psychologist, or

licensed clinical social worker who completed the affidavit attached to the petition pursuant to paragraph (1) of subsection (d) of Code Section 29-4-10. The evaluation shall be conducted within 72 hours of the time the order was issued and a written report shall be furnished to the court and made available to the parties within this time frame, which evaluation and report shall be governed by the provisions of subsection (d) of Code Section 29-4-11;

(4) Immediately notify the proposed ward of the proceedings by service of all pleadings on the proposed ward, which notice shall:

(A) Be served personally on the proposed ward by an officer of the court and shall not be served by mail;

(B) Inform the proposed ward that a petition has been filed to have an emergency guardian appointed for the proposed ward, that the proposed ward has the right to attend any hearing that is held, and that, if an emergency guardian is appointed, the proposed ward may lose important rights to control the management of the proposed ward's person;

(C) Inform the proposed ward of the place and time at which the proposed ward shall submit to the evaluation provided for by paragraph (3) of this subsection;

(D) Inform the proposed ward of the appointment of legal counsel; and

(E) Inform the proposed ward of the date and time of the hearing on the emergency guardianship; and

(5) Appoint an emergency guardian to serve until the emergency hearing, with or without prior notice to the proposed ward, if the threatened risk is so immediate and the potential harm so irreparable that any delay is unreasonable and the existence of the threatened risk and potential for irreparable harm is certified by the affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker. Appointment of an emergency guardian under this paragraph is not a final determination of the proposed ward's need for a nonemergency guardian. Any emergency guardian appointed under this paragraph shall have only those powers and duties specifically enumerated in the letters of emergency guardianship and the powers and duties shall not exceed those absolutely necessary to respond to the immediate threatened risk to the ward. (Code 1981, § 29-4-15, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 10/SB 534.)

The 2006 amendment, effective July 1, 2006, substituted “subsection (d) of Code Section 29-4-11” for “subsection (c) of Code Section 29-4-6” at the end of paragraph (c)(3).

29-4-16. Conduct of emergency guardianship hearing; limitations on emergency guardianship.

(a) The court shall conduct the emergency guardianship hearing, at the time and date set forth in its order, to determine whether there is clear and convincing evidence of the need for an emergency guardianship in light of the evidence taken at the hearing. In addition to the evidence at the hearing, the court may consider the evaluation report and any response filed by the proposed ward. The burden of proof shall be upon the petitioner. Upon the consent of the petitioner and the proposed ward, the court may grant a continuance of the case for a period not to exceed 30 days.

(b) If the court at the emergency hearing finds that an emergency guardianship is necessary, the court shall order the emergency guardianship; provided, however, that:

(1) Any emergency guardian shall have only those powers and duties specifically enumerated in the letters of emergency guardianship and the powers and duties shall not exceed those absolutely necessary to respond to the immediate threatened risk to the ward;

(2) The court may order the emergency guardian to make any report the court requires; and

(3) The emergency guardianship shall terminate on the earliest of:

(A) The court’s removal of the emergency guardian, with or without cause;

(B) The effective date of the appointment of a guardian;

(C) Unless otherwise specified in the order of dismissal, the dismissal of a petition for appointment of a guardian;

(D) The date specified for the termination in the order appointing the emergency guardian; or

(E) Sixty days from the date of appointment of the emergency guardian. (Code 1981, § 29-4-16, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised punctuation in the second sentence of subsection (a).

Right to jury trial. — If the appointment of an emergency guardian under former O.C.G.A. § 29-5-8 is only for that period of time pending the outcome either of the emergency guardianship hearing or the permanent guardianship hearing, the order would not be final or appealable to a jury in superior court, and hence would not be subject to Ga. 29-4-17. Responsibility for paying expenses of any hearing.

The amounts actually necessary or requisite to defray the expenses of any hearing held under this article shall be paid:

- (1) From the estate of the ward if a guardianship is ordered;
- (2) By the petitioner if no guardianship is ordered; or

(3) By the county in which the proposed ward is domiciled or by the county in which the hearing was held only if the person who actually presided over the hearing executes an affidavit or includes a statement in the order that the party against whom costs are cast pursuant to paragraph (1) or (2) of this Code section appears to lack sufficient assets to defray the expenses. (Code 1981, § 29-4-17, enacted by Ga. L. 2006, p. 805, § 11/SB 534.)

Effective date. — This Code section became effective July 1, 2006.

ARTICLE 3

PROTECTION OF THE WARD

29-4-20. Rights of the ward; impact on voting and testamentary capacity.

(a) In every guardianship, the ward has the right to:

- (1) A qualified guardian who acts in the best interest of the ward;
- (2) A guardian who is reasonably accessible to the ward;
- (3) Have the ward's property utilized to provide adequately for the ward's support, care, education, health, and welfare;
- (4) Communicate freely and privately with persons other than the guardian, except as otherwise ordered by a court of competent jurisdiction;
- (5) Individually, or through the ward's representative or legal counsel, bring an action relating to the guardianship, including the right to file a petition alleging that the ward is being unjustly denied a right or privilege granted by this chapter and Chapter 5 of this title and including the right to bring an action to modify or terminate the guardianship pursuant to the provisions of Code Sections 29-4-41 and 29-4-42;
- (6) The least restrictive form of guardianship assistance, taking into consideration the ward's functional limitations, personal needs, and preferences; and
- (7) Be restored to capacity at the earliest possible time.

(b) The appointment of a guardian is not a determination regarding the right of the ward to vote.

(c) The appointment of a guardian is not a determination that the ward lacks testamentary capacity. (Code 1981, § 29-4-20, enacted by Ga. L. 2004, p. 161, § 1.)

29-4-21. Rights and privileges removed from ward upon appointment of guardian.

(a) Unless the court's order specifies that one or more of the following powers are to be retained by the ward, the appointment of a guardian shall remove from the ward the power to:

- (1) Contract marriage;
- (2) Make, modify, or terminate other contracts;
- (3) Consent to medical treatment;
- (4) Establish a residence or dwelling place;

(5) Change domicile;

(6) Revoke a revocable trust established by the ward; and

(7) Bring or defend any action at law or equity, except an action relating to the guardianship.

(b) The mere appointment of a guardian does not revoke the powers of an agent who was previously appointed by the ward to act as an agent under a durable power of attorney for health care or health care agent under an advance directive for health care. (Code 1981, § 29-4-21, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2007, p. 133, § 9/HB 24.)

The 2007 amendment, effective July 1, 2007, added “or health care agent under an advance directive for health care” at the end of subsection (b).

Editor’s notes. — Ga. L. 2007, p. 133, § 1, not codified by the General Assembly, provides: “(a) The General Assembly has long recognized the right of the individual to control all aspects of his or her personal care and medical treatment, including the right to insist upon medical treatment, decline medical treatment, or direct that medical treatment be withdrawn. In order to secure these rights, the General Assembly has adopted and amended statutes recognizing the living will and health care agency and provided statutory forms for both documents.

“(b) The General Assembly has determined that the statutory forms for the living will and durable power of attorney for health care are confusing and inconsistent and that the statutes providing for the living will and health care agency contain conflicting concepts, inconsistent and out-of-date terminology, and confusing and inconsistent requirements for execution. In addition, there is a commendable trend among the states to

combine the concepts of the living will and health care agency into a single legal document.

“(c) The General Assembly recognizes that a significant number of individuals representing the academic, medical, legislative, and legal communities, state officials, ethics scholars, and advocacy groups worked together to develop the advance directive for health care contained in this Act, and the collective intent was to create a form that uses understandable and everyday language in order to encourage more citizens of this state to execute advance directives for health care.

“(d) The General Assembly finds that the clear expression of an individual’s decisions regarding health care, whether made by the individual or an agent appointed by the individual, is of critical importance not only to citizens but also to the health care and legal communities, third parties, and families. In furtherance of these purposes, the General Assembly enacts a new Chapter 32 of Title 31, setting forth general principles governing the expression of decisions regarding health care and the appointment of a health care agent, as well as a form of advance directive for health care.”

29-4-22. Decisions on ward’s well-being; obligations of guardian; liability of guardian.

(a) Except as otherwise provided by law or by the court, a guardian shall make decisions regarding the ward’s support, care, education, health, and welfare. A guardian shall, to the extent feasible, encourage the ward to

participate in decisions, act on the ward's own behalf, and develop or regain the capacity to manage the ward's personal affairs. To the extent known, a guardian, in making decisions, shall consider the expressed desires and personal values of the ward. A guardian shall at all times act as a fiduciary in the ward's best interest and exercise reasonable care, diligence, and prudence.

(b) A guardian shall:

- (1) Respect the rights and dignity of the ward;
- (2) Become or remain personally acquainted with the ward and maintain sufficient contact with the ward to know of the ward's capacities, limitations, needs, opportunities, and physical and mental health;
- (3) If necessary, petition to have a conservator appointed;
- (4) Endeavor to cooperate with the conservator, if any;
- (5) Take reasonable care of the ward's personal effects;
- (6) Arrange for the support, care, education, health, and welfare of the ward, considering the ward's needs and available resources;
- (7) Expend money of the ward that has been received by the guardian for the ward's current needs for support, care, education, health, and welfare;
- (8) Conserve for the ward's future needs any excess money of the ward received by the guardian; provided, however, that if a conservator has been appointed for the ward, the guardian shall pay to the conservator, at least quarterly, money to be conserved for the ward's future needs;
- (9) Within 60 days after appointment and within 60 days after each anniversary date of appointment, file with the court and provide to the ward and to the conservator, if any, a personal status report concerning the ward, which shall include:
 - (A) A description of the ward's general condition, changes since the last report, and needs;
 - (B) All addresses of the ward during the reporting period and the living arrangements of the ward for all addresses;
 - (C) A description of the amount and expenditure of any funds that were received by the guardian pursuant to paragraph (7) of this subsection; and
 - (D) Recommendations for any alteration in the guardianship order;
- (10) Promptly notify the court of any change in the ward's condition that in the opinion of the guardian might require modification or termination of the guardianship;

(11) Promptly notify the court of any conflict of interest between the ward and the guardian when the conflict arises or becomes known to the guardian and take any action as is required by Code Section 29-4-24; and

(12) Keep the court informed of the guardian's current address.

(c) A guardian, solely by reason of the guardian-ward relationship, is not personally liable for:

(1) The ward's expenses or the expenses of those persons who are entitled to be supported by the ward;

(2) Contracts entered into in the guardian's fiduciary capacity;

(3) The acts or omissions of the ward;

(4) Obligations arising from ownership or control of property of the ward; or

(5) Other acts or omissions occurring in the course of the guardianship. (Code 1981, § 29-4-22, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1895, § 2571, and former Code 1933, § 49-603, as it read prior to revision by Ga. L. 1980, p. 1661, § 1, are included in the annotations for this Code section.

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936)

(decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. *Phillips v. Phillips*, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-2 are included in the annotations for this Code section.

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county

guardian as the new guardian, the record supported appellant's argument that the probate court failed to consider the statutory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. REQUIREMENT OF GUARDIAN

29-4-30. Bond; recording of bond; payment of costs.

- (a) A guardian may be required to give bond with good and sufficient security in such amount as the court may determine from time to time.

(b) The clerk of the court shall record bonds in books kept for that purpose and shall retain custody of the bonds.

(c) If a guardian is required to give bond and has given as security one or more licensed commercial sureties authorized to transact business in this state, the bond premium may be paid as part of the cost of administration. (Code 1981, § 29-4-30, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

and correct the Code, revised punctuation in subsection (c).

JUDICIAL DECISIONS

Editor’s notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 2528, former Code 1873, § 1812, and former Code 1933, § 49-113 are included in the annotations for this Code section.

Only substantial compliance with statutes in execution of bonds required. — Policy of the law as to all bonds required by statute, and especially as to bonds of guardians, administrators, and like trustees, is to disregard mere formalities, and to require only substantial compliance to secure all statutory remedies to persons injured by their breach. *United States Fid. & Guar. Co. v. Davis*, 2 Ga. App. 525, 58 S.E. 777 (1907) (decided under former Civil Code 1895, § 2528).

Grant of letters without bond not void without notice. — In all cases of appointment by ordinary (now judge of probate court) of guardian of a minor — whether

the clerk of the superior court or some other proper person — bond should be required; but the grant of letters without taking bond would not be void as against a bona fide purchaser under the guardian, without notice of want of a bond. *Cuyler v. Wayne*, 64 Ga. 78 (1879) (decided under former Code 1873, § 1812).

Commingling of funds and failure to account is breach. — Deposit of ward’s funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Void sale does not amount to breach. — Where sale of realty conducted by guardian is illegal and void, title to property sold does not pass, and heirs and distributees may assert their title to property so sold, so that there is no such loss to them as would

amount to breach of bond of administrator and render surety thereon liable. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

29-4-40. Inquiry into unjust denial of rights or privileges of ward.

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, the court may conduct a judicial inquiry into whether the ward is being denied a right or privilege provided for by this chapter and may issue appropriate orders. Except for good cause shown, the court shall order that notice of the inquiry be given, in whatever form the court deems appropriate, to the ward, the guardian, the ward's legal counsel, if any, and the ward's conservator, if any. The court, in its discretion, may appoint legal counsel for the ward or a guardian ad litem, or both.

(b) No petition alleging that the ward is being unjustly denied a right or privilege provided for by this chapter shall be allowed by the court within two years after the denial or dismissal on the merits of a petition alleging that the ward is being unjustly denied substantially the same right or privilege unless the petitioner shows a significant change in the condition or circumstances of the ward. (Code 1981, § 29-4-40, enacted by Ga. L. 2004, p. 161, § 1.)

§ 29-5-7 are included in the annotations for this Code section.

Commingleing of funds and failure to ac-

count is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Ward's right to make will. — The appointment of a guardian for adults who are incapacitated does not destroy the ward's right or ability to make a will. *Pope v. Fields*, 273 Ga. 6, 536 S.E.2d 740 (2000) (decided under former O.C.G.A. § 29-5-7).

The probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as the attorneys disbursed to themselves, and to hold them in contempt for their refusal to do so. *Gnann v. 29-441. Modification of guardianship.

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, the court may modify the guardianship by adjusting the duties or powers of the guardian, as defined in Code Sections 29-4-14 and 29-4-15, or the powers of the ward, as defined in Code Section 29-4-13, or by making other appropriate adjustments to reflect the extent of the current capacity of the ward or other circumstances of the guardianship. Except for good cause shown, the court shall order that notice of the petition be given, in whatever form the court deems appropriate, to the ward, the guardian, the ward's legal counsel, and the ward's conservator, if any. In any proceeding under this Code section that would expand or increase the powers of the guardian or further restrict the rights of the ward, the court shall appoint legal counsel for the ward. In all other cases, the court, in its discretion, may appoint legal counsel for the ward or a guardian ad litem, or both.

(b) If the petition for modification alleges a significant change in the capacity of the ward, it must be supported either by the affidavits of two

persons who have knowledge of the ward, one of whom may be the petitioner, or of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, setting forth the supporting facts and determinations. If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted, in accordance with the provisions of subsection (d) of Code Section 29-4-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the petition. If the petition is not dismissed, the court shall schedule a hearing, with notice as the court deems appropriate.

(c) If the petition for modification does not allege a significant change in the capacity of the ward, the court in its discretion may modify the guardianship upon a showing that the modification is in the ward's best interest; provided, however, that the court may order compliance with any of the provisions of subsection (b) of this Code section prior to granting the petition for modification.

(d) In any proceeding under this Code section that would expand or increase the powers of the guardian or further restrict the powers of the ward, the burden is on the petitioner to show by clear and convincing evidence that the modification is in the ward's best interest. In any proceeding under this Code section that would restrict the powers of the guardian or restore powers to the ward, the burden is on the petitioner to show by a preponderance of the evidence that the modification is in the ward's best interest.

(e) No petition for modification shall be allowed by the court within two years after the denial or dismissal on the merits of a petition for substantially the same modification unless the petitioner shows a significant change in the condition or circumstances of the ward. (Code 1981, § 29-4-41, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-9 are included in the annotations for this Code section.

Petition premised on former O.C.G.A. § 29-5-9(b) that merely set forth facts concerning the state of the ward's health and finances but did not evidence a significant change in the extent of the ward's incapacity or circumstances since the appointment of the guardian was properly dismissed without

conducting an evidentiary hearing. In re Pitts, 219 Ga. App. 15, 463 S.E.2d 550 (1995) (decided under former O.C.G.A. § 29-5-9).

Medical evidence. — The admission of medical evidence which was used in a prior proceeding was not barred by former O.C.G.A. § 29-5-9(b). In re Vincent, 240 Ga. App. 876, 525 S.E.2d 409 (1999) (decided under former O.C.G.A. § 29-5-9).

The trial court did not err in admitting the examining doctor's testimony even

though the ward's attorneys were not permitted in the room during the ward's evaluation. In re Vincent, 240 Ga. App. 876, 525 S.E.2d 409 (1999) (decided under former O.C.G.A. § 29-5-9).

29-4-42. Termination of guardianship; required evidence; burden of proof; return of property.

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, and upon a proper showing that the need for a guardianship is ended, the court may terminate the guardianship and restore all personal and property rights to the ward. Except for good cause shown, the court shall order that notice of the petition be given, in whatever form the court deems appropriate, to the ward, the guardian, the ward's legal counsel, if any, and the ward's conservator, if any. The court shall appoint legal counsel for the ward and may, in its discretion, appoint a guardian ad litem.

(b) A petition for termination must be supported either by the affidavits of two persons who have knowledge of the ward, one of whom may be the petitioner, or of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, setting forth the supporting facts and determinations. If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that the guardianship should be terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted, in accordance with the provisions of subsection (d) of Code Section 29-4-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that the guardianship should be terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall schedule a hearing, with such notice as the court deems appropriate.

(c) In any proceeding under this Code section, the burden is on the petitioner to show by a preponderance of the evidence that there is no longer a need for the guardianship.

(d) No petition for termination of a guardianship shall be allowed by the court within two years after the denial or dismissal on the merits of a petition for termination of the guardianship unless the petitioner shows a significant change in the condition or circumstances of the ward.

(e) The death of the ward automatically terminates the guardianship, except as otherwise provided in Code Section 29-4-43.

(f) Upon termination of the guardianship, the guardian shall deliver any money or property to the ward or, if a conservator has been appointed for the ward, to that conservator or, if the ward is deceased, to the ward's personal representative. 29-4-43. Petition of guardian for dismissal; order of dismissal.

(a) Upon the termination of the guardianship or the resignation of the guardian, the guardian may petition the court for an order dismissing the guardian from office. The petition shall include a final status report to the court which covers the period of time from the latest annual status report filed by the guardian. The final status report shall contain the information required for annual status reports and shall otherwise comply with the provisions of Code Section 29-4-22. Notice shall be published one time in the newspaper in which sheriff's advertisements are published in the county in which the petition is filed and shall state that any objection must be made in writing and shall designate the date on or before which objections must be filed in the court, which shall not be less than 30 days from the date of publication. The court shall examine any objections filed.

(b) If no objection is filed or if, upon hearing any objection, the court is satisfied that the order dismissing the guardian from office is appropriate, the court shall enter an order dismissing the guardian from office. An order dismissing the guardian shall not bar an action against the guardian. (Code 1981, § 29-4-43, enacted by Ga. L. 2004, p. 161, § 1.)

Dismissal presupposes a validly appointed guardian. *Gay v. Gay*, 121 Ga. App. 287, 173 S.E.2d 712 (1970) (decided under former Code 1933, § 49-314).

Dismissal amounts to adjudication that guardian has fully and completely performed all duties of trust. *Gay v. Gay*, 121 Ga. App. 287, 173 S.E.2d 712 (1970) (decided under former Code 1933, § 49-314).

Discharge without notice publication does

not bar suit. — Discharge granted without compliance with notice publication requirement does not bar suit on guardian's bond. *Griffin v. Collins*, 122 Ga. 102, 49 S.E. 827 (1905) (decided under former Civil Code 1895, § 2567).

Discharge without notice does not bar personal jurisdiction. — Where an application for dismission of a guardian was published as required by former O.C.G.A. § 29-2-84(a), the probate court did not lack personal jurisdiction even though the ward was never served with notice of the dismission. *Utica Mut. Ins. Co. v. Mitchell*, 227 Ga.

App. 830, 490 S.E.2d 489 (1997) (decided under former O.C.G.A. § 29-2-84).

Possibility of conflict of interest does not require refusal of dismission. — Mere possibility of conflict between personal interest of guardian who is salaried officer and director in corporation in which ward owns stock and interest of guardian's ward will not require refusal of letters of dismission to guardian. *Gay v. Gay*, 226 Ga. 90, 172 S.E.2d 690 (1970) (decided under former Code 1933, § 49-314).

(1) The guardian is unable to continue serving due to age, illness, infirmity, or other good cause;

- (3) If there is no adult child, then at least two adults in the following order of priority:
 - (A) Lineal descendants of the ward;
 - (B) Parents and siblings of the ward; and
 - (C) Friends of the ward.

(d) If, after such hearing as the court deems appropriate, the court is satisfied that the petition for the resignation of the guardian and the appointment of the successor guardian should be granted, the court shall enter an order appointing the successor guardian in accordance with the provisions of Code Section 29-4-61 and accepting the resignation, subject to the resigning guardian turning over to the successor guardian or conservator all property of the ward held by the guardian. 29-4-52. Revocation or suspension of guardianship; investigation; impact on other proceedings.

(a) Upon the petition of any interested person or whenever it appears to the court that good cause may exist to revoke or suspend the letters of a guardian or to impose sanctions, the court shall cite the guardian to answer the charge. The court shall investigate the allegations and may require such

accounting as the court deems appropriate. The court may appoint a temporary substitute guardian for the ward during the investigation.

(b) Upon investigation, the court may, in the court's discretion:

- (1) Revoke or suspend the guardian's letters;
- (2) Require additional security;
- (3) Reduce or deny compensation to the guardian or impose any other sanction or sanctions as the court deems appropriate; and
- (4) Issue any other order as in the court's judgment is appropriate under the circumstances of the case.

(c) The revocation or suspension of letters of guardianship shall not abate any action pending for or against the guardian. - (3) Enjoin the commission of a breach of fiduciary duty; or
- (4) Compel the redress of a breach of fiduciary duty by payment of money or otherwise.

(b) When the ward's assets are misapplied and can be traced into the hands of persons who have notice of the misapplication, a trust shall attach to the assets.

(c) The provision of remedies for breach of fiduciary duty by this Code section does not prevent resort to any other appropriate remedy provided by statute or common law. (Code 1981, § 29-4-53, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1868, § 1807, former Civil Code 1910, § 3051, former Code 1933, § 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45) was to be liberally construed in favor of incompetent ward. *Aiken v. Mitchell*, 66 Ga. App. 309, 18 S.E.2d 219 (1941) (decided under former Code 1933, § 49-232).

Former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45) was applicable to guardians of incompetent veterans of World War I and other persons of unsound mind. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Religious belief of guardian does not render guardian unfit to discharge guardianship. *Maxey v. Bell*, 41 Ga. 183 (1870) (decided under former Civil Code 1910, § 3051).

Suit against guardian for waste permitted if regarding revocation of guardianship. — Suit by next friend in behalf of ward for waste committed by guardian, or recovery of money in guardian's hands, can be brought only in connection with a proceeding to remove guardian and revoke guardian's letters. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Proceedings are against guardian as an individual, not against estate. — Proceedings to remove guardian and revoke guardian's letters, under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), were proceedings against guardian as an individual, and not against the estate or trust guardian represents; and where guardian was removed as guardian and guardian's letters revoked, it was proper that guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

On question of removal, interest of ward governs, rather than that of guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479 (1937) (decided under former Code 1933, § 49-232).

Burden of proof rests upon party attacking guardian's conduct. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and guardian's letters revoked, upon rule issued by the ordinary (now judge of probate court), under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), after hearing on guardian's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

Revocation of letters of guardianship. — Where court of ordinary (now probate court) rendered decision revoking letters of guardianship, an appeal will lie from such decision to superior court, though no issue of fact be involved. *Teasley v. Vickery*, 133 Ga. 721, 66 S.E. 918 (1910) (decided under former Civil Code 1910, § 3051).

For jurisdiction over removal proceedings where guardian and ward have moved from county of original appointment, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

ARTICLE 7**TEMPORARY SUBSTITUTE GUARDIANS****29-4-60. Appointment of temporary substitute guardian; period of service; service on ward; removal.**

(a) Upon its own motion or on the petition of any interested party, including the ward, the court may appoint a temporary substitute guardian for a ward if it appears to the court that the best interest of the ward requires immediate action.

(b) The temporary substitute guardian shall be appointed for a specified period not to exceed 120 days.

(c) The court shall appoint as temporary substitute guardian an appropriate individual who shall serve the best interest of the ward.

(d) Except as otherwise ordered by the court, a temporary substitute guardian has the powers set forth in the order of appointment. The authority of the previously appointed guardian is suspended for as long as the temporary substitute guardian has authority.

(e) Notice of the appointment of a temporary substitute guardian shall be served personally on the ward. Notice of the appointment shall be served personally on the previously appointed guardian at the last address provided by that guardian to the court. Notice of the appointment shall be mailed by first-class mail to the ward's conservator, if any.

(f) The court may remove the temporary substitute guardian at any time. A temporary substitute guardian shall make any report the court requires. In all other respects, the provisions of this chapter apply to the temporary substitute guardian. (Code 1981, § 29-4-60, enacted by Ga. L. 2004, p. 161, § 1.)

29-4-61. Appointment of successor guardian and legal counsel; notice to interested parties; hearing.

(a) The court shall appoint a successor guardian upon the resignation, death, or revocation of the letters of the guardian if the appointment of a successor guardian is in the best interest of the ward. The court shall select the successor guardian in the manner provided in Code Section 29-4-11.

(b) The court shall appoint legal counsel for the ward. In the event of the resignation or death of the guardian, notice of the proceeding for appointment of a successor guardian shall be given as provided in Code Sections 29-4-50 and 29-4-51. In all other cases, notice of the proceeding for appointment of a successor guardian shall be served personally on the ward and the ward's legal counsel. Notice shall be made by first-class mail to the conservator of the ward, if any, and to the following persons whose whereabouts are known and who must be persons other than the proposed successor guardian:

(1) The spouse of the ward; and

(2) All adult children of the ward; or

(3) If there is no adult child, then at least two adults in the following order of priority:

(A) Lineal descendants of the ward;

(B) Parents and siblings of the ward; and

(C) Friends of the ward.

(c) After a hearing which the court deems appropriate, the court shall enter an order appointing the successor guardian. (Code 1981, § 29-4-61, enacted by Ga. L. 2004, p. 161, § 1.)

ARTICLE 8

APPELLATE PROCEEDINGS

29-4-70. Right of ward to appeal; procedure; appointment of emergency guardian.

(a) Except as provided in Article 6 of Chapter 9 of Title 15, the ward, individually or by the ward's legal counsel, representative, or guardian ad litem, or the petitioner may appeal any final order of the court to the superior court in the county in which the proceedings were held. The appeal shall be in the same manner as other appeals from the probate court

to the superior court but shall be heard as expeditiously as possible. The appeal shall be de novo unless the parties by agreement specifically limit the issues. The ward shall retain the right to counsel or to have counsel appointed; provided, however, that if counsel was appointed by the probate court, the appointment shall continue on appeal to the superior court. The burden of proof shall be upon the petitioner and the standard used by the court in reaching its decision shall be clear and convincing evidence.

(b) All rights of appeal from the superior court shall be as provided by law.

(c) The filing of an appeal to the superior court from the judgment of the probate court shall act as a supersedeas.

(d) Pending any appeal, the superior court or a probate court that is described in paragraph (2) of Code Section 15-9-120 may appoint an emergency guardian with such powers and duties as are described in Code Section 29-4-16; provided, however, that an emergency guardian may be appointed only upon the filing of an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker setting forth the existence of the emergency circumstances described in subsection (d) of Code Section 29-4-14 and after a hearing at which other evidence may be presented. The appointment of an emergency guardian is not appealable. (Code 1981, § 29-4-70, enacted by Ga. L. 2004, p. 161, § 1.)

Standing to appeal. — Where the probate court granted wife's petition for guardianship over her husband, the superior court correctly dismissed an appeal by the adult children of the husband because they did not file a petition for guardianship under

former O.C.G.A. § 29-5-6 and did not hold any other status under former O.C.G.A. § 29-5-11(a). *Twitty v. Akers*, 218 Ga. App. 467, 462 S.E.2d 418 (1995) (decided under former O.C.G.A. § 29-5-11).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-11 are included in the annotations for this Code section.

Authority to appoint emergency guardian pending appeal. — Under O.C.G.A. § 29-5-11(d), the probate courts which are authorized to hold jury trials under Ga. L. 1986, p. 982, will not be authorized to appoint an emergency guardian pending ap-

peal. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-11).

Payment of costs upon appeal of emergency orders. — An appeal from those emergency guardianship orders which can be considered "final orders" will act as supersedeas upon payment of the costs by the appellant. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-11).

ARTICLE 9 JURISDICTION

PART 1

GENERAL PROVISIONS

29-4-80. Removal to jurisdiction where ward resides; appointment of guardian ad litem; certification and transfer of records; scope of jurisdiction.

(a) A guardian may petition to remove the guardianship to the jurisdiction of the court of the county in this state in which the ward resides.

(b) Upon the filing of a petition to remove the guardianship to another county in this state, the court shall appoint a guardian ad litem for the ward. The court of the county in which the guardian was appointed shall grant the petition for removal only if the court determines that the removal is in the best interest of the ward.

(c) Before the removal of the guardianship to another county in this state, the guardian shall file with the court of the county to which the guardianship is to be removed certified copies of all the records pertaining to the guardianship.

(d) Following removal of a guardianship to another county in this state, the court of that county shall have the same jurisdiction over the guardian as if the guardian had been first appointed in that county, and every case growing out of or affecting the guardianship shall be heard and tried only in the county to which the guardianship has been removed.

(e) The court in which an action or proceeding is pending or which has issued an order for a settlement of accounts, removal, or sanction of a guardian shall retain jurisdiction of such matters even though the guardianship has been removed to another county. (Code 1981, § 29-4-80, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1812, Cobb's 1851 Digest, p. 318 and Code 1933, § 49-239 are included in the annotations for this Code section.

Compliance discharges surety from further liability on account of guardian. — When provisions of the Act of 1812 (former O.C.G.A. § 29-2-70) are fully complied with, sureties on first bond are discharged from all further liability on account of their princi-

pal. Justices of Inferior Court ex rel. Selman v. Selman, 6 Ga. 432 (1849) (decided under Ga. L. 1812, Cobb's 1851 Digest, p. 318).

PART 2

PROCEDURE

29-4-85. “Guardianship” defined; requirements for petition for transfer of guardianship.

(a) For purposes of this part and Part 3 of this article, the term “guardianship” refers to a legal relationship in which a person is given responsibility by a foreign court of competent jurisdiction for the care of an incapacitated adult, referred to as the “ward,” thereby becoming a guardian.

(b) No conservator, except a conservator for the estate of an individual who is missing or who is believed to be dead, shall be appointed for any adult except pursuant to the procedures of this chapter.

(c) No conservator shall be appointed for an adult unless the appointment is in the best interest of the adult.

(d) No conservator shall be appointed for an adult within two years after the denial or dismissal on the merits of a petition for the appointment of a conservator for that adult unless the petitioner shows a significant change in the condition or circumstances of the adult.

(e)(1) No adult shall be presumed to be in need of a conservator unless adjudicated to be in need of a conservator pursuant to this chapter.

(2) An adult shall not be presumed to be in need of a conservator solely because of a finding of criminal insanity or incompetence to stand trial or a finding of a need for treatment or services pursuant to:

- (A) Code Section 37-1-1;
- (B) Code Sections 37-3-1 through 37-3-6;
- (C) Articles 2 through 6 of Chapter 3 of Title 37;
- (D) Code Sections 37-4-1 through 37-4-3 and 37-4-5 through 37-4-8;
- (E) Articles 2 through 5 of Chapter 4 of Title 37;
- (F) Code Section 37-5-3;
- (G) Code Sections 37-7-1, 37-7-2, and 37-7-4 through 37-7-7; and
- (H) Articles 2 through 6 of Chapter 7 of Title 37.

(f) All conservatorships ordered pursuant to this chapter shall be designed to encourage the development of maximum self-reliance and independence in the adult and shall be ordered only to the extent necessitated by the adult's actual and adaptive limitations after a determination that less restrictive alternatives to the conservatorship are not available or appropriate. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, decisions under former Code 1895, § 2570, former Civil Code 1910, § 3089, former Code 1933, § 49-601, as it read prior to revision by Ga. L. 1964, pp. 499, 657, and former O.C.G.A. §§ 29-5-1, 29-5-7 are included in the annotations for this Code section.

All insane persons covered. — Former Code 1933, § 49-601 was broad enough to cover all classes of insane persons, resident

and nonresident. *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

Definition and classifications of insane persons. — See *Royal Indem. Co. v. Agnew*, 66 Ga. App. 377, 18 S.E.2d 57 (1941) (decided under former Code 1933, § 49-601).

Blindness and limited education not grounds for appointment of guardian. — There is no provision of law in this state for appointment of guardian for a person sui juris solely on ground of blindness and lim-

ited education. *Griffin v. Collins*, 122 Ga. 102, 49 S.E. 827 (1905) (decided under former Code 1895, § 2570).

Probate judges have exclusive jurisdiction to appoint for insane persons. — Only ordinaries (now judges of probate courts) of the several counties of this state have power to appoint for insane persons. *Meadors v. Walden*, 28 Ga. App. 409, 111 S.E. 227 (1922) (decided under former Code 1910, § 3089).

Probate court vested with original, exclusive, and general jurisdiction. — Court of ordinary (now probate court) was vested with original, exclusive, and general jurisdiction over insane persons and the appointment and removal of their guardians. *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

May commit insane person present in county. — Court of ordinary (now probate court) has jurisdiction to adjudge and have committed an insane person who is present in that county in keeping with law in general relative to power of state over persons found within its borders as provided in former Code 1933, § 15-202 (former O.C.G.A. § 50-2-21). *Shea v. Gehan*, 70 Ga. App. 229, 28 S.E.2d 181 (1943) (decided under former Code 1933, § 49-601).

May appoint guardian for in-state land of nonresident insane person. — Courts of ordinary (now probate courts) of this state have jurisdiction to appoint guardians for lands of lunatics who reside beyond limits of this state, where property is located in territorial limits of state in which such courts act. *Coker v. Gay*, 154 Ga. 337, 114 S.E. 217 (1922) (decided under former Civil Code 1910, § 3089).

May authorize guardian to sell ward's land to pay debts. — Court of ordinary (now probate court) is vested by law with jurisdiction to render judgment granting to guardian of insane person permission to sell land belonging to such ward for purpose of paying debts; proceedings in such case to be in conformity with statutes relating to sales by administrators. *Jernigan v. Radford*, 182 Ga. 484, 185 S.E. 828 (1936) (decided under former Code 1933, § 49-601).

Appointment of guardian does not mandate eligibility for commitment. — One may be eligible to have guardian even if ineligible

for admission as inmate of Milledgeville State Hospital. *Tucker v. American Sur. Co.*, 78 Ga. App. 327, 50 S.E.2d 859 (1948) (decided under former Code 1933, § 49-601).

Insufficient evidence for appointment of guardian. — Jury's verdict finding that the mother was a mentally incapacitated adult who needed to have a guardian appointed over her person and property had to be reversed as the testimony of her children's own mental incapacity expert who examined her did not support that finding, testimony of lay witness that mother was mentally incapacitated was based on inadmissible hearsay, and thus, the verdict was not supported by the necessary clear and convincing evidence. (decided under former O.C.G.A. § 29-5-1).

Findings of parent's inability to manage property were supported. — Given a parent's gravely-impaired judgment, which combined with a physical frailty and impaired vision, made the parent vulnerable to exploitation by a new person living with the parent, the probate court properly concluded that the parent lacked sufficient understanding to make significant responsible decisions concerning the management of the parent's property; moreover, because the parent chose not to include the transcript of the evidence in the appellate record, and, as any pre-trial ruling on the parent's capabilities was, after a trial determining the matter, harmless if not moot, the probate court's ruling was upheld. *Yetman v. Walsh*, 282 Ga. App. 499, 639 S.E.2d 491 (2006).

Finding of some evidence of parent's incapacity did not prove undue influence as matter of law. — The fact that a probate court had found some evidence of a parent's incapacity under former O.C.G.A. § 29-5-6 (repealed) and had appointed a psychologist to evaluate the parent before the parent deeded real property to one of the adult children did not mean that there was undue influence as a matter of law; at that stage of the guardianship proceedings, the incapacity of the parent was an unproven proposition, not a proven fact. *Chesser v. Chesser*, 284 Ga. App. 381, 643 S.E.2d 764 (2007).

Ward's right to make will. — The appointment of a guardian for adults who are incapacitated does not destroy the ward's right or ability to make a will. *Pope v. Fields*, 273 Ga. 6, 536 S.E.2d 740 (2000) (decided under former O.C.G.A. § 29-5-7).

The probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as the attorneys disbursed to themselves, and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-5-7).

OPINIONS OF THE ATTORNEY GENERAL

Opinions of Attorney General. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-601 are included in the annotations for this Code section.

Court cannot appoint guardian for one

rational but arthritic. — Probate court would have no authority to name guardian for one who is perfectly rational but is only afflicted with arthritis. 1960-61 Op. Att'y Gen. p. 88 (decided under former Code 1933, § 49-601).

29-5-2. Qualifications of conservator of adult.

No person may be appointed or continue to serve as conservator of the estate of an adult who:

- (1) Is a minor, a ward, or a protected person;
- (2) Who has a conflict of interest with the adult unless the court determines that the conflict of interest is insubstantial or that the appointment clearly would be in the adult's best interest; or
- (3) Is an owner, operator, or employee of a long-term care or other caregiving institution or facility at which the adult is receiving care, unless related to the adult by blood, marriage, or adoption. (Code 1981, § 29-5-2, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-2 are included in the annotations for this Code section.

Failure to explain reason for selection of county guardian. — Probate court, when selecting a new guardian for appellant, erred in failing to consider appellant's next of kin; because the hearing was not recorded, and because the order failed to explain the reason the probate court selected the county guardian as the new guardian, the record supported appellant's argument that the probate court failed to consider the statutory preferences of former O.C.G.A. § 29-5-2(c) in naming a new guardian. In re

Phillips, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-2).

Court's order amounted to an abuse of discretion requiring remand as the order failed to give the mother a reasonable opportunity to meet the court's requirements for bond, before passing the mother over in favor of the county guardian, and implicitly found that the mother was unavailable to serve as guardian. 29-5-3. Order of preference in selecting conservator; nomination of individual to serve as conservator; requirements of nomination.

(a) The court shall appoint as conservator that person who shall best serve the interest of the adult taking into consideration the order of preferences set forth in this Code section. The court may disregard a person who has preference and appoint a person who has a lower preference or no preference; provided, however, that the court may disregard the preferences listed in paragraph (1) of subsection (b) of this Code section only upon good cause shown.

(b) Persons who are eligible and not disqualified have preference in the following order:

(1) The person last nominated by the adult in accordance with the provisions of subsection (c) of this Code section;

(2) The spouse of the adult or a person nominated by the adult's spouse in accordance with the provisions of subsection (d) of this Code section;

(3) An adult child of the adult or a person nominated by an adult child of the adult in accordance with the provisions of subsection (d) of this Code section;

(4) A parent of the adult or a person nominated by a parent of the adult in accordance with the provisions of subsection (c) of this Code section;

- (5) A conservator appointed during the minority of the adult;
- (6) A conservator previously appointed in Georgia or another state;
- (7) A friend, relative, or any other person; or
- (8) The county guardian.

(c) At any time prior to the appointment of a conservator, an adult may nominate in writing a person to serve as that adult's conservator should the adult be judicially determined to be in need of a conservator, and that nomination shall be given the preference set forth in this Code section, provided that it is signed in accordance with the provisions of subsection (e) of this Code section or the provisions of Code Section 31-36-5.

(d) At any time prior to the appointment of a conservator, a spouse, adult child, or parent of an adult may nominate in writing a person to serve as the adult's conservator should the adult be judicially determined to be in need of a conservator, and that nomination shall be given the preference described in this Code section, provided that it is signed in accordance with the provisions of subsection (e) of this Code section or, if in a will, is executed in accordance with the provisions of Code Section 53-4-20 of the Revised Probate Code of 1998.

(e) A writing nominating the conservator of an adult:

(1) Must contain an express nomination of the person who shall serve as conservator and must be signed or acknowledged by the individual making the nomination in the presence of two witnesses who sign in the individual's presence; and

(2) May be revoked by the individual by obliteration, cancellation, or by a subsequent inconsistent writing, whether or not witnessed. (Code 1981, § 29-5-3, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 12/SB 534.)

The 2006 amendment, effective July 1, 2006, substituted "that person" for "that individual" near the beginning of subsection (a).

ARTICLE 2

PETITION FOR APPOINTED CONSERVATOR

29-5-10. Petition for appointment of conservator; requirements of petition.

(a) Any interested person or persons, including the proposed ward, may file a petition for the appointment of a conservator. The petition shall be filed in the court of the county in which the proposed ward is domiciled or is found, provided that the court of the county where the proposed ward is found shall not have jurisdiction to hear any conservatorship petition if it appears that the proposed ward was removed to that county solely for the purposes of filing a petition for the appointment of a conservator.

(b) The petition for appointment of a conservator shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and county of domicile of the proposed ward, if known;

(3) The name, address, and county of domicile of the petitioner or petitioners and the petitioner's relationship to the proposed ward, if any, and, if different from the petitioner, the name, address, and county of domicile of the person nominated by the petitioner to serve as conservator and that person's relationship to the proposed ward, if any;

(4) A statement of the reasons the conservatorship is sought, including the facts which support the claim of the need for a conservator;

(5) Any foreseeable limitations on the conservatorship;

(6) Whether, to the petitioner's knowledge, there exists any power of attorney, trust, or other instrument that deals with the management of the property of the proposed ward in the event of incapacity and the name and address of any fiduciary or agent named in the instrument;

(7) A description of all known assets, income, other sources of funds, liabilities, and expenses of the proposed ward;

(8) The names and addresses of the following whose whereabouts are known:

(A) The spouse of the proposed ward; and

(B) All children of the proposed ward; or

(C) If there are no adult children, then at least two adults in the following order of priority:

(i) Lineal descendants of the proposed ward;

(ii) Parents and siblings of the proposed ward; and

(iii) Friends of the proposed ward;

(9) If known, the name and address of any person nominated to serve as conservator by the proposed ward, as described in paragraph (1) of subsection (b) of Code Section 29-5-3;

(10) If known, the name and address of any person nominated to serve as conservator by the proposed ward's spouse, adult child, or parent, as described in paragraphs (2) through (4) of subsection (b) of Code Section 29-5-3;

(11) The name and address of any person nominated to serve as conservator by the petitioner;

(12) Whether any nominated conservator has consented or will consent to serve as conservator;

(13) If known, whether any nominated conservator is an owner, operator, or employee of a long-term care or other caregiving institution or facility at which the proposed ward is receiving care, and, if so, whether the nominated conservator is related to the proposed ward by blood, marriage, or adoption.

(14) Whether an emergency conservator has been appointed for the proposed ward or a petition for the appointment of an emergency conservator has been filed or is being filed;

(15) If known, a disclosure of any ownership or other financial interest that would cause any nominated conservator to have a conflict of interest with the proposed ward;

(16) A specific listing of any additional powers, as described in subsections (b) and (c) of Code Section 29-5-23, that are requested by the conservator and a statement of the circumstances which would justify the granting of additional powers;

(17) Whether a guardian or conservator has been appointed in another state or whether a petition for the appointment of a guardian or conservator is pending in another state;

(18) That to petitioner's knowledge, there has been no petition for conservatorship denied or dismissed within two years by any court of this state or, if so, that there has been a significant change in the condition or circumstances of the individual, as shown by the accompanying affidavits or evaluation; and

(19) The reason for any omission in the petition for appointment of conservator in the event full particulars are lacking.

(c)(1) The petition shall be sworn to by two or more petitioners or shall be supported by an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker authorized to practice in that facility.

(2) Any affidavit shall be based on personal knowledge and shall state that the affiant has examined the proposed ward within 15 days prior to the filing of the petition and that, based upon the examination, the proposed ward was determined to lack sufficient capacity to make or communicate significant, responsible decisions concerning the management of the proposed ward's property.

(3) In addition to stating the facts that support the claim of the need for a conservator, the affidavit shall state the foreseeable duration of the conservatorship and may set forth the affiant's opinion as to any other limitations on the conservatorship. (Code 1981, § 29-5-10, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been in-

cluded in the annotations for this Code section.

Requiring notice is to protect public and alleged incompetent. — The object of former Code 1933, § 49-604 in requiring notice to relatives was not to confer any right upon them, but was solely for the purpose of protecting public and interest of alleged

incompetent. *Phillips v. Phillips*, 202 Ga. 776, 44 S.E.2d 767 (1947) (decided under former Code 1933, § 49-604).

Relations notified are not parties in their own behalf but are notified for benefit of person to be considered and given an opportunity to be heard in that person's behalf. They are not summoned by process; no judgment can be rendered against them merely because of such notice; and there is no provision for taxing costs against them. *Slaughter v. Heath*, 127 Ga. 747, 57 S.E. 69, 27 L.R.A. (n.s.) 1 (1907) (decided under former Code 1895, § 2573).

Proceedings in probate court only governed by recording requirement in former O.C.G.A. § 29-5-6(e)(2) and on de novo appeal from probate court decision on guardianship petition, superior court may, but was not required to, have the hearing reported. *Snider v. Lavender*, 164 Ga. App. 591, 298 S.E.2d 582 (1982) (decided under former O.C.G.A. § 29-5-6).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Stepchildren are not included in "children." — A ward's stepchildren are not children under the guardianship statute, nor are they next of kin, and because there were individuals in this case related to the ward by blood, who were not notified of the guardianship proceedings, the appointment of the guardian was void. *Wilson v. James*, 260 Ga. 234, 392 S.E.2d 5 (1990) (decided under former O.C.G.A. § 29-5-6).

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798 (1988) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the peti-

tion at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Mental capacity to petition for appointment of guardian. — A person receiving social security disability benefits based on a mental disability, who had not been adjudicated to be incapacitated, was not disqualified to petition for appointment of a guardian for mother. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965)

(decided under former Code 1933, § 49-604).

Notice to nearest relatives of alleged mental incompetent is insufficient. *Edwards v. Lampkin*, 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), aff'd 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Failure to have hearing recorded impacts appeal. — Absent a record of the hearing, the appellate could not determine whether the probate court's finding that appellant was incapable of managing appellant's estate was supported by clear and convincing evidence; accordingly, because the probate court failed to have the hearing recorded or reported, appellant was effectively denied appellant's right to appeal the probate court's decision. *In re Phillips*, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-6).

Standing to appeal from grant of petition. — Where the probate court granted wife's petition for guardianship over her husband, the superior court correctly dismissed an appeal by the adult children of the husband because they did not file a petition for guardianship under former O.C.G.A. § 29-5-6 and did not hold any other status under former O.C.G.A. § 29-5-11(a). *Twitty v. Akers*, 218 Ga. App. 467, 462 S.E.2d 418 (1995) (decided under former O.C.G.A. § 29-5-6).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former

O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of former O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court

cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-5-11. Prerequisite finding prior to appointment of conservator; notice; evaluation; written report.

(a) Upon the filing of a petition for conservatorship of the estate of a proposed ward, the court shall review the petition and the affidavit, if any, and determine whether there is probable cause to believe that the proposed ward is in need of a conservator within the meaning of Code Section 29-5-1.

(b) If the court determines that there is no probable cause to believe that the proposed ward is in need of a conservator, the court shall dismiss the petition and provide the proposed ward with a copy of the petition, the affidavit, if any, and the order dismissing the petition.

(c) If the court determines that there is probable cause to believe that the proposed ward is in need of a conservator:

(1) The court shall immediately notify the proposed ward of the proceedings by service of all pleadings on the proposed ward, which notice shall:

(A) Be served personally on the proposed ward by an officer of the court and shall not be served by mail;

(B) Inform the proposed ward that a petition has been filed to have a conservator appointed for the proposed ward, that the proposed ward has the right to attend any hearing that is held, and that if a conservator is appointed the proposed ward may lose important rights to control the management of the proposed ward's property;

(C) Inform the proposed ward of the place and time at which the proposed ward shall submit to the evaluation provided for by subsection (d) of this Code section; and

(D) Inform the proposed ward of the proposed ward's right to independent legal counsel and that the court shall appoint counsel within two days of service unless the proposed ward indicates that he or she has retained counsel within that time frame;

(2) Upon notice that the proposed ward has retained legal counsel or upon the appointment of legal counsel by the court, the court shall furnish legal counsel with a copy of the petition, the affidavit, if any, and the order for evaluation provided for by subsection (d) of this Code section.

(3) The court shall give notice of the petition by first-class mail to all adult individuals and other persons who are named in the petition pursuant to the requirements of paragraphs (8) through (10) of subsection (b) of Code Section 29-5-10; and

(4) Upon the court's own motion or upon the motion of any interested person, the court shall determine whether to appoint a guardian ad litem.

(d)(1) If the petition is not dismissed pursuant to subsection (b) of this Code section, the court shall appoint an evaluating physician who shall be a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker authorized to practice in that federal facility other than the physician, psychologist, or licensed clinical social worker who completed the affidavit attached to the petition pursuant to subsection (c) of Code Section 29-5-10.

(2) When evaluating the proposed ward, the physician, psychologist, or licensed clinical social worker shall explain the purpose of the evaluation to the proposed ward. The proposed ward may remain silent. Any statements made by the proposed ward during the evaluation shall be privileged and shall be inadmissible as evidence in any proceeding other

than a proceeding under this chapter. The proposed ward's legal counsel shall have the right to be present but shall not participate in the evaluation.

(3) The evaluation shall be conducted with as little interference with the proposed ward's activities as possible. The evaluation shall take place at the place and time set in the notice to the proposed ward and to his or her legal counsel and the time set shall not be sooner than the fifth day after the service of notice on the proposed ward. The court, however, shall have the exclusive power to change the place and time of the examination at any time upon reasonable notice being given to the proposed ward and to his or her legal counsel. If the proposed ward fails to appear, the court may order that the proposed ward be taken directly to and from a medical facility, office of a physician, psychologist, or licensed clinical social worker for purposes of evaluation only. The evaluation shall be conducted during the normal business hours of the facility or office and the proposed ward shall not be detained in the facility or office overnight. The evaluation may include, but not be limited to:

(A) A self-report from the proposed ward, if possible;

(B) Questions and observations of the proposed ward to assess the functional abilities of the proposed ward;

(C) A review of the records for the proposed ward including, but not limited to, medical records, medication charts, and other available records;

(D) An assessment of cultural factors and language barriers that may impact the proposed ward's abilities and living environment; and

(E) All other factors the evaluator determines to be appropriate to the evaluation.

(4) A written report shall be filed with the court no later than seven days after the evaluation and the court shall serve a copy of the report by first-class mail upon the proposed ward and the proposed ward's legal counsel and guardian ad litem, if appointed.

(5) The report shall be signed under oath by the physician, psychologist, or licensed clinical social worker and shall:

(A) State the circumstances and duration of the evaluation, including a summary of questions or tests utilized, and the elements of the evaluation;

(B) List all persons and other sources of information consulted in evaluating the proposed ward;

(C) Describe the proposed ward's mental and physical state and condition, including all observed facts considered by the physician, psychologist, or licensed clinical social worker;

(D) Describe the overall social condition of the proposed ward, including support, care, education, and well-being; and

(E) Describe the needs of the proposed ward and their foreseeable duration.

(6) The proposed ward's legal counsel may file a written response to the evaluation, provided the response is filed no later than the date of the commencement of the hearing on the petition for conservatorship. The response may include, but is not limited to, independent evaluations, affidavits of individuals with personal knowledge of the proposed ward, and a statement of applicable law. JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been included in the annotations for this Code section.

Requiring notice is to protect public and alleged incompetent. — The object of former Code 1933, § 49-604 in requiring notice to relatives was not to confer any right upon them, but was solely for the purpose of protecting public and interest of alleged incompetent. *Phillips v. Phillips*, 202 Ga. 776, 44 S.E.2d 767 (1947) (decided under former Code 1933, § 49-604).

Relations notified are not parties in their own behalf but are notified for benefit of person to be considered and given an opportunity to be heard in that person's behalf. They are not summoned by process; no judgment can be rendered against them merely because of such notice; and there is no provision for taxing costs against them. *Slaughter v. Heath*, 127 Ga. 747, 57 S.E. 69, 27 L.R.A. (n.s.) 1 (1907) (decided under former Code 1895, § 2573).

Proceedings in probate court only governed by recording requirement in former O.C.G.A. § 29-5-6(e)(2) and on de novo appeal from probate court decision on

guardianship petition, superior court may, but was not required to, have the hearing reported. *Snider v. Lavender*, 164 Ga. App. 591, 298 S.E.2d 582 (1982) (decided under former O.C.G.A. § 29-5-6).

Names and addresses of adult children of ward. — Even though it was shown that a petitioner for appointment as guardian failed to name an adult child of the ward, because petitioner did not know the child's address, and included another child's residence address on the petition, rather than the county jail where petitioner knew that child was incarcerated, failure to comply with statutory notice requirements was not established. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Stepchildren are not included in "children." — A ward's stepchildren are not children under the guardianship statute, nor are they next of kin, and because there were individuals in this case related to the ward by blood, who were not notified of the guardianship proceedings, the appointment of the guardian was void. *Wilson v. James*, 260 Ga. 234, 392 S.E.2d 5 (1990) (decided under former O.C.G.A. § 29-5-6).

Guardian appointment for person of non-resident insane person within county. — Probate courts of this state have jurisdiction to appoint a guardian for person of nonresident insane person if nonresident is found within limits of county of probate court's

jurisdiction. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Probate court of Cobb County did not lack jurisdiction over proceedings involving ward who was a Stephens County resident but had been transferred to a convalescent center in Cobb County, where it was uncontroverted that no plea to the court's jurisdiction was filed and that ward was at the time of the proceeding "found" in Cobb County. *Smith v. Young*, 187 Ga. App. 191, 369 S.E.2d 798 (1988) (decided under former O.C.G.A. § 29-5-6).

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d 304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Requirements for petition at trial. — Former O.C.G.A. § 29-5-6(a)(3), which required a guardianship petition to be sworn

to by at least two petitioners, did not result in a similar requirement that a petitioner present two witnesses in support of the petition at the actual trial. *Cummings v. Stanford*, 193 Ga. App. 695, 388 S.E.2d 729 (1989) (decided under former O.C.G.A. § 29-5-6).

Mental capacity to petition for appointment of guardian. — A person receiving social security disability benefits based on a mental disability, who had not been adjudicated to be incapacitated, was not disqualified to petition for appointment of a guardian for mother. *Johnson v. Jones*, 214 Ga. App. 386, 448 S.E.2d 1 (1994) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45 S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Notice to nearest relatives of alleged mental incompetent is insufficient. *Edwards v.*

Lampkin, 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appoint-

ment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if: (1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Cannot appoint guardian for rational but physically incapacitated. — Probate court cannot name guardian for one who is perfectly rational but only suffers some physical incapacity. 1977 Op. Att'y Gen. No. U77-65 (decided under former law).

Guardianship termination order filing requirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-5-12. Judicial review and proceedings.

(a) After the filing of the evaluation report, the court shall review the pleadings and the evaluation report.

(b) If, after the review, the court finds that there is no probable cause to support a finding that the proposed ward is in need of a conservator within the meaning of Code Section 29-5-1, the court shall dismiss the petition.

(c) If, after the review, the court finds that there is probable cause to support a finding that the proposed ward is in need of a conservator, the court shall schedule a hearing on the petition. Notice of the hearing shall be served by first-class mail upon the proposed ward, the proposed ward's legal counsel, and the proposed ward's guardian ad litem, if any; the petitioner or the petitioner's legal counsel, if any; and all adult individuals and other persons who are named in the petition pursuant to the requirements of paragraphs (8) through (10) of subsection (b) of Code Section 29-5-10. The date of the hearing shall not be less than ten days after the date the notice is mailed.

(d)(1) The hearing shall be held in a courtroom or, for good cause shown, at any other place as the court may set. At the request of the proposed ward or the proposed ward's legal counsel and for good cause shown, the court may exercise its discretion to exclude the public from the hearing and the record shall reflect the court's action. The proposed ward or the proposed ward's legal counsel may waive the appearance of the proposed ward at the hearing.

(2) The hearing shall be recorded by either a certified court reporter or a sound-recording device. The recording shall be retained for not less than 45 days from the date of the entry of the order described in Code Section 29-5-138.

(3) The court shall apply the rules of evidence applicable in civil cases.

(4) The court shall utilize the criteria in Code Section 29-5-1 to determine whether there is clear and convincing evidence of the need for a conservatorship in light of the evidence taken at the hearing. In addition to the evidence at the hearing, the court may consider the evaluation report and any response filed by the proposed ward. The burden of proof shall be upon the petitioner.

(5) Upon determination of the need for a conservatorship, the court shall determine the powers, if any, which are to be retained by the proposed ward, in accordance with the provisions of Code Section 29-5-21 and whether any additional powers shall be granted to the conservator pursuant to the provisions of subsections (b) and (c) of Code Section 29-5-23.

(6) If the court determines that a conservatorship is necessary and the proposed ward is present, the proposed ward may suggest any person as conservator. The court shall select as conservator the person who shall serve the best interest of the ward.

(7) In any procedure under this chapter in which the judge of the court is unable to hear a case within the time required for a hearing on

the petition for conservatorship, the judge shall appoint an individual to serve to hear the case and exercise all the jurisdiction of the court in the case. Any individual so appointed shall be a member of the State Bar of Georgia who is qualified to serve as the probate judge in that county and who is, in the opinion of the appointing judge, qualified for the duties by training and experience. The appointment may be made on a case-by-case basis or by making a standing appointment of one or more individuals. Any individual who receives a standing appointment shall serve at the pleasure of the judge who makes the appointment or the judge's successor in office. The compensation of an individual so appointed shall be as agreed upon by the judge who makes the appointment and the individual appointed, with the approval of the governing authority of the county for which the individual is appointed, and shall be paid from county funds. All fees collected for the service of the appointed individual shall be paid into the general funds of the county. (Code 1981, § 29-5-12, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize,

and correct the Code, revised punctuation in subsection (a).

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the subject matter dealt with in the provisions, certain decisions under former Code 1895, § 2573, former Code 1933, § 49-604, as it read prior to its amendment by Ga. L. 1964, p. 499, § 68, and as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-6 have been included in the annotations for this Code section.

Third party intervention in probate court proceeding. — Third party is not prohibited from intervention in a probate court guardianship proceeding. *Kipp v. Rawson*, 193 Ga. App. 532, 388 S.E.2d 409 (1989) (decided under former O.C.G.A. § 29-5-6).

Grandson did not have the right to intervene in proceedings by children for the appointment of a guardian for their mother. *White v. Heard*, 225 Ga. App. 351, 484 S.E.2d 12 (1997) (decided under former O.C.G.A. § 29-5-6).

Motion to intervene not required. — It was not error for the probate court to permit the Department of Human Resources to intervene in guardianship proceedings without requiring it to file a motion to intervene. *In re Martin*, 218 Ga. App. 79, 460 S.E.2d

304 (1995) (decided under former O.C.G.A. § 29-5-6).

Mental incompetent is entitled to hearing in county of residence. — Where person files application for appointment of guardian of allegedly mentally incompetent state resident, the latter is entitled to have application for guardianship heard in probate court of county of his or her residence. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Where representative of alleged incompetent files plea to court's jurisdiction on ground that alleged incompetent is resident of another county, the plea should be sustained if it is determined that alleged incompetent is, in fact and in law, a resident of the other county. *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former O.C.G.A. § 29-5-6).

Court where alleged insane person lives may have jurisdiction. — The court of ordinary (now probate court) of county in which alleged insane person is living and who becomes violent and liable to incur personal injury has jurisdiction notwithstanding fact that residence of such alleged insane person may be in some other county in this state. *Anderson v. Smith*, 76 Ga. App. 171, 45

S.E.2d 282 (1947), disapproved by *Sorrells v. Sorrells*, 247 Ga. 9, 274 S.E.2d 314 (1981) (decided under former Code 1933, § 49-604).

Inquiry into capacity to manage own estate is limited. — For the type of examination inquiring into one's capacity to manage own estate, jurisdiction of ordinary (now judge of probate court) is extremely limited, proceedings are summary and must be strictly construed. *Milam v. Terrell*, 214 Ga. 199, 104 S.E.2d 219 (1958) (decided under former Code 1933, § 49-604); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968); *Boockholdt v. Brown*, 224 Ga. 737, 164 S.E.2d 836 (1968) (decided under former Code 1933, § 49-604); *Trapnell v. Smith*, 131 Ga. App. 254, 205 S.E.2d 875 (1974) (decided under former Code 1933, § 49-604).

In proceedings brought under former Code 1933, § 49-604 to inquire into one's capacity to manage own estate, jurisdiction of courts of ordinary (now probate courts) was extremely limited. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Where notice is insufficient, all proceedings under section are void. — Where court of ordinary was without jurisdiction due to insufficiency of notice, all subsequent proceedings in cause brought under former Code 1933, § 49-604, including appointment of guardian, were void. *Edwards v. Lampkin*, 112 Ga. App. 128, 144 S.E.2d 119 (1965), *aff'd* 221 Ga. 486, 145 S.E.2d 518 (1965) (decided under former Code 1933, § 49-604).

Failure to have hearing recorded impacts appeal. — Absent a record of the hearing, the appellate could not determine whether the probate court's finding that appellant

was incapable of managing appellant's estate was supported by clear and convincing evidence; accordingly, because the probate court failed to have the hearing recorded or reported, appellant was effectively denied appellant's right to appeal the probate court's decision. In *re Phillips*, Ga. App. , S.E.2d , 2002 Ga. App. LEXIS 1311 (Oct. 9, 2002) (decided under former O.C.G.A. § 29-5-6).

Standing to appeal from grant of petition. — Where the probate court granted wife's petition for guardianship over her husband, the superior court correctly dismissed an appeal by the adult children of the husband because they did not file a petition for guardianship under former O.C.G.A. § 29-5-6 and did not hold any other status under former O.C.G.A. § 29-5-11(a). *Twitty v. Akers*, 218 Ga. App. 467, 462 S.E.2d 418 (1995) (decided under former O.C.G.A. § 29-5-6).

Findings of parent's inability to manage property were supported. — Given a parent's gravely-impaired judgment, which combined with a physical frailty and impaired vision, made the parent vulnerable to exploitation by a new person living with the parent, the probate court properly concluded that the parent lacked sufficient understanding to make significant responsible decisions concerning the management of the parent's property; moreover, because the parent chose not to include the transcript of the evidence in the appellate record, and, as any pre-trial ruling on the parent's capabilities was, after a trial determining the matter, harmless if not moot, the probate court's ruling was upheld. *Yetman v. Walsh*, 282 Ga. App. 499, 639 S.E.2d 491 (2006).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-6 are included in the annotations for this Code section.

Appointment of guardian for property of mentally incompetent nonresident. — A probate court in Georgia may appoint a guardian of the property of a nonresident who is alleged to be mentally incompetent only if:

(1) the nonresident has purposely established sufficient minimum contacts with Georgia; (2) there is compliance with O.C.G.A. § 9-10-91, Georgia's Long Arm Statute; and (3) the criteria and procedures of O.C.G.A. Title 29, Chapter 5 are strictly followed. 1986 Op. Att'y Gen. No. U86-8 (decided under former O.C.G.A. § 29-5-6).

Guardianship termination order filing re-

quirement. — The requirement of O.C.G.A. § 29-5-6 that a certified copy of a guardianship termination order over an incapacitated person or over the property of an incapacitated person be filed in each county

in which lies real property of the guardianship applies to a termination order issued upon the death of the incapacitated ward. 1989 Op. Att'y Gen. U89-12 (decided under former O.C.G.A. § 29-5-6).

29-5-13. Requirements of order granting conservatorship; service; obligation of legal counsel; filing of certificate of conservatorship with court.

(a) The court shall issue an order that sets forth the findings of fact and conclusions of law that support the grant or denial of the petition. An order granting conservatorship shall specify:

- (1) The name of the conservator and the basis for the selection;
- (2) Any powers retained by the ward pursuant to Code Section 29-5-21;
- (3) The limitations on the conservatorship;

(4) A specific listing of any additional powers which are granted to the conservator as set forth in subsections (b) and (c) of Code Section 29-5-23;

(5) If a guardian is also appointed and if the guardian and conservator are not the same person, the reasonable sums or property to be furnished to the guardian to provide adequately for the ward's support, care, education, health, and welfare, subject to modification by subsequent order of the court;

(6) If the ward has an interest in real property, the name of the county in which the real property is located; and

(7) Such other and further provisions of the conservatorship as the court shall determine to be in the best interest of the ward, stating the reasons therefor.

(b) Service of the court's order shall be made by first-class mail upon the ward, the ward's legal counsel, the guardian ad litem, if any, the conservator, the petitioner, and other persons designated for service of the petition for conservatorship.

(c) After service of an order granting a conservatorship, the ward's legal counsel shall make reasonable efforts to explain to the ward the order of conservatorship and the ward's rights under the order.

(d) In any case involving the appointment of a conservator, if the ward has an interest in real property, the court shall file, within 30 days of granting the petition for conservatorship, a certificate with the clerk of the superior court of each county in this state in which the ward owns real property, to be recorded in the deed records of the county and indexed under the name of the ward in the grantor index. The certificate shall set forth the name of the ward, the expiration date of the conservatorship, if limited by court order, the date of the order granting the conservatorship, and the name of the conservator. The certificate shall be accompanied by the same fee required for filing deeds with the clerk of the superior court. The filing fee and any fee for the certificate shall be taxed as costs to the estate. (Code 1981, § 29-5-13, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-14. Appointment of emergency conservator; requirements of petition.

(a) Any interested person, including the proposed ward, may file a petition for the appointment of an emergency conservator. The petition shall be filed in the court of the county in which the proposed ward is domiciled or is found.

(b) The petition for appointment of an emergency conservator shall set forth:

(1) A statement of the facts upon which the court's jurisdiction is based;

(2) The name, address, and county of domicile of the proposed ward, if known;

(3) The name, address, and county of domicile of the petitioner and the petitioner's relationship to the proposed ward;

(4) A statement of the reasons the emergency conservatorship is sought, including the facts which support the need for a conservator and the facts which establish an immediate and substantial risk of irreparable waste or dissipation of the proposed ward's property unless an emergency conservator is appointed;

(5) The reasons why compliance with the procedures of Code Sections 29-5-10 through 29-5-13 is not appropriate in the circumstances;

(6) The fact that no other person appears to have authority and willingness to act in the circumstances, whether under a power of attorney, trust, or otherwise; and

(7) The reason for any omission to the petition for appointment of emergency conservator in the event full particulars are lacking.

(c) The petition shall state whether a petition for the appointment of a conservator or guardian has been filed or is being filed in conjunction with the petition for the appointment of an emergency conservator; and, if no other petition has been filed or is being filed, shall include a summary description of all known assets, income, other sources of funds, liabilities, and expenses of the proposed ward.

(d)(1) The petition shall be sworn to by two or more petitioners or shall be supported by an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker or, if the proposed ward is a patient in any federal medical facility in which such a physician, psychologist, or licensed clinical social worker is not available, a physician, psychologist, or licensed clinical social worker authorized to practice in that facility.

(2) Any affidavit shall be based on personal knowledge and shall state that the affiant has examined the proposed ward within 15 days prior to the filing of the petition and that, based on the examination, the proposed ward was determined to lack sufficient capacity to make or communicate significant, responsible decisions concerning the management of the proposed ward's property and that there is an immediate and substantial risk of irreparable waste or dissipation of the proposed ward's property unless an emergency conservator is appointed.

(3) In addition to stating the facts that support the need for an emergency conservator, the affidavit shall state the foreseeable duration of the emergency conservatorship and may set forth the affiant's opinion as to any other limitations on the emergency conservatorship. (Code 1981, § 29-5-14, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-15. Review of petition; dismissal; requirements of court upon finding need for emergency conservator.

(a) Upon the filing of a petition for an emergency conservatorship, the court shall review the petition and the affidavit, if any, to determine whether there is probable cause to believe that the proposed ward is in need of an emergency conservator within the meaning of Code Section 29-5-14.

(b) If the court determines that there is no probable cause to believe that the proposed ward is in need of an emergency conservator, the court shall

dismiss the petition and provide the proposed ward with a copy of the petition, the affidavit, if any, and the order dismissing the petition.

(c) If the court determines that there is probable cause to believe that the proposed ward is in need of an emergency conservator, the court shall:

(1) Immediately appoint legal counsel to represent the proposed ward at the emergency hearing, which counsel may be the same counsel who is appointed to represent the proposed ward in the hearing on the petition for guardianship or conservatorship, if any such petition has been filed, and shall inform counsel of the appointment;

(2) Order an emergency hearing to be conducted not sooner than three days nor later than five days after the filing of the petition;

(3) Order an evaluation of the proposed ward by a physician who shall be a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, other than the physician, psychologist, or licensed clinical social worker who completed the affidavit attached to the petition pursuant to paragraph (1) of subsection (d) of Code Section 29-5-10, to be conducted within 72 hours and a written report to be furnished to the court and made available to the parties within 72 hours, which evaluation and report shall be governed by the provisions of subsection (d) of Code Section 29-5-14;

(4) Immediately notify the proposed ward of the proceedings by service of all pleadings on the proposed ward, which notice shall:

(A) Be served personally on the proposed ward by an officer of the court and shall not be served by mail;

(B) Inform the proposed ward that a petition has been filed to have an emergency conservator appointed for the proposed ward, that the proposed ward has the right to attend any hearing that is held, and that, if an emergency conservator is appointed, the proposed ward may lose important rights to control the management of the proposed ward's property;

(C) Inform the proposed ward of the place and time at which the proposed ward shall submit to the evaluation provided for by paragraph (3) of this subsection;

(D) Inform the proposed ward of the appointment of legal counsel; and

(E) Inform the proposed ward of the date and time of the hearing on the emergency conservatorship; and

(5) Appoint an emergency conservator to serve until the emergency hearing, with or without prior notice to the proposed ward, if the

threatened risk is so immediate and the potential harm so irreparable that any delay is unreasonable and the existence of the threatened risk and potential for irreparable harm is certified by the affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or licensed clinical social worker; provided, however, that, pending the emergency hearing, the court shall order that no withdrawals may be made from any account on the authority of the proposed ward's signature without the court's prior approval and that the emergency conservator shall not expend any funds of the proposed ward without prior court approval. Appointment of an emergency conservator under this paragraph is not a final determination of the proposed ward's need for a nonemergency conservator. (Code 1981, § 29-5-15, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 13/SB 534.)

The 2006 amendment, effective July 1, 2006, substituted "Section 29-5-14" for "Section 29-5-149" at the end of subsection (a).

29-5-16. Emergency conservatorship hearing; limitations on powers of emergency conservator.

(a) The court shall conduct the emergency conservatorship hearing at the time and date set forth in its order to determine whether there is clear and convincing evidence of the need for an emergency conservatorship in light of the evidence taken at the hearing. In addition to the evidence at the hearing, the court may consider the evaluation report and any response filed by the proposed ward. The burden of proof shall be upon the petitioner. Upon the consent of the petitioner and the proposed ward, the court may grant a continuance of the case for a period not to exceed 30 days.

(b) If the court at the emergency hearing finds that an emergency conservatorship is necessary, the court shall order the emergency conservatorship; provided, however, that:

(1) Any emergency conservator shall have only those powers and duties specifically enumerated in the letters of emergency conservatorship and the powers and duties shall not exceed those absolutely necessary to respond to the immediate threatened risk to the ward;

(2) The court may order the emergency conservator to make any report the court requires; and

(3) The emergency conservatorship shall terminate on the earliest of:

(A) The court's removal of the emergency conservator, with or without cause;

(B) The effective date of the appointment of a conservator;

(C) Unless otherwise specified in the order of dismissal, the dismissal of a petition for appointment of a conservator;

(D) The date specified for the termination in the order appointing the emergency conservator; or

(E) Sixty days from the date of appointment of the emergency conservator. (Code 1981, § 29-5-16, enacted by Ga. L. 2004, p. 161, § 1.)

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-8 are included in the annotations for this Code section.

Right to jury trial. — If the appointment of an emergency guardian under former O.C.G.A. § 29-5-8 is only for that period of time pending the outcome either of the emergency guardianship hearing or the permanent guardianship hearing, the order would not be final or appealable to a jury in superior court, and hence would not be subject to Ga. L. 1986, p. 982, affecting procedures before the probate court in cer-

tain counties; on the other hand, if the petition before the probate court sought only an emergency guardian for a period not to exceed 45 days, as in a situation where immediate surgical or other medical consent was required for a seriously ill person proposed to be a ward, an order granting such a petition, which would leave nothing further to be decided by the probate court, would be final, appealable to a superior court jury, and hence would be a "civil case" under the 1986 Act, giving a party a right to demand a jury trial. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-8).

29-5-17. Responsibility for paying expenses of any hearing.

The amounts actually necessary or requisite to defray the expenses of any hearing held under this article shall be paid:

(1) From the estate of the ward if a conservatorship is ordered;

(2) By the petitioner if no conservatorship is ordered; or

(3) By the county in which the proposed ward is domiciled or by the county in which the hearing is held if the proposed ward is not a domiciliary of the state. The amounts shall be paid by the appropriate county upon the warrant of the court of the county where the hearing was held. Payment by the county shall be required, however, only if the person who actually presides over the hearing executes an affidavit or includes a statement in the order that the party against whom costs are cast pursuant to paragraph (1) or (2) of this Code section appears to lack sufficient assets to defray the expenses. (Code 1981, § 29-5-17, enacted by Ga. L. 2006, p. 805, § 14/SB 534.)

Effective date. — This Code section became effective July 1, 2006.

ARTICLE 3

RIGHTS AND RESPONSIBILITIES OF WARD

29-5-20. Rights of adult ward; impact on right to vote or testamentary capacity.

(a) In every conservatorship the ward has the right to:

- (1) A qualified conservator who acts in the best interest of the ward;
- (2) A conservator who is reasonably accessible to the ward;
- (3) Have the ward's property utilized as necessary to provide adequately for the ward's support, care, education, health, and welfare;
- (4) Communicate freely and privately with persons other than the conservator, except as otherwise ordered by a court of competent jurisdiction;
- (5) Individually, or through the ward's representative or legal counsel, bring an action relating to the conservatorship, including the right to file a petition alleging that the ward is being unjustly denied a right or privilege granted by Chapter 4 of this title and this chapter and the right to bring an action to modify or terminate the conservatorship pursuant to the provisions of Code Sections 29-5-71 and 29-5-72;
- (6) The least restrictive form of conservatorship, taking into consideration the ward's functional limitations, personal needs, and preferences; and
- (7) Be restored to capacity at the earliest possible time.

(b) The appointment of a conservator is not a determination regarding the right of the ward to vote.

(c) The appointment of a conservator is not a determination that the ward lacks testamentary capacity. (Code 1981, § 29-5-20, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-7 are included in the annotations for this Code section.

Ward's right to make will. — The appointment of a guardian for adults who are incapacitated does not destroy the ward's right or ability to make a will. *Pope v. Fields*, 273 Ga. 6, 536 S.E.2d 740 (2000) (decided under former O.C.G.A. § 29-5-7).

The probate court's jurisdiction to ap-

prove the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as the attorneys disbursed to themselves, and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-5-7).

29-5-21. Rights and powers removed from ward.

(a) Unless the court’s order specifies that one or more of the following powers are to be retained by the ward, the appointment of a conservator shall remove from the ward the power to:

- (1) Make, modify, or terminate contracts, other than the power to contract marriage;
- (2) To buy, sell, or otherwise dispose of or encumber property;
- (3) Enter into or conduct other business or commercial transactions;
- (4) Revoke a revocable trust established by the ward; and
- (5) Bring or defend any action at law or equity, except an action relating to the conservatorship.

(b) The mere appointment of a conservator does not revoke the powers of an agent who was previously appointed by the ward to act as the ward’s agent under a durable power of attorney for health care or health care agent under an advance directive for health care. (Code 1981, § 29-5-21, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2007, p. 133, § 10/HB 24.)

The 2007 amendment, effective July 1, 2007, added “or health care agent under an advance directive for health care” at the end of subsection (b).

Editor’s notes. — Ga. L. 2007, p. 133, § 1, not codified by the General Assembly, provides: “(a) The General Assembly has long recognized the right of the individual to control all aspects of his or her personal care and medical treatment, including the right to insist upon medical treatment, decline medical treatment, or direct that medical treatment be withdrawn. In order to secure these rights, the General Assembly has adopted and amended statutes recognizing the living will and health care agency and provided statutory forms for both documents.

“(b) The General Assembly has determined that the statutory forms for the living will and durable power of attorney for health care are confusing and inconsistent and that the statutes providing for the living will and health care agency contain conflicting concepts, inconsistent and out-of-date terminology, and confusing and inconsistent require-

ments for execution. In addition, there is a commendable trend among the states to combine the concepts of the living will and health care agency into a single legal document.

“(c) The General Assembly recognizes that a significant number of individuals representing the academic, medical, legislative, and legal communities, state officials, ethics scholars, and advocacy groups worked together to develop the advance directive for health care contained in this Act, and the collective intent was to create a form that uses understandable and everyday language in order to encourage more citizens of this state to execute advance directives for health care.

“(d) The General Assembly finds that the clear expression of an individual’s decisions regarding health care, whether made by the individual or an agent appointed by the individual, is of critical importance not only to citizens but also to the health care and legal communities, third parties, and families. In furtherance of these purposes, the General Assembly enacts a new Chapter 32

of Title 31, setting forth general principles governing the expression of decisions regarding health care and the appointment of

a health care agent, as well as a form of advance directive for health care."

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former O.C.G.A. § 29-5-7 are included in the annotations for this Code section.

Ward's right to make will. — The appointment of a guardian for adults who are incapacitated does not destroy the ward's right or ability to make a will. *Pope v. Fields*, 273 Ga. 6, 536 S.E.2d 740 (2000) (decided under former O.C.G.A. § 29-5-7).

The probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that

court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as the attorneys disbursed to themselves, and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-5-7).

29-5-22. Obligations and liabilities of conservator.

(a) Except as otherwise provided by law or by the court, a conservator shall receive, collect, and make decisions regarding the ward's property. A conservator shall, to the extent feasible, encourage the ward to participate in decisions, act on the ward's own behalf, and develop or regain the ability to manage the ward's property. A conservator, in making decisions, shall consider the expressed desires and personal values of the ward which are known to the conservator. A conservator shall at all times act as a fiduciary in the ward's best interest and exercise reasonable care, diligence, and prudence.

(b) A conservator shall:

- (1) Respect the rights and dignity of the ward;
- (2) Be reasonably accessible to the ward and maintain regular communication with the ward;
- (3) If necessary, petition to have a guardian appointed;
- (4) Endeavor to cooperate with the guardian, if any;
- (5) Provide for the support, care, education, health, and welfare of the ward and persons who are entitled to be supported by the ward, to the extent consistent with the current and future needs and resources of the ward;
- (6) Give such bond as required by Code Section 29-5-40;
- (7) Within two months of appointment, file with the court and provide to the guardian, if any, an inventory of the ward's property and a plan for

administering the property, pursuant to the provisions of Code Section 29-5-30.

(8) Take into account any estate plan of the ward known to the conservator in the administration of the conservatorship;

(9) Keep accurate records, including adequate supporting data, and file annual returns, as required by Code Section 29-5-60;

(10) Promptly notify the court of any change in the ward's condition that in the opinion of the conservator might require modification or termination of the conservatorship;

(11) Promptly notify the court of any conflict of interest between the ward and the conservator when the conflict arises or becomes known to the conservator and take such action as is required by Code Section 29-5-24; and

(12) Keep the court informed of the conservator's current address.

(c) A conservator, solely by reason of the conservator-ward relationship, is not personally liable for:

(1) The ward's expenses or the expenses of those entitled to be supported by the ward;

(2) Contracts entered into in the conservator's fiduciary capacity;

(3) The acts or omissions of the ward;

(4) Obligations arising from ownership or control of property of the ward; or

(5) Other acts or omissions occurring in the course of the conservatorship. (Code 1981, § 29-5-22, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1855-56, p. 147, § 1, former Code 1895, § 2571, former Code 1933, § 49-231, and § 49-603, as it read prior to revision by Ga. L. 1980, p. 1661, § 1, and former O.C.G.A. § 29-5-4 are included in the annotations for this Code section.

Failure entails burden of proving faithful discharge of duties. — Failure of executor or guardian to make returns is an omission of

duty, and therefore a breach of trust, and puts upon the executor the burden of proving to satisfaction of court that the executor discharged trust with fidelity. *Wellborn v. Rogers*, 24 Ga. 558 (1858) (decided under Ga. L. 1855-56, p. 147, § 1).

Failure to make returns of interest does not demonstrate fraud. — Failure of guardian to make returns of interest accumulated in guardian's hands is not by itself sufficient to authorize finding of fraud and charging

of compound interest. *Royston v. Royston*, 29 Ga. 82 (1859) (decided under Ga. L. 1855-56, p. 147, § 1).

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingling of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. *Phillips v. Phillips*, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with

proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as they disbursed to themselves, and to hold the attorneys in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-5-4).

(1) Make reasonable disbursements from the annual income or, if applicable, from the annual budget amount that has been approved by

(2) Enter into contracts for labor or service upon such terms as the conservator may deem best, but only to the extent that the annual compensation payable under such contracts, when combined with other anticipated disbursements, does not exceed the amount of the annual income or, if applicable, the annual budget amount that has been approved by the court pursuant to Code Section 29-5-30;

(3) Borrow money for one year or less and bind the ward or the ward's property, but only if the amount of the annual payments, when combined with other anticipated disbursements, does not exceed the amount of the annual income or, if applicable, the annual budget amount that has been approved by the court pursuant to Code Section 29-5-30 and only if done for purposes of paying the ward's debts, repairing the ward's dwelling place, or providing for the support, care, education, health, or welfare of the ward and the persons who are entitled to be supported by the ward;

(4) Receive, collect, and hold the ward's property, additions to the ward's property, and all related records;

(5) Retain the property received by the conservator upon the creation of the conservatorship in accordance with the provisions of Code Section 29-5-31;

(10) Appoint an attorney in fact to act for the conservator when the conservator is unable to act; provided, however, that the conservator and the conservator's sureties shall be bound for the acts of the attorney as if the acts were the personal acts of the conservator;

(12) Sell the ward's stocks and bonds pursuant to the provisions of subsection (b) of Code Section 29-5-35;

(13) Compromise any contested or doubtful claim for or against the ward if the proposed gross settlement as defined in Code Section 29-3-3 is in the amount of \$15,000.00 or less; and

(14) Release the debtor and compromise all debts in the amount of \$15,000.00 or less when the collection of the debt is doubtful.

(b)(1) In the petition for appointment, or at any time during the conservatorship, the conservator may request the continuing power:

(A) To invest the ward's property in investments other than those authorized in Code Section 29-5-32, pursuant to the provisions of Code Section 29-5-34, without further court approval of any investment;

(B) To sell, rent, lease, exchange, or otherwise dispose of any or all of the ward's real or personal property without complying with the provisions of Code Section 29-5-35 other than the provisions for additional bond set forth in subsection (e) of Code Section 29-5-35; or

(C) To continue the operation of any farm or business in which the ward has an interest.

(2) Unless the request for the powers described in paragraph (1) of this subsection is made in the petition for the initial appointment of the conservator, the court shall order a hearing as the court deems appropriate. Notice shall be given by personal service to the ward and a guardian ad litem appointed for the ward. Notice shall be given by first-class mail to the guardian of the ward, if any; the surety on the conservator's bond; and to the following relatives of the ward whose whereabouts are known:

(A) The spouse of the ward; and

(B) All adult children of the ward; or

(C) If there is no adult child, then at least two adults in the following order of priority:

(i) Lineal descendants of the ward;

(ii) Parents and siblings of the ward; and

(iii) Friends of the ward.

(c) At the time of the appointment of the conservator or at any time thereafter, and after appointment of a guardian ad litem for the ward and a hearing as the court deems appropriate, any of the following powers may be specifically granted to the conservator on a case-by-case basis, upon notice as the court shall determine:

(1) To make disbursements that exceed by no more than a specific amount the annual income or, if applicable, the annual budget amount that has been approved by the court pursuant to Code Section 29-5-30 for the support, care, education, health, and welfare of the ward and those persons who are entitled to be supported by the ward;

(8) To establish or add property to a trust for the benefit of the ward and, if applicable, those individuals who are entitled to support from the ward; provided, however, unless otherwise provided by court order pursuant to Code Section 29-5-36, the trust must provide that the ward may revoke the trust if the ward is restored to capacity and the trust shall terminate upon the ward's death and any property remaining in the trust shall be paid to the ward's estate;

(9) To disclaim or renounce any property or interest in property of the ward in accordance with the provisions of Code Section 53-1-20 of the Revised Probate Code of 1998;

Trust Co.*, 233 Ga. 135, 210 S.E.2d 321 (1974) (decided under former Code 1933, § 49-202).

Guardian entitled to reimbursement for payment of taxes. — Where real estate of ward is impressed by liens for municipal taxes and street pavement assessments, and

the guardian pays them off, the guardian will be allowed, in an equitable accounting, to encroach upon corpus of estate for reimbursement, where there are not sufficient funds arising from income. *English v. English*, 149 Ga. 404, 100 S.E. 362 (1919) (decided under former Civil Code 1910, § 3060).

Determination of necessities. — For a determination of what are necessities where representations are made by ward to guardian, see *Little v. West*, 145 Ga. 563, 89 S.E. 682 (1916) (decided under former Civil Code 1910, § 3060).

Permanent improvements. — Guardian not authorized to sell or encumber property of ward for purpose of erecting permanent improvements on it; or, if the guardian erects permanent improvements on it with the guardian's own money, the guardian cannot obtain a legal order of the ordinary (now judge of probate court), or court of ordinary (now probate court), to sell it for reimbursement of guardian's expenses. *Burke & Williams v. Guardian may convey estate for years. — By complying with statutory provisions, guardians can convey an estate for years, after due advertisement and proper application to superior court (now within jurisdiction of probate court), and order of the judge thereon, for purpose of reinvestment. *Shell Petro. Corp. v. Jackson*, 47 Ga. App. 667, 171 S.E. 171 (1933) (decided under former Code 1933, § 49-204).

Lease of estate for years is in effect a sale. — Sale of lands by guardian for reinvestment may be made at public or private sale under direction of judge of superior court (now within jurisdiction of judge of probate court) and the lease of an estate for years of lands is in effect the sale of an estate for

years therein. *Shell Petro. Corp. v. Jackson*, 47 Ga. App. 667, 171 S.E. 171 (1933) (decided under former Code 1933, § 49-204).

Negotiations for sale prior to obtaining court order allowed. — Guardians can, before they obtain an order of court, enter into negotiations looking to private sale or lease of an estate for years, and such action on their part would not be contrary to public policy nor illegal. *Shell Petro. Corp. v. Jackson*, 47 Ga. App. 667, 171 S.E. 171 (1933) (decided under former Code 1933, § 49-204).

Validity of claim not dependent upon giving of bond. — It is not necessary to validity of claim of land at executor's or administrator's sale that bond and security should be given. *Falls v. Griffith*, 25 Ga. 72 (1858) (decided under Laws 1809, Cobb's 1851 Digest, p. 315).

Finding a purchaser for property was a service within meaning of former Code 1933, § 49-213 (former O.C.G.A. § 29-2-11).

Former Civil Code 1910, § 3432 (former O.C.G.A. § 29-2-14) was inapplicable to exchange of lands. Mills v. Geer, 111 Ga. 275, 36 S.E. 673, 52 L.R.A. 934 (1900) (decided under former Civil Code 1895, § 3432).

Guardian acted in fiduciary capacity and was bound to utmost good faith with court and ward in interest of latter in proceeding under former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14). American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

Proceeding does not require appointment of guardian ad litem. — Petition of guardian to invest funds of ward under this law is an ex parte proceeding of the ward acting through the guardian; it does not require appointment of guardian ad litem for ward. American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

No presumption that investments comply with statutes. — Although guardian may in good faith have disposed of funds by investing a portion of them in real estate for benefit of the ward, who afterwards during minority occupies the real estate as a home, there is no presumption that these expenditures are legally made by the guardian's having obtained from judge an order for investment of funds in real estate. New York Life Ins. Co. v. Gilmore, 40 Ga. 431, 149 S.E.

799 (1929), rev'd on other grounds, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 4008).

Investment by guardian in violation of former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14) was a breach of guardian's statutory bond that would authorize suit to recover amount from guardian and guardian's surety. American Sur. Co. v. Adams, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

For a discussion of liability of guardian for real estate investments without court order, see Paulk v. Roberts, 42 Ga. App. 79, 155 S.E. 55 (1930) (decided under former Civil Code 1910, § 4008).

Compromises of claims and compromises of debts distinguished. — Former Code 1933, §§ 49-219 and 49-221 (former O.C.G.A. §§ 29-2-16 and 29-2-18) were for purpose of distinguishing when guardian can compromise contested or doubtful claim of ward, and when the guardian can compromise a doubtful debt of ward; requirements for compromising a claim and for compromising a debt are different, and are set forth in separate sections. Campbell v. Atlanta Coach Co., 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, §§ 49-219 and 49-221).

Subject matter to be compromised is claims whose justice and legality may be questioned. Maynard v. Cleveland, 76 Ga. 52 (1885) (decided under former Code 1882, § 2537).

Compromise need not be approved by probate judge. — There is no requirement that a compromise be approved by the ordinary (now judge of probate court), as is the case with doubtful debts under former Code 1933, § 49-221 (former O.C.G.A. § 29-2-18) referring to liquidated contractual demands. Macris v. Laughlin Insulation Co., 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

Executor's authority need not be revoked to attack fraudulent agreement. — Where executor has exceeded authority in entering agreement, the executor's authority need not be revoked in order to attack such agreement. Empire Life Ins. Co. v. Mason, 140 Ga. 141, 78 S.E. 935 (1913) (decided at time when law included guardians, administrators, executors and other fiduciaries in its

grant of authority to compromise claims; decided under former Civil Code 1910, § 4004).

The probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as they disbursed to themselves and to hold them in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-2-16).

For general discussion of former Code 1882, § 2538 (former O.C.G.A. § 29-2-17), see *Maynard v. Cleveland*, 76 Ga. 52 (1885) (decided under former Code 1882, § 2538).

On necessity of order of ordinary (now judge of probate court), see *Jones v. Ragan*, 136 Ga. 653, 71 S.E. 1098 (1911) (decided under former Civil Code 1910, § 4005).

Compliance with section necessary for validity of compromise order. — The ordinary's (now judge of probate court) direction to compromise doubtful debt belonging to estate was worth nothing to executor unless it appeared that requirements of former Code 1873, § 2539 (former O.C.G.A. § 29-2-18) had been complied with. *Ponce v. Wiley*, 62 Ga. 118 (1878) (decided under former Code 1873, § 2539, which included guardians, administrators, executors and other fiduciaries in its grant of authority to compromise debts).

Compromise of claims and compromise of debts distinguished. — Former Code 1933, § 49-221 (former O.C.G.A. § 29-2-16) was for purpose of distinguishing when guardian could compromise contested or doubtful claim of ward, and when guardian could compromise a doubtful debt of ward; requirements for compromising a claim and for compromising a debt were different, and were set forth in separate sections. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Subject matter to be compromised is debts, true and real, but doubtful as to solvency. *Maynard v. Cleveland*, 76 Ga. 52 (1885) (decided under former Code 1882, § 2539).

"Debt" means that fixed and specific amount is owing. — Distinguishing charac-

teristic of word debt is that fixed and specific amount is owing and no future valuation is required to settle it. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Guardians, acting en autre droit, are generally held personally liable on promissory notes, because they have no authority to bind ex directo the persons for whom, or for whose benefit, or for whose estate they act; and hence to give any validity to a note they must be deemed personally bound as makers. *Lovelace v. Smith*, 39 Ga. 130 (1869) (decided under former Code 1868, § 1828); *Howard v. Cassels*, 105 Ga. 412, 31 S.E. 562, 70 Am. St. R. 44 (1898) (decided under former Code 1895, § 2555); *Lokey v. Trust Co. Bank*, 198 Ga. App. 803, 402 S.E.2d 803 (1991) (decided under former O.C.G.A. § 29-2-20).

Deed to secure debt executed by the guardians could not be enforced against minor wards since the guardian did not obtain court approval before obtaining the loan. *United Cos. Lending Corp. v. Coates*, 238 Ga. App. 716, 520 S.E.2d 236 (1999) (decided under former O.C.G.A. § 29-2-20).

Loan of ward's money upon security deed to real estate. — A guardian cannot lend money of ward upon security deed to real estate unless guardian is authorized to do so by order of superior court. *Cochran v. Spinks*, 180 Ga. 623, 180 S.E. 221 (1935) (decided prior to amendment of former Code 1933, § 49-226).

Contract for maintenance and education not binding without prior approval. — Without approval of the ordinary (now judge of probate court), contract entered into by guardian to pay another for maintenance and education of ward cannot support judgment binding corpus of ward's estate. *McQueen v. Fisher*, 22 Ga. App. 394, 95 S.E. 1004 (1918) (decided under former Civil Code 1910, § 3074).

Effects of guardian lending money to oneself as individual and appointment of guardian ad litem, see *Cochran v. Spinks*, 180 Ga. 623, 180 S.E. 221 (1935) (decided under former Code 1933, § 49-226).

Power to contract, conferred by will, is controlled by will. — Where power to contract was conferred by will, validity of contract made by guardian depends on that

General Consideration (Cont'd)

instrument, and effect of judgment rendered on such contract is determined, not by the law regulating power of guardians, but by powers given guardian by the will. *Howard v. Cassels*, 105 Ga. 412, 31 S.E. 562, 70 Am. St. R. 44 (1898) (decided under former Civil Code 1895, § 2555).

Guardian empowered to appoint agent. — Guardian had power to appoint agent to act for guardian during absence in confederate army, and any act of agent within scope of agent's authority would be as valid as that of guardian. *Tarpley v. McWhorter*, 56 Ga. 410 (1876) (decided under former Code 1873, § 1838).

Guardian is entitled to possession of ward's effects. — Guardian of person and property of a lunatic is entitled to retain possession and control of ward's effects so long as guardianship continues; and to deprive the guardian of such possession and control before ward is restored to sanity, it is necessary that the guardian's letters be revoked and another guardian appointed. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Commingleing of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se breach of the bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-603).

Guardian cannot maintain divorce proceedings. — Suit for divorce instituted by guardian in behalf of one who has been adjudicated insane cannot be maintained in this state; the right to bring and prosecute such an action being strictly personal, and not within authority conferred by law upon a guardian. *Phillips v. Phillips*, 203 Ga. 106, 45 S.E.2d 621 (1947) (decided under former Code 1933, § 49-603).

Proceeding by next friend for waste with proceeding to remove guardian. — If a next friend suing in behalf of a lunatic can maintain an action for waste committed by the guardian, or recover money in the guardian's hands, it can be done only in connection with a proceeding to remove the guardian and revoke guardianship letters. *Bonner v. Evans*, 89 Ga. 656, 15 S.E. 906 (1892) (decided under prior law).

Authority of Probate Judge

Probate judge may ratify certain actions of guardian. — Where trustee has acted fairly and properly without previous consent of the ordinary (now judge of probate court), and where prompt and regular annual returns of the trustee's actions in that behalf have been made, the ordinary (now judge), by approving such returns, may ratify the action. *Dowling v. Feeley*, 72 Ga. 557 (1884) (decided under former Code 1882, § 1824); *Shipp v. McCowen*, 147 Ga. 711, 95 S.E. 251 (1918) (decided under former Civil Code 1910, § 3060).

Probate judge may consent to expenditures exceeding profits. — Ordinary (now judge of probate court) may consent to expenditures exceeding annual profits of ward's estate for expenses of maintenance and education by approving the regular annual returns of the guardian, which show on their face that expenses have exceeded income. *Cook v. Rainey*, 61 Ga. 452 (1878) (decided under former Code 1873, § 1824); *Sturgis v. Davis*, 157 Ga. 352, 121 S.E. 318 (1924) (decided under former Civil Code 1910, § 3060); *Banister v. Bagley*, 56 Ga. App. 615, 193 S.E. 480 (1937) (decided under former Code 1933, § 49-202); *Bailey v. McElroy*, 61 Ga. App. 367, 6 S.E.2d 140 (1939) (decided under former Code 1933, § 49-202).

Probate judge cannot delegate discretion. — Discretion to encroach upon corpus for maintenance and education of ward is confined to the ordinary (now judge of probate court) and the ordinary cannot relegate it to another. *Shipp v. McCowen*, 147 Ga. 711, 95 S.E. 251 (1918) (decided under former Civil Code 1910, § 3060).

Notice

Notice requirement is jurisdictional. — Requirement of former Code 1933, §§ 49-204 and 49-205 (see former O.C.G.A. §§ 29-2-4 and 29-2-5) as to citation and notice to ward prior to leave to sell, exchange or encumber the ward's property is jurisdictional, and the ordinary (now judge of probate court) acts without jurisdiction by granting an order to sell without the required notice having been given. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964) (decided under former Code 1933, § 49-204).

Showing lack of notice rebuts presumption of validity of sale. — Though a judgment of an ordinary (now judge of probate court) granting leave to sell being regular upon its face is presumptively valid, such presumption is only prima facie and may be rebutted by evidence showing that jurisdictional fact of publication of notice had not been accomplished at time of grant of order. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964) (decided under former Code 1933, § 49-204).

Adequacy of notice under former O.C.G.A. § 29-2-4. — See *Union Camp Corp. v. Youmans*, 227 Ga. 687, 182 S.E.2d 468 (1971) (decided under former Code 1933, § 49-204).

Ward may appear by next friend. — Former Code 1933, § 49-204 (former O.C.G.A. § 29-2-4) contemplated right of ward to be heard, and where ward was incompetent to appear in person, the ward had right to appear by next friend. *Fuller v. Dillon*, 220 Ga. 36, 136 S.E.2d 733 (1964) (decided under former Code 1933, § 49-204).

Claims Subject to Compromise

"Claim" embraces assertion of liability to party making it to pay sum of money. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

"Claims" is sufficiently broad to include a tort action. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

"Claims" includes demands arising out of tort. — "Claims" as used in former Code 1933, § 49-219 (former O.C.G.A. § 29-2-16) had a technical meaning and implied that a right is in dispute, including a demand arising out of tort. *Campbell v. Atlanta Coach Co.*, 58 Ga. App. 824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

Wrongful death action was a property right and could be compromised or settled by a duly appointed guardian of property pursuant to former O.C.G.A. § 29-2-16. *Hay v. Norfolk S. Ry.*, 879 F. Supp. 1192 (N.D. Ga. 1994) (decided under former O.C.G.A. § 29-2-16).

Effect of Compromise

Guardian may negotiate complete settlement, which is conclusive until set aside in direct proceeding brought for that purpose. *Macris v. Laughlin Insulation Co.*, 124 Ga. App. 573, 185 S.E.2d 413 (1971) (decided under former Code 1933, § 49-221).

Compromise settlement is conclusive until set aside. — Compromise settlement of doubtful "claim" made by guardian is conclusive until set aside in direct proceeding in which guardian is a necessary party. *Campbell v. Atlanta Coach Co.*, 58 Ga. App.

824, 200 S.E. 203 (1938) (decided under former Code 1933, § 49-221).

The probate court's jurisdiction to approve the settlement of a malpractice claim and to protect the best interests of the incapacitated ward conferred upon that court the authority to require that the ward's attorneys pay into the registry of court such settlement funds as they disbursed to themselves, and to hold the attorneys in contempt for their refusal to do so. *Gnann v. Woodall*, 270 Ga. 516, 511 S.E.2d 188 (1999) (decided under former O.C.G.A. § 29-5-4).

29-5-24. Forfeiture of rights by conservator; disclosure of conflicts by conservator; transactions presenting substantial conflict in interests.

(a) The appointment of a conservator shall not automatically cause the conservator to forfeit any rights to property.

(b) The conservator must disclose promptly any conflict of interest between the conservator and the ward when it arises or becomes known to the conservator. The conservator must seek the court's determination as to whether the conflict is insubstantial or whether it is in the best interest of the ward for the conservator to continue to serve and not forfeit any property right. If the court finds that the conflict of interest is substantial or contrary to the best interest of the ward, the conservator may either resign or forfeit the property interest that is the source of the conflict.

(c) A transaction affected by a substantial conflict between personal and fiduciary interests includes any sale, encumbrance, or other transaction involving the conservatorship estate entered into by the conservator or the spouse, descendant, agent, or lawyer of the conservator or a corporation or other enterprise in which the conservator has a significant beneficial interest. (Code 1981, § 29-5-24, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-25. Oath or affirmation required of conservator.

Before entering upon the duties of the appointment, every conservator appointed pursuant to the terms of this chapter shall take an oath or affirmation before the court to perform well and truly the duties required of a conservator and to account faithfully for the estate. The oath or affirmation of a conservator may be subscribed before the judge or clerk of any probate court of this state. The judge of the probate court who appoints the conservator shall have the authority to grant a commission to a judge or clerk of any court of record of any other state to administer the oath or affirmation. (Code 1981, § 29-5-25, enacted by Ga. L. 2004, p. 161, § 1.)

PROTECTION OF PROPERTY INTERESTS

29-5-30. Inventory and plan for handling ward's property.

(a) Within two months of appointment, the conservator shall file with the court and provide to the ward's guardian, if any, an inventory of the ward's property and a plan for managing, expending, and distributing the property.

(b) The inventory shall describe all the assets and liabilities of the ward and shall include a list of all the personal and real property owned by the ward and describe how the property is titled. When the inventory is returned to the court, the conservator shall swear or affirm, in addition to the usual oath on making returns, that the inventory contains a true statement of all the assets and liabilities of the ward known to the conservator.

(c) The plan for managing, expending, and distributing the ward's property must be based on the actual needs of the ward and take into consideration the best interest of the ward. The conservator shall include in the plan an estimate of the duration of the conservatorship, projections for expenses and resources, and any proposals to change the title of any of the assets in the conservatorship estate. The plan and any proposed budget for the expenditure of funds in excess of the anticipated income from the property must be approved by the court. With each annual return filed thereafter, the conservator shall file with the court and provide to the guardian, if any, an updated plan pursuant to the provisions of this subsection. (Code 1981, § 29-5-30, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-31. Retention of property; exchange or conversion of stocks or securities.

(a) A conservator may retain the property received by the conservator on the creation of the conservatorship, including, in the case of a corporate fiduciary, stock or other securities of its own issue, even though the property may not otherwise be a legal investment and shall not be liable for the

retention, except for gross neglect. In the case of corporate securities, the conservator may likewise retain any securities into which the securities originally received may be converted or which may be derived therefrom as a result of merger, consolidation, stock dividends, splits, liquidations, and similar procedures; and the conservator may exercise by purchase or otherwise any rights, warrants, or conversion features attaching to any such securities.

(b) In the case of a corporate fiduciary, the authority granted in subsection (a) of this Code section shall apply to the exchange or conversion of stock or securities of the corporate fiduciary's own issue, whether or not any new stock or securities received in exchange therefor are substantially equivalent to those originally held; and such authority shall also apply to the continued retention of all new stock and securities resulting from merger, consolidation, stock dividends, splits, liquidations, and similar procedures and received by virtue of such conversion or exchange of stock or securities of the corporate fiduciary's own issue, whether or not the new stock or securities are substantially equivalent to those originally received by the fiduciary. The foregoing authority shall have reference, inter alia, to the exchange of such stock or securities for stock or securities of any holding company which owns stock or other interests in one or more other corporations including the corporate fiduciary, whether the holding company is newly formed or already existing, and whether or not any of the corporations own assets identical or similar to the assets of or carry on business identical or similar to the corporation whose stock or securities were previously received by the fiduciary and the continued retention of stock or securities, or both, of the holding company; and such authority shall apply regardless of whether any of the corporations have officers, directors, employees, agents, or trustees in common with the corporation whose stock or securities were previously received by the fiduciary. (Code 1981, § 29-5-31, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 3432, former Civil Code 1910, § 4008, and former Code 1933, §§ 49-215, 49-216, 49-217 are included in the annotations for this Code section.

For a discussion of liability of bank which receives fruits of misappropriation by trustee, see *Georgia R.R. Bank & Trust Co. v. Liberty Nat'l Bank & Trust Co.*, 180 Ga. 4, 177 S.E. 803 (1934) (decided under former Code 1933, §§ 49-215, 49-217).

Former Civil Code 1910, § 3432 (former O.C.G.A. § 29-2-14) was inapplicable to exchange of lands. *Mills v. Geer*, 111 Ga. 275, 36 S.E. 673, 52 L.R.A. 934 (1900) (decided under former Civil Code 1895, § 3432).

Guardian acted in fiduciary capacity and was bound to utmost good faith with court and ward in interest of latter in proceeding under former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14). *American Sur. Co. v. Adams*, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

No presumption that investments comply with statutes. — Although guardian may in good faith have disposed of funds by investing a portion of them in real estate for benefit of the ward, who afterwards during

minority occupies the real estate as a home, there is no presumption that these expenditures are legally made by the guardian's having obtained from judge an order for investment of funds in real estate. *New York Life Ins. Co. v. Gilmore*, 40 Ga. 431, 149 S.E. 799 (1929), rev'd on other grounds, 171 Ga. 894, 157 S.E. 188 (1931) (decided under former Civil Code 1910, § 4008).

Investment by guardian in violation of former Code 1933, § 49-216 (former O.C.G.A. § 29-2-14) was a breach of guardian's statutory bond that would authorize suit to recover amount from guardian and guardian's surety. *American Sur. Co. v. Adams*, 190 Ga. 575, 10 S.E.2d 30 (1940) (decided under former Code 1933, § 49-216).

29-5-33. Holding of investments; corporate fiduciaries.

(a) Whenever by law or by court order the conservator is authorized, permitted, required, or directed to invest funds in direct and general obligations of the United States government, obligations unconditionally guaranteed by the United States government, or obligations of the agencies of the United States government enumerated in Code Section 29-5-32, the conservator may invest in and hold such obligations either directly or in the form of securities or other interests in any open-end or closed-end management type investment company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C. Sections 80a-1, et seq., so long as:

(1) The portfolio of such investment company or investment trust is limited to such obligations and repurchase agreements fully collateralized by such obligations;

(2) Such investment company or investment trust takes delivery of such collateral, either directly or through an authorized custodian; and

(3) Such investment company or investment trust is operated so as to provide a constant net asset value or price per share.

(b) The authority granted in this Code section shall be applicable notwithstanding that a corporate fiduciary or an affiliate of the corporate fiduciary provides services to the investment company or investment trust as investment adviser, custodian, transfer agent, registrar, sponsor, distributor, manager, or otherwise and receives compensation for such services. (Code 1981, § 29-5-33, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-34. Prudence required from conservator in making investments; acquisition and retention of property.

(a) After receiving court approval as required in subsections (b) and (c) of Code Section 29-5-23, in making investments and in acquiring and retaining those investments and managing property of the ward, the conservator shall exercise the judgment and care, under the circumstances then prevailing, that a prudent person acting in a like capacity and familiar

with such matters would use to attain the purposes of the account. In making such investment decisions, a conservator may consider the general economic conditions, the anticipated tax consequences of the investments, the anticipated duration of the account, and the needs of the ward and those entitled to support from the ward.

(b) Within the limitations of the standard provided in subsection (a) of this Code section and with prior approval by the court in accordance with Code Section 29-5-23, a conservator is authorized to acquire and retain every kind of property, including real, personal, or mixed and every kind of investment, specifically including, but not by way of limitation, bonds, debentures and other corporate obligations, and stocks, preferred or common, including the securities of or other interests in any open-end or closed-end management investments company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C. Sections 80a-1, et seq. The propriety of an investment is to be determined by what the conservator knew or should have known at the time of the decision about the inherent nature and expected performance of a particular investment, including probable yield, the attributes of the portfolio, the general economy, and the needs of the ward and those entitled to support from the ward as they existed at the time of the decision. Any determination of liability for investment performance shall consider not only the performance of a particular investment but also the performance of the ward's portfolio as a whole. Within the limitations of such standard, a conservator may retain property properly acquired, without limitation as to time and without regard to its suitability for original purchase.

(c) A conservator that is a financial institution, trust company, national or state bank, savings bank, or savings and loan association described in Code Section 7-1-242 shall not be precluded from acquiring and retaining securities of or other interests in an investment company or investment trust because the bank or trust company or an affiliate provides services to the investment company or investment trust as investment adviser, custodian, transfer agent, registrar, sponsor, distributor, manager, or otherwise and receives compensation for such services. (Code 1981, § 29-5-34, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-35. Sale of perishable property; sale of other properties; disposal of other properties; accounting for proceeds; authority of emergency or temporary substitute conservator.

(a) A conservator may sell perishable property of the ward, property of the ward that is liable to deteriorate from keeping, or property of the ward that is expensive to keep, as early as practicable and in such manner as the court shall determine is in the best interest of the ward, after such notice and opportunity for hearing, if any, as the court shall deem practicable under the circumstances.

(b) A conservator may sell stocks or bonds of the ward that are either listed or admitted to unlisted trading privileges upon any stock exchange or quoted regularly in any newspaper having a general circulation in Georgia at a sales price not less than the stock exchange bid price or the published bid price at the time of sale and pay reasonable brokerage commissions not in excess of those customarily charged by stock exchange members.

(c) Except as otherwise provided in subsections (a) and (b) of this Code section, a conservator may petition the court to sell, rent, lease, exchange, or otherwise dispose of property of the ward, whether real or personal or mixed. The petition shall set forth the property involved and the interests therein, the specific purpose of the transaction, the proposed price, the anticipated net proceeds of the sale, all other terms or conditions proposed for the transaction, and that the proposed transaction is in the best interest of the ward.

(d) Upon the filing of the petition, the court shall appoint a guardian ad litem for the ward. The petition and notice shall be served personally on the ward and the guardian ad litem.

(e) If no written objection by a person notified pursuant to subsection (d) of this Code section is filed within 30 days following the mailing of notice or service upon the guardian ad litem, the court shall order such sale summarily in the manner and terms petitioned; provided, however, that if real property is to be converted to personal property, the court shall order the conservator to post additional bond to cover the amount of the anticipated net proceeds of the sale prior to the closing of the sale. If an objection is filed, the court shall hear the matter and grant or deny the petition for sale or make such other order as is in the best interest of the ward, which may require the sale to be private or at public auction, including confirmation of the sale by the court or otherwise.

(f) A conservator shall make a full return to the court within 30 days of every sale, specifying the property sold, the purchasers, and the amounts received, together with the terms of the sale.

(g) The recital in the conservator's deed of a compliance with legal provisions shall be prima-facie evidence of the facts recited.

(h) Where a conservator sells real property under the provisions of this Code section, liens thereon may be divested and transferred to the proceeds of the sale as a condition of the sale.

(i) An emergency or temporary substitute conservator is authorized to petition the court for leave to sell or otherwise deal with the property of the estate only if good cause is shown for not waiting until a different type of conservatorship is created or the conservatorship is terminated. (Code 1981, § 29-5-35, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-36. Development of estate plan for ward; appointment of guardian ad litem prior to implementation of plan.

(a) After notice to interested parties and other persons as the court may direct, and upon a showing that the ward will probably remain in need of a conservator throughout the ward's lifetime and that it is in the best interest of the ward, the court may order the conservator to apply such principal or income of the ward as is not required for the support, care, education, health, and welfare of the ward and such individuals who are entitled to support from the ward toward the establishment or continuation of an estate plan for the ward and make transfers of the ward's personal or real property, outright or in trust, provided that the court finds that a competent, reasonable person in the ward's circumstances would make such transfers and there is no evidence that the ward, if not in need of a conservator, would not adopt such an estate plan.

(b) Prior to authorizing such transfers, the court shall appoint a guardian ad litem for the ward and shall consider:

(1) The composition and value of the entire estate of the ward, other known sources of support available to the ward and individuals who are entitled to be supported by the ward, and the income produced thereby;

(2) The probable expenses for the support, care, education, health, or welfare of the ward and such individuals who are entitled to be supported by the ward for the remainder of the ward's lifetime in the standard of living to which the ward and the other individuals have become accustomed;

(3) The identity of the proposed transferees and, in particular, whether they are natural objects of the ward's bounty by relationship or prior behavior of the ward;

(4) The purpose and estate planning benefit to be derived by the transfer as well as the possible harm to any interested party; and

(5) Any previous history or predisposition toward making similar transfers by the ward. (Code 1981, § 29-5-36, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

ARTICLE 5

CONSERVATOR'S BOND AND OTHER OBLIGATIONS

29-5-40. Bond requirement; exception to requirement; recording.

(a) A conservator appointed by the court shall give bond with good and sufficient security.

(b) A financial institution, trust company, national or state bank, savings bank, or savings and loan association described in Code Section 7-1-242 that seeks to qualify as a conservator is not required to give bond for the faithful performance of its duties unless its combined capital, surplus, and undivided profits are less than \$3 million as reflected in its last statements signed by the Comptroller of the Currency of the United States or the commissioner of banking and finance.

(c) The clerk of the court shall record bonds in books kept for that purpose and shall retain custody of the bonds. (Code 1981, § 29-5-40, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-41. Terms of conservator's bond; timing; value; substantial compliance sufficient.

(a) The bond of a conservator shall be:

(1) Secured by an individual who is a domiciliary of this state or by a licensed commercial surety authorized to transact business in this state;

- (2) Payable to the court for the benefit of the ward;
- (3) Conditioned upon the faithful discharge of the conservator's duty, as such is required by law; and
- (4) Attested by the judge or clerk of the court.

(b) The court may order a conservator who is required to give bond to post bond for a period of time greater than one year, as may be appropriate in the circumstances. A surety on a bond posted pursuant to this subsection shall not be relieved of liability merely because of the expiration of the term of the bond but shall be subject to the provisions of law for the discharge of a surety applicable to other bonds.

(c) The bond shall be in a value equal to double the estimated value of the ward's estate; provided, however, that the bond shall be in an amount equal to the estimated value of the estate if secured by a licensed commercial surety authorized to transact business in this state. The value of the estate for purposes of the bond shall be determined without regard to the value of any real property or improvements thereon; but, upon conversion of the real property into personal property, a bond shall be given based upon the value of the estate including the value of the personal property into which the real property was converted.

(d) Substantial compliance with these requirements for the bond shall be deemed sufficient; and no bond shall be declared invalid by reason of any variation from these requirements as to payee, amount, or condition, where the manifest intention was to give bond as conservator and a breach of the fiduciary's duty as such has been proved. (Code 1981, § 29-5-41, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1895, § 2528, former Code 1873, § 1812, and former Code 1933, § 49-113 are included in the annotations for this Code section.

Only substantial compliance with statutes in execution of bonds required. — Policy of the law as to all bonds required by statute, and especially as to bonds of guardians, administrators, and like trustees, is to disregard mere formalities, and to require only substantial compliance to secure all statutory

remedies to persons injured by their breach. *United States Fid. & Guar. Co. v. Davis*, 2 Ga. App. 525, 58 S.E. 777 (1907) (decided under former Civil Code 1895, § 2528).

Grant of letters without bond not void without notice. — In all cases of appointment by ordinary (now judge of probate court) of guardian of a minor — whether the clerk of the superior court or some other proper person — bond should be required; but the grant of letters without taking bond would not be void as against a bona fide purchaser under the guardian, without no-

tice of want of a bond. *Cuyler v. Wayne*, 64 Ga. 78 (1879) (decided under former Code 1873, § 1812).

Commingleing of funds and failure to account is breach. — Deposit of ward's funds to individual account of guardian, and failure to account therefor, is per se a breach of bond. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

Void sale does not amount to breach. — Where sale of realty conducted by guardian is illegal and void, title to property sold does

not pass, and heirs and distributees may assert their title to property so sold, so that there is no such loss to them as would amount to breach of bond of administrator and render surety thereon liable. *Hawes v. Standard Accident Ins. Co.*, 54 Ga. App. 776, 189 S.E. 59 (1936) (decided under former Code 1933, § 49-113).

If the value of the ward's bonded estate decreases, the court may permit a corresponding reduction in the value of the bond, but this reduction does not affect the liability of the surety for prior waste or misconduct of the conservator. (Code 1981, § 29-5-42, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-43. Requirement of additional bond or security.

(a) Whenever it comes to the knowledge of the court, either by annual returns or otherwise that:

(1) Additional personal property has accrued to the ward by descent, gift, or otherwise;

(2) For any other reason the bond or security of the conservator fails to comply with the minimum statutory bond amount set forth in Code Section 29-5-40; or

(3) The bond or security is otherwise insufficient in the judgment of the court,

the court shall give notice to the conservator to appear and give additional bond or security. Notice shall be mailed by first-class mail to the conservator and to the surety on the conservator's bond. If the conservator fails to comply with the notice, the court may revoke the letters of conservatorship in accordance with Code Section 29-5-92.

(b) When it comes to the knowledge of the court that the surety on the conservator's bond has died, become insolvent, or removed from this state or if from other cause the security becomes insufficient, the court may give notice to the conservator to appear and give other and sufficient security. Notice shall be mailed by first-class mail to the conservator and to the surety on the conservator's bond. If the conservator fails to comply with the notice, the court may revoke the letters of conservatorship in accordance with Code Section 29-5-102. (Code 1981, § 29-5-43, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1882, §§ 1814, 1815, former Civil Code 1910, §§ 3049, 3050, and former Code 1933, §§ 49-115 and 49-116 are included in the annotations for this Code section.

Additional bond is discretionary and cumulative. — Additional bond required by former Code 1882, § 1814 (former O.C.G.A. § 29-4-14), upon other property coming in, was discretionary with the ordinary (now judge of probate court) and, if required, would be cumulative and not exclusive as to such assets. *Huson v. Green*, 88 Ga. 722, 16 S.E. 255 (1892) (decided under former Code 1882, § 1814).

Additional bond is cumulative. *Remington v. Hopson*, 137 Ga. 95, 72 S.E. 918 (1911) (decided under former Civil Code 1910, § 3049).

Proceedings for removal are against guardian as individual. — Proceedings to remove guardian and revoke guardian's letters under former Code 1933, §§ 49-232, 49-115, or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) were proceedings against the guardian as an individual, and not against estate or trust the guardian represents; and where the guardian was removed and letters revoked, it is proper that the guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-115).

Removed guardian may appeal to superior

court. — Where guardian is removed and guardian's letters revoked, upon rule issued by ordinary (now judge of probate court) under O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15, after hearing on the ordinary's answer to such rule, the guardian may appeal to the superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-115).

Proceeding under former Code 1933, § 49-116 (former O.C.G.A. § 29-4-15) can be instituted only by court. — See *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-116).

Proceedings for removal are against guardian as individual. — Proceedings to remove guardian and revoke the guardian's letters under former Code 1933, § 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) were proceedings against the guardian as an individual, and not against estate or trust represented; and where the guardian was removed as guardian and letters revoked, it was proper that the guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-116).

Additional bond is cumulative; new sureties become cosureties. — Where additional security was required of guardian by court pursuant to former Code 1933, § 49-116 (former O.C.G.A. § 29-4-15), second bond is cumulative of first, and new sureties become

cosureties with those on first bond. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E. 135 (1941) (decided under former Code 1933, § 49-116).

New sureties become cosureties on first bond for waste. — Where guardian's bond was executed for specific amount, and subsequently one of the sureties died, and, in proceeding under former Civil Code 1910, § 3050 (former O.C.G.A. § 29-4-15), guardian executed second bond with new sureties, the sureties upon such bond were cosureties with those on first bond for any past or future waste. *Remington v. Hopson*, 137 Ga. 95, 72 S.E. 918 (1911) (decided under former Civil Code 1910, § 3050).

Death of only surety will not abate letters of guardianship. — Where guardian has been regularly appointed and has given bond, death of only surety on such bond will not abate letters of guardianship and render any act of guardian thereafter illegal and void. *Prime v. Mapp*, 80 Ga. 137, 5 S.E. 66 (1888) (decided under former Code 1882, § 1815).

Purchaser not affected by failure to require additional security. — If upon death of

surety on guardian's bond, the ordinary (now judge of probate court) fails to require new bond, and guardian continues to act as such and ordinary recognizes appointment and receives the guardian's returns, a purchaser at a guardian's sale will not be affected by failure of ordinary to require additional security of guardian. *Prime v. Mapp*, 80 Ga. 137, 5 S.E. 66 (1888) (decided under former Code 1882, § 1815).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and letters revoked, upon rule issued by ordinary (now judge of probate court) under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15) and after hearing on the ordinary's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-116).

29-5-49. Discharge of surety from obligations under bond; reporting.

(a) The surety on the bond of any conservator or, if the surety is dead, the surety's personal representative, may at any time petition the court regarding any misconduct of the conservator in the discharge of the conservator's trust or to show the court his or her desire for any reason to be relieved as surety. The death of a surety shall be a sufficient ground for the discharge of the surety from future liability.

(b) Upon a petition by the surety or the surety's personal representative, the court shall cite the conservator to appear and show cause, if any, why the surety should not be discharged. After hearing the parties and the evidence, the court, in its discretion, may issue an order discharging the surety from

all future liability and require the conservator to give new and sufficient security or be removed.

(c) If new security is given, the discharged surety shall be discharged only from liability for future misconduct of the conservator from the time the new security is given. The new surety shall be liable for past as well as future misconduct of the conservator.

JUDICIAL DECISIONS

ANALYSIS

GENERAL CONSIDERATION

LIABILITIES OF DISCHARGED AND SECOND SURETY

General Consideration

Editor's notes. — In light of the similarity of the provisions, decisions under Laws 1810, Cobb's 1851 Digest, p. 317, former Code 1873, § 1817, former Code 1882, § 1817, former Civil Code 1895, § 2533, former Civil Code 1910, § 3052, former Code 1933, § 49-233, and former O.C.G.A. § 29-2-52 are included in the annotations for this Code section.

Only surety or representative can institute proceeding. — Proceeding under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52) could be instituted only by surety, or, if surety was dead, by the surety's representative. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App. 686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-233).

Principal and surety cannot by agreement release surety, even with approval of court. *Great Am. Indem. Co. v. Jeffries*, 65 Ga. App.

686, 16 S.E.2d 135 (1941) (decided under former Code 1933, § 49-233).

Guardian must be cited before surety can be discharged. — Surety on a guardian's bond can obtain no discharge without a petition and without having an ordinary (now judge of probate court) to cite guardian to appear and show cause against application. *DuPont v. Mayo*, 56 Ga. 304 (1876) (decided under former Code 1873, § 1817).

Two distinct contingencies whereby surety may seek discharge. — Under former Civil Code 1910, § 3052 (former O.C.G.A. § 29-2-52), surety on guardian's bond could obtain relief in two distinct contingencies; first, in case of misconduct of guardian in discharge of trust; second, when for any other reason, the surety desires to be relieved. *Means v. American Bonding Co.*, 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052). See also National

General Consideration (Cont'd)

Sur. Co. v. Morris, 111 Ga. 307, 36 S.E. 690 (1900).

Preremoval misconduct. — Former O.C.G.A. § 29-2-52 did not require the court, based on the guardian's preremoval misconduct, to grant a surety's petition for relief from its obligations under bonds, and thereby discharge the surety from any liability for the guardian's misconduct. Osborne Bonding & Sur. Co. v. Glaze, 230 Ga. App. 895, 497 S.E.2d 612 (1998) (decided under former O.C.G.A. § 29-2-52).

Acts or omissions pertaining to mismanagement of estate constitute misconduct. — Under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52) all acts, whether of commission or omission, which pertain to mismanagement of estate by guardian or administrator, constituted misconduct and could authorize discharge of surety. Spradley v. St. Paul Fire & Marine Ins. Co., 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

The words, "any misconduct of his principal [guardian] in discharge of his trust," are exhaustive of all acts, whether of commission or omission, which pertain to guardian's mismanagement of estate, or nonperformance of any duties devolving upon him in his office. National Sur. Co. v. Morris, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533); Means v. American Bonding Co., 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052).

Acts of guardian authorized discharge of surety. — See Means v. American Bonding Co., 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052).

Discharge prevents proceedings against continuing guardian's acts prior to discharge. — Outgoing surety cannot by proceedings instituted subsequent to discharge, interfere with guardian who is continued in outgoing surety's office, in discharge of the surety's duties, because of acts of mismanagement and failure to comply with requirements of law relative to the surety's duties which occurred prior to discharge of first surety. Hooks v. Fidelity & Deposit Co., 135 Ga. 396, 69 S.E. 484 (1910) (decided under

former Civil Code 1910, § 3052).

Reasons other than official misconduct for which surety might seek discharge. — A guardian's want of personal integrity, lack of business capacity, extravagant or reckless living, indulgence in vicious or immoral habits, criminality, and scores of other things which might be suggested, would certainly afford good reasons for a desire to be relieved as surety. National Sur. Co. v. Morris, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533); Means v. American Bonding Co., 23 Ga. App. 453, 98 S.E. 399, cert. denied, 23 Ga. App. 813 (1919) (decided under former Civil Code 1910, § 3052).

Surety seeking discharge against continuing guardian is not entitled to accounting. — Surety is not entitled to seek in a petition for discharge an accounting from guardian who, by providing new security, continues in a trust capacity. Spradley v. St. Paul Fire & Marine Ins. Co., 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

Discharged surety not entitled to require payment of ward's funds into court by continuing guardian. Hooks v. Fidelity & Deposit Co., 135 Ga. 396, 69 S.E. 484 (1910) (decided under former Civil Code 1910, § 3052).

Surety need not wait until liable for waste or mismanagement. — Surety not bound to wait until liability for actual waste or mismanagement arises. The surety may reasonably anticipate same and move for relief at that time. National Sur. Co. v. Morris, 111 Ga. 307, 36 S.E. 690 (1900) (decided under former Civil Code 1895, § 2533).

Surety need not show actual loss by guardian's misconduct. — To state a cause of action for discharge under former Code 1933, § 49-233 (former O.C.G.A. § 29-2-52), it was not necessary that surety show actual loss had accrued to estate by reason of official misconduct of the principal, it being sufficient to show that guardian or administrator has refused to comply with the law, thereby raising reasonable apprehension of future loss. Spradley v. St. Paul Fire & Marine Ins. Co., 108 Ga. App. 865, 134 S.E.2d 850 (1964) (decided under former Code 1933, § 49-233).

Liabilities of Discharged and Second Surety

Effect of discharge on liabilities of new and old sureties. — Discharge of sureties upon guardian's bond releases them from all future responsibility. New sureties are bound for all past and future waste. Justices of Inferior Court ex rel. Woods v. Woods, 1 Ga. 84 (1846) (decided under Laws 1810, Cobb's 1851 Digest, p. 317).

Liability is between second surety and

discharged surety. — Second surety's liability for guardian's past defaults is primary as between himself and discharged surety. Title v. Bennett, 94 Ga. 405, 21 S.E. 62 (1894) (decided under former Code 1882, § 1817).

Discharged and new sureties both primarily liable to wards. — Liability of discharged surety and second surety is not joint, but several, both being primarily liable to wards, and as between themselves, the second surety is primarily liable. Sutton v. Williams, 77 Ga. 570, 1 S.E. 175 (1886) (decided under former Code 1882, § 1817).

ARTICLE 6

COMPENSATION OF CONSERVATORS

29-5-50. Determining compensation of conservator; failure to file annual returns results in forfeiture of commission.

(a) Other than an emergency conservator or a temporary substitute conservator, a conservator shall be entitled to compensation for services rendered equal to:

(1) Two and one-half percent commission on all sums of money received by the conservator on account of the estate, except on money loaned by and repaid to the conservator, and 2 1/2 percent commission on all sums paid out by the conservator;

(2) An additional commission equal to one-half of 1 percent computed on the market value of the estate as of the last day of the reporting period. This commission shall be proportionately reduced for any reporting period of less than 12 months;

(3) Ten percent commission on the amount of interest earned if it is earned during the course of the conservatorship. The conservator shall receive interest on money loaned by the conservator in that capacity and shall include the interest on the money loaned on the return to the court so as to become chargeable with the interest as a part of the corpus of the estate;

(4) Reasonable compensation, as determined in the discretion of the court and after such notice, if any, as the court shall direct, for the delivery over of property in kind, not exceeding 3 percent of the appraised value and, in cases where there has been no appraisal, not over

3 percent of the fair value as found by the court, irrespective of whether delivery over in kind is made pursuant to proceedings for that purpose in the court and irrespective of whether the property, except money, is tangible or intangible or personal or real; and

(5) In the discretion of the court, compensation for working land for the benefit of the parties in interest, but not to exceed 10 percent of the annual income of the managed property.

(b) Whenever any portion of the dividends, interest, or rents payable to a conservator is required by law of the United States or other governmental unit to be withheld by the person paying the same for income tax purposes, the amount withheld shall be deemed to have been collected by the conservator.

(c) Where some or all of the estate passes through the hands of several conservators by reason of the death, removal, or resignation of the first qualified conservator or otherwise, the estate shall not be subject to diminution by charges of commission of each successive conservator holding and receiving in the same right but rather commissions for receiving the estate shall be paid to the first conservator who receives the property for the benefit of the estate or that person's representative, and commissions for paying out shall be paid to the conservator who actually distributes the fund. No commissions shall be paid for handing over the fund to a successor conservator. If there is more than one conservator serving simultaneously, the division of the compensation allowed each conservator shall be according to the services rendered by each conservator.

(d) A conservator shall not be entitled to a commission for any sums paid to any conservator of the estate as commissions or other compensation.

(e) Conservators who fail to make annual returns as required by law shall forfeit all commission for transactions during the year within which no return is made unless the court, upon cause shown, shall by special order entered on the record, relieve the conservator from the forfeiture.

(f) A conservator may renounce his or her right to all or any part of the compensation to which the conservator is entitled under this Code section. (Code 1981, § 29-5-50, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-51. Reimbursement for reasonable expenses.

Conservators shall be allowed reasonable expenses incurred in the administration of the estate, including without limitation expenses for travel, employing counsel and other agents, and the expenses and premiums incurred in securing a bond. Such reasonable expenses shall be determined after notice, if any, as the court shall direct. The conservator's commissions are part of the expense of administering the estate and may be

charged against the corpus of the estate as well as the income of the estate. (Code 1981, § 29-5-51, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, and correct the Code, revised punctuation 2005, part of an Act to revise, modernize, in this Code section.

29-5-52. Petition for additional compensation by conservator.

(a) A conservator may petition the court for compensation that is greater than the commissions allowed under Code Section 29-5-50. Service of notice of the petition for extra compensation shall be made to the ward and to a guardian ad litem appointed for the ward. Service shall be made in the manner described in Chapter 9 of this title and shall direct the parties served to file any written objections to the petition for extra compensation with the court within ten days from the date of service.

(b) After hearing any objection filed by or on behalf of the ward, the court shall allow such extra compensation as the court deems reasonable. The allowance of extra compensation shall be conclusive as to all parties in interest. (Code 1981, § 29-5-52, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-53. Compensation from corporation or other business entity.

(a) Any conservator who is a domiciliary of this state may receive compensation for services, as specified in this subsection, from a corporation or other business enterprise where the estate of the ward owns an interest in the corporation or other business enterprise, provided that:

(1) The services furnished by the conservator to the corporation or other business enterprise are of a managerial, executive, or business advisory nature;

(2) The compensation received for the services is reasonable; and

(3) The services are performed and the conservator is paid pursuant to a contract executed by the conservator and the corporation or business enterprise, which contract is approved by a majority of those members of the board of directors or other similar governing authority of the corporation or business enterprise who are not officers or employees of the conservator and who are not related to the conservator and provided the contract is approved by the court of the county which has jurisdiction over the conservatorship.

(b) Any conservator receiving compensation from a corporation or other business enterprise for services to it as described in subsection (a) of this Code section shall not receive extra compensation in respect to such services as provided in Code Section 29-5-52; provided, however, that nothing in this Code section shall prohibit the receipt by the conservator of

extra compensation for services rendered in respect to other assets or matters involving the estate.

(c) Nothing in this Code section shall prohibit the receipt by a conservator of normal commissions and compensation for the usual services performed by a conservator pursuant to law.

(d) The purpose of this Code section is to enable additional compensation to be paid to a conservator for business management and advisory services to corporations and business enterprises pursuant to a contract without the necessity of petitioning for extra compensation pursuant to Code Section 29-5-52. (Code 1981, § 29-5-53, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-54. Application for compensation by emergency or temporary substitute conservator; reduction of compensation to conservator.

An emergency conservator or temporary substitute conservator may apply to the court for reasonable compensation after notice to interested parties in compliance with Chapter 9 of this title. The court shall award reasonable compensation to an emergency conservator or temporary substitute conservator and such compensation shall be the only compensation or commission paid to the emergency conservator or temporary substitute conservator for services performed in that capacity. For good cause, including but not limited to services performed and compensation awarded to an emergency conservator or temporary substitute conservator, the court may reduce the compensation due the conservator under other provisions of this article. (Code 1981, § 29-5-54, enacted by Ga. L. 2004, p. 161, § 1.)

ARTICLE 7

RETURN AND SETTLEMENT OF ACCOUNTS

29-5-60. Verified return required annually; change of reporting period; production of documents; failure to file return.

(a) Each year, within 60 days of the anniversary date of qualification, every conservator shall file with the court a verified return consisting of a statement of the receipts and expenditures of the conservatorship during the year preceding the anniversary date of qualification, an updated inventory consisting of a statement of the assets and liabilities of the estate as of the anniversary date of qualification, an updated plan for managing, expending, and distributing the ward's property, a note or memorandum of any other fact necessary to show the true condition of the estate, and a statement of the current amount of the bond. The conservator shall mail a copy of the return by first-class mail to the surety on the conservator's bond, the ward, and the ward's guardian, if any.

(b) Upon petition of the conservator or upon the court's own motion, the court may change the reporting period from the year immediately preceding the anniversary date of qualification to the year immediately preceding a date ordered by the court. In lieu of changing the reporting date, the court is authorized to accept a return for filing even if the return does not cover the appropriate reporting period; however, such acceptance shall not change the reporting period established by either the anniversary date of qualification or a subsequent order of the court, unless the court also enters an order changing the reporting date.

(c) The court shall carefully examine each return of a conservator and, upon petition of any interested person or upon the court's own motion, may require the conservator to produce the original documents that support the return. Except as otherwise provided in this subsection, if no objection is filed within 30 days of the time the return is filed, the court shall record the return within 60 days of its filing. The return shall be kept on file in the court. The recorded return shall be prima-facie evidence of its correctness. If there is an objection to the return or if the court on its own motion determines that the conservator may have wasted the property of the ward or failed in any manner to comply with applicable law, the court shall hold a hearing or take such other action as the court deems appropriate.

(d) The court shall keep a docket of conservators liable to file returns. Upon the failure of any conservator to file any return by the time frame required by law, the court shall cite the conservator to appear and show reason for the delay. A conservator who fails to file an annual return as required by law shall forfeit all commissions and other compensation for the year within which no return is filed unless otherwise ordered by the court. A willful and continued failure to file a return shall be good cause for removal. (Code 1981, § 29-5-60, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under Ga. L. 1855-56, p. 147, § 1, former Code 1868, § 1807, former Code 1882, § 1816, former Civil Code 1910, § 3051, former Code 1933, §§ 49-231 and 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Guardian failing to make annual return forfeits annual commission. — Under former O.C.G.A. § 29-2-44 and O.C.G.A. § 53-6-146, guardians and administrators

who fail to make annual returns as required by law forfeit their commissions for those years unless the judge of the probate court orders them relieved of this forfeiture. *Fuller v. Moister*, 246 Ga. 397, 271 S.E.2d 622 (1980) (decided under former Code 1933, § 49-231).

Failure entails burden of proving faithful discharge of duties. — Failure of executor or guardian to make returns is an omission of duty, and therefore a breach of trust, and puts upon the executor the burden of proving

ing to satisfaction of court that the executor discharged trust with fidelity. *Wellborn v. Rogers*, 24 Ga. 558 (1858) (decided under Ga. L. 1855-56, p. 147, § 1).

Failure to make returns of interest does not demonstrate fraud. — Failure of guardian to make returns of interest accumulated in guardian's hands is not by itself sufficient to authorize finding of fraud and charging of compound interest. *Royston v. Royston*, 29 Ga. 82 (1859) (decided under Ga. L. 1855-56, p. 147, § 1).

Former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45) was to be liberally construed in favor of incompetent ward. *Aiken v. Mitchell*, 66 Ga. App. 309, 18 S.E.2d 219 (1941) (decided under former Code 1933, § 49-232).

Former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45) was applicable to guardians of incompetent veterans of World War I and other persons of unsound mind. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

"Unfit" is not limited nor is scope of

inquiry. — "Unfit," as used in former Code 1933, § 49-232 (former O.C.G.A. § 29-2-45), was not limited to physical, mental, or moral conditions, and the Code laid down no limitations on scope of inquiry as to fitness and capacity of a guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479 (1937) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

Use of estate funds should accompany petition to revoke guardianship. — One who has been adjudged insane and confined to state mental hospital and who desires to use

funds in estate for purpose of proving that sanity has been restored, should properly proceed by making application to ordinary (now judge of probate court) for revocation of letters of guardianship. 1952-53 Op. Att'y Gen. p. 373 (decided under former Code 1933, § 49-232).

29-5-61. Interim settlement of accounts.

(a) At any time after the six-month period following qualification, but not more frequently than once every 24 months, a conservator may petition the court for an interim settlement of accounts. The court shall appoint a guardian ad litem for the ward upon the filing of the petition for an interim settlement of accounts.

(b) The petition for an interim settlement of accounts shall be accompanied by a report which shall set forth all of the information required by law in annual returns and, in addition thereto, shall show:

(1) The period which the report covers;

(2) The name and address of the ward, the name and address of the ward's guardian, if any, and the name of the surety on the conservator's bond, with the amount of the bond; and

(3) Such other facts as the court may require.

(c) The court, upon the petition for an interim settlement of accounts being filed, shall issue a citation and shall require any objections to be filed in accordance with Chapter 9 of this title. The ward and the guardian ad litem shall be served personally, and the ward's guardian, if any, and the surety of the conservator's bond shall be served by first-class mail. (Code 1981, § 29-5-61, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-62. Objection and hearings on interim settlement issues.

Any interested person may file an objection to the conservator's interim settlement of accounts. Upon receipt of objections or upon the court's own motion, the court shall hold a hearing in which it shall consider all objections, hear evidence, and determine whether the conservator shall be discharged from liability for the period covered by the interim settlement of accounts. (Code 1981, § 29-5-62, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-63. Judgments against conservator and surety.

If the court finds that the conservator is liable to the ward, the court shall enter a judgment against the conservator and any surety in the amount of such liability. (Code 1981, § 29-5-63, enacted by Ga. L. 2004, p. 161, § 1.)

ARTICLE 8**MODIFICATION AND TERMINATION OF CONSERVATORSHIP****29-5-70. Proceedings when allegations that ward denied right or privilege.**

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, the court may conduct a judicial inquiry into

whether the ward is being denied a right or privilege provided for by this chapter and may issue appropriate orders. Except for good cause shown, the court shall order that notice of the inquiry be given, in whatever form the court deems appropriate, to the ward, the conservator, the ward's legal counsel, if any, and the ward's guardian, if any. The court, in its discretion, may appoint legal counsel for the ward or a guardian ad litem, or both.

(b) No petition alleging that the ward is being unjustly denied a right or privilege provided for by this chapter shall be allowed by the court within two years after the denial or dismissal on the merits of a petition alleging that the ward is being unjustly denied substantially the same right or privilege unless the petitioner shows a significant change in the condition or circumstances of the ward. (Code 1981, § 29-5-70, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-71. Modification of conservatorship; contents of petition for modification; burden of proof.

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, the court may modify the conservatorship by adjusting the duties or powers of the conservator, as defined in Code Sections 29-5-14 and 29-5-15, or the powers of the ward, as defined in Code Section 29-5-13, or by making other appropriate adjustments to reflect the extent of the current capacity of the ward or other circumstances of the conservatorship. Except for good cause shown, the court shall order that notice of the petition be given, in whatever form the court deems appropriate, to the ward, the conservator, the ward's legal counsel, if any, and the ward's guardian, if any. In any proceeding under this Code section that would expand or increase the powers of the conservator or further restrict the rights of the ward, the court shall appoint legal counsel for the ward. In all other cases, the court, in its discretion, may appoint legal counsel for the ward or a guardian ad litem, or both.

(b) If the petition for modification alleges a significant change in the capacity of the ward, it must be supported either by the affidavits of two persons who have knowledge of the ward, one of whom may be the petitioner, or of a physician licensed to practice medicine under Chapter 34 of Title 43, psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, setting forth the supporting facts and determinations. If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted, in accordance with the provisions of subsection (d) of Code Section 29-5-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that there has been a significant change in the capacity of the ward, the court shall dismiss the

petition. If the petition is not dismissed, the court shall schedule a hearing, with such notice as the court deems appropriate.

(c) If the petition for modification does not allege a significant change in the capacity of the ward, the court in its discretion may modify the conservatorship upon a showing that the modification is in the ward's best interest; provided, however, that the court may order compliance with any of the provisions of subsection (b) of this Code section prior to granting the petition for modification.

(d) In any proceeding under this Code section that would expand or increase the powers of the conservator or further restrict the powers of the ward, the burden is on the petitioner to show by clear and convincing evidence that the modification is in the ward's best interest. In any proceeding under this Code section that would restrict the powers of the conservator or restore powers to the ward, the burden is on the petitioner to show by a preponderance of the evidence that the modification is in the ward's best interest.

(e) No petition for modification shall be allowed by the court within two years after the denial or dismissal on the merits of a petition for substantially the same modification unless the petitioner shows a significant change in the condition or circumstances of the ward. (Code 1981, § 29-5-71, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Petition premised on former O.C.G.A. § 29-5-9(b) that merely set forth facts concerning the state of the ward's health and finances but did not evidence a significant change in the extent of the ward's incapacity or circumstances since the appointment of the guardian was properly dismissed without conducting an evidentiary hearing. *In re Pitts*, 219 Ga. cation of restoration to competency, as regards claims against former incompetent, 128 ALR 1386.

29-5-72. Termination of conservatorship; required evidence to support; burden of proof; death of ward.

(a) Upon the petition of any interested person, including the ward, or upon the court's own motion, and upon a proper showing that the need for a conservatorship has ended, the court may terminate the conservatorship and restore all personal and property rights to the ward. Except for good cause shown, the court shall order that notice of the petition be given, in whatever form the court deems appropriate, to the ward, the conservator, the ward's legal counsel, and the ward's guardian, if any. The court shall appoint legal counsel for the ward and may, in its discretion, appoint a guardian ad litem.

(b) A petition for termination must be supported either by the affidavits of two persons who have knowledge of the ward, one of whom may be the petitioner, or of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker, setting forth the supporting facts and determinations. If, after reviewing the petition and the affidavits, the court determines that there is no probable cause to believe that the conservatorship should be terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall order that an evaluation be conducted in accordance with the provisions of subsection (d) of Code Section 29-5-11. If, after reviewing the evaluation report, the court finds that there is no probable cause to believe that the conservatorship should be terminated, the court shall dismiss the petition. If the petition is not dismissed, the court shall schedule a hearing with such notice as the court deems appropriate.

(c) In any proceeding under this Code section the burden is on the petitioner to show by a preponderance of the evidence that there is no longer a need for the conservatorship.

(d) No petition for termination of a conservatorship shall be allowed by the court within two years after the denial or dismissal on the merits of a petition for termination of the conservatorship unless the petitioner shows a significant change in the condition or circumstances of the ward.

(e) The death of the ward automatically terminates the conservatorship except for purposes of the final settlement of the petition for letters of discharge, as provided in Code Section 29-5-81.

(f) Upon termination of the conservatorship, the conservator shall deliver any money or property of the ward to the former ward or, if the ward is deceased, to the ward's personal representative.

(g) When a ward for whom the county administrator or county guardian has been previously appointed as conservator dies intestate, the conservator shall proceed to distribute the ward's estate in the same manner as if the

conservator had been appointed administrator of the estate. The sureties on the conservator’s bond shall be responsible for the conservator’s faithful administration and distribution of the estate. (Code 1981, § 29-5-72, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95; Ga. L. 2006, p. 805, § 15/SB 534.)

ARTICLE 9

DISMISSAL OF CONSERVATOR

29-5-80. Petition for dismissal of conservator; final return; notice; order dismissing conservator.

(a) Upon the termination of the conservatorship or the resignation of the conservator, the conservator may petition the court for an order dismissing the conservator from office. The petition shall include a final return to the court which covers the period from the latest annual return filed by the conservator. The final return shall contain the information required for annual returns and shall otherwise comply with the provisions of Code Section 29-5-60. Notice shall be published one time in the newspaper in which sheriff’s advertisements are published in the county in which the petition is filed and shall state that any objection must be made in writing and shall designate the date on or before which objections must be filed in the court, which shall not be less than 30 days from the date of publication. The court shall examine any objections filed.

(b) If no objection is filed or if, upon hearing any objection, the court is satisfied that the order dismissing the conservator from office is appropriate, the court shall enter an order dismissing the conservator from office. Such order shall not bar an action against the conservator or the conservator’s surety. (Code 1981, § 29-5-80, enacted by Ga. L. 2004, p. 161, § 1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2004, “less than 30 days” was substituted for “less then 30 days” in the fourth sentence in subsection (a).

29-5-81. Final settlement; appearance by ward or successor conservator; return of property.

(a) A ward who has been restored to capacity, the personal representative of a deceased ward, a successor conservator, or any interested person may petition the court for an order requiring a conservator or that conservator's personal representative to appear and submit to a final settlement of the conservator's accounts. Alternatively, the court on its own motion may issue such an order. The settlement period shall begin from the commencement of the conservatorship or the end of the period covered by the last interim settlement of accounts. If the conservator fails or refuses to appear as cited, the court may proceed without the appearance of the conservator. If the conservator has been required to give bond, the surety on the bond shall be bound by the settlement if the surety is given notice by first-class mail of the settlement proceeding.

(b) A conservator, a former conservator, the conservator of a conservator, or the personal representative of a deceased conservator shall be allowed to cite the ward, the ward's personal representative, or a successor conservator to appear and be present at a final settlement of the conservator's accounts and discharge from liability in the manner provided in this Code section. The settlement period shall begin with the period of time from the commencement of the conservatorship or the end of the period covered by the last interim settlement of accounts. Notice by first-class mail of the settlement proceeding must be given to the surety on the conservator's bond and to the ward's guardian, if any. If the ward has not been restored to capacity or if the conservator is the ward's personal representative, the court shall appoint a guardian ad litem for the ward who shall be served personally.

(c) Upon the return of a notice referred to in subsections (a) and (b) of this Code section, the court shall proceed to examine all returns and accounts of the conservator during the settlement period and to hear any objection to the settlement and discharge.

(d) The court shall order any property in the hands of the conservator to be delivered to the ward, the ward's personal representative, or to the successor conservator and shall issue a judgment, writ of fieri facias, and execution thereon for any sums found to be due from the conservator. If the court is satisfied that the conservator has faithfully and honestly discharged the office, an order shall be entered releasing and discharging the conservator from all liability. (Code 1981, § 29-5-81, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60; § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised language in subsection (c).

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Code 1863, § 1790, former Code 1873, § 1839, former Code 1882, § 1839, and former Code 1933, § 49-301, are included in the annotations for this Code section.

Constitutionality. — *Davis v. Harper*, 54 Ga. 180 (1875) (decided under former Code 1873, § 1839).

Ward seeking accounting must apply to probate court. — Where duly qualified guardian had not filed for approval any annual returns, ward should have applied to ordinary (now judge of probate court), instead of superior court, for accounting which ward was seeking. *Moon v. Moon*, 215 Ga. 110, 109 S.E.2d 39 (1959) (decided under former Code 1933, § 49-301).

Of age ward can cite former guardian for settlement. — Upon arriving at age, ward can cite former guardian, to appear before ordinary (now judge of probate court) for settlement of the guardian's accounts, whether the guardian was, in fact, guardian at the time of such citation and hearing or not. *Hood v. Perry*, 73 Ga. 319 (1884) (decided under former Code 1882, § 1839).

Relationship of guardian and ward does not terminate for settlement purposes when ward reaches majority. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

When ward reaches majority, relationship of guardian and ward continues only for purposes of settlement. *Donehoo v. Commercial Bank & Trust Co.*, 124 Ga. App. 588, 184 S.E.2d 690 (1971) (decided under former Code 1933, § 49-301).

Ward is not barred by statute of limitations in seeking accounting and settlement with guardian. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

Approval not conclusive when given when ward was minor. — Approval of returns by

probate court when ward was an infant is not conclusive against ward. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

Application to executor of deceased guardian. — See *Cunningham v. Schley*, 34 Ga. 395 (1866) (decided under former Code 1863, § 1790).

Citation for settlement of non-resident guardian. — A guardian who has obtained letters of guardianship in one county but lives in another county becomes a quasi officer of the appointing court and may be cited by ordinary (now judge of probate court) of that county. *Usry v. Usry*, 82 Ga. 198, 8 S.E. 60 (1888) (decided under former Code 1882, § 1839).

Citation of non-resident guardian when not subject to court's jurisdiction. — An ordinary (now judge of probate court) does not have jurisdiction to cite for settlement a guardian who was not appointed by the judge and who had never, in any way, been subject to jurisdiction of such judge and acknowledgment of service of citation was no waiver of jurisdiction where guardian did not appear or plead to the citation. *Jackson v. Hitchcock*, 48 Ga. 491 (1873) (decided under former Code 1873, § 1839).

Pleading which attacks approved returns of guardian must be specific. *Pettigrew v. Williams*, 65 Ga. App. 576, 16 S.E.2d 120 (1941) (decided under former Code 1933, § 49-301).

REMOVAL OF CONSERVATOR FOR OTHER REASONS

29-5-90. Resignation of conservator; requirement of petition; alternative conservator; notice to interested individuals; order of appointment of successor conservator.

(a) A conservator or the duly authorized guardian, conservator, or attorney in fact of a conservator, acting on behalf of the conservator, may resign upon petition to the court showing to the satisfaction of the court that:

(1) The conservator is unable to continue serving due to age, illness, infirmity, or other good cause;

(2) Greater burdens have devolved upon the office of conservator than those that were originally contemplated or should have been contemplated when the conservator was qualified and the additional burdens work a hardship upon the conservator;

(3) Disagreement exists between the ward and the conservator or between the guardian and the conservator in respect of the conservator's management of the ward's property, which disagreement and conflict appear to be detrimental to the ward;

(4) The resignation of the conservator will result in or permit substantial financial benefit to the ward; or

(5) The resignation would not be disadvantageous to the ward.

(b) The petition for resignation shall include the name of a suitable person who is willing to accept the conservatorship.

(c) The court shall appoint legal counsel for the ward and personal service of the petition for resignation shall be made upon the ward and the ward's legal counsel. Service shall be made by first-class mail to the guardian of the ward, if any, the surety on the conservator's bond, and to the following persons whose whereabouts are known and who must be persons other than the resigning conservator or the proposed successor conservator:

(1) The spouse of the ward; and

(2) All adult children of the ward; or

(3) If there is no adult child, then at least two adults in the following order of priority:

(A) Lineal descendants of the ward;

(B) Parents and siblings of the ward; and

(C) Friends of the ward.

(d) If, after such hearing as the court deems appropriate, the court is satisfied that the petition for the resignation of the conservator and the appointment of the successor conservator should be granted, the court shall enter an order appointing the successor conservator in accordance with the provisions of Code Section 29-5-101 and shall accept the resignation, subject to the resigning conservator turning over to the successor conservator all property of the ward held by the conservator. (Code 1981, § 29-5-90, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised language in subsection (d).

29-5-91. Death of conservator; notice to interested individuals; order appointing successor conservator.

(a) In the event of the death of a conservator and upon the petition of an interested person or upon the court’s own motion, the court shall appoint a successor conservator. The court shall appoint legal counsel for the ward and personal service of the petition shall be made upon the ward and the ward’s legal counsel. Notice shall be given by first-class mail to the guardian of the ward, if any, the surety on the conservator’s bond, the personal representative of the deceased conservator, if any, and to the following persons whose whereabouts are known and who must be persons other than the proposed successor conservator:

29-5-92. Conservator required to answer charges; authority of court; effect on other proceedings.

(a) Upon the petition of any interested person or whenever it appears to the court that good cause may exist to revoke or suspend the letters of conservatorship or to impose sanctions, the court shall cite the conservator to answer the charge. The court shall investigate the allegations and may require such accounting as the court deems appropriate. The court may appoint a temporary substitute conservator to take possession of and administer the ward's property during the investigation.

(b) Upon investigation, the court may, in its discretion:

- (1) Revoke or suspend the letters of conservatorship;
- (2) Require additional security;
- (3) Require the conservator to appear and submit to a settlement of accounts following the procedure set forth in Code Section 29-5-81, whether or not the conservator has first resigned or been removed and whether or not a successor conservator has been appointed;
- (4) Reduce or deny compensation to the conservator or impose any other sanction or sanctions as the court deems appropriate; and
- (5) Issue such other orders as in the court's judgment are appropriate under the circumstances of the case.

(c) The revocation or suspension of letters of conservatorship shall not abate any action pending for or against the conservator. The successor conservator shall be made a party to the action in the manner provided in Code Section 9-11-25. (Code 1981, § 29-5-92, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Consent to consideration of grounds for revocation. — Guardian of the property testified that the guardian was in court to explain to the court what the documentation in the court file showed had occurred, to explain further with some facts that were not in the file, and to respond to the answer of the guardian ad litem; the guardian testified about the grounds for the guardian's revocation, later considered by the court in its revocation order, and it followed that the guardian expressly or by implication consented to the consideration of those grounds in the order revoking the guardian's letters. *In re Longino*, 281 Ga. App. 599, 636 S.E.2d 683 (2006), cert. denied, 2007 Ga. LEXIS 92 (Ga. 2007).

Revocation proper. — Revocation of a guardian of the property's letters of guardianship under former O.C.G.A. §§ 29-2-45(a) and 29-5-9(a)(1), now codified at O.C.G.A. § 29-5-92, was proper as the guardian was issued a citation notifying the

guardian that the guardian might not be acting in the ward's best interest, the citation gave the guardian sufficient notice to enable the guardian to answer the charges, and the guardian testified that the guardian was going to respond to a guardian ad litem's report; there was evidence that: (1) the 90-year-old ward had over \$2,000,000 in assets, but was not getting the care the ward needed as the assets were frozen in litigation over the guardian's efforts to void or move a trust; (2) there was evidence that the guardian used or intended to use the guardian's position to place the guardian as the sole trustee; and (3) the guardian had informed the probate court that the guardian did not consider the guardian's brother to be trustworthy, yet the guardian proposed that the brother be appointed as the guardian of the property. *In re Longino*, 281 Ga. App. 599, 636 S.E.2d 683 (2006), cert. denied, 2007 Ga. LEXIS 92 (Ga. 2007).

29-5-93. Cause of action for breach of fiduciary duty.

(a) If a conservator commits a breach of fiduciary duty or threatens to commit a breach of fiduciary duty, a ward or an interested person on behalf of the ward shall have a cause of action as appropriate:

- (1) To recover damages;
- (2) To compel performance of the conservator's duties;
- (3) To enjoin the commission of a breach of fiduciary duty; or

(4) To compel the redress of a breach of fiduciary duty by payment of money or otherwise.

(b) When the ward's assets are misapplied and can be traced into the hands of persons who have notice of the misapplication, a trust shall attach to the assets.

(c) The provision of remedies for breach of fiduciary duty by this Code section does not prevent resort to any other appropriate remedy provided

by statute or common law. (Code 1981, § 29-5-93, enacted by Ga. L. 2004, p. 161, § 1.)

JUDICIAL DECISIONS

Editor's notes. — In light of the similarity of the provisions, decisions under former Civil Code 1910, § 3051, former Code 1933, § 49-232, and former O.C.G.A. § 29-2-45 are included in the annotations for this Code section.

Religious belief of guardian does not render guardian unfit to discharge guardianship. *Maxey v. Bell*, 41 Ga. 183 (1870) (decided under former Civil Code 1910, § 3051).

Suit against guardian for waste permitted if regarding revocation of guardianship. — Suit by next friend in behalf of ward for waste committed by guardian, or recovery of money in guardian's hands, can be brought only in connection with a proceeding to remove guardian and revoke guardian's letters. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Proceedings are against guardian as an individual, not against estate. — Proceedings to remove guardian and revoke guardian's letters, under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), were proceedings against guardian as an individual, and not against the estate or trust guardian represents; and where guardian was removed as guardian and guardian's letters revoked, it was proper that guardian appeal therefrom as an individual. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

On question of removal, interest of ward governs, rather than that of guardian. *Morse v. Caldwell*, 55 Ga. App. 804, 191 S.E. 479 (1937) (decided under former Code 1933, § 49-232).

Burden of proof rests upon party attacking guardian's conduct. *Dillon v. Sills*, 54 Ga. App. 299, 187 S.E. 725 (1936) (decided under former Code 1933, § 49-232).

Guardian who has been removed may appeal to superior court. — Where guardian was removed and guardian's letters revoked, upon rule issued by the ordinary (now judge of probate court), under former Code 1933, §§ 49-232, 49-115 or 49-116 (former O.C.G.A. §§ 29-2-45, 29-4-14, or 29-4-15), after hearing on guardian's answer to such rule, guardian may appeal to superior court. *Bruce v. Dunn*, 52 Ga. App. 758, 184 S.E. 361 (1936) (decided under former Code 1933, § 49-232).

Revocation of letters of guardianship. — Where court of ordinary (now probate court) rendered decision revoking letters of guardianship, an appeal will lie from such decision to superior court, though no issue of fact be involved. *Teasley v. Vickery*, 133 Ga. 721, 66 S.E. 918 (1910) (decided under former Civil Code 1910, § 3051).

For jurisdiction over removal proceedings where guardian and ward have moved from county of original appointment, see *Fouts v. Flythe*, 54 Ga. App. 108, 187 S.E. 160 (1936) (decided under former Code 1933, § 49-232).

Guardian's failure to file annual returns was evidence that the guardian's fiduciary duties were breached and such evidence supported removal. *Gary v. Weiner*, 233 Ga. App. 284, 503 S.E.2d 898 (1998) (decided under former O.C.G.A. § 29-2-45).

Cited in *Jennings v. Longino*, 49 Ga. App. 494, 176 S.E. 94 (1934); *Mitchell v. Mitchell*, 201 Ga. 621, 40 S.E.2d 738 (1946).

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former Code 1933, § 49-232 are included in the annotations for this Code section.

Use of estate funds should accompany petition to revoke guardianship. — One who

has been adjudged insane and confined to state mental hospital and who desires to use funds in estate for purpose of proving that sanity has been restored, should properly proceed by making application to ordinary (now judge of probate court) for revocation

of letters of guardianship. 1952-53 Op. Att'y Gen. p. 373 (decided under former Code 1933, § 49-232).

ARTICLE 11

TEMPORARY SUBSTITUTE CONSERVATOR

29-5-100. Appointment of temporary substitute conservator; period of service; powers and authority; notice; removal.

(a) Upon its own motion or upon the petition of any interested party, including the ward, the court may appoint a temporary substitute conservator for a ward if it appears to the court that the best interest of the ward requires immediate action.

(b) The temporary substitute conservator shall be appointed for a specified period not to exceed 120 days.

(c) The court shall appoint as temporary substitute conservator the county guardian or some other appropriate person who shall serve the best interest of the ward.

(d) Except as otherwise ordered by the court, a temporary substitute conservator has the powers set forth in the order of appointment. The authority of the previously appointed conservator is suspended for as long as the temporary substitute conservator has authority.

(e) Notice of the appointment of a temporary substitute conservator shall be served personally on the ward. Notice of the appointment shall be served personally on the previously appointed conservator at the last address provided by that conservator to the court. Notice of the appointment shall be mailed by first-class mail to the surety of the previously appointed conservator and to the ward's guardian, if any.

(f) The court may remove the temporary substitute conservator at any time. A temporary substitute conservator shall make any report and shall give any bond the court deems appropriate. In all other respects, the provisions of this chapter apply to the temporary substitute conservator. (Code 1981, § 29-5-100, enacted by Ga. L. 2004, p. 161, § 1.)

29-5-101. Appointment of successor conservators; appointment of legal counsel; notice to interested individuals; order appointing successor conservator.

(a) The court shall appoint a successor conservator upon the resignation, death, or revocation of the letters of the conservator if the appointment of a successor conservator is in the best interest of the ward. The court shall select the successor conservator in the manner provided in Code Section 29-5-3.

(b) The court shall appoint legal counsel for the ward. In the event of the resignation or death of the conservator, notice of the proceeding for appointment of a successor conservator shall be given as provided in Code Sections 29-5-90 and 29-5-91. In all other cases, notice of the proceeding for appointment of a successor conservator shall be served personally on the ward and the ward's legal counsel. Notice shall be made by first-class mail to the guardian of the ward, if any, and to the following persons whose whereabouts are known and who must be persons other than the proposed successor conservator:

- (1) The spouse of the ward; and
- (2) All adult children of the ward; or
- (3) If there is no adult child, then at least two adults in the following order of priority:
 - (A) Lineal descendants of the ward;
 - (B) Parents and siblings of the ward; and
 - (C) Friends of the ward.

(c) After such hearing as the court deems appropriate, the court shall enter an order appointing the successor conservator and requiring that bond be posted in the amount set out in Code Section 29-5-40. (Code 1981, § 29-5-101, enacted by Ga. L. 2004, p. 161, § 1.)

Debts due to guardian individually cannot be left to successor. — Guardian cannot discharge trust by turning over to successor debts due to the guardian individually from successor. Such is the rule, though successor be solvent at time, if, owing to the successor's

subsequent insolvency, the ward is injured by settlement. Manning v. Manning, 61 Ga. 137 (1878) (decided under former Code 1873, § 1848); Maynard v. Cleveland, 76 Ga. 52 (1885) (decided under former Code 1882, § 1848).

APPELLATE PROCEEDINGS

29-5-110. Proceedings for appeal; appointment of guardians ad litem; bond and security prior to removal; liability of surety of predecessor conservator; jurisdiction.

(a) Except as provided in Article 6 of Chapter 9 of Title 15, the ward, individually or by the ward's legal counsel, representative, or guardian ad litem, or the petitioner may appeal any final order of the court to the superior court in the county in which the proceedings were held. The appeal shall be in the same manner as other appeals from the probate court to the superior court but shall be heard as expeditiously as possible. The appeal shall be de novo unless by agreement the parties specifically limit the issues. The ward shall retain the right to counsel or to have counsel appointed; provided, however, that if counsel was appointed by the probate court, the appointment shall continue on appeal to the superior court. The burden of proof shall be upon the petitioner and the standard used by the court in reaching its decision shall be clear and convincing evidence.

(b) All rights of appeal from the superior court shall be as provided by law.

(c) The filing of an appeal to the superior court from the judgment of the probate court shall act as a supersedeas.

(d) Pending any appeal, the superior court or a probate court that is described in paragraph (2) of Code Section 15-9-120 may appoint an emergency conservator with powers and duties as are described in Code Section 29-5-16; provided, however, that such emergency conservator may be appointed only upon the filing of an affidavit of a physician licensed to practice medicine under Chapter 34 of Title 43, a psychologist licensed to practice under Chapter 39 of Title 43, or a licensed clinical social worker setting forth the existence of the emergency circumstances described in subsection (d) of Code Section 29-5-14 and after a hearing at which other evidence may be presented. The appointment of an emergency conservator is not appealable. (Code 1981, § 29-5-110, enacted by Ga. L. 2004, p. 161, § 1.)

OPINIONS OF THE ATTORNEY GENERAL

Editor's notes. — In light of the similarity of the provisions, opinions under former O.C.G.A. § 29-5-11 are included in the annotations for this Code section.

Authority to appoint emergency guardian pending appeal. — Under O.C.G.A. § 29-5-11(d), the probate courts which are authorized to hold jury trials under Ga. L. 1986, p. 982, will not be authorized to appoint an emergency guardian pending ap-

peal. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-11).

Payment of costs upon appeal of emergency orders. — An appeal from those emergency guardianship orders which can be considered "final orders" will act as supersedeas upon payment of the costs by the appellant. 1986 Op. Att'y Gen. No. U86-18 (decided under former O.C.G.A. § 29-5-11).

FOREIGN CONSERVATORS

PART 1

REMOVAL OF CONSERVATORS

29-5-120. Petition for removal; prerequisites.

(a) A conservator may petition to remove the conservatorship to the jurisdiction of the court of the county in this state in which the ward resides.

(b) Upon the filing of a petition to remove the conservatorship to another county in this state, the court shall appoint a guardian ad litem for the ward. The court of the county in which the conservator was appointed shall grant the petition for removal only if the court determines that the removal is in the best interest of the ward.

(c) Before the removal of the conservatorship to another county in this state, the conservator must give bond and good security to the court of such county as if the conservator had been first appointed by that court, and a certificate to this effect shall be filed in the court in which the conservator was appointed. The conservator shall file with the court of the county to which the conservatorship is to be removed certified copies of all the records pertaining to the conservatorship.

(d) Following removal of a conservatorship to another county in this state, the court to which the conservatorship is removed shall have the same jurisdiction over the conservator as if the conservator had been first appointed in that county, and every case growing out of or affecting the conservatorship shall be heard and tried only in the county to which the conservatorship has been removed.

(e) The sureties on the conservator's first bond shall be liable only for misconduct of the conservator up until the giving of new bond and security. The sureties on the new bond shall be liable for both past and future misconduct of the conservator.

(f) The court in which an action or proceeding is pending or which has issued an order for a settlement of accounts, removal, or sanction of a conservator shall retain jurisdiction of such matters even though the conservatorship has been removed to another county. (Code 1981, § 29-5-120, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95.)

the person or property made pursuant to former Title 29 shall continue in effect and shall thereafter be governed by the provisions of this Act."

29-7-1. Definitions.

As used in this chapter, the term:

- (1) "Benefits" means all moneys paid or payable by the United States through the United States Department of Veterans Affairs.
- (2) "Department" means the United States Department of Veterans Affairs, its predecessors, or its successors.
- (3) "Estate" means income on hand and assets acquired partially or wholly with income.
- (4) "Income" means moneys received from the United States Department of Veterans Affairs and revenue or profit from any property wholly or partially acquired therewith.
- (5) "Person" means an individual, a partnership, a corporation, or an association.

(6) “Secretary” means the secretary of veterans affairs of the United States Department of Veterans Affairs or the secretary’s successor.

(7) “VA guardian” means a person appointed pursuant to the provisions of this chapter.

(8) “Ward” means a beneficiary of the United States Department of Veterans Affairs. (Code 1981, § 29-7-1, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-2. Involvement of secretary in proceedings for appointment or discharge of VA guardian; jurisdiction; notification to United States Department of Veterans Affairs.

(a) The secretary shall be a party in interest in any proceedings for the appointment or discharge of a VA guardian and in any proceedings involving the administration of the estate of the ward. Written notice of the time and place for hearing on any petition or pleading or in connection with any proceeding pertaining to a VA guardianship pursuant to this chapter shall be given by certified mail or statutory overnight delivery to the office of the department having jurisdiction over the area in which the ward resides. The notice shall include a copy of the petition or other pleadings and shall be given so as to arrive in due course of mailing not less than 15 days before the date of a hearing or other proceedings, unless otherwise provided in this chapter.

(b) In any proceeding involving a guardianship or conservatorship established pursuant to any other chapter of this title, the office of the department having jurisdiction over the area in which the ward resides may, by giving written notice to the court having jurisdiction over such proceedings and to the guardian or conservator or proposed guardian or conservator, become a party in interest as to the guardianship or conservatorship or proposed guardianship or conservatorship and shall thereafter be entitled to notice as if a guardianship or conservatorship was originally established under this chapter.

(c) The court shall mail to the department office a copy of each order entered in any VA guardianship or other guardianship or conservatorship proceeding wherein the secretary is an interested party. (Code 1981, § 29-7-2, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-3. Requirement of secretary that guardian be appointed.

Whenever, pursuant to any law of the United States or regulation of the department, the secretary requires, prior to payment of benefits, that a VA guardian be appointed for a ward, the appointment shall be made in the manner provided in this chapter. (Code 1981, § 29-7-3, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-4. Prima-facie evidence of necessity for appointment of VA guardian.

Where a petition is filed for the appointment of a VA guardian for a mentally incompetent ward, a certificate of the secretary or the secretary's duly authorized representative stating that such individual has been rated incompetent by the department on examination in accordance with the laws and regulations governing the department and that the appointment of a VA guardian is a condition precedent to the payment of any moneys due such ward by the department shall be prima-facie evidence of the necessity for the appointment of a VA guardian. The courts are authorized to appoint a VA guardian for an incompetent ward entitled to any benefits which may be payable to a ward by the department. (Code 1981, § 29-7-4, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-5. Appointment of VA guardians for minors.

Where a petition is filed for the appointment of a VA guardian for a minor, a certificate of the secretary or the secretary's authorized representative setting forth the age of the minor as shown by the records of the department and the fact that the appointment of a VA guardian is a condition precedent to the payment of any moneys due the minor by the department shall be prima-facie evidence of the necessity for the appointment of a VA guardian. (Code 1981, § 29-7-5, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-6. Notice.

Upon a petition for the appointment of a VA guardian, notice shall be given to the department office having jurisdiction over the area in which the ward resides, to the proposed ward, and to two adult relatives of the proposed ward by certified mail or statutory overnight delivery by the court. If two adult relatives of the proposed ward cannot be located, notice to one adult relative shall be sufficient. If no adult relative can be located, the court shall give notice of the petition in the newspaper in which legal advertisements of the county in which the ward resides are published once a week for two weeks. After notice has been given or published, the letters of guardianship may, in the discretion of the court, be granted to the petitioner or to some other suitable person. If all parties entitled to notice waive further notice and consent to the notice instanter, the court may, in its discretion, grant letters of guardianship instanter to the petitioner. (Code 1981, § 29-7-6, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-7. Petitioning for appointment of VA guardian; requirements of petitions; preferences for appointment.

(a) A petition for the appointment of a VA guardian may be filed in the court having jurisdiction by or on behalf of the department or any person designated by the secretary or the secretary's representative.

(b) The petition shall set forth:

- (1) The name, age, and place of residence of the ward;
- (2) The names and places of residence of the nearest two adult relatives, if known;
- (3) The fact that the ward is entitled to receive moneys payable by or through the department;
- (4) The amount of money then due and the amount of probable future payments;
- (5) The name and address of the person or institution, if any, having actual custody of the ward;
- (6) In the case of a mentally incompetent ward, that the ward has been rated incompetent on examination by the department in accordance with the laws and regulations governing the department; and
- (7) The name and address of the person or institution sought to be appointed as VA guardian of the ward and the relationship, if any, of the proposed VA guardian to the ward.

(c) Preferences for appointment of a VA guardian shall be as provided in Code Section 29-5-3. (Code 1981, § 29-7-7, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-8. Qualifications of VA guardian.

Before making an appointment under this chapter, the court hearing the petition shall be satisfied that the VA guardian whose appointment is sought is a fit and proper person to be appointed. The nomination of a person by the department shall be prima-facie evidence of the person's fitness. A qualified individual shall ordinarily be preferred for appointment as VA guardian, but the court may, in the court's discretion, appoint any qualified person as VA guardian. (Code 1981, § 29-7-8, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-9. Individuals or entities eligible to serve as VA guardians; discharge or guardian; requirements pending discharge.

(a) The following persons and entities may serve as VA guardians subject to the restrictions listed:

- (1) An individual deemed fit and proper by the court may be a VA guardian of that individual's children, parents, and grandparents without limitation;
- (2) A bank or trust company doing business in this state may serve as a VA guardian under this chapter for an unlimited number of beneficiaries;

(3) A person appointed while serving as county guardian in any county in this state may serve as a VA guardian under this chapter for an unlimited number of beneficiaries; or

(4) Any other person, provided that any person who is currently serving as the VA guardian for ten or more wards must so state in that person's petition to be appointed as the VA guardian for additional wards, and provided, further, the department shall have the right to direct the court in writing to deny the petition.

(b) Upon presentation of a petition by the department alleging that the VA guardian is acting in a fiduciary capacity in violation of this Code section and requesting the discharge of that VA guardian, the court upon proof substantiating the petition shall:

(1) Require a final accounting immediately from a sufficient number of VA guardianships, in reverse chronological order, to bring the VA guardian within compliance of this Code section;

(2) Require final settlements of accounts immediately on the VA guardianships described in paragraph (1) of this subsection; and

(3) Discharge the VA guardian in cases as the court deems proper. (Code 1981, § 29-7-9, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-10. Bond requirements; discharge of surety on bond.

(a) A bank or trust company doing business in this state shall not be required to file a bond for any VA guardianship unless required by the department.

(b) Any other person serving as a VA guardian shall execute and file a bond, to be approved by the court, in an amount not less than the sum of the value of the estate, other than real property, at the time of the last accounting and funds estimated to become payable during the ensuing year, which bond shall be a security bond made by a solvent and acceptable surety company in the form required for bonds of guardians or conservators appointed under the general guardianship or conservatorship laws and shall be conditioned as are such bonds. After each annual accounting, the court shall review the amount of the bond and shall order such increase or decrease as shall be warranted by the accounting. No reduction in the bond amount shall affect the liability of the surety for past waste or misconduct of the VA guardian.

(c) A surety on a bond posted pursuant to this Code section shall not be relieved from liability merely because of the expiration of the term of the bond but shall be subject to provisions of law for discharge of a surety applicable to other bonds. (Code 1981, § 29-7-10, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-11. Investment of surplus funds.

Every VA guardian shall invest the surplus funds of the ward's estate in such securities or property as authorized under the laws of this state but only upon prior order of the court; except that the funds may be invested, without prior court authorization, in direct unconditional interest-bearing obligations of this state or of the United States or in obligations the interest and principal of which are unconditionally guaranteed by the United States. A signed duplicate or certified copy of the petition for authority to invest surplus funds shall be furnished the proper area office of the department, and notice of hearing on the petition shall be given said office in the case of a VA guardian's account. (Code 1981, § 29-7-11, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-12. Expenditure of ward's estate; insurance; title to new property.

(a) A VA guardian shall not apply any portion of the estate of the ward for the support, maintenance, or education of any person other than the ward, the ward's spouse, and the children of the ward who are legally dependent on the ward, except upon order of the court after a hearing, notice of which has been given by certified mail or statutory overnight delivery to the department not less than 30 days prior to a hearing on the petition, unless the department consents in writing to the petition, in which case no hearing need be had.

(b) No VA guardian shall name himself or herself as beneficiary of any insurance policy which insures the life of the ward. As to any insurance policy that is purchased after establishment of the VA guardianship where premiums are or have been paid from benefits, the VA guardian shall ensure that the beneficiary named is the estate of the ward.

(c) All property of a ward having a VA guardian which is purchased with benefits shall be titled in the name of the current VA guardian or any successor VA guardian for (name of ward), a beneficiary of the department, further indicating the fact of VA guardianship and the name of the beneficiary on any documents of title. Any such assets which should be prudently insured shall be insured with a policy of insurance denominated in the same manner. (Code 1981, § 29-7-12, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-13. Annual accounting requirements.

Every VA guardian shall file with the court annually, in the same manner as provided under the general law for conservators, a full, true, and accurate accounting, on oath, of all moneys received by the VA guardian and disbursements of all moneys, showing the balance in the VA guardian's hands at the date of the accounting and how it is invested. The VA guardian

shall list in each accounting all the investments of the ward's funds, showing the amount of each investment, the date made, the interest rate, the date of maturity, the dates and amounts of any liquidations, and the dates and amounts of interest payments. A certified copy of each of accounting filed with the court shall be sent by the court within ten days after the accounting is filed to the office of the department having jurisdiction over the area in which the court is located. Each accounting shall include a computation of commissions allowed and taken during the period covered by the accounting. No accounting shall be allowed or admitted to record for a period of 60 days following the date of filing the accounting. (Code 1981, § 29-7-13, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-14. Failure to file an annual accounting.

If any VA guardian fails to file the accounting required by Code Section 29-7-13, the failure shall be grounds for removal. If any VA guardian fails to file any accounting within 30 days after demand is made by the court to do so, the court shall notify the surety for the VA guardian of the failure by certified mail or statutory overnight delivery. Thereafter, on motion of any interested party, including the surety, or on its own motion, the court may enter an order removing the VA guardian without further notice or hearing. Every VA guardian who fails or refuses to file the accounting by the due date shall receive no commission or compensation for any service during that year unless by special order of the court the VA guardian is exonerated from all fault. (Code 1981, § 29-7-14, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-15. Compensation for guardian; reimbursement for premium on bond.

(a) As compensation for service, a VA guardian shall earn a commission of 5 percent on all income of the ward coming into the VA guardian's hands during any months while the VA guardian serves. If the ward receives at least \$350.00 per month, the minimum fee shall be \$35.00 per month.

(b) In the event the ward's monthly service connected disability compensation payment from the department is discontinued or suspended, the VA guardian, subject to court approval which shall be given unless it appears to the court that the estate is unfairly prejudiced or the payment would be a manifest injustice, shall be entitled to 5 percent additional commission on all sums paid out by the VA guardian from the time the disability compensation payment is discontinued or suspended until the time the disability compensation payment is resumed.

(c) In the event that extraordinary services are rendered by the VA guardian, the court, upon petition and after hearing thereon, may authorize additional compensation payable from the estate of the ward. Notice of the petition and hearing shall be given by certified mail or statutory

overnight delivery to the department office having jurisdiction over the area in which the ward resides not less than 30 days prior to the hearing on the petition. No compensation shall be allowed on the corpus of an estate received from a previous VA guardian.

(d) A VA guardian shall be allowed to pay from the ward's estate reasonable premiums for any corporate surety on the VA guardian's bond. (Code 1981, § 29-7-15, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 18/SB 534.)

The 2006 amendment, effective July 1, month" for "less than \$350.00 per month" 2006, substituted "at least \$350.00 per in the last sentence of subsection (a).

29-7-16. Discharge of VA guardian; role of county guardian.

(a) A VA guardian, upon filing a petition and making satisfactory accounting, shall be discharged when the ward dies, reaches the age of majority, or is declared competent by the department or the court.

(b) A county guardian who ceases to serve as county guardian continues to serve as a VA guardian at the pleasure of the court for which the VA guardian formerly served as county guardian. The court may at any time require the VA guardian's final accounting and discharge as to any or all VA guardianships which the VA guardian accepted as county guardian, whereupon the court shall appoint as successor VA guardian the new county guardian or other person as shall be requested by the department. A former county guardian may file a petition with the court, a copy of which shall be served by certified mail or statutory overnight delivery upon the area office of the department, together with the VA guardian's final accounting, as to any or all VA guardianships; whereupon the court shall appoint as the VA guardian's successor the new county guardian or other person as shall be designated by the department. (Code 1981, § 29-7-16, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-17. Application of other laws; right to appeal.

Except where inconsistent with this chapter, the general guardianship and conservatorship laws of this state and the laws establishing the practice in such matters, including the rights of appeal, shall be applicable to wards and their estates governed by this chapter. (Code 1981, § 29-7-17, enacted by Ga. L. 2004, p. 161, § 1.)

29-7-18. Construction.

This chapter shall be construed liberally to secure the beneficial intents and purposes thereof and shall apply only to beneficiaries of the department who are entitled to benefits from the department. (Code 1981, § 29-7-18, enacted by Ga. L. 2004, p. 161, § 1.)

29-8-1. County administrators as ex officio county guardians.

County administrators as provided for in Article 5 of Chapter 6 of Title 53 of the Revised Probate Code of 1998 are ex officio county guardians and shall serve as guardians or conservators in all cases where appointed by the court. (Code 1981, § 29-8-1, enacted by Ga. L. 2004, p. 161, § 1.)

29-8-2. Bond requirements.

In addition to the bond required in Code Section 53-6-41 of the Revised Probate Code of 1998, county guardians shall give another bond with good security, to be judged by the court, in the sum of \$5,000.00. The bond shall be payable to the court for the benefit of all concerned. It shall be attested by the judge or clerk of the court and shall be conditioned upon the faithful discharge of the county guardian’s duty as such, as required by law. Actions on the bond may be brought by any person aggrieved by the misconduct of the county guardian, as provided by law for actions on the bonds of other guardians. (Code 1981, § 29-8-2, enacted by Ga. L. 2004, p. 161, § 1.)

29-8-3. Letters of guardianship or conservatorship; liability and rights of county guardian.

The court shall grant to the county guardian separate letters of guardianship or conservatorship upon each appointment. The county guardian

29-8-4. Additional security on bond.

(a) If in the opinion of the court it shall become necessary for the good of any conservatorship placed or about to be placed in the hands of the county guardian for the county guardian to give additional security on the bond or to give additional bond with security, the court shall have the authority to fix the amount of the bond and shall cite the county guardian to appear and show cause, if any, why the additional bond or additional security should not be given.

(b) If upon the hearing the county guardian fails to show good cause why the additional bond or additional security should not be given, the court shall issue an order fixing the amount of the bond and direct the county guardian to give additional security on or before a certain date, which date shall be within 30 days of the date of the order.

(c) Should the county guardian fail, refuse, or neglect to give additional bond or additional security on or before the date fixed in the order of the court and fail to show good cause why further time should be allowed, it shall be the duty of the court to remove the county guardian and to appoint another county guardian for the unexpired term of office. The order of removal shall be recorded as provided for the order of appointment. (Code 1981, § 29-8-4, enacted by Ga. L. 2004, p. 161, § 1.)

29-8-5. Revocation of letters of guardianship or conservatorship or other court orders necessary for good of ward.

The court may, for good cause shown, as provided in Code Section 29-5-92, revoke the letters of guardianship or conservatorship of the county guardian, require additional security on the county guardian's bond, or issue any other order as is expedient and necessary for the good of any particular conservatorship in the hands of the county guardian. (Code 1981, § 29-8-5, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2006, p. 805, § 19/SB 534.)

C.J.S. — 39 C.J.S., Guardian and Ward, § 252 et seq.

29-9-1. Application of chapter.

Except as otherwise specifically provided by law, the provisions of this chapter shall apply to any proceeding in the court that arises under this title. Compliance with the provisions of this chapter shall be deemed to be sufficient for proceedings in the court arising under this title except as otherwise provided in Chapter 11 of Title 9 and Chapter 9 of Title 15. (Code 1981, § 29-9-1, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-2. Appointment of guardian ad litem; representation of persons not sui juris; limited appointment; identification of parties in all petitions.

(a) The court in its discretion may at any time appoint a guardian ad litem to represent the interests of a minor, a proposed ward, or a ward in proceedings relating to the guardianship or conservatorship of that individual. However, the appointment of a guardian ad litem does not supersede any specific requirement that individual be served by personal service and the guardian ad litem may not waive personal service for that individual.

(b) Except as provided in subsection (a) of this Code section, when a person who is entitled to notice under any provision of this title is not sui juris, the interests of that person shall be represented in the proceeding by a guardian ad litem; provided, however, that the court may determine for the purpose of the particular proceeding that the natural guardian, if any, or the testamentary guardian, if any, or the duly constituted conservator, if any, or the duly constituted guardian, if any, has no conflict of interest and thus may represent for the purpose of the proceeding a person who is not sui juris. Service upon or notice to a guardian ad litem shall constitute service upon or notice to that person who is not sui juris and no additional service upon or notice to that person shall be required. Waivers, acknowledgments, consents, answers, objections, or other documents executed by a guardian ad litem shall be binding upon the person represented. The guardian ad litem may represent a single person or more than one person or a class of persons with common or nonadverse interests.

(c) Whenever a guardian ad litem is appointed, the court may limit the appointment, may remove the guardian ad litem, or may at any time for cause appoint a successor guardian ad litem.

(d) In every petition filed in the court, the petitioner shall identify each person who requires a guardian ad litem and the name and address of any person who is acting as conservator or guardian of the party. A copy of the letters appointing the conservator or guardian shall be attached to the petition or the petition shall allege such facts as shall show the authority of such conservator or guardian to act; provided, however, that the court may take judicial notice of the issuance of the letters or of the authority. (Code 1981, § 29-9-2, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-3. Counsel as guardian ad litem prohibited; guardian ad litem as counsel prohibited.

A person who is appointed as counsel for a ward, proposed ward, or alleged incapacitated person is not eligible to be appointed as guardian ad litem for the same individual, and a person who is appointed as guardian ad

litem for a ward, proposed ward, or alleged incapacitated person is not eligible to be appointed as counsel for the same individual. (Code 1981, § 29-9-3, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-4. Personal service; procedure.

(a) Except as otherwise provided by law, a party in interest who is a resident of this state is entitled to personal service of any petition and citation for proceedings that are subject to the provisions of this chapter.

(b) Except as otherwise provided in this Code section, personal service shall be made by delivery of a copy of the petition and citation by the sheriff or some other lawful officer at least ten days before the hearing except that, if waived in writing, the ten-day provision shall not apply. An entry of service shall be made on the original and the copy for the party served.

(c) A party who is in the military service may be served by any commissioned officer who shall file with the court a certificate stating that copies of the petition and citation were served in person.

(d) Individuals who are not sui juris shall be served as provided in this chapter or as provided in Code Section 15-9-17.

(e) When personal service is required by this Code section, unless otherwise directed by the court, service may be made by registered or certified mail or statutory overnight delivery if the petitioner so requests in the petition. The court shall cause a copy of the petition and the citation to be sent by registered or certified mail or statutory overnight delivery with return receipt requested and with delivery restricted to addressee only. If the return receipt is not signed by the addressee, dated at least ten days before the date specified in the citation, and received by the court before the date specified in the citation for the filing of objections, service shall be made as otherwise required by this Code section. (Code 1981, § 29-9-4, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-5. Service upon current residence addresses; service by publication.

(a) Except as otherwise provided by law or directed by the probate judge pursuant to Code Section 29-9-6, the provisions of this Code section shall apply in cases when a person to be served has a known current residence address outside this state or whose current address is unknown.

(b) Unless all persons have known current residence addresses, the court shall order service to be perfected by publication of the citation in the newspaper in which the sheriff's advertisements are published in the county in which the petition is filed. The citation shall be published once a week for four weeks prior to the date on which objections must be filed. The records of the court shall show the persons notified and the character of the

notice given. The published citation shall be directed to the person to be served.

(c) If the current residence address of a person is known, service shall be made by mailing by first-class mail a copy of the petition and the citation.

(d) When service by publication is ordered pursuant to this Code section, compliance with the provisions of this Code section relating to a person to be notified who is known but whose current residence address is unknown shall be equivalent to personal service of a copy of the petition and citation when the fact appears in the records of the court showing the persons notified and the character of the notice given. In the case of a known person whose current residence address is unknown, that person's name shall appear in the records of the court, and the records shall show service by publication as to that person in compliance with this Code section. In any case in which service by publication is granted, one order for publication shall be sufficient and the published citation shall be directed as provided in subsection (b) of this Code section. (Code 1981, § 29-9-5, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-6. Service upon conservator or guardian.

If one or more unsuccessful attempts at personal service are made by the sheriff or deputy upon a conservator or guardian appointed in this state at the last known address of the conservator or guardian that appears in the court records and it appears to the court that further attempts are likely to be futile, then service shall be sufficient upon the conservator or guardian if the citation is mailed by first-class mail to the last known address of the conservator or guardian. (Code 1981, § 29-9-6, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-7. Judge's discretion on notice, service, and additional time for proceedings.

The probate judge may direct any additional service or notice or extend the time to respond with respect to any proceedings covered by this title as the judge may determine to be proper in the interest of due process and reasonable opportunity for any party or interest to be heard. (Code 1981, § 29-9-7, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-8. Waiver of service or notice; written consent.

(a) Service or notice may be waived or acknowledged before or after the filing of the petition. The waiver or acknowledgment of service shall be in writing, signed by the person to be served or some person competent to do so, shall be sworn before the court or a notary public, and shall be filed with the court.

(b) The written consent of a party to the granting of any relief or the entry of any order sought in a proceeding, whether executed before or after the filing of the petition, shall constitute a waiver and acknowledgment of notice and service of the proceedings, waiver of citation, entry of appearance, answer admitting all allegations of facts set forth in the petition as true and correct, and consent to the granting of the relief or the order sought.

(c) A person in military service, regardless of age, shall be permitted to make any waiver, acknowledgment, or consent described in this Code section. (Code 1981, § 29-9-8, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-9. Oaths, affirmations, and affidavits.

An oath or affirmation or affidavit required or allowed to be made before or attested by a notary public may be made before any notary public or other officer authorized to administer oaths by the state in which the oath or affirmation or affidavit is made. The oath or affirmation or affidavit, if made outside this state, shall have the same force and effect as if it had been made before an officer of this state authorized to administer oaths. The official attestation of the officer before whom the oath or affirmation or affidavit is made shall be prima-facie evidence of the official character of the officer and that the officer was authorized by law to administer oaths. (Code 1981, § 29-9-9, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-10. Oath by department delegate.

When appointed pursuant to subsection (b.1) of Code Section 29-4-3, a duly appointed delegate of the Department of Human Resources is authorized to take the oath of guardianship before the judge of any probate court of this state. (Code 1981, § 29-9-10, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 509, § 4/HB 394.)

The 2005 amendment, effective July 1, 2005, substituted the present provisions of this Code section for the former provisions which read: "The director of the county department of family and children services or a duly appointed delegate is authorized to take the oath of conservatorship or guardianship before the judge of the Probate Court of Fulton County or before the judge of the court making the appointment of conservatorship or guardianship."

Editor's notes. — Ga. L. 2005, p. 509, § 9, not codified by the General Assembly, provides: "This Act shall become effective on July 1, 2005, and all appointments of guardians of the person made pursuant to former Title 29 shall continue in effect and shall thereafter be governed by the provisions of this Act."

29-9-11. Verification of petitions and returns; consolidation and transfer of proceedings.

(a) Every petition and return filed in the court shall be verified by an oath sworn to or affirmed before the court or a notary public.

(b) Where appropriate, petitions for separate appointments, such as the appointment of a guardian and a conservator or the appointment of a guardian and an emergency guardian, may be consolidated into one petition and the filing and giving of notice of the petitions may occur simultaneously.

(c) If the petition for the appointment of a guardian or a conservator of a minor or a proposed ward is originally filed in the county in which the minor or proposed ward is found, on motion of either party, if appropriate, the case may be transferred to the county of the minor's or proposed ward's domicile. (Code 1981, § 29-9-11, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-12. Issuance of citations.

(a) For purposes of this Code section, the terms "citation" and "notice" shall have the same meaning unless the context otherwise requires.

(b) Upon the filing of a petition, a citation shall be issued addressed to the persons required to be served or entitled to notice; provided, however, if all parties have acknowledged service and assented to the petition, no citation need issue. The citation shall state that any objection must be made in writing and shall designate the date on or before which objections must be filed in the court. The citation shall also state whether the hearing shall take place on a certain date or be specially scheduled for a later date. With respect to all proceedings under this title, the citation, if any, may state that if no objections are filed, the petition may be granted without a hearing. (Code 1981, § 29-9-12, enacted by Ga. L. 2004, p. 161, § 1.)

29-9-13. Satisfaction of requirements of authentication or exemplification.

(a) Except as otherwise provided by law or directed by the judge with respect to any particular proceeding, the date on or before which any objection is required to be filed shall be not less than ten days after the date the person is personally served. For persons within the United States who are served by registered or certified mail or statutory overnight delivery, return receipt requested, the date on or before any objection is required to be filed shall not be less than 14 days from the date of mailing or delivering; provided, however, that if a return receipt from any recipient is received by the court within 14 days from the date of mailing or delivering, the date on or before which any objection is required to be filed by such recipient shall be ten days from the date of receipt as shown on the return receipt. For a person outside the United States who is served by registered or certified mail or statutory overnight delivery, return receipt requested, the date on or before any objection is required to be filed shall not be less than 30 days from the date the citation is mailed or delivered; provided, however, that if the return receipt from any recipient is received by the court during such 30 day period the date on or before which any objection is required to be

filed by such recipient shall not be earlier than ten days from the date of receipt shown on such return receipt. For a person served by publication, the date on or before which any objection is required to be filed shall be no sooner than the first day of the week following publication once each week for four weeks.

(b) Except as otherwise provided by law or directed by the judge with respect to any particular proceeding, the date on which any required hearing shall be held shall be the date by which any objection is required to be filed or such later date as the court may specify. When the matter is set for hearing on a date that was not specified in the citation, the court shall send by first-class mail a notice of the time of the hearing to the petitioner and all parties who have served responses at the addresses given by each of them in their pleadings.

(c) Notwithstanding the other provisions of this Code section, the date by which objections must be filed or on which the hearing shall be held shall be no earlier than ten days after the date of service on any person who is entitled to personal service. (Code 1981, § 29-9-13, enacted by Ga. L. 2004, p. 161, § 1; Ga. L. 2005, p. 60, § 29/HB 95; Ga. L. 2006, p. 805, § 20/SB 534.)

The 2005 amendment, effective April 7, 2005, part of an Act to revise, modernize, and correct the Code, revised punctuation in subsection (a).

The 2006 amendment, effective July 1, 2006, deleted a comma following “30 day period” in the next-to-last sentence of subsection (a); deleted former subsection (c), which read: “Except as otherwise provided by law, the date on which any required hearing shall be held shall be the date by

which any objection is required to be filed or such later date as the court may specify. When the matter is set for hearing on a date that was not specified in the petition, the court shall, by first-class mail, send a notice of the time of the hearing to the petitioner and all parties who have served responses at the addresses given by each of them in their pleadings.”; and redesignated former subsection (d) as present subsection (c).

29-9-13.1. Authentication of documents.

Whenever it is required that a document which is to be filed in the court be authenticated or exemplified, such requirement shall be met by complying with the provisions of Code Section 24-7-24 and such full faith and credit shall be given to the document as is provided in that Code section. (Code 1981, § 29-9-13.1, enacted by Ga. L. 2004, p. 161, § 1.)

Code Commission notes. — Pursuant to Code Section 28-9-5, in 2004, the second Code Section 29-9-13, as enacted by Ga. L.

2005, p. 161, § 1, was redesignated as Code Section 29-9-13.1.

29-9-14. Court ordered hearings.

The court on its own motion may order a hearing on any matter related to a conservatorship or guardianship even if no objection is filed. (Code 1981, § 29-9-14, enacted by Ga. L. 2004, p. 161, § 1.)

The sealed records may be examined by the ward and the ward’s legal counsel and by the guardian or conservator and the guardian or conservator’s legal counsel at any time. A request by other interested parties to examine the sealed records shall be by petition to the court and the ward and guardian or conservator shall have at least 30 days’ prior written notice of a hearing on the petition. 29-10-1. "Public guardian" defined.

As used in this chapter, the term "public guardian" means an individual or private entity, including a nonprofit entity, who meets the qualifications required in this chapter and has registered with and been duly approved by the probate court to serve as a public guardian of an adult pursuant to Code Section 29-4-3. 29-10-4. Registration with the probate court; registration lists.

(a) An individual who meets the requirements of Code Section 29-10-3 may be registered as a public guardian in the probate court of the county in which he or she is domiciled upon approval by the probate court. Such individual may also be registered in the probate court of other counties within a reasonable distance of the county in which he or she is domiciled as approved by such other probate courts.

(b) A private entity that meets the requirements of Code Section 29-10-3 may be registered as a public guardian in the probate court of any county upon approval by such probate court.

29-10-5. Bond.

A public guardian shall give bond with good security, to be judged by the court, in a sum of not less than \$10,000.00. The bond shall be payable to the court for the benefit of all concerned. The 2006 amendment, effective July 1, 2006, deleted the former last sentence, which read: "Actions on the bond may be brought by any person aggrieved by the misconduct of the public guardian as pro-

vided by law for actions on the bonds of other guardians."

Law reviews. — For annual survey of wills, trusts, guardianships, and fiduciary administration, see 58 Mercer L. Rev. 423 (2006).

29-10-6. Letters of guardianship.

The court shall grant to the public guardian separate letters of guardianship upon each appointment. The public guardian shall be subject to all liabilities and entitled to all the rights and emoluments provided for other guardians and shall be governed by the law provided for other guardians. (Code 1981, § 29-10-6, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

29-10-7. Record keeping and reporting; required visits to ward; limitations on number of wards; cooperation with county guardians and conservators.

(a) A public guardian shall keep and maintain proper financial, case control, and statistical records on all matters in which the public guardian serves as guardian.

(b) No report or disclosure of the ward's personal or medical records shall be made except as required or authorized by law.

(c) A public guardian shall file an annual report with the probate court on the operations of the public guardian for the preceding year, in writing, by August 1.

(d) Within six months of appointment as a public guardian, such public guardian shall submit to the probate court for placement in the ward's guardianship file a report on the public guardian's efforts to locate a family member or friend or other individual included in subsection (b) of Code Section 29-4-3 to act as the guardian of the ward and a report on the ward's potential to be restored to capacity.

(e) The public guardian or employee or agent of a public guardian, if a private entity, shall visit the ward at least four times per year and more often as necessary.

(f) A public guardian who is an individual shall serve no more than five wards at any one time. A public guardian that is an entity shall serve no more than 30 wards at any one time. In the discretion of the probate court, these maximum ratios may be increased or decreased for a particular public guardian, in light of all relevant circumstances.

(g) Public guardians, county guardians, and conservators shall be required to work cooperatively together when appointed for the same ward. (Code 1981, § 29-10-7, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

29-10-8. Additional security on the bond or additional bond.

(a) The probate court may require a public guardian to give additional security on the bond or to give an additional bond with security. (b) If upon the hearing the public guardian fails to show good cause why the additional bond or additional security should not be given, the court shall issue an order fixing the amount of the bond and direct the public guardian to give additional security on or before a certain date, which date shall be within 30 days of the date of the order.

(c) Should the public guardian fail, refuse, or neglect to give additional bond or additional security on or before the date fixed in the order of the court and fail to show good cause why further time should be allowed, it shall be the duty of the court to remove the public guardian and to appoint another public guardian for the unexpired term of office. The order of removal shall be recorded as provided for the order of appointment. (Code 1981, § 29-10-8, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

29-10-9. Revocation of letters of guardianship.

The court may, for good cause shown, revoke the letters of guardianship of the public guardian, require additional security on the public guardian's bond, or issue any other order as is expedient and necessary for the good of any particular guardianship in the hands of the public guardian. (Code 1981, § 29-10-9, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

29-10-10. Compensation.

Public guardians shall receive compensation for their services in accordance with the provisions of Chapter 4 of this title. However, for wards who

have insufficient resources or income to pay the compensation provided for in Chapter 4 of this title, at the discretion of the probate court judge, a request for payment for the public guardian to the Division of Aging Services of the Department of Human Resources, as provided for in Code Section 29-10-11, shall be made. A public guardian shall be paid the compensation provided for in Chapter 4 of this title pursuant to Code Section 29-10-11 to the extent that the available funds can meet that expense or, at the discretion of the judge, the public guardian's actual expenses may be reimbursed from the funds pursuant to Code Section 29-10-11. (Code 1981, § 29-10-10, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

29-10-11. Appropriation of funds for compensation in certain circumstances.

(a) The General Assembly is authorized to appropriate state funds, by line item appropriation, for the purpose of providing compensation to public guardians for services to wards who have insufficient resources or income to pay the compensation provided for in Chapter 4 of this title.

(b) Any such funds appropriated shall be administered by the Division of Aging Services of the Department of Human Resources and paid, if funds are available, upon submission of appropriate documentation by the probate court pursuant to Code Section 29-10-10. (Code 1981, § 29-10-11, enacted by Ga. L. 2005, p. 509, § 5/HB 394.)

30-1-5. "Hearing impaired person" defined; Georgia Commission on Hearing Impaired and Deaf Persons.

(a) For purposes of this Code section, the term "hearing impaired person" means any person who, absent the aid of a hearing device, has any degree of impairment in the ability to apprehend sound.

(b)(1)(A) There is created the Georgia Commission on Hearing Impaired and Deaf Persons, which shall consist of seven members. Five members shall be appointed by the Governor, one member shall be appointed by the Senate Committee on Assignments, and one member shall be appointed by the Speaker of the House of Representatives. At least two of the members shall be hearing impaired persons, and the remaining five members of the commission shall be selected from among parents of children who are hearing impaired persons, persons who are involved with hearing impaired persons or programs, and representatives of private providers of services to hearing impaired persons. Each commission member shall serve for a three-year term and until a successor is appointed and qualified. No member shall serve more than two consecutive terms. Any vacancy on the commission for any reason other than expiration of term shall be filled in the same manner as the original appointment for the remainder of the unexpired term.

(B) The commission shall select one member as chairperson.

(C) The commission shall be attached to the Department of Human Resources for administrative purposes only as provided by Code Section 50-4-3.

(2) Members of the commission shall serve as such without compensation.

(3) The commission shall serve as the principal agency of the state to advocate on behalf of hearing impaired persons by working to ensure those persons have equal access to the services, programs, and opportunities available to others.

(4) The commission shall:

(A) Assist hearing impaired persons and parents of hearing impaired persons who are students in advocating for equal access to services, programs, and opportunities;

(B) Advise the Governor, General Assembly, commissioner of human resources, and commissioner of community health on the devel-

opment of policies, programs, and services affecting hearing impaired persons and on the use of appropriate federal and state moneys for such purposes;

(C) Create a public awareness of the special needs and potential of hearing impaired persons;

(D) Provide the Governor, General Assembly, commissioner of human resources, and commissioner of community health with a review of ongoing services, programs, and proposed legislation affecting hearing impaired persons;

(E) Advise the Governor, General Assembly, commissioner of human resources, and commissioner of community health on statutes, rules, and policies necessary to ensure that hearing impaired persons have equal access to benefits and services provided to individuals in this state;

(F) Recommend to the Governor, General Assembly, commissioner of human resources, and commissioner of community health legislation designed to improve the economic and social conditions of hearing impaired persons in this state;

(G) Propose solutions to problems of hearing impaired persons in the areas of education, employment, human rights, human services, health, housing, and other related programs;

(H) Work with other state and federal agencies and private organizations to promote economic development for hearing impaired persons; and

(I) Coordinate its efforts with other state and local agencies serving hearing impaired persons.

(5) The commission may appoint, subject to the availability of funds and approval of the Governor, an executive director who must be experienced in administrative activities and familiar with the problems and needs of hearing impaired persons. The commission may delegate to the executive director any powers and duties under this subsection that do not require commission approval. The executive director may be removed at any time by a majority vote of the commission. The executive director shall coordinate the provision of necessary support services to the commission with the Department of Human Resources. Subject to availability of funds, the executive director may employ and direct staff necessary to carry out commission mandates, policies, activities, and objectives.

(6) The commission may contract in its own name. Contracts must be approved by a majority of the members of the commission and executed by the chairperson and the executive director. The commission may apply

for, receive, and expend in its own name grants and gifts of money consistent with the powers and duties specified in this subsection.

(7) The commission may prepare and distribute periodic reports to the Governor, General Assembly, commissioner of human resources, and commissioner of community health concerning the activities of the commission and the needs and concerns of hearing impaired persons. (Code 1981, § 30-1-5, enacted by Ga. L. 1989, p. 1636, § 1; Ga. L. 2007, p. 241, § 1/HB 655.)

The 2007 amendment, effective July 1, 2007, in subsection (a), substituted “who, absent the aid of a hearing device, has any degree of impairment in the ability to apprehend sound” for “whose hearing is totally impaired, is so seriously impaired as to prohibit the person from understanding oral communication spoken in a normal conversational tone, or as a result of either such impairment is severely speech impaired”; deleted former subsection (b), which read: “The Department of Human Resources shall establish a Georgia Service Center for Hearing Impaired Persons. The center shall provide services to hearing impaired persons, which services shall include, without being limited to:

“(1) Telecommunications Devices for the Deaf (TDD) relay services using nonhearing impaired third parties to connect hearing

impaired persons with nonhearing impaired persons;

“(2) A full range of counseling services to hearing impaired persons and their immediate families including, without being limited to, family, marital, and individual counseling; drug and alcohol abuse support groups; and parenting skills groups; and

“(3) Community outreach services to inform the general public and state and local government agencies regarding the services provided by the center.” and added present subsection (b).

Editor’s notes. — By resolution (Ga. L. 1993, p. 1961), the General Assembly created the Joint Study Committee on Creation of a State Department, Commission, or Agency of the Deaf and Hard of Hearing, to be abolished December 31, 1993.

30-1-6. American Sign Language.

The General Assembly finds that:

(1) American Sign Language is a fully developed, autonomous, natural language with distinct grammar, syntax, and symbols, and is one of hundreds of signed languages of the world; and

(2) American Sign Language is the fourth most commonly used language in the United States and Canada. (Code 1981, § 30-1-6, enacted by Ga. L. 2007, p. 290, § 2/SB 170.)

Effective date. — This Code section became effective July 1, 2007.

Editor’s notes. — This Code section formerly pertained to assaulting, beating, harassing, or injuring guide or dogs assisting

disabled persons. The former Code section was based on Code 1981, § 30-1-6, enacted by Ga. L. 1996, p. 665, § 1. For present comparable provisions, see Code Section 16-11-107.1.

OPINIONS OF THE ATTORNEY GENERAL

Applicability of federal law to the Factory (now Industries) for the Blind. — See 1948-49 Op. Att’y Gen. p. 723.

30-2-1. Creation.

There is created the Georgia Industries for the Blind. (Ga. L. 1937, p. 579, § 1; Ga. L. 1982, p. 830, § 1.)

30-2-2. Purpose.

The purpose of the industries is to furnish to those citizens of Georgia who are blind or who have not more than 10 percent vision a means of supporting themselves; to furnish an opportunity for those who are mentally gifted to earn a living by working in short shifts as well as to develop their talents for literature, poetry, music, or otherwise; and to furnish a home to workers who desire it. (Ga. L. 1937, p. 579, § 2; Ga. L. 1982, p. 830, § 1.)

30-2-3. Supervision of industries by Department of Labor; acquisition of property.

(a) The industries shall be state institutions under the direction and supervision of the Department of Labor.

(b) The Department of Labor is authorized to provide the property necessary for the industries. The Department of Labor may acquire real property through the State Properties Commission pursuant to Code Section 50-16-38 or the department may enter into rental agreements in order to acquire the needed space. The acquisition of such property is not deemed to be "administrative space" within the meaning of Article 2 of Chapter 5 of Title 50, the "State Space Management Act of 1976." (Ga. L. 1937, p. 579, § 5; Ga. L. 1949, p. 544, § 3; Ga. L. 1960, p. 172, § 1; Ga. L. 1972, p. 1015, § 1220; Ga. L. 1982, p. 830, § 1; Ga. L. 1984, p. 1017, § 1; Ga. L. 2000, p. 1137, § 5.1.)

OPINIONS OF THE ATTORNEY GENERAL

Industries are department of state and subject to Workers' Compensation Act. — It is clear that the factory (now industries) is a department of the State of Georgia, and subject to provisions of the Workers' Compensation Act, O.C.G.A. Ch. 9, T. 34. 1948-49 Op. Att'y Gen. p. 723.

Industries excluded from provisions of Fair Labor Standards Act. — The factory (now industries) designated by and made a state institution by the General Assembly of Georgia is excluded from provisions of the federal Fair Labor Standards Act, 29 U.S.C.S. § 201 et seq. 1948-49 Op. Att'y Gen. p. 723.

30-2-4. Superintendents for industries; operation of industries generally; purchase of goods manufactured at industries by state institutions.

(a) There shall be superintendents for the industries. Preference shall be given to blind persons with the skill and experience to perform such jobs. The department shall provide for the equipment, maintenance, and management of the industries; shall provide for the selection and eligibility of applicants for admission to an industry; shall provide for the sale of supplies manufactured at the industries to the departments of the state, its subdivisions, and institutions, and to the federal government and other states and to individual and corporate dealers in such supplies; shall provide for housing, rationing, hours of labor, scale of pay, or division of profits, subject to this chapter; and shall provide all other rules for the proper management of the industries not in conflict with this chapter. The department shall procure necessary machinery, equipment, and furnishings for the industries; shall make contracts for power, lighting, and heating; and shall arrange for all other things necessary and proper for the conduct of the industries.

(b) All departments, subdivisions, and institutions of the State of Georgia are directed to give preference in purchases to goods manufactured at the industries, provided said goods are of equal quality and competitive in price. (Ga. L. 1937, p. 579, § 6; Ga. L. 1960, p. 172, § 2; Ga. L. 1982, p. 830, § 1.)

30-2-5. Articles to be manufactured by industries.

The plan of operation of the industries shall be to manufacture supplies such as brooms, brushes, mops, mattresses, desks, and office, school, and other furniture which are in the capacity of the blind to make and which are extensively used by the various departments of the state, its political subdivisions, and its educational, penal, and other institutions; provided, however, that this enumeration is partial and not exclusive of articles that may be manufactured in the industries. (Ga. L. 1937, p. 579, § 2; Ga. L. 1982, p. 830, § 1.)

30-2-6. Authority of industry superintendents to permit work to be done in homes of workers.

Where, in the opinion of the industry superintendents, any part of the work necessary to the production of any commodity can be practically and satisfactorily done in the home of the worker, as in the hemming of towels or other needlework, the superintendents shall have authority to permit and to arrange for such work to be so done. (Ga. L. 1937, p. 579, § 7; Ga. L. 1982, p. 830, § 1.)

30-2-7. Compensation of workers; observance of and payment for state holidays.

(a) Each worker in an industry who is otherwise entitled to share in the benefits provided for blind persons under Articles 1 and 3 of Chapter 4 of Title 49 shall, in addition to the amount received as compensation for his services in the industry, receive from the Department of Human Resources such amount of public assistance as shall be determined in accordance with the regulations approved by the commissioner of human resources.

(b) All workers in the industries shall observe all holidays observed by other departments and agencies of the state government and shall receive their proportionate compensation for each holiday so observed. If any worker shall be compensated in such a manner that his daily compensation is not fixed, but rather is based upon a production basis, he shall receive by way of compensation for such observance of state holidays the average daily production compensation received by him during the immediately preceding 30 day period, holidays and Sundays excluded. The Department of Labor is authorized and directed to pay such compensation from the funds appropriated to and available for the department. (Ga. L. 1937, p. 579, § 8; Ga. L. 1963, p. 137, § 1; Ga. L. 1982, p. 830, § 1; Ga. L. 2000, p. 1137, § 5.2.)

Cross references. — Public and legal holidays, § 1-4-1.

30-2-8. Promotion, demotion, and layoff of employees; transfer; departure and return of employees.

Whenever the skill and experience of two employees are relatively equal, seniority shall control in all questions of promotion, demotion, or layoff. When skill and merit are relatively equal between employees, the employee with the greater seniority shall have the first right to obtain or refuse any transfer. When any worker in the industries leaves to accept other employment outside the industries, he shall have the right to return to the industries within one year from the date of leaving and resume his former seniority and employee privileges. (Ga. L. 1960, p. 172, § 3; Ga. L. 1982, p. 830, § 1.)

30-2-9. Surplus funds retained as working capital.

Surplus funds designated as reserve funds accruing at the industries in any fiscal year shall not lapse to the state treasury but may be reserved by the industries as working capital. (Ga. L. 1970, p. 557, § 1; Ga. L. 1980, p. 759, § 1; Ga. L. 1982, p. 830, § 1; Ga. L. 2000, p. 1137, § 5.3.)

Ga. L. 1984, p. 1255, § 1, effective July 1, 1984, repealed the Code sections formerly codified at this chapter and enacted the current chapter. The former chapter consisted of §§ 30-3-1 through 30-3-19 and was based on Ga. L. 1972, p. 750, §§ 1, 2, and 5 through 22; Ga. L. 1977, p. 552, §§ 1, 2, and 4 through 6; Ga. L. 1981, p. 1779, § 10; and Ga. L. 1982, p. 3, § 30.

OPINIONS OF THE ATTORNEY GENERAL

Waiver of standards. — Standards may be waived by the appropriate authority upon a showing of impracticality or lack of necessity. 1984 Op. Att'y Gen. No. 84-61.

Extent of accessibility in buildings. — Every floor or every room of every building subject to O.C.G.A. Title 30, Ch. 3 must be accessible to the handicapped, provided that the floor or room in question is used by the public or might be a place of employment for an elderly or handicapped citizen. 1984 Op. Att'y Gen. No. 84-61.

Bathroom accessibility. — If on every floor made accessible to the handicapped, one bathroom is made accessible to the handicapped, all other bathrooms on that floor

must also be made accessible to the handicapped, unless the requirement is waived. 1984 Op. Att'y Gen. No. 84-61.

Elevators. — An elevator is not required in all buildings subject to O.C.G.A. Title 30, Ch. 3 which are two stories or more in height, although as a practical matter the requirement of handicap accessibility will often have to be met by the installation of elevators. 1984 Op. Att'y Gen. No. 84-61.

Hospital rooms. — The "temporary lodging unit" exemption in O.C.G.A. § 30-3-2(5) (now O.C.G.A. § 30-2-5(8)) may properly be relied upon by a private hospital, although care should be taken to ensure that a patient is placed in a disabled access room or ward if

the patient or his or her visitors are disabled. 1984 Op. Att'y Gen. No. 84-61.

Jail cells. — Although the “temporary lodging unit exemption” by its terms does not apply to government funded facilities, including jails and hospitals, a jail cell is not

“used by the public” and so does not fall within the general terms of O.C.G.A. Title 30, Ch. 3. 1984 Op. Att'y Gen. No. 84-61.

Places of worship are not exempt from the requirements of O.C.G.A. Title 30, Chapter 3. 1995 Op. Att'y Gen. No. 95-20.

30-3-1. Purpose and intent of chapter.

The provisions of this chapter are enacted to further the policy of the State of Georgia to encourage and enable persons with disabilities or elderly persons to participate fully in the social and economic life of Georgia and to encourage and promote their education and rehabilitation. It is the intent of this chapter to eliminate, insofar as possible, unnecessary physical barriers encountered by persons with disabilities or elderly persons whose ability to participate in the social and economic life of this state is needlessly restricted when such persons cannot readily use government buildings, public buildings, and facilities used by the public. 30-3-2. Definitions.

As used in this chapter, the term:

(1) “ADAAG” means the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities issued by the United States Architectural and Transportation Barriers Compliance Board as set forth in the Federal Register.

(2) “Adaptable” is further explained as follows:

(A) Adaptable refers to features provided for but not actually installed. Such adaptability makes it possible for the feature required by ADAAG to be added for the occupant without major structural alteration;

(B) Items not installed at the time of construction under the adaptable provisions of ADAAG, and items installed which might need to be removed to provide access, must be installed or removed by the owner at the owner’s expense when the dwelling is rented to a person with disabilities, within 30 days after his or her application for occupancy is approved by the owner.

(3) “American National Standards Institute specifications (ANSI standards)” means sections 3 and 4 of the American National Standards Institute specifications A117.1-1986 for making buildings and facilities accessible to and usable by individuals with disabilities.

(4) “Commissioner” means the Safety Fire Commissioner provided for in Chapter 2 of Title 25.

(5) “Covered multifamily dwelling” means a building which had first occupancy after March 31, 1993, and consists of four or more units and has an elevator or the ground floor units of a building which consists of four or more units and does not have an elevator.

(6) “Facilities” shall include, but is not limited to, walkways, sidewalks, curbs, parking lots, parks, stadiums, coliseums, and any other manmade or developed area used by the public.

(7) “Government buildings” means all buildings, structures, streets, sidewalks, walkways, and access thereto, which are used by the public or in which persons with disabilities or elderly persons may be employed, that are constructed, leased, or renovated in whole or in part by use of state, county, or municipal funds or the funds of any political subdivisions of the state, and, to the extent not required otherwise by federal law or regulations and not beyond the power of the state to regulate, all buildings and structures used by the public which are constructed or renovated in whole or in part by use of federal funds.

(8) “Public buildings” means all buildings, structures, streets, sidewalks, walkways, and access thereto, which are used by the public or in which persons with disabilities or elderly persons may be employed, that are constructed or renovated by the use of private funds, including rental apartment complexes of 20 units or more and temporary lodging facilities of 20 units or more, but excluding covered multifamily dwellings; provided, however, that this chapter shall require fully accessible or adaptable units in only 2 percent of the total rental apartments, or a minimum of one, whichever is greater, and this chapter shall apply to only

5 percent of the total temporary lodging units, or a minimum of one, whichever is greater; provided, further, that this chapter shall not apply to a private single-family residence or to duplexes or any complex containing fewer than 20 units, or to residential condominiums. Fifty percent of the fully accessible or adaptable rental apartment units required by this paragraph shall be adaptable for a roll-in shower stall.

(9) “Reasonable number” for all government buildings, public buildings, and facilities receiving permits for construction or renovation after July 1, 1995, as used in Code Section 30-3-4, shall mean the minimum number as established by ADAAG.

(10) “Reasonable number” for all government buildings, public buildings, and facilities receiving permits for construction or renovation after July 1, 1987, but before July 1, 1995, as used in Code Section 30-3-4 shall be defined for each of the following standards to mean:

(A) “Accessible parking spaces for persons with disabilities (ANSI 4.6.1) in a reasonable number” shall be determined as follows:

<u>Total number of parking spaces</u>	<u>Number of designated accessible parking spaces</u>

30-3-7. Administration and enforcement of chapter.

(a)(1) Except for buildings under the jurisdiction of the Board of Regents of the University System of Georgia, all buildings subject to the jurisdiction of the Safety Fire Commissioner pursuant to Code Section 25-2-12 and subsection (c) of Code Section 25-2-13 shall be subject to the jurisdiction of the Safety Fire Commissioner for purposes of enforcement of this chapter.

(2) With respect to any such building, the Safety Fire Commissioner shall have the following powers and duties:

(A) No such building shall be built in this state by any private person or corporation or public entity unless it conforms to the requirements of Code Sections 30-3-3 and 30-3-5 and its plans and specifications have been approved by the Commissioner as provided in this subparagraph. All plans and specifications shall identify the architect or engineer who prepared them in a manner acceptable to the Commissioner. The Commissioner shall approve the plans and specifications only if they conform to the requirements of this chapter. The Commissioner shall not require any additional fee for each submission of plans or specifications other than the standard fee required by Code Section 25-2-4.1. No local governing authority shall issue any building permit for any building subject to this subsection without proof of the approval required by this subparagraph;

(C) Upon a showing that full compliance with any particular requirement or requirements is impractical or not necessary to accomplish the purposes of this chapter, the Commissioner may exempt a building from full compliance with the requirement or requirements and approve plans and specifications which do not conform, or which only partially conform, to the requirement or requirements.

(b) The board of regents shall be responsible for the administration and enforcement of this chapter with respect to all buildings and facilities under its jurisdiction. No construction plans for any such building or facility shall be approved by the board of regents for any construction within the University System of Georgia unless the building or facility conforms to Code Sections 30-3-3 and 30-3-5 and unless the architect or engineer responsible for preparation of said plans and specifications affixes that person's seal on such plans. The affixing of the seal of an architect or engineer to said plans shall constitute a certification that to the best of that person's knowledge, information, and belief they have been prepared in

conformity with Code Sections 30-3-3 and 30-3-5. A certificate of compliance may be displayed on said plans in lieu of the architect’s or engineer’s seal. The builder, developer, contractor, or building owner following said plans shall require an architect’s or engineer’s seal or a certificate of compliance to be displayed on the plans before starting construction.

(c) Local governing authorities shall be responsible for the administration and enforcement of this chapter with regard to all government and public buildings and facilities which are not under the jurisdiction of the Safety Fire Commissioner or board of regents, pursuant to subsections (a) and (b) of this Code section and which are under the jurisdiction of such local governing authorities. No building permit for any such building or facility shall be approved by any local governing authority for any private person, corporation, partnership, association, or public entity unless the plans and specifications conform to the requirements of Code Sections 30-3-3 and 30-3-5 and unless the architect or engineer responsible for preparation of said plans and specifications affixes that person’s seal on such plans. The affixing of the seal of an architect or engineer to said plans shall constitute a certification that to the best of that person’s knowledge, information, and belief they have been prepared in conformity with Code Sections 30-3-3 and 30-3-5. A certificate of compliance may be displayed on said plans in lieu of the architect’s or engineer’s seal. The builder, developer, contractor, or building owner following said plans shall require such a seal or a certificate of compliance on the plans before starting construction. All construction plans must display such a certificate of compliance, or a seal provided by the architect or engineer, for all construction in local governing jurisdictions which do not require building permits. In all areas where local governing authority building permits are not required, the builder, developer, contractor, or building owner following said plans shall require such an architect’s or engineer’s seal or a certificate of compliance to be displayed on the plans before starting construction.

(d) In the performance of their responsibilities under this chapter, all state rehabilitation agencies and appropriate elected or appointed officials shall be required to cooperate with and assist the Safety Fire Commissioner, the board of regents, and the appropriate local building code officials or local fire department, or any combination thereof, having jurisdiction over the buildings in question.

(e) The Safety Fire Commissioner, the board of regents, and the local building code officials or the local fire department, or any combination thereof, having jurisdiction over the buildings in question shall from time to time inform, in writing, professional organizations and others of this chapter and its application.

(f)(1) The Safety Fire Commissioner, the board of regents, and the local governing authority having jurisdiction over the buildings in question

shall have all necessary powers to require compliance with their rules, regulations, and procedures, and modifications thereof and substitutions therefor, including powers to institute and prosecute proceedings in the superior court to compel compliance, and shall not be required to pay any entry or filing fee in connection with the institution of such proceedings.

(2) No person, firm, or corporation shall be subject to a complaint for not complying with the provisions of subparagraph (C) of paragraph (11) of Code Section 30-3-2 unless 90 days have passed since such person, firm, or corporation has been notified by certified mail or statutory overnight delivery of the alleged violation of the provisions of subparagraph (C) of paragraph (11) of Code Section 30-3-2. Such notification shall include a warning of an impending complaint if the alleged violation is not corrected before the expiration of the 90 day warning period. (g) The Safety Fire Commissioner, the board of regents, and the local governing authority having jurisdiction over the buildings in question, after consultation with state rehabilitation agencies and other sources as they might determine, are authorized to promulgate such rules, regulations, and procedures as might reasonably be required to implement and enforce their responsibilities under this chapter. Such rules, regulations, and procedures shall not be less restrictive than those established by the Commissioner.

(h) The Safety Fire Commissioner, the board of regents, and the local governing authority having jurisdiction over the buildings in question, after consultation with state rehabilitation agencies, are also authorized to waive any of the standards and specifications presently set forth in this chapter and to substitute in lieu thereof standards or specifications consistent in effect to such standards or specifications heretofore adopted by the American Standards Association, Inc. Superior knowledge of owner. — Mere prior use by a disabled person does not give the disabled individual equal knowledge to the owner/occupier of a specific static defect that the regulations and guidelines prohibit as dangerous, when the owner/occupier is under a continuing statutory mandate by O.C.G.A. § 30-3-8 to provide a safe handicap

access ramp, defect-free and compliant with detailed regulations and guidelines to protect the disabled in use of the ramp, and when, in fact, the ramp is non-compliant, creating a static dangerous defect specifically prohibited by the regulations. 30-3-9. Effectiveness of chapter in relation to federal law.

(a) Any provision of this chapter which affords persons with disabilities greater access than is required by federal law shall be fully effective.

(b) Except as otherwise provided in subsection (a) of this Code section, to the extent that the provisions of this chapter are in conflict with the provisions of the federal Fair Housing Amendments Act of 1988, Public Law 100-430, and the regulations and guidelines promulgated pursuant to such federal act, the provisions of such federal act and regulations and guidelines shall control; but nothing in this subsection shall operate to defeat the intention of subsection (a) of this Code section. 30-5-2. Legislative purpose.

The purpose of this chapter is to provide protective services for abused, neglected, or exploited disabled adults and elder persons. It is not the purpose of this chapter to place restrictions upon the personal liberty of disabled adults or elder persons, but this chapter should be liberally construed to assure the availability of protective services to all disabled adults and elder persons in need of them. (Ga. L. 1981, p. 1320, § 2; Ga. L. 1997, p. 700, § 2.)

30-5-3. Definitions.

As used in this chapter, the term:

(1) “Abuse” means the willful infliction of physical pain, physical injury, mental anguish, unreasonable confinement, or the willful deprivation of essential services to a disabled adult or elder person.

(2) “Caretaker” means a person who has the responsibility for the care of a disabled adult or elder person as a result of family relationship, contract, voluntary assumption of that responsibility, or by operation of law.

(3) “Court” means the probate court for the county of residence of the disabled adult or elder person or the county in which such person is found. In any case in which the judge of the probate court is unable to hear a case brought under this chapter within the time required for such hearing, such judge shall appoint a person to serve and exercise all the jurisdiction of the probate court in such case. Any person so appointed shall be a member of the State Bar of Georgia and be otherwise qualified for his or her duties by training and experience. Such appointment may be made on a case-by-case basis or by making a standing appointment of one or more persons. Any person receiving such standing appointment shall serve at the pleasure of the judge making the appointment or said judge’s successor in office to hear such cases if and when necessary. The compensation of a person so appointed shall be as agreed upon by the judge who makes the appointment and the person appointed, with the approval of the governing authority of the county for which such person is appointed, and shall be paid from the county funds of such county. All fees collected for the services of such appointed person shall be paid into the general funds of the county served.

(4) “Department” means the Department of Human Resources.

(5) “Director” means the director of the Division of Aging Services of the Department of Human Resources, or the director’s designee.

(6) “Disabled adult” means a person 18 years of age or older who is not a resident of a long-term care facility, as defined in Article 4 of Chapter 8 of Title 31, but who is mentally or physically incapacitated.

(7) “Disabled adult in need of protective services” means a disabled adult who is subject to abuse, neglect, or exploitation as a result of that adult’s mental or physical incapacity.

(7.1) “Elder person” means a person 65 years of age or older who is not a resident of a long-term care facility as defined in Article 4 of Chapter 8 of Title 31.

(8) “Essential services” means social, medical, psychiatric, or legal services necessary to safeguard the disabled adult’s or elder person’s rights and resources and to maintain the physical and mental well-being of such person. These services shall include, but not be limited to, the provision of medical care for physical and mental health needs, assistance in personal hygiene, food, clothing, adequately heated and ventilated shelter, and protection from health and safety hazards but shall not include the taking into physical custody of a disabled adult or elder person without that person’s consent.

(9) “Exploitation” means the illegal or improper use of a disabled adult or elder person or that person’s resources through undue influence, coercion, harassment, duress, deception, false representation, false pretense, or other similar means for another’s profit or advantage.

(10) “Neglect” means the absence or omission of essential services to the degree that it harms or threatens with harm the physical or emotional health of a disabled adult or elder person.

(11) “Protective services” means services necessary to protect a disabled adult or elder person from abuse, neglect, or exploitation. Such services shall include, but not be limited to, evaluation of the need for services and mobilization of essential services on behalf of a disabled adult or elder person. (Ga. L. 1981, p. 1320, § 3; Ga. L. 1997, p. 700, § 2; Ga. L. 2000, p. 136, § 30; Ga. L. 2005, p. 509, § 6/HB 394; Ga. L. 2007, p. 219, § 1/HB 233.)

The 2005 amendment, effective July 1, 2005, rewrote paragraph (5) which read: “‘Director’ means the director of the county department of family and children services, or the director’s designee, in the county in which the disabled adult or elder person resides or is present.”

The 2007 amendment, effective July 1, 2007, inserted “through undue influence, coercion, harassment, duress, deception, false representation, false pretense, or other similar means” in paragraph (9).

JUDICIAL DECISIONS

Evidence sufficient for conviction. — Evidence was sufficient to support the defendant’s convictions for unlawful abuse, neglect, or exploitation of an elder person and

unauthorized practice of law, in violation of O.C.G.A. §§ 15-19-51(a)(7) and 30-5-8(a)(1), because the defendant befriended an 89-year-old widower, falsified identification as an attorney, and eventually obtained the widower's car, jewelry, use of the widower's credit cards for unauthorized purposes, and the defendant also forged documents and coerced the widower into changing other documents regarding the widower's estate; the widower was within the definition of "elder person" under O.C.G.A. § 30-5-3(7.1), and the acts were within the definition of "exploitation" pursuant to § 30-5-3(9). *Marks v. State*, 280 Ga. 70, 623 S.E.2d 504 (2005).

Construction with other law. — In a wrongful death action filed by a decedent-lessee's administrator in which the decedent was killed when crossing a public highway that the lessor did not control, the lessor was properly granted summary judgment, as the administrator failed to show that the lessor was negligent per se, violated O.C.G.A. § 30-5-8, or that the lessor breached either a common law or private duty owed to the lessee. *Walton v. UCC X, Inc.*, 282 Ga. App. 847, 640 S.E.2d 325 (2006).

30-5-4. Reporting of need for protective services; manner and contents of report; immunity from civil or criminal liability.

(a)(1)(A) Any physician, osteopath, intern, resident, other hospital or medical personnel, dentist, psychologist, chiropractor, podiatrist, pharmacist, physical therapist, occupational therapist, licensed professional counselor, nursing personnel, social work personnel, day-care personnel, coroner, medical examiner, employee of a public or private agency engaged in professional health related services to elder persons or disabled adults, or law enforcement personnel having reasonable cause to believe that a disabled adult or elder person has had a physical injury or injuries inflicted upon such disabled adult or elder person, other than by accidental means, or has been neglected or exploited shall report or cause reports to be made in accordance with the provisions of this Code section.

(B) Except as provided in this paragraph, any employee of a financial institution, as defined in Code Section 7-1-4, having reasonable cause to believe that a disabled adult or elder person has been exploited shall report or cause reports to be made in accordance with the provisions of this Code section; provided, however, that this obligation shall not apply to any employee of a financial institution while that employee is acting as a fiduciary, as defined in Code Section 7-1-4, but only for such assets that the employee is holding or managing in a fiduciary capacity.

(C) When the person having a reasonable cause to believe that a disabled adult or elder person is in need of protective services performs services as a member of the staff of a hospital, social agency, financial institution, or similar facility, such person shall notify the person in charge of the facility and such person or that person's designee shall report or cause reports to be made in accordance with the provisions of this Code section.

(2) Any other person having a reasonable cause to believe that a disabled adult or elder person is in need of protective services, or has been the victim of abuse, neglect, or exploitation may report such information as provided in this Code section.

(b)(1) A report that a disabled adult or elder person who is not a resident of a long-term care facility as defined in Code Section 31-8-80 is in need of protective services or has been the victim of abuse, neglect, or exploitation shall be made to an adult protection agency providing protective services, as designated by the department or, if such agency is unavailable, to an appropriate law enforcement agency or prosecuting attorney. If a report of a disabled adult or elder person abuse is made to an adult protection agency or independently discovered by the agency and the agency has reasonable cause to believe such report is true, then the agency shall immediately notify the appropriate law enforcement agency or prosecuting attorney. If the disabled adult or elder person is a resident of a long-term care facility as defined in Code Section 31-8-80, a report shall be made in accordance with Article 4 of Chapter 8 of Title 31. If a report made in accordance with the provisions of this Code section alleges that the abuse or exploitation occurred within a long-term care facility, such report shall be investigated in accordance with Articles 3 and 4 of Chapter 8 of Title 31.

(2) The report may be made by oral or written communication. The report shall include the name and address of the disabled adult or elder person and should include the name and address of the disabled adult's or elder person's caretaker, the age of the disabled adult or elder person, the nature and extent of the disabled adult's or elder person's injury or condition resulting from abuse, exploitation, or neglect, and other pertinent information. All such reports prepared by a law enforcement agency shall be forwarded to the director within 24 hours.

(c) Anyone who makes a report pursuant to this chapter, who testifies in any judicial proceeding arising from the report, who provides protective services, or who participates in a required investigation under the provisions of this chapter shall be immune from any civil or criminal liability on account of such report or testimony or participation, unless such person acted in bad faith, with a malicious purpose, or was a party to such crime or fraud. Any financial institution, as defined in Code Section 7-1-4, including without limitation officers and directors thereof, that is an employer of anyone who makes a report pursuant to this chapter in his or her capacity as an employee, or who testifies in any judicial proceeding arising from a report made in his or her capacity as an employee, or who participates in a required investigation under the provisions of this chapter in his or her capacity as an employee, shall be immune from any civil or criminal liability on account of such report or testimony or participation of its employee, unless such financial institution knew or should have known that the

employee acted in bad faith or with a malicious purpose and failed to take reasonable and available measures to prevent such employee from acting in bad faith or with a malicious purpose. The immunity described in this subsection shall apply not only with respect to the acts of making a report, testifying in a judicial proceeding arising from a report, providing protective services, or participating in a required investigation but also shall apply with respect to the content of the information communicated in such acts. (Ga. L. 1981, p. 1320, § 4; Ga. L. 1984, p. 785, § 1; Ga. L. 1992, p. 6, § 30; Ga. L. 1996, p. 1608, § 1; Ga. L. 1997, p. 700, § 2; Ga. L. 2000, p. 1085, § 6.)

30-5-5. Investigation of reports of need for protective services; interference with investigation; provision of protective services.

(a) When the director receives a report that a disabled adult or elder person is in need of protective services, he or she shall conduct or have conducted a prompt and thorough investigation to determine whether the disabled adult or elder person is in need of protective services and what services are needed. The investigation shall include a visit to the person and consultation with others having knowledge of the facts of the particular case. Within ten days after receipt of the report, the director shall acknowledge receipt of the report, in writing, to the person making the report.

(b) Any person conducting an investigation required by this Code section who is unable to gain access to the disabled adult or elder person as a result of interference by another person may petition the court for an order authorizing the investigation and prohibiting interference therewith, which petition shall allege specific facts in support thereof. A hearing upon such petition and notice thereof shall be carried out pursuant to subsection (f) of this Code section. If as a result of the hearing the court finds probable cause to believe that the person named in the petition is a disabled adult in need of protective services or an elder person needing protective services and that any other person is interfering with the conduct of an investigation required under this Code section, the court may issue an order authorizing that investigation and prohibiting interference therewith by any person.

(c) If as a result of an investigation conducted under this chapter the director determines that a disabled adult or elder person is in need of protective services, the director shall immediately provide or arrange for

protective services for any disabled adult or elder person who consents thereto.

(d) Any person providing protective services as authorized by subsection (c) of this Code section who determines that another person is interfering with the provision of such services may petition the court for an order authorizing such services and prohibiting interference therewith. Such petition shall allege specific facts in support thereof, including, but not limited to, the results of any investigation required to be made under this chapter. A hearing upon such petition and notice thereof shall be carried out pursuant to subsection (f) of this Code section. If as a result of the hearing the court finds by clear and convincing evidence that the person named in the petition is a disabled adult in need of protective services or an elder person needing protective services and that any other person is interfering with the provision of such services, the court may issue an order authorizing the provision of such services and prohibiting the interference therewith by any person.

(e) Protective services may not be provided under this chapter to any person who does not consent to such services or who, having consented, withdraws such consent. Nothing in this chapter shall prohibit the department from petitioning for the appointment of a guardian for a disabled adult or elder person pursuant to Chapters 4 and 5 of Title 29.

(f) A hearing on any petition filed under this Code section shall be held no sooner than five and no later than ten days after such petition is filed, unless a continuance is granted. At least three days prior to such hearing, notice thereof shall be served on the petitioner and notice and copy of the petition shall be served on the person alleged to be a disabled adult in need of protective services or an elder person needing protective services and on such person or persons named in the petition as interfering with the investigation or with the provision of protective services, as applicable. Notice shall be served either in person or by first-class mail. Any person willfully violating any order issued pursuant to this Code section shall be in contempt of the court issuing such order and may be punished accordingly by the judge of that court.

(g) The expenses of the court and the hearing officer for any hearing conducted under this Code section shall be the same as those provided in Code Section 37-3-122 and shall be paid as provided therein. A disabled adult or elder person shall be deemed to be a patient under Code Section 37-3-122 only for purposes of determining hearing expenses thereunder. Nothing in this Code section shall authorize the payment of attorney's fees for any hearing conducted under this Code section.

(h) Notwithstanding any other provisions of this Code section, if the director or adult protection agency employee receives a report or gains knowledge that a disabled adult or elder person is in need of protective

services and such disabled adult or elder person may be in imminent danger resulting from abuse, exploitation, or neglect, the director or designee of the director may file a petition with the probate or superior court stating the grounds on which the director or designee of the director believes that the disabled adult or elder person may be in imminent danger and seeking immediate access to such person. The judge, in his or her discretion, may issue an ex parte order requiring the caretaker or any other person at the place where the disabled adult or elder person resides to afford an adult protection agency employee immediate access to such person to determine the person's well-being. If the adult protection agency employee is denied access to the disabled adult or elder person, the employee shall contact immediately a law enforcement officer to assist the employee in enforcing such order. Any person willfully violating any order issued pursuant to this subsection shall be in contempt of the court issuing such order and may be punished accordingly by the judge of the court. The adult protection agency employee shall conduct a brief investigation to determine the condition of the disabled adult or elder person. (Ga. L. 1981, p. 1320, § 5; Ga. L. 1984, p. 785, § 2; Ga. L. 1985, p. 149, § 30; Ga. L. 1997, p. 700, § 2; Ga. L. 1999, p. 562, § 6; Ga. L. 2004, p. 161, § 6; Ga. L. 2005, p. 509, § 7/HB 394.)

(a) The staff and physicians of local health departments, mental health clinics, and other public agencies shall cooperate fully with the director in the performance of the director's duties under this chapter.

30-5-7. Confidentiality of public records.

All records pertaining to the abuse, neglect, or exploitation of disabled adults or elder persons in the custody of the department shall be confidential; and access thereto by persons other than the department, the director, or the district attorney shall only be by valid subpoena or order of any court of competent jurisdiction. Nothing in this Code section shall be construed to deny law enforcement personnel who are conducting an investigation into any criminal offense in which an elder person is a victim from having access to such records. (2) Except as otherwise provided in Title 16, any person violating the provisions of this subsection shall be guilty of a felony and, upon conviction, shall be punished by imprisonment for not less than one nor more than five years.

(b)(1) It shall be unlawful for any person or official required by paragraph (1) of subsection (a) of Code Section 30-5-4 to report a case of disabled adult or elder person abuse to fail knowingly and willfully to make such report.

(2) Any person violating the provisions of this subsection shall be guilty of a misdemeanor.

30-7-2.	Definitions.		
30-7-3.	Individualized education program for blind students; evaluation of Braille skills.		

Editor's notes. — The former chapter consisted of Code Sections 30-7-1 through 30-7-5, relating to an advisory commission on programs for the visually impaired and the hearing impaired, and was based on Ga. L. 1988, p. 1979, § 1 and Ga. L. 1990, p. 1943, § 1.

30-7-1. Short title.

This chapter shall be known and may be cited as the “Blind Persons’ Literacy Rights and Education Act.” (Code 1981, § 30-7-1, enacted by Ga. L. 1994, p. 1796, § 3.)

30-7-2. Definitions.

As used in this chapter, the term:

(1) “Blind student” means an individual who is eligible for special education services and who:

(A) Has a visual acuity of 20/200 or less in the better eye with correcting lenses or has a limited field of vision such that the widest diameter subtends an angular distance of no greater than 20 degrees; or

(B) Has a medically indicated expectation of visual deterioration.

(2) “Braille” means the system of reading and writing through touch commonly known as standard English Braille.

(3) “Individualized education program” means a written statement developed for a student eligible for special education services pursuant to Section 602(a)(20) of Part A of the Individuals with Disabilities Education Act, 20 U.S.C.A. Section 1401(a)(20). (Code 1981, § 30-7-2, enacted by Ga. L. 1994, p. 1796, § 3.)

30-7-3. Individualized education program for blind students; evaluation of Braille skills.

(a) Each blind student must be identified and, if appropriate, offered an individualized education program in consultation with a parent or legal

guardian. While Braille is not required, it is presumed that Braille reading and writing are valuable skills and as needed are to be considered in the student's transition plan.

(b) No child who is blind may be denied the opportunity to receive instruction in Braille reading and writing if the child has the ability to read and write print.

(c) Each blind student shall be evaluated to determine the need for Braille skills. The purpose of the evaluation shall be to determine the appropriate reading and writing media for the individual child.

(d) Nothing in this Code section shall require the inclusion of Braille in a blind student's individualized education program. (Code 1981, § 30-7-3, enacted by Ga. L. 1994, p. 1796, § 3.)

30-7-4. Elements of individualized education program.

(a) Instruction in Braille reading and writing shall be sufficient to enable each blind student to communicate effectively and efficiently with the same level of proficiency expected of the student's peers of comparable ability and grade level.

(b) For a student whose visual impairment affects the student's reading and writing performance in relation to the student's ability such that Braille instruction and use are indicated, an individualized education program shall include the following:

(1) The results obtained from the evaluation required under Code Section 30-7-3;

(2) How instruction in Braille will be implemented as the primary mode for learning through integration with other classroom activities;

(3) The date on which Braille instruction will commence;

(4) The length of the period of instruction and the frequency and duration of each instructional session; and

(5) The level of competency in Braille reading and writing to be achieved by the end of the period and the objective assessment measures to be used.

(c) For a student whose reading and writing performance is evaluated as commensurate with the student's ability despite visual impairment so that Braille instruction and use are not required for the student's individualized education program, the minutes of the individualized education program meeting shall include a statement which documents that the absence of Braille instruction or use will not impair the student's ability to read and write effectively. (Code 1981, § 30-7-4, enacted by Ga. L. 1994, p. 1796, § 3.)

30-10-1. Legislative findings.

The General Assembly finds and declares the following:

(1) It is an essential function of state government to provide basic support for persons with one or more mental or physical impairments that substantially limit one or more major life activities, whether the impairments are congenital or occur by reason of accident, injury, age, or disease;

(2) The cost of providing basic support for persons with mental or physical impairments is difficult for many citizens to afford, and they are forced to rely upon the government to provide that support;

(3) The families and friends of persons with mental or physical impairments desire to supplement, but not replace, the basic support provided by state government and other governmental programs;

(4) Medical, social, and other supplemental services are often provided by family members and friends of persons with mental or physical impairments for the lifetime of the impaired persons; and

(5) It is necessary and desirable for the public health, safety, and welfare of the citizens of this state to encourage, enhance, and foster the ability of family members and friends of those individuals with mental or physical impairments to supplement, but not to replace, the basic support provided by state government and other governmental programs and to provide for medical, social, or other supplemental services for those persons with impairments. 30-10-6. Qualification of trust; documents; life beneficiaries; trustees and cotrustees; income; transfers; distributions and expenditures.

(a) The board of trustees shall take all steps necessary to satisfy all federal and state laws to ensure that the community trust is qualified to supplement the provision of government funding for persons with one or more impairments and, where necessary, is qualified as a tax-exempt entity under the United States Internal Revenue Code.

(b) The documents establishing a community trust shall include and be limited by the following:

(1) To be eligible to participate in a community trust, a life beneficiary must suffer from one or more impairments as defined in this chapter;

(2) A community trust may accept contributions from any source, so long as basic eligibility requirements are satisfied, to be held, administered, managed, invested, and distributed in order to facilitate the coordination and integration of private financing for individuals who have one or more impairments, while maintaining the eligibility of those individuals for government funding. All contributions and the earnings of a community trust shall be administered as one trust for purposes of investment and management of funds. Notwithstanding the administration as one trust for investment and management, one or more separate accounts shall be established for each designated life beneficiary. The net income earned after deducting administrative expenses shall be credited to the accounts of the life beneficiaries, in proportion to the amount of the contribution made for each life beneficiary to the total contributions made for all life beneficiaries;

(3) Every donor shall designate a specific person as the life beneficiary of the contribution made by the donor. In addition, each donor shall

name a cotrustee and a successor or successors to the cotrustee to act with the trustees of the community trust on behalf of the designated life beneficiary. A life beneficiary or the spouse of a life beneficiary shall not be eligible to be a cotrustee or a successor cotrustee;

(4) If a donor designates himself or herself or his or her spouse as the life beneficiary, then the account of the life beneficiary shall, regardless of any other provision of this chapter, meet the following additional conditions:

(A) The contribution or contributions of the life beneficiary or his or her spouse to the community trust shall be irrevocable;

(B) The funds remaining in the life beneficiary's account upon the death of the life beneficiary shall, to the extent such funds result from contributions made by the life beneficiary or his or her spouse, be subject to the state reimbursement requirements of federal laws governing community trusts, including paragraph (4) of subsection (d) of 42 U.S.C. Section 1396p as applied by this state. Any funds remaining after satisfaction of such requirements shall be distributed as the donor has designated in writing, and if there is no such designation or should distribution to those designated by the donor be impossible, then to a successor trust; and

(C) Neither the donor nor the donor's spouse shall serve as cotrustee;

(5) During his or her lifetime, any donor who has not designated himself or herself or his or her spouse as the life beneficiary may revoke any contribution made to a community trust. Notwithstanding the first sentence of this paragraph, any donor may, at any time, voluntarily waive the right to revoke. Upon revocation, an amount equal to the current fair market value of the balance of the life beneficiary's account in the community trust as determined on the date of revocation shall be returned to the donor;

(6) The cotrustee and the trustees annually, or more frequently, shall agree on the amount of income or principal, or both, to be used to provide noncash benefits and the nature and type of benefits to be provided to the life beneficiary. Such permissible benefits shall include, but not be limited to: more sophisticated dental, medical, and diagnostic work or treatment than is otherwise available from public assistance; private rehabilitative training; supplementary educational aid; entertainment; periodic vacations and outings; expenditures to foster the interests, talents, and hobbies of the life beneficiary; and expenditures to purchase personal property and services which will make life more comfortable and enjoyable for the life beneficiary but which will not defeat the life beneficiary's eligibility for public assistance. Expenditures may include payment of the funeral and burial costs of the life beneficiary. The

trustees and cotrustee may exercise discretion to make payments from time to time for a person to accompany the life beneficiary on vacations and outings and for the transportation of the life beneficiary or of friends and relatives of the life beneficiary to visit the life beneficiary. Expenditures shall not be made for the primary support or maintenance of the life beneficiary, including basic food, shelter, and clothing if, as a result, the life beneficiary would no longer be eligible to receive public benefits or assistance for which the life beneficiary would otherwise be eligible. Any net income which is not used shall be added annually to the principal;

(7) Any cotrustee may, for good and sufficient reason upon written notice to the trustees and a determination by the board of trustees that the reason for the transfer is good and sufficient or upon the issuance of a notice of termination by the board of trustees, transfer all of the current fair market value of the balance of the life beneficiary's account in the trust as determined on the date of transfer to another trustee to be held for the sole benefit of the life beneficiary during his or her life; provided, however, that if such a transfer involves funds contributed by the life beneficiary or his or her spouse, any trustee to whom funds are so transferred shall acknowledge in writing the right of the state to reimbursement as provided in 42 U.S.C. Section 1396p(d)(4). In no event shall a cotrustee be entitled to transfer only a portion of the current fair market value of the life beneficiary's account in the trust;

(8) If a life beneficiary for whose benefit a contribution has been made to the trust ceases to be eligible to participate in the trust, and neither the donor nor the cotrustee revokes or withdraws the contribution, then the board of trustees may, by written notice to the donor or cotrustee, terminate the trust as to such life beneficiary. Upon termination, the board of trustees shall distribute the fair market value of such life beneficiary's account in the trust to the person or persons the donor has designated; provided, however, that if the donor has failed to designate a person or persons for distribution in this event or if a distribution to the designated person or persons is impossible, the board of trustees shall distribute the fair market value of such life beneficiary's account in the trust to the trustee of the successor trust to be held, administered, and distributed by the successor trustee in accordance with the successor trust described in paragraph (10) of this subsection;

(9) Upon the death of the life beneficiary, then an amount equal to the current fair market value of the balance of the life beneficiary's account in the trust, as determined on the date of death, less payment of funeral and burial costs of the life beneficiary and satisfaction of any lien as provided in paragraph (4) of this subsection, shall be distributed to the person or persons the donor has designated; provided, however, that if the donor has failed to designate a person or persons for distribution in

this event or if a distribution to the designated person or persons is impossible, the board of trustees shall distribute the fair market value of such life beneficiary's account to a successor trust. To the extent this provision must be modified for the life beneficiary to remain eligible for government benefits, such modifications shall be made; and

(10) The trustee of the successor trust shall hold, administer, and distribute the principal and income of the successor trust, in the discretion of the trustee, for the maintenance, support, health, education, and general well-being of indigent persons suffering from one or more impairments, recognizing that it is the purpose of the successor trust to supplement, not replace, any government benefits for the beneficiary's or beneficiaries' basic support for which the beneficiary or beneficiaries may be eligible and to improve the quality of the beneficiary's or beneficiaries' life by providing him, her, or them with those amenities which cannot otherwise be provided by public assistance or other available sources. Permissible expenditures include, but are not limited to: more sophisticated dental, medical, and diagnostic work or treatment than is otherwise available from public assistance; private rehabilitative training; supplementary educational aid; entertainment; periodic vacations and outings; expenditures to foster the interests, talents, and hobbies of the beneficiary or beneficiaries; and expenditures to purchase personal property and services which will make life more comfortable and enjoyable for the beneficiary or beneficiaries but which will not defeat his, her, or their eligibility for public assistance. Expenditures may include payment of the funeral and burial costs of the beneficiary or beneficiaries. The trustee of the successor trust, in his or her discretion, may make payments from time to time for a person to accompany a beneficiary on vacations and outings and for the transportation of a beneficiary or of friends or relatives of a beneficiary to visit a beneficiary. Any undistributed income of the successor trust shall be added to the principal from time to time. Expenditures shall not be made for the primary support or maintenance of a beneficiary, including basic food, shelter, and clothing, if, as a result, a beneficiary would no longer be eligible to receive public benefits or assistance for which such beneficiary would otherwise be eligible.

(c) The nonprofit organization administering the community trust may receive a distribution of trust assets as payment for services rendered to the life beneficiary or if the assets distributed are used solely for the benefit of the life beneficiary. The nonprofit organization administering a successor trust may receive a distribution of trust assets as payment for services rendered to a beneficiary or if the assets are used solely for the benefit of a beneficiary.
